## **Wildcat Basketball Camps**

The Wildcat Camp is geared to make everyone a better basketball player. Special emphasis is placed on “**THE FUNDAMENTALS**”, the foundation of great players. Campers will be instructed in all areas of the game. One on one, three on three and five on five competitive play plus competitive drills will be used. The commitment to go to a day camp was made to give the parents more value for their dollar and to maximize the basketball experience for the campers. Our goal is to have our campers channel the instruction received in camp into many hours of dedicated work and fun with the game of basketball.

Hope to see you this summer!
