Foot Relief Insoles LLC

Visit website <http://www.footreliefinsoles.com>

Foot Relief Insoles offers a glycerin filled gel shoe insole which has been proven to be a leading seller when tested by customers against leading brands. We sell wholesale to resellers and drop shippers. We also have a separate affiliate program.

Foot Relief Insoles is the manufacturer so you can rest assured you are being offered the lowest prices. We also have booth displays, signs, logos, and marketing materials available.

All insoles come with a two year manufacturer warranty against damage or defects. We take care of all warranty replacements for your customers and replace insoles under warranty that are exchanged directly through our resellers.

All insoles sold are directly linked to the referring reseller for life using a unique code that

activates the warranty at the time of sale. This ensures you get paid for reorders through the corporate office that often occur after your initial sale.
