Message from the Principal

What does it mean to be a student at Coral Reef Senior High School?

You are attending a school that has demonstrated excellence consistently and, as a result, has repeatedly been designated an "A" school by the State of Florida.

You are a member of one of six magnets, each a unique program in Miami-Dade County, yet you embrace the honor of being a citizen of 'Cuda' Country.

You are a thoughtful, considerate, and capable young woman or man who has accepted the challenge of becoming or continuing the tradition of excellence and achievement that has been established by those who are our graduates and by their awards, honors, and distinctions too numerous to mention.

You are a student who desires a world-class education defined by rigor and critical thinking as well as by mastery of 21st Century technology skills.

You are in a School of Excellence which fosters success. "Welcome Home" and prepare to pave a path to a successful future.

It is, then, with high expectations for an exceptional year that I welcome you to the 2017-2018 school year. It is your good fortune to be a student in the best environment that Miami-Dade County Public Schools has to offer. Each staff member is prepared to aid you in attaining your personal goals and highest level of success.

Study diligently, involve yourself in extra-curricular activities, and serve your community. Make this year one of the best and most memorable--a time to cherish always.

Welcome and go 'Cudas!

Students may only be released from school to the persons listed on the form after presenting a picture identification. No persons, other than school staff, will have access to the information submitted.

All fieldtrips must be approved by the principal and Region Superintendent. Participation in fieldtrips requires that the student present a fieldtrip form signed by the parent/guardian to his/her teacher(s) in advance. In addition, at times vendors who have a “no refund” policy will require schools to pay the full amount of the fieldtrip prior to the event. In this case, students/parents will be notified in advance of the vendor’s “no refund” policy.

Homework

Principals are encouraged to work with teachers and parents to implement guidelines found in [Homework Policy 2330](#). Teachers are required to provide students with make-up assignments once the absence has been excused; however, it is the responsibility of the student to request the assignments from the teacher(s). Additionally, School Board Policy 2330 states that high school students should have an average of 120 minutes per night of homework in addition to 30 minutes required for reading.

Interscholastic Athletics/Intramurals

Athletic programs are offered at K-8 Centers, middle schools and high schools. At the middle schools, athletics consists of intramural and interscholastic programs. At the high school level, interscholastic programs are offered at most senior high schools.

For participation in interscholastic athletics at the middle school level, a student must have a 2.00 GPA in conduct and academics to participate. His or her parent must sign the M-DCPS *Middle School Athletic Program Consent and Release from Liability Certificate*. For participation in

Protocol for Addressing Concerns

For issues involving an individual teacher or class, parent/guardian address their concerns to the following individuals in the order below.

MIAMI-DADE COUNTY PUBLIC SCHOOL PARENT/STUDENT HANDBOOK

Recess

Recess is supervised, unstructured playtime where children have choices, develop rules for play and release energy and stress. Recess will be conducted outdoors when weather permits. In the case of inclement weather, appropriate recess activities will be conducted indoors.

Schools shall provide at least 100 minutes of supervised, safe, and unstructured free-play recess each week for students in kindergarten through grade 5, so that there are at least 20 consecutive minutes of free-play recess per day.

Safety and Security

- ***Code Yellow/Code Red***

In the event of an emergency, the primary responsibility of all school personnel is to provide for the safety of all students. In the event a school administrator announces a possible threat to students and staff safety exists within the community (Code Yellow), or an imminent threat to students and staff safety exists within the school (Code Red) students, faculty and staff will comply with all the procedures outlined in the Miami-Dade County Public Schools Critical Incident Response Plan and remain on lockdown until a school administrator makes an "All Clear" announcement.

MIAMI-DADE COUNTY PUBLIC SCHOOL PARENT/STUDENT HANDBOOK

- **Emergency Operations Plan**

Student and employee safety is a primary concern of the Miami-Dade County Public School (M-DCPS) System. The Emergency Operations Plan (EOP) was created to provide school personnel with the necessary leadership skills and knowledge needed to respond to critical incidents or other related emergencies that may occur in our schools/community. All schools have a site-specific plan to address all types of critical incidents. These plans address the individual needs of the school, and provide guidelines for devising methods for communicating with the staff, students, parents/guardians, and the media during a critical incident or an emergency. Some of the protective action procedures include the evacuation of students/staff from the building(s), evacuation of the disabled and if necessary the relocation of students/staff from the school campus, lockdown procedures and holding/dismissing students during school and community emergencies. Some important tips for parents/guardians to remember during a Critical Incident are as follows:

- Remain calm;
- Monitor media outlets for updates and official messages from M-DCPS;
- Do not flood the school with telephone calls; and
- If the school is on lockdown, wait until the lockdown is lifted before going to the school.

All school administrators, Region Center Superintendents/Directors and all M-DCPS Police officers have been adequately trained in the school EOP and are prepared to respond immediately during a critical incident or emergency to provide safety for all children.

- **Fire Drills**

Ten fire drills will take place during the school year according to the Miami-Dade County Public Schools Policy and Emergency Procedures. At the sound of the emergency bell, students must stop what they are doing and follow the teacher's instructions. Students must clear the building promptly by the prescribed route. Any student who is in the hallway or the restroom at the sound of the emergency bell must proceed to the nearest exit and locate the teacher. Students, teachers and staff must remain outside the building until permission is given to re-enter.

- **Visitors**

Due to legal regulations, students are not permitted to have guests attend school with them at any time. Parents/guardians are always welcome and tours may be arranged to view the school. Classroom visits require a 24-hour notice. Visitors must first register with security at the main entrance, sign-in, produce photo identification, and then proceed to

MIAMI-DADE COUNTY PUBLIC SCHOOL PARENT/STUDENT HANDBOOK

register in the main office. Anyone who fails to follow these procedures will be considered a trespasser and is subject to arrest.

School Activities/Clubs

School Activities, clubs, and organizations must be approved by the principal and conform to the district policies 5845 - Student Activities, 5830 - Student Fundraising and 9211 – Parent Organization, Booster Clubs, and Other Fund-Raising Activities.

- **Clubs**

Miami-Dade County Public Schools’ students may participate in a wide variety of activities, including student council, subject-area clubs, honor societies, service clubs, school publications and class activities. School-sponsored clubs may be curriculum-related or noncurriculum-related.

Curriculum-related clubs are student groups whose goals are an extension of the activities and objectives in a particular subject area within the school's curriculum. Conversely, noncurriculum-related clubs are student groups whose goals are special interest oriented and not directly related to the curriculum. Meetings of noncurriculum-related clubs may be scheduled only at times when instruction is not taking place, either before or after school.

School Center for Special Instructions (SCSI)

School administrators may elect to assign students to the School Center for Special Instruction (SCSI) as an alternative to suspension from school. SCSI is designed to provide strategies and resources to students focused on learning new behavior skills. When misconduct in a class results in an assignment to SCSI, the student should be removed from only the class in which the misconduct occurred. Continued misconduct can result in the removal from all classes.

Students are assigned to SCSI for violation of the Code of Student Conduct. SCSI is considered an excused absence from class, therefore, the student is responsible for completing work missed while assigned to SCSI

School Class Picture Process

The school class picture monies will no longer be collected by school staff for this activity. Collection of monies will be conducted by the photographer and/or photographer's staff.

At no time, shall a staff member, parent, volunteer, or member of a school-allied organization such as the PTA handle school class picture monies.

School Transportation

Miami-Dade County Public Schools will transport more than 60,000 students a day this school year, using a fleet of 1,300 buses on nearly 1100 school-bus routes. The service is for students who live more than two (2) miles from their assigned school and for special needs students.

Before school begins, parents/guardians of all students eligible for bus transportation will receive a post card from the school district identifying the student's bus stop and times of pick up and delivery. Information on student bus assignments will be posted on the Parent Portal at www.dadeschools.net. The information on bus assignments on the Parent Portal is updated each night. Parents/guardians are encouraged to check the Parent Portal throughout the school year to obtain the most current information on their children's bus assignment.

Parents interested in determining their child's transportation eligibility should contact their child's school for information.

Special Education

The School Board of Miami-Dade County ensures that all students suspected of having a disability are identified, evaluated, and provided appropriate, specially designed instruction and related services, if it is determined that the student meets the state's eligibility criteria and the parent/guardian consents to initial placement.

MIAMI-DADE COUNTY PUBLIC SCHOOL PARENT/STUDENT HANDBOOK

As the parent/guardian of a child with disabilities, you are a very important member of the team that plans your child's education. Be informed and get involved. If you have any questions, please contact your child's school. Staff from the special education department and your child's student service provider will help to answer your questions. Additional information may also be found at <http://ese.dadeschools.net/>.

Student Records

Parents, guardians and students are protected by The Family Educational Rights and Privacy Act and the Florida Statutes from individuals' access to information in students' educational records, and are provided the right to challenge the accuracy of these records. These laws provide that without the prior consent of the parent, guardian or eligible student, a student's records may not be released, except in accordance with the provisions listed in the above-cited laws. The laws provide certain exceptions to the prior consent requirement to the release of student records, which include, but are not limited to, school officials with a legitimate educational interest and lawfully issued subpoenas and court orders.

Each school must provide to the parents, guardians or eligible students annual notice in writing of their right to inspect and review student records. Once a student reaches 18 years of age or is attending an institution of post-secondary education, the consent is required from the student only, unless the student qualifies as a dependent under the law.

Student Services

The program structure supports educational reform initiatives and takes into consideration current social climate and the unique issues faced by the multicultural/multilinguistic populations enrolled in Miami-Dade County Public Schools.

Student Success Centers

The Student Success Centers provide an educational setting and safe-haven for referred students (ages 11 and older) exhibiting Level III-IV behavior and (with Region approval) habitual Level II infractions of the Code of Student Conduct.

Toolkits

- [Back to School Toolkit](#)

Transgender

The School Board of Miami-Dade County has adopted comprehensive anti-discrimination and anti-bullying policies that require all students be treated with respect regardless of their unique characteristics, including sexual orientation or gender identity. Every student has the right to learn in a safe and accepting school environment and schools have a responsibility to provide a safe and nondiscriminatory environment for all students, including transgender and gender nonconforming students.

MIAMI-DADE COUNTY PUBLIC SCHOOL PARENT/STUDENT HANDBOOK

These guidelines are intended to promote a positive, proactive approach that upholds and protects the rights of transgender and gender nonconforming students; and best practices to ensure that transgender students and gender nonconforming students have equitable access to all aspects of school life (academic, extracurricular and social) in ways that preserve and protect their dignity.

Verifications of Residency

If verification is not provided or acceptable, the Superintendent may verify the student's residence.

Academics

- 2235 - MUSIC, ART, AND PHYSICAL EDUCATION
 - Music, art, and physical education are fundamental subjects in the school's curriculum because they contribute to every child's academic and social development. Art and Music education helps level the "learning field" across socio-economic boundaries while strengthening student problem-solving and critical thinking skills and contributing to the overall academic achievement of students.

- 2240 - CONTROVERSIAL ISSUES AND STUDENT EXPRESSION
 - Students are encouraged to participate in discussions, speeches, and other expressions in which many points of view, including those that are controversial, are freely explored. A controversial issue is a topic on which opposing points of view have been promulgated by responsible opinion or likely to arouse both support and opposition in the community.

- 2370.01 – VIRTUAL INSTRUCTION
 - The enrollment period for the District-operated full-time virtual instruction program, Miami-Dade Online Academy, opens in the spring of each school year for a minimum of ninety days and closes thirty days before the first day of the school year.

- 2421 - K-12 CAREER-TECHNICAL EDUCATION PROGRAM
 - Career-technical education is designed to provide career and technical education experiences. These experiences will complement and reinforce academic concepts that are particularly amenable to contextualized learning in a distinct career area and provide occupationally specific skills.

- 2440 - SUMMER SCHOOL
 - The School Board may conduct a summer program of academic instruction for students in grades K-12 and Special Education (SPED) students needing extended school year services as identified in their Individual Education Plan (I.E.P.). The Board may also choose to implement summer enhancement programs, contingent upon available funding. The Board shall provide transportation for full-time SPED students and other students as appropriate.

- 2510 – INSTRUCTIONAL MATERIALS AND RESOURCES
