### **Secure Your Account** Completing this step makes your account more secure

To **protect your account**, you'll set up extra security called multi-factor authentication (MFA). MFA uses a one-time passcode that is sent to your phone or generated via a mobile app each time you log in.

### **STEP 1**

**Choose an MFA option.** You can receive a passcode via text message or phone call. You can also choose one of the other listed methods which use a phone app or physical key fob to securely send the passcode.

### **STEP 2**

Most people choose to send the passcode to their phone. **Just enter your phone number** and then check your text messages or answer the phone to receive your 6-digit passcode.

### STEP 3

Back on your browser, **enter the 6-digit passcode** and click continue.

### **STEP 4**

If you want, you can **generate and save a recovery code**. The recovery code allows you to access your account even if you don't have the phone or device you used to set up MFA.

## **Verify Your Identity**

# Completing this process once also allows you to access other sites that offer ID.me as a sign-in option.

**Proving your identity** is as simple as uploading a photo of your government ID and taking a selfie. By verifying your identity through ID.me, your state unemployment agency ensures that you, and only you, are able to receive access to your unemployment benefits.

VERIFY YOUR IDENTITY There are several options for you to verify your Identity and this process only uses a few minutes.

### STEP 1

Choose a document type to submit: driver's license, state ID, passport, or passport card.

### STEP 2

Either **upload existing photos** from your desktop OR **type in the phone number** of a cell phone that can take pictures. If you choose to take pictures with your phone, ID.me will text you a secure link that will open your phone camera.

### STEP 3

Follow the instructions to **take pictures of your ID.** For a driver's license, state ID, or passport card, remember to take a photo of the front and back. When you're satisfied with the photos, click continue.

### **STEP 4**

Follow the instructions to take a **video selfie**. Ensure you're in a well-lit area. You'll be asked to look at the colors on your phone screen while ID.me takes a short video selfie to verify that you're really you.

### STEP 5

The final step to verify your identity is to enter your Social Security number. Why does ID.me ask for this?

## **Confirm and Authorize**

You're almost there!

The last step is to confirm your information and authorize ID.me to securely share your identity verification information with your state unemployment agency. ID.me will never share your information without your permission.

### **STEP 1**

Make sure that all your information is **accurate and complete.** If it is, check the box attesting that the information is accurate, and then click continue. If not, hit the edit buttons to make changes.

### **STEP 2**

You'll see a message saying that your identity has been successfully verified. By clicking **"Allow and continue,"** ID.me will be able to send your information to the agency and you will be granted access to your account.
