### How will I know if I am eligible?

After the attached form is processed, you will be notified by the Direct Loan Servicing Center of your loan eligibility. Generally, you are eligible if:

- You filed the Free Application for Federal Student Aid (FAFSA) for this academic year
- You do not have an adverse credit history (a credit review will be completed beginning in August)
- You are not in default on a federal student loan (including Federal Direct PLUS loan)
- You meet the other eligibility requirements outlined on your loan application

### What's next?

- If you have not borrowed a PLUS loan for this student in the past, please complete the PLUS Master Promissory Note at [studentloans.gov](http://studentloans.gov). The parent completing this form **must** be the parent that completes the MPN.

### What is the interest rate for a PLUS loan?

The PLUS loan has a fixed interest rate of 7.10% for loans disbursed July 1, 2019 through June 30, 2020. PLUS loans will also have an origination fee of 4.264% at each disbursement.

### When will repayment begin?

Parents have the option of beginning repayment either 60 days after the loan is fully disbursed, or six months after the dependent student, on whose behalf the loan was obtained, ceases to be enrolled at least half time. Your assigned loan servicer manages the repayment of PLUS loans. If a parent borrower wishes to select the delayed repayment option, they need to contact their federal loan servicer. Interest accrues as soon as the first disbursement is made, including periods of deferment. You will have from 10 to 30 years to repay depending upon the repayment plan you select.

### What if my PLUS loan is denied due to the result of my credit review?

If your PLUS loan is denied due to the result of your credit review, you will receive notification from the Direct Loan Servicing Center. You may choose from the following options:

- You may try to have a credit status override completed by the Direct Loan Servicing Center. Please contact the Direct loan Servicing Center at 1-800-557-7394. You will need to complete the PLUS Credit Counselling at [studentloans.gov](http://studentloans.gov) as part of this process.
- You may have a third party endorser cosign the PLUS loan application with you. Go to [studentloans.gov](http://studentloans.gov), sign in to your account and select the Endorse Direct Plus loan. If additional information is needed, please contact the Direct Loan Servicing Center at 1-800-557-7394. You will need to complete the PLUS Credit Counselling at [studentloans.gov](http://studentloans.gov) as part of this process.
- You may choose not to pursue the denied PLUS loan and your student may borrow additional funds for the current academic year through the Unsubsidized Federal Direct Loan Program. The additional Unsubsidized loan is very limited and may not replace the same dollar amount as the PLUS loan offer. If you need funds up the amount of the PLUS loan offer, other alternative loan options are available. Please see [www.ewu.edu/financialaid](http://www.ewu.edu/financialaid) for information on Alternative Loans.
