Is Your Therapist Board Certified?
TRUST THE THERAPISTS WHO KNOW YOUR BODY BEST: McDONALD AND KEIL PHYSICAL THERAPY
 Certification is a rigorous testing process which evaluates each therapist's knowledge of the body and it's bones, joints & nerves plus treatment of any problems associated with them. The process is so stringent out of 4,000 physical therapists, only 50 in Colorado have achieved this certification & the **ONLY 2** in northeastern Colorado are on our staff.
