## Project Overview

Carebridge has resourced summer camps within a 10-mile radius for Swarthmore College. Many of these camps also offer a Leadership in Training (LIT) or Counselor in Training (CIT) program for teens. Camps do not always advertise that they offer these training programs. We encourage you to ask about LIT and CIT programs when contacting the camp. Please note that this is not a comprehensive list, but a selection of the many camps in your area.

We have not screened or checked these programs in any way. While we are happy to support you with the information requested, Swarthmore employees bear sole responsibility for determining the appropriateness and performance of the individual programs in meeting their needs.

Carebridge Child Care Specialists are available for additional resources such as volunteer opportunities, overnight camps, specialty camps, township camps and day care centers with summer programs. We are happy to assist you and please contact Carebridge if you need further information or have questions.
