## National Credit Union Youth Month™ April 1-30, 2019

Picture your future and then let Connects Federal Credit Union help you save for it! This April, we will be celebrating National Credit Union Youth Month by helping our young members discover, express and share their plans for the future. We invite you to bring your child in to the Credit Union throughout the month of April as we teach and encourage our young members to develop good financial habits. If they don't have a credit union account of their own yet, this will be the perfect opportunity to open one!

## COMMUNITY CONNECTION
