How to update your local address in Cal Central

Log in and click your name/photo in top right and select "profile"

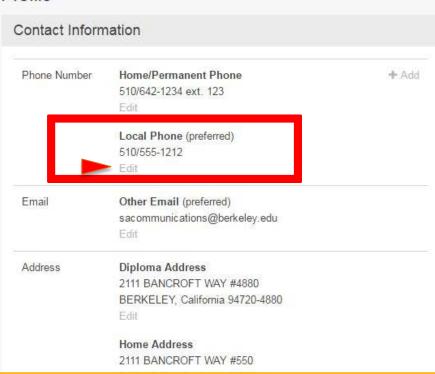

Click "Contact Information" from left side menu

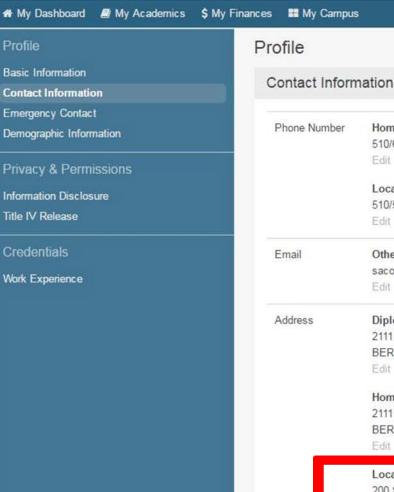

Profile

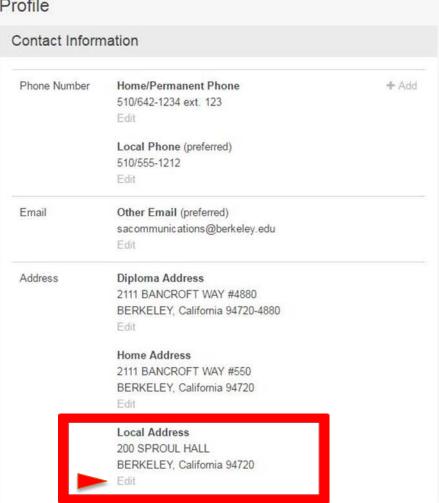

Select "edit" next to Local Phone number at top of page and enter your 10-digit local (US) phone number

Select "edit" next to Local Address

To update your Local address

Line 1: Enter your address number first, followed by the street name.

Line 2: Add the apartment or room number. You do not need to include the name of the building.

Line 3: Blank

City: Enter Name of the US City you live in

State: California

Zip Code: Five digit number for your Area. Cities like Berkeley and San Francisco have many Zip Codes in the same city. Use the right one for your address.

Your permanent address should remain your foreign address.

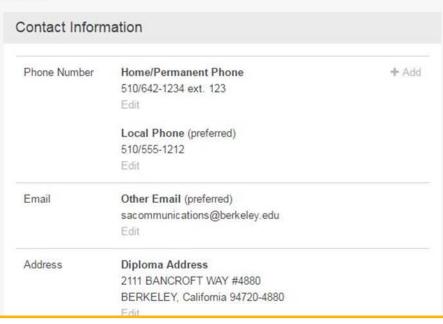

Profile

My Campus

Any other format of street address could cause validation issues with your visa record, so it is important to follow this exact format
