4. Cost basis for inherited assets

Please consult a tax advisor with assistance in completing the appropriate information below:

A. For **individually** owned assets, beneficiaries will receive the Fair Market Value (FMV) based on the price per share on the decedent's date of death as the basis for their portion of inherited shares unless the personal representative or affiant provides a different cost basis. If so, please include written and signed instructions.

B. For assets owned by **more than one** tenant:

Apply the FMV on the decedent's date of death using one the following (please select **one**):

The decedent's percentage of the account for basis reporting: _____%

Shares will receive the FMV on the decedent's date of death and shares will receive a long-term holding period for subsequent redemptions.

The surviving/remaining tenant's percentage of the account for basis reporting: _____%
Total must equal 100%

Shares will retain the original cost and holding period from the previous account.

Apply the specific instructions or alternate value indicated on the signed written statement that I have included with this form. *(Please include the fund and account number, the adjust basis dollar amount and the share amount on the written request.)*
