Our Mission

Insurance Agency Marketing, an independent insurance brokerage agency, is committed to the principles of service, integrity and professionalism while providing you, our valued agents, the highest quality of service with the goal of exceeding your expectations. Building trust and fostering lasting relationships are the essence of who we are and a fundamental part of our company values.

Introduction

Here at IAMS, everything we do is completed at a high standard with the producer in mind; our Creative Department is one example of this excellence. Our team of marketing professionals work on the front line of your branding efforts as they work alongside your sales directors to maximize your production opportunities.

We provide the same level of service as an independent advertising firm to our agents. From print to digital, our Creative Team is able to assist with all your marketing needs. They always put their best foot forward to ensure your branding campaign achieves desired results and positions your business for future growth.

Agent Work

Your brand identity is the foundation of your marketing efforts. Because of that, we pay close attention to help develop your dream. Business cards, informational client-facing documents, websites and much more all begin with your brand. Our marketing experts craft materials you can utilize in all aspects of your advertising efforts – on and offline. The only limit to what we can do for you is your own imagination.

IAMS LOGO LIBRARY

We work directly with you to gain a full understanding about your ideas and concepts, while learning about your company at the same time. Developing a logo is the first step to developing your unique brand identity.
