

State of California Unclaimed Property Holder Handbook

April 2022

Controller Betty T. Yee
California State Controller's Office

The handbook is a compilation of statutes relative to the State of California's unclaimed property laws as enacted by the legislature and is meant solely as a reference source for holders. Moreover, the views expressed in the handbook are those of the State Controller's Office, Unclaimed Property Division, and such views are not for the purpose of providing legal advice to holders and such views do not have, nor are they in any way intended to have, any force and effect of law and/or carry the imposition of any interest or penalties for failing to follow or otherwise comply with such views.

Introduction

The State of California's Unclaimed Property Law (*Code of Civil Procedure*, section 1500 et seq.) requires organizations to review their records annually to determine if they are holding any funds, securities, or other properties that have been unclaimed for the required dormancy period. "Holders" include business associations, banking and financial organizations, life insurance corporations, and others holding property belonging to another person. The Unclaimed Property Law requires these holders to report such unclaimed property to the California State Controller's Office (SCO).

The State Controller accepts the Standard NAUPA II format which is the national standard for reporting unclaimed property to all states. This format will expedite processing and ensure accurate processing of the reported information. For free unclaimed property reporting software, please visit the National Association of Unclaimed Property Administrators ([NAUPA](#)) web site. This software will prepare and encrypt your file in the property format (encrypted .hde).

This handbook is not intended to be the sole source of information regarding the holder's legal obligations under the Unclaimed Property Law. Each organization should review the entire law to ensure that it meets all reporting requirements. Review of the law should be ongoing, as revisions to the statutes may cause changes in reporting requirements.

To ensure complete, accurate, and timely reporting of unclaimed property, this handbook and all related materials should be forwarded to the person(s) in the organization responsible for the preparation of unclaimed property reports. Please note that when the reports are prepared by a reporting service, quality and accuracy remain the responsibility of the organization for which the report is prepared.

The State Controller is committed to making reporting requirements as simple as possible for the holder community. Unclaimed Property forms, reporting instructions, laws, and regulations are available on the State Controller's web site at [GoReport.sco.ca.gov](#). If you have any questions, contact the Holder Outreach and Compliance Unit at (916) 464-6088 or UPDHolderOutreach@sco.ca.gov. You may subscribe to our email list to receive automatic updates related to the reporting process and receive notifications for upcoming events at [sco.ca.gov/ucp_holder_notification_email.html](#).

Overview of the Reporting Process

The reporting process consists of two reports, the Holder Notice Report and the Holder Remit Report. The completion of due diligence by both the Holder and the State Controller is an important part of this process. The reporting steps are illustrated below and described on the next page. All steps are discussed in greater detail throughout each section of this handbook.

Holders Unclaimed Property Reporting Process Flowchart

Overview of the Reporting Process

Below is a description of the five basic reporting steps.

1. File Review for Unclaimed Property

Holders review their files annually to identify all reportable unclaimed property.

Perform 2. Holder Due Diligence

Holders are responsible for notifying owners about their property six to 12 months before the property becomes reportable to the State Controller.

3. Submit Holder Notice Report

The Holder Notice Reports are due before November 1 (before May 1 for life insurance companies) without the remittance of property. Any property received with the Holder Notice Report will be returned to the holder.

4. Respond to Owner Claims Resulting from SCO Notices

Holders are responsible for responding to all owner claims received prior to June 1 (December 1 for life insurance companies).

5. Submit Holder Remit Report and Remittance

The Holder Remit Reports are due between June 1 and June 15 (between December 1 and December 15 for life insurance companies). Property not claimed by the owner will be remitted along with the Holder Remit Report.

General Reporting Instructions

Who Must Report?

Holders of Unclaimed Property include business associations, banking and financial organizations, life insurance corporations, and other entities holding property belonging to another person. Holders are required to review their records each year to determine if they hold any property, whether tangible or intangible, that has remained unclaimed for the required dormancy.

Property must be reported to the State Controller's Office if conditions for escheat exist, as stated in the [CCP sections 1513 through 1521](#), and if:

- The last known address of the owner is in California; or
- There is no address for the owner in the holder's records or the owner is unknown, and the holder is domiciled in California; or
- The last known address of the owner is in a state that does not provide by law for escheat of such property; or
- The last known address of the owner is in a foreign country; and
- The holder is domiciled in California, or the holder is a government subdivision or agency of California.

1. Review Files for Unclaimed Property

What Must Be Reported?

Unclaimed property that must be reported includes, but is not limited to, the following:

- Life Insurance policy proceeds
- Money orders
- Travelers checks
- Safe-deposit box contents
- Intangible interest (stocks), dividends, bonds, interest and principal
- Property held by a business association
- Voluntary or Involuntary Dissolution or Liquidation of Property
- Intangible Property – Rebates

Life Insurance Policy Proceeds

A holder must report all funds held and owing by a life insurance corporation under any life or endowment insurance policy or annuity contract that has matured or terminated when such funds have remained unclaimed for more than three consecutive years after becoming due and payable. A policy will be deemed matured upon proof of death that may be identified through a declaration of death, death certificate, and comparison of the holder's records against the Social Security Death Master File or other equivalent resources available to the company. Interest, dividends, or other amounts earned must be reported and remitted along with the funds due on such policies.

[Law reference: CCP section 1515](#), Escheat Period: 3 Years

Money Orders

Any sum payable on a money order issued by a business association (including banking or financial organization) must be reported if:

- More than seven years have elapsed from the date it was payable, or
- If payable on demand, more than seven years have elapsed from the date of its issuance.

This includes any reasonable service charges that may lawfully be withheld (not to exceed \$0.25 per month or the aggregate amount of \$21.00).

[Law reference: CCP section 1513\(a\)\(5\)](#), Escheat Period: 7 Years

Travelers Checks

Any sum payable on a traveler's check issued by (not through) the organization and outstanding for more than 15 years must be reported.

[Law reference: CCP section 1513\(a\)\(3\)](#), Escheat Period: 15 years

Safe Deposit Box or Safekeeping Repository

Holders of unclaimed contents of a safe deposit box or safekeeping repository must report property that has been unclaimed by the owner for three years from the date in which the lease or rental period of the box or safekeeping repository expired, or from the date of termination of any agreement in which the box or any other repository was furnished to the owner without cost, whichever occurs last. Safe deposit contents shall not escheat if the owner has a savings or checking account with the holder that is active and not subject to escheat. Holders are required to send a notice to the owners of safe deposit boxes prior to reporting the property to the State Controller's Office.

For more information refer to the [Remitting Safe Deposit Box Contents](#) section in this handbook.

[Law reference: CCP section 1514](#), Escheat Period: 3 Years

Intangible Interest (Stocks), Dividends, Bonds, Interest, and Principal

Any dividend, profit, distribution, interest, payment on principal, or other sum held for or owed to a shareholder, certificate holder, bond holder, other security holder, or a participating patron of a cooperative, who has not claimed it or corresponded electronically or in writing with the holder or the holder's transfer agent concerning that property within three years, escheats to the State.

Any intangible interest in a business association, as evidenced by the stock records or membership records of the association, escheats to the State if the interest is owned by another person who has neither claimed a dividend or other sum nor contacted the holder within three years.

When stocks or other securities escheat, any dividend or other distribution attached to the stocks or security escheat at the same time. In the case of unclaimed intangible interest (stocks) or dividends, the issuing corporation is deemed to be the holder.

The stocks referred to herein are those of record belonging to the shareholder, whether or not a certificate has been issued to, or is in the hands of, the shareholder or holder.

Un-exchanged stock, unclaimed cash in lieu of fractional shares, or unclaimed cash held for the redemption of stock resulting from the merger, consolidation, acquisition, or similar event escheats beginning with the date on which the prior corporation lost contact with the owner and not the date of merger, consolidation, acquisition, or similar event.

Law reference: [CCP section 1516](#), Escheat Period: 3 Years.

Property Held by a Business Association

The following property types held or owing by a business association escheat to the State:

- Demand, saving and matured time deposits, and accounts subject to a negotiable order of withdrawal that are unclaimed for more than three years — unless the owner has owned another deposit or account with the banking organization that is not escheatable. No banking or financial institution may discontinue interest or dividends on any savings deposit because of inactivity ([CCP section 1513\(a\)\(1\)](#)).
- Drafts, certified checks, cashier's checks, and sums payable on any other written instruments for which a banking or financial organization is directly liable, when these instruments are outstanding for more than three years ([CCP section 1513\(a\)\(4\)](#)).
- Electronic money transfers via written instrument (draft) issued as a payment to the receiving consumer or returned to the initiating consumer that are outstanding for more than seven years ([CCP section 1513\(a\)\(5\)](#)).
- Electronic money transfers without a written instrument that are outstanding for more than three years ([CCP section 1520\(a\)](#)).
- Any funds held in an individual retirement account when the owner has not accepted payment of principal or income, increased or decreased the principal, or corresponded electronically or in writing or otherwise indicated an interest for more than three years after the funds became payable or distributable — unless the owner has owned another deposit or account with the banking organization that is not escheatable ([CCP section 1513\(a\)\(6\)](#)).
- Wages, salaries, commissions, and similar items held or owing in the ordinary course of the holder's business that remain unclaimed by the owner for more than one year after becoming payable ([CCP section 1513\(a\)\(7\)](#)).

Voluntary or Involuntary Dissolution or Liquidation of Property

All tangible or intangible property distributable in the course of a voluntary or involuntary dissolution or liquidation of a business association that is un- claimed by the owner within six months after the date of final distribution or liquidation escheats to the State. A Holder Remit Report, including an explanation letter, must be submitted by the holder ([CCP section 1517](#)).

Property of insurers or other persons brought under Article 14 (commencing with section 1010) of Chapter 1 of Part 2 of Division 1 of the Insurance Code that is unclaimed by the owner after six months of the date of final distribution shall be transferred to the Department of Insurance, with any proceeds from the sale of property and other funds to be deposited in the Insurance Fund for expenditures as provided in section 12937 of the Insurance Code.

Intangible Property - Rebates and Electronic Money Transmissions

All intangible personal property, such as rebates held or owing in the ordinary course of the holder's business, or incomplete electronic money transmissions (without a written instrument) that remain unclaimed by the owner for more than three consecutive years after becoming payable are escheatable ([CCP section 1520\(a\)](#)).

When Does Property Become Reportable?

Once property has remained unclaimed for the required dormancy period, it becomes reportable. All holders of unclaimed property are required to review their records annually to determine if they are holding any property, whether tangible or intangible, that has remained unclaimed for the required dormancy period. A dormancy period is a specified period of time in which the property owner does not take action on his or her property. The State Controller recommends that, as best practices, insurers perform a comparison of their insureds' life insurance policies, retained asset accounts, and contracts against a Death Master File, on a regular basis, to identify potential matches of its insured. The dormancy period, also known as escheat period, commences on the date of last activity by the owner. Dormancy periods vary depending on the property type. To view a copy of the Dormancy Table, refer to [Appendix - 1](#) in this handbook.

Annual Report "As of" Dates

The "As of" date must be either June 30 or the date of the holder's fiscal year-end. If the "As of" date falls between January 1 and June 30, the Holder Notice Report is due before November 1 of the same year. If the "As of" date falls between July 1 and December 31, the Holder Notice Report is due before November 1 of the following year. For life insurance reports due before May 1, the "As of" date is statutorily set as the next December 31. For life insurance companies and all insurance corporations, demutualization or reorganization proceeds, Holder Notice Reports are due before May 1 ([CCP section 1530\(d\)](#)).

See Appendix 3 of this handbook for Property Report Cycle Tables outlining report due dates for property reportable in the normal course of business, property reportable by banking and financial institutions, and property reportable by life insurance companies.

Date of Last Activity or Date of Last Contact

The date of last activity is the date on which the last owner-initiated deposit or withdrawal occurred or the date on which the property became payable, redeemable, dormant, or returnable (e.g., issue date of a check), whichever came first. The date of last contact is the date of the holder's last successful contact with the owner of the property.

If you are reporting property with periodic payments such as dividends, oil and gas royalties, or commission checks, the beginning date on which the amounts were payable is the last activity date. Report the combined payments as one property with a value of the total amount due the owner between the last activity date and the date the report is due.

2.

Holder Due Diligence

Holders are required to send notices to owners of property with a value of \$50 or more prior to reporting the accounts to the SCO. The face of the notice must contain a heading centered at the top that reads as follows: **THE STATE OF CALIFORNIA REQUIRES US TO NOTIFY YOU THAT YOUR UNCLAIMED PROPERTY MAY BE TRANSFERRED TO THE STATE IF YOU DO NOT CONTACT US.** The notice must also clearly state that the property will escheat to the State if a timely response to the notification is not received. Notices must be sent if the holder has in its records an address for the apparent owner, which the holder's records do not disclose to be inaccurate. The notice can be sent electronically with the owner's consent or mailed to the owner's last known address not less than six months nor more than 12 months before the property becomes reportable.

Important Information

- Due diligence notices are to be sent six to 12 months before the property becomes reportable. In the case of property escheatable under [CCP sections 1513 \(a\) \(1\), \(2\) or \(6\)](#), the notice may be sent not less than two years nor more than two-and-one-half years after the date of last activity on the account.
- In addition to the required due diligence letter, the holder may provide additional notice at any time between the date of last activity by, or communication with, the owner and the date the holder transfers the property to the Controller.
- The notice must include a form for the owner to indicate an interest in the property, except in the case of the safe deposit box ([CCP section 1514](#)). Notices for safe deposit boxes will instruct the owner to make arrangements with the holder to obtain possession of the contents or the proceeds of the sale of the contents or enter into a new agreement with the holder to establish a leasing or rental agreement. If the owner fails to make arrangements, the contents or proceeds shall escheat to the State.
- Holders can charge up to \$2.00 for the cost of sending the notice when the properties being reported have a value greater than \$50.00 ([CCP section 1520](#)).
- Banking or financial institutions can charge up to \$2.00 for the cost of sending the notice when the properties being reported have a value greater than \$2.00 ([CCP section 1513.5](#)).
- If an owner contacts the holder by phone, electronically or by returning the form, the escheat period stops. However, safe deposit contents are slightly different and the owner must make arrangements with the holder or they are reported to the State.

Holders can reference CCP sections [1513.5](#), [1514](#), [1516](#), and [1520](#) for the complete requirements for notifying owners of unclaimed property. Holders can also refer to the Controller's public website at www.sco.ca.gov for a sample due diligence notification letter or refer to Appendix - 2 in this handbook.

Holder Liability for Property Escheated

To be relieved of liability for the property escheated to the State Controller's Office, the holder must have complied with provisions requiring the holder to send due diligence letters to the owner. Holders shall not be immune from liability if they have not taken minimum steps to comply with the owner notification provisions of the law ([CCP section 1560\(a\)](#)).

3. Holder Notice Report

California has a two-report process. The first report is known as the Holder Notice Report, which is due annually before November 1 (or before May 1 for life insurance companies). This report will include a complete listing of those properties currently reportable, but will not include the remittance of the properties. When the Holder Notice Report is successfully uploaded, the State Controller will send holders a Holder Remit Reminder Letter (14F) to inform the holder when the Holder Remit Report and remittance is due. The State Controller will use the owner contact information and property details in the Holder Notice Report to send notices to owners with property valued at \$50 or greater within 165 days after receiving the report. These notices will direct owners to the holders to recover their property.

Important Information

- The Holder Notice Report is a formal report, not an informal preliminary report; the information contained in the Holder Notice Report must be as accurate as possible.
- The holder must not close owners' security or mutual fund accounts or transfer property into a holder account in the name of the State Controller, State of California, prior to the Holder Remit Report due date. The State Controller's Office is prohibited from receiving shares until seven to seven and one-half months after the Holder Notice Report due date ([CCP section 1532\(a\)](#)).
- The holder must include the Committee on Uniform Securities Identification Procedures (CUSIP) number for each security reported in the Holder Notice Report.
- For every Holder Notice Report submitted, the unclaimed properties must also be submitted on a subsequent Holder Remit Report. For example, if a holder submits three Holder Notice Reports, they must submit three Holder Remit Reports with the remaining properties. The holder cannot submit one Holder Remit Report if three Holder Notice Reports were submitted, or vice versa.

Universal Holder Face Sheet

- The UFS-1 form must contain the same contact information in Section B (Report Completion Contact) and Section C (Property Owner Contact) as entered on the encrypted file report contact sections "Holder Contact I" and "Holder Contact II", as specified in the Standard NAUPA II format, respectively. If a discrepancy exists between the UFS-1 contact information sections B and C and the encrypted file report contact fields, the contact information entered on the encrypted file report may be the default contact information referenced when sending owner notices to claim properties.
- A hard copy of the Universal Holder Face Sheet (UFS-1) is required with every report. All UFS-1 forms must contain a signature of the person who meets the criteria under [CCP section 1530\(e\)](#). Reports with UFS-1 forms that do not contain a signature may be subject to interest and penalties from the date the property should have been reported or remitted as prescribed by [CCP section 1577](#).

However, reporting agents submitting multiple reports at one time will be allowed to submit a signed letter that lists all reports being submitted under one UFS-1 form. The letter must contain the signature of the person who meets the criteria under [CCP section 1530\(e\)](#) and the following verification language:

Verification

The undersigned, _____ declares, under penalty of perjury, that, to the best of (his) (her) knowledge and belief, the following reports contain a full, true, and complete report of unclaimed property which is presumed unclaimed under the provisions of Part 3, Title 10, Chapter 7, Code of Civil Procedure, commencing with section 1500, and Title 2, California Administrative Code, sections 1150 et seq. ***The Undersigned also confirms that all properties not listed on the Remit Report, which were initially included on the Notice Report, were due to contact by the apparent owner, or the property being reactivated or returned to the rightful owner. Properties not included on the Notice Report cannot be listed on the Remit Report and must be reported on a Supplemental Notice Report.***

Multiple reports submitted by reporting agents that do not meet this criterion may be subject to interest and penalties from the date the property should have been reported or remitted as prescribed by [CCP section 1577](#).

Holder Notice Report Due Dates

The unclaimed property Holder Notice Report is due before November 1 for businesses and organizations, and before May 1 for life insurance companies. This report should be submitted ***without remitting or delivering property***. If a Holder Notice Report is submitted late, the Holder Remit Report will be due seven to seven-and-one-half months later. The Holder Remit Reminder Letter (14F) will provide a due date of the Holder Remit Report and remittances.

Note: If April 30 or October 31 falls on a Saturday, Sunday, or state-recognized holiday, the due date is the next business day.

Other Non-Escheatable Property

Various deposits, accounts and safe deposit boxes held with business associations shall not escheat if, during the previous three years, the owner has owned another deposit or account with the banking organization or the owner has an active Individual Retirement Account (IRA) or similar account or plan established by federal laws ([CCP section 1513](#)).

Owner Awareness of Escheat Laws

When a new account or safe deposit box is opened with a business association, the association shall provide a notice to the person opening the account informing them that their property may be transferred to the State if no activity occurs on the account within the time period specified by State law (CCP sections [1513.5](#) & [1514](#)).

Holder Contact

The State Controller will use the first holder contact information (Section B: Report Completion contact) to contact the holder with questions regarding the report. The State Controller will provide the second holder contact information (Section C: Property Owner Contact) on the notices sent to property owners so that they may claim or reactivate their account(s) reported on the Holder Notice Report to prevent the transfer of the property to the State Controller's Office. If the holder provides only one contact, it will be used for both purposes. It is important that the contact information in the encrypted file report is correct as this information will be used to update the property owner notices.

Holder Agent

A Holder Agent is a third party contracted by holders who provides the service of preparing notice reports each year. Contact information for Holder Agents is entered in Section B: Report Completion Contact as well as in Section D: Holder Agent Contact of the UFS-1. The contact information is used by the Reporting Unit should any questions arise concerning the reports. In some cases, a Holder Agent may enter the Transfer Agent (a third party who maintains records of securities owners) contact information in Section D: Holder Agent Contact. This contact information may be used by the State Controller to obtain detailed owner information such as Social Security numbers to assist in reuniting owners with their property.

Importance of Reporting Complete Owner Information

The importance of holders providing accurate and complete owner information is critical to the State Controller's Office outreach efforts, and to its commitment and responsibility to reunite owners with their property.

"Owner(s)" are defined as any person(s) having a legal or equitable interest in the property.

"Business Owner(s) Accounts" are accounts owned by individual owners, partnerships, or corporations.

Each holder is responsible for providing complete and accurate owner information relating to accounts being turned over to the State. The reported Owner Account information should include the following:

- First and last name
- Social Security number
- Last known address
- Account number on record
- Property amount and type
- Starting Transaction Date (Date of Last Contact)

Business owner accounts should include:

- The complete business name
- Tax identification number
- Last known address
- Account number on record
- Starting Transaction Date (Date of Last Contact)

Aggregate Reporting

Aggregate reports consist of individual owner accounts reported as a single line item and are only accepted for properties valued less than \$25 ([CCP section 1530](#)). Holders are strongly discouraged from filing aggregate reports. If account information is available, it should be provided to help the State Controller return property to its rightful owner. Further, securities properties should always be reported with owner account information. When property included in an aggregate report without identifying information is claimed from the State Controller's Office, holders may be asked to further assist owners during the process.

Holder Remit Report Reminder Letter

The State Controller sends out informational letters to all holders once Holder Notice Reports and Supplemental Holder Notice Reports have been uploaded into the reporting system. It is imperative that all holders read the entire letter, as it contains important details and instructions for holders. The Holder Notice Report submission information is provided, including the due date for the Holder Remit Report and Remittance. Instructions are also provided for handling accounts not included on the Holder Notice Report, for accounts that were included but are no longer unclaimed, for using an EFT, and for transferring securities. **Letters must be signed and returned with the Holder Remit Report.**

4. Respond to Owner Claims Resulting from the State Controller's Notices

Upon receiving the Holder Notice Report, the State Controller sends out notices to all owners listed on the report for properties valued at \$50 or greater and for all stocks and safe deposit box accounts. Notices will be sent within 165 days after the final date for filing the report. The notice will include instructions for owners to contact the holder to claim their property before the property is remitted to the State Controller's Office. If the holder is contacted prior to June 1 (December 1 for life insurance companies), the holder will pay the property directly to the owner and will not report or remit the property with the Holder Remit Report.

5. Send Holder Remit Report and Remittance

All properties reported in the Holder Notice Report will be included in the Holder Remit Report unless claimed by the owner. For owner accounts that are no longer unclaimed, the holder may either exclude the owner accounts from the report entirely, or may include the owner accounts on the report with an appropriate pay or deletion type code and show the property remitted amount as zero. Please note the holder will be signing an affirmation on the UFS-1 to verify that all accounts that were reported on the

Holder Notice Report, but not included on the Holder Remit Report, are omitted because the property is no longer considered unclaimed due to owner contact, or the property was returned to the owner. Any new properties identified that were not included on the Holder Notice Report must not be added to the Holder Remit Report (see Supplemental Report section on page 23).

Holder Remit Report Due Dates

The Holder Remit Report is due between June 1 and June 15, or between December 1 and December 15 for life insurance companies (seven to seven-and-one half months after the Holder Notice Report). The Holder Remit Report must include remittance and delivery of all cash and/or securities that remain unclaimed at the time the Holder Remit Report is due.

The Holder Remit Reminder Letter (14F) will provide a due date for the Holder Remit Report and remittances (the State Controller's Office will make arrangements to collect safe deposit boxes at a later date).

Note: If June 15 or December 15 falls on a Saturday, Sunday, or state-recognized holiday, the due date is the next business day.

When information changes after the Holder Notice Report is submitted, the information must be changed on the Holder Remit Report. For example, share amounts and/or CUSIP changes may occur due to dividends and/or capital gains earned or any other type of corporate action. Most corporate actions will in some way change the number of shares within an issue and/or the CUSIP. **If all property is claimed, a Negative Holder Remit Report must still be submitted.**

Required Forms

A hard copy of the UFS-1 is required with every report. Please note that this form includes an affirmation stating that all accounts reported on the Holder Notice Report that are not reported on the Holder Remit Report are omitted because the property is no longer considered unclaimed due to owner contact, return of the property to the owner or was reported in error. (For more information, refer to the *Negative Report* on the next page.) The Securities Summary (SS-1) (Rev. 03/11) is required for all reports that include securities that are being reported and remitted.

No changes from the Holder Notice Report

If there are no changes to the reported dollars and or shares shown on the Holder Remit Report Reminder Letter (14F) you are still required to submit a Holder Remit Report with a UFS-1. The 14F, the Holder Remit Report, and your remittance of the reported amount and reported number of share must be received within the date range in the "Remit Report Due Date" field shown on the top of the 14F. To view a sample Remit Report Reminder Letter (14F), refer to [Appendix - 4](#) in this handbook.

Other Report Types

Negative Report

Organizations that neither hold nor owe unclaimed property are not required to submit a report, although it is recommended that they do so by completing and filing the UFS-1 only. The State Controller's Office may require the filing of such a report by sending notification to the holder.

Supplemental Report

If the holder identifies accounts that were not included on the original Holder Notice Report, they must be reported on a separate Supplemental Notice Report and cannot be included on the Holder Remit Report. California law requires that before unclaimed property can be transferred to the State, the State Controller must send a notice to the owner to give them the opportunity to claim their property from the holder before it is transferred. Therefore, any new properties identified that were not included on the original Notice Report must be reported on a Supplemental Holder Notice Report. The State Controller will then notify holders via Remit Reminder Letter (14F) regarding the due date for the Supplemental Remit Report. If the 14F is not received, holders should contact the Reporting Unit at (916) 464-6284 or UCPReporting@sco.ca.gov.

Out of Business Report

Entities closing their books and records due to a dissolution of business or going out of business may submit a Holder Remit Report only. Mandatory due diligence is no longer required, and dormancy periods do not need to be fulfilled. To submit an out of business report, include the following items:

- Universal Holder Face Sheet (UFS-1)
 - Check "Remit Report" at the top.
 - Write "Final Remit Report" in the middle of the top of the UFS-1.
 - Report "As of" date (Section A) should be marked with the date the business closed or was dissolved.
- List of properties and corresponding owner information
 - Paper Report for reports that include less than ten properties
 - Encrypted file Report (in Standard NAUPA II format) for reports that include ten or more properties
- Remittance of properties
 - Refer to Remittance section of this handbook (pages 24-44)
- Dissolved corporations must include articles of dissolution. All other organizations must provide a letter on company letterhead stating out of business status and effective date.

Note: If an entity is acquired, an out of business report is acceptable only if the acquiring business has not assumed financial liability.

Remittance

The second report in California's two-report process, the Holder Remit Report, is due between June 1 and June 15 of the following year (or between December 1 and December 15 of the same year for life insurance companies). Holders will remit any remaining unclaimed property at that time.

Holder Liability Reminder

The holder and any other person acting for or on behalf of the holder in transferring the property to the State Controller's Office shall be relieved from all liability to the extent of the value of the property paid or delivered if the holder has complied with provisions requiring them to send due diligence letters to the owner. Holders shall not be immune from liability if they have not taken minimum steps to comply with the owner notification provisions of the law [[CCP section 1560\(a\)](#)].

Remitting Money

When a holder is required to remit unclaimed cash totaling less than \$2,000, a check may be remitted payable to the "California State Controller" or an electronic funds transfer may be remitted.

Payment of unclaimed cash in the amount of \$2,000 or greater shall be made by electronic funds transfer, pursuant to ([CCP section 1532](#)). Failure to make payment by electronic funds transfer when required will result in the assessment of a 2 percent penalty.

Note: A holder escheating unclaimed cash via multiple checks for the same business association (same Federal Employer Identification Number) will be assessed a penalty if the total of all the checks exceeds \$2,000 ([CCP section 1532](#)).

Electronic Funds Transfer (EFT) Information

The purpose of this section is to provide holders of unclaimed property with the information needed to successfully remit unclaimed property by means of the electronic funds transfer process.

General EFT Information

- Holders may remit by Automated Clearinghouse (ACH) Debit, ACH Credit, Fedwire, or International Funds Transfer.
- Holders are required to remit unclaimed property payments of \$2,000 or greater by electronic funds transfer.

The State Controller encourages holders to consider using the ACH Debit option for all EFT remittances. There are no fees to process your ACH Debit transfers and staff are available to assist you with the simple registration process. Holders are also encouraged to register for their ACH Debit accounts by April 30 or at their earliest convenience in order to avoid unnecessary delays during the remit period which begins on June 1 for most holders. Please contact our EFT Desk by e-mail at UPDSCOFT@sco.ca.gov, by phone at (916) 464-6220, or by fax at (916) 464-6224 to set up an ACH Debit account now.

Holders who submit multiple reports must provide a list with each holder's name and the amount remitted for each holder. A copy of the electronic transfer receipt or check must be attached to the UFS-1.

Amended Unclaimed Property Reports

Remittances that apply to amended Holder Remit Reports must be made through EFT if the original remittance was electronically transmitted.

Revising the Authorization Agreement

Changes must be reported to the State Controller prior to your next EFT payment. The following revision requests must be made in writing using the SCO EFT-1.

- Change EFT Remittance Method
- Change your address or EFT contact information.

Email revision requests to UPDSCOEF@scs.ca.gov or fax to (916) 464-6224.

When to Report a Remittance

For an electronic unclaimed property remittance to be timely, the transferred funds must settle in the State Controller's bank account by the first banking day following the due date. It is the responsibility of the holder to ensure that this deadline is met.

Refunds

Unclaimed property refunds are not issued through Electronic Funds Transfer. For more information, refer to the *Holder Reimbursement Requests* section in this handbook.

Report Due Dates

Under EFT, reporting a remittance is considered timely if the transferred funds settle into the State Controller's bank account by the first banking day following the due date. Consequently, you need to determine the date when you must initiate your remittance so that it will settle in the State Controller's bank account on time. When you should report your remittance depends on the remittance method you have selected.

Holders using the ACH Credit method are reminded to check with their financial institution regarding its requirements for timely payments. Some financial institutions require a 24-hour lead time.

Tracing an EFT Remittance

On occasion, it may be necessary to trace an unclaimed property remittance to establish that a remittance was made and reported to the data collection service (ACH Debit) or was originated by a financial institution (ACH Credit, Fedwire, or International Funds Transfer).

If you use the ACH Debit method, the data collection service will provide you with a reference/confirmation number for your records that you can use to track the transfer. If you used <https://www.govone.com/PAYCAL/Home/SelectAgency> to submit an ACH Debit, you can check your payment status on the website.

If you use the ACH Credit method, Fedwire, or International Funds Transfer, you will be responsible for obtaining the necessary information to trace the remittance. Contact your financial institution for documentation of the actual transfer of funds.

Zero Amount Due

If you have no unclaimed property to report, you do not need to report a zero remittance through EFT.

EFT Interest and Penalty Payments

If your unclaimed property remittance is \$2,000 or greater, you must remit through EFT. Electronic funds transfers are subject to the same penalties and interest provisions currently required by the Unclaimed Property Law. The following information relates to penalty and interest charges that apply to electronic funds transfer:

- Failure to Remit Electronically - You are required to remit electronically if your unclaimed property is \$2,000 or greater. Failure to do so may result in a 2 percent penalty, pursuant to [CCP section 1532\(g\)](#).
- Late EFT Payment - If your EFT payment is not timely, you will be assessed [CCP section 1577](#) interest on the amount due.
- Failure to File an Unclaimed Property Report - You may be assessed a [CCP section 1576](#) penalty for failure to file a Holder Notice Report and/or a Holder Remit Report as required, and in the State Controller Office's format.

Section 1532(g) penalty charges may be waived under limited circumstances, subject to the State Controller's approval. Requests for a waiver must be in writing and mailed to our office.

Mandatory Participation

[CCP section 1532\(a\)](#) requires that holders of unclaimed property must remit cash property by EFT if the amount is \$2,000 or greater.

Holders are required to complete the State Controller's Office Authorization Agreement for Electronic Funds Transfer (SCO EFT-1) form or the SCO Registration for Remittance by Fedwire (SCO EFT-3) form. Although Fedwire is an option, the State Controller encourages holders to consider ACH Debit for all their EFT remittances and to sign up by April 30 to avoid unnecessary delays during the remit period. Holders who are required to remit via EFT and fail to do so may be subject to a penalty for failure to comply pursuant to [CCP section 1532\(g\)](#).

Voluntary Participation

The State Controller encourages holders who remit less than \$2,000 to voluntarily participate in EFT to benefit from this more efficient method of remitting unclaimed property. You may take advantage of this method by completing the SCO EFT-1 or the SCO EFT-3.

Mandatory Remitters Represented by Agents

If you meet the mandatory requirement for paying by EFT (for example, unclaimed property to be remitted of \$2,000 or greater) and are represented by a reporting agent or accounting firm, the holder is responsible for informing the agent or firm that the remittance must be by EFT. Using a remittance option other than EFT puts you at risk of receiving a 2 percent non-compliance penalty pursuant to [CCP section 1532\(g\)](#).

Remittance Options

There are four reporting methods for making EFT remittances:

- Automated Clearinghouse (ACH) Debit — **recommended**
- Automated Clearinghouse (ACH) Credit
- Fedwire
- International Funds Transfer

ACH Debit and ACH Credit transactions are processed through the National Automated Clearing House Association (NACHA).

Not more than three Unclaimed Property Remittance Type Codes may be combined on a single remittance. For example, if there is unclaimed property and a penalty that is due, both of these amounts may be remitted on a single EFT remittance (CCP sections [1532\(g\)](#), [1576](#), or [1577](#)). Three Unclaimed Property Remittance Type Codes are the maximum that can be included on a single remittance.

Unclaimed Property Report Requirements

Whether you choose the ACH Debit, ACH Credit, Fedwire, or International Funds Transfer method of remittance, you must continue to file your unclaimed property report on a timely basis. Holders will remit remaining abandoned property with the Holder Remit Reports between June 1 and June 15 (or between December 1 and December 15 for life insurance companies).

How to Register

To register for the EFT program, you must complete and return the SCO EFT-1 or SCO EFT-3 by email at UPDSOEFT@sco.ca.gov or by fax at (916) 464-6224. This form can be obtained by visiting the State Controller's Office website, Reporting Instructions & Forms webpage at: https://www.sco.ca.gov/upd_rptg.html. You may also contact the EFT Desk at UPDSOEFT@sco.ca.gov or (916) 464-6220 for assistance.

You must use the authorization form to indicate the remittance option you select. Please refer to the [Report Forms and Instructions](#) section in this handbook.

Cost

Banking costs for the ACH Debit transaction are paid by the State of California.

ACH Debit Remittances

If you are registering for ACH Debit, complete Sections I and II on the SCO EFT-1. You will be notified by the State Controller when you are enrolled for ACH Debit and provided with a Branch Number and a temporary Security Code to access the ACH Debit payment website at

<https://www.govone.com/PAYCAL/Home/SelectAgency>. Follow the link to the "California State Controller's Office" page from the payment website. Complete your registration by logging on to <https://www.govone.com/PAYCAL/Home/SelectAgency> to change your Security Code and set up your personal Username and Password. You will also be able to control your banking account information from this payment portal. For your security purposes, the State Controller's Office no longer requests your banking account information. You may also originate an ACH Debit payment by phone at (800) 554-7500. However, you are required to log on to the payment website to complete your registration and designate an account number for your ACH Debit payment prior to using the phone method. It is recommended upon registration at <https://www.govone.com/PAYCAL/Home/SelectAgency> that you also submit your ACH Debit payment from the website. It is highly encouraged that you register early (by April 30) in order to avoid delays during the unclaimed property remit period.

When ACH Debit is used to remit unclaimed property, there is an electronic debit of an account you control in an ACH-participating financial institution for the amount you report to the State's data collection service at <https://www.govone.com/PAYCAL/Home/SelectAgency>. The State, through its bank and data collector, initiates the transaction through the ACH network to debit your account and credit the State's account for the same amount.

When you make a payment with the data collection service, you will be asked to provide the following information for your ACH Debit payment.

Note: For calling instructions and sample scripts of communication between you and the data collector, refer to the ACH Debit Calling Instructions – Reporting a Remittance section in this handbook.

1. Federal Employer Identification Number (FEIN)
2. Security Code
3. Branch Identification Number
4. Unclaimed Property Holder Type Code
5. Unclaimed Property Remittance Type Code
6. Remittance Amount

Federal Employer Identification Number (FEIN)

This nine-digit number is the same federal employer identification number that is required on the UFS-1. You will use the federal number for your EFT payments. To view a sample UFS-1, refer to the Report Forms and Instructions section in this handbook.

Security Code

This is a four-digit number. After you have registered to make ACH Debit payments, you will receive a temporary security code. If you lose or forget your security code you must contact the EFT Desk for assistance by e-mail at UPDSCOEF@scs.ca.gov or (916) 464-6220.

Branch Identification Number

This number will be assigned by the State Controller's Office EFT Desk.

Unclaimed Property Holder Type Code

This is a two-digit number used to identify the type of holder that is remitting unclaimed property. The following codes are used by the State Controller's Office:

- | | |
|----|-------------------------------|
| 01 | Banks |
| 02 | Savings and Loan Associations |
| 03 | Credit Unions |
| 04 | Brokerage Firms |
| 05 | Business Associations |
| 06 | State Agencies |
| 07 | Cities and Counties |
| 08 | Life Insurance Companies |
| 09 | All Other Insurance Companies |
| 10 | Transfer Agents |

A transfer agent should use code 10 when remitting on behalf of its principals, not when remitting on its own behalf. A transfer agent reporting unclaimed property for principals must provide an alphabetical summary of all holders and the amount remitted for each. This form should be attached to the UFS-1 to ensure that each principal's account is recorded accurately.

Unclaimed Property Remittance Type Code

This is a two-digit number used to identify the type of remittance.

- | | |
|----|---|
| 01 | Report Remittance
Use code 01 to remit unclaimed property that is due between June 1 and 15 or (December 1 and 15 for life insurance companies) reporting period. |
| 02 | Corporate Actions
Use code 02 to remit the proceeds from corporate actions that result in a cash remittance, such as redemptions, mergers, calls, and fractional share proceeds. |

- 03 Dividends
Use code 03 to remit dividend proceeds earn from stock that is registered to the State Controller's Office.
- 06 Sale of Securities Proceeds
Use code 06 to remit the proceeds from the sale of stock and mutual funds. Sale proceeds must be remitted electronically, regardless of the amount.
- 08 CCP Section 1577 Interest Assessment
Any person who fails to report, pay or deliver unclaimed property within the time prescribed is liable for interest assessed at the rate of 12 percent per annum on such property or the value of the property from the date the property should have been paid or delivered. Use code 08 when remitting the interest assessment.
- 10 CCP Section 1532(g) Penalty
Use code 10 to remit the amount assessed if the holder has failed to remit electronically when required to do so, according to section 1532(g).
- 12 CCP Section 1576 Penalty
Use code 12 to remit the amount assessed, pursuant to (CCP section 1576), for any person who willfully fails to render any report or perform other duties, including use of the report format described in section 1530.
- 13 CCP Section 1577 Interest from Audit
When the State Controller's Office Division of Audits finds property that should have been reported in prior years, the holder is liable for CCP section 1577 interest. Use code 13 when remitting the interest amount as determined by the audit.
- 17 State Controller's Office Audit Report Remittance
The State Controller's Office's Division of Audits reviews the records of holders of unclaimed property to determine compliance with CCP section 1500, et seq. Use code 17 when remitting the principal amount as determined by the audit.
- 18 Audit Agent Report Remittance
Use code 18 to remit funds identified as a result of a review of a holder's records by the audit agent.
- 27 Live Auction Proceeds
Use code 27 to remit the proceeds from live auctions held by the State for the sale of tangible property found in safe deposit boxes.
- 30 Online Auction Proceeds
Use code 30 to remit the proceeds from online auctions held by the State for the sale of tangible property found in safe deposit boxes.
- 41 IOLTA – Interest on Lawyers Trust Accounts
Use code 41 to remit funds related to the IOLTA Legislation.

Remittance Amount

This is the amount, in dollars and cents, being remitted for each Unclaimed Property Remittance Type Code. To make a debit remittance by phone, you must enter two zeroes for the cents. For example, \$56,318.00 would be entered as 5631800.

Debit Reference/Confirmation Number (ACH Debit)

After you have made your payment, you will be provided a reference/confirmation number, which indicates that an EFT remittance has been made. Keep this reference number for your records.

Voice Operator Assistance

The voice operator will be able to provide you with assistance in successfully executing a payment inquiry, cancellation, or to change your security code. The operator cannot assist you, for example, in obtaining a FEIN or determining the correct Unclaimed Property Holder Type Code. For assistance in these and similar areas, contact the EFT Desk at UPDSCOEFT@sco.ca.gov or (916) 464-6220.

Inquiry

If you have an inquiry regarding an EFT remittance, you should call the State's data collector at (800) 554-7500. In order to expedite the research, you should be able to provide the Reference Number from the original remittance. The voice operator will provide on-line access to the system using the following information supplied by the caller:

- FEIN
- Security Code
- Branch Identification Number
- Property Holder Type Code
- Remittance Type Code
- Reference/Confirmation Number

For inquiries regarding an EFT, contact the EFT Desk by email at UPDSCOEFT@sco.ca.gov, by phone at (916) 464-6220 or by fax at (916) 464-6224.

Cancellation

The holder may cancel a remittance prior to 3:00 p.m. Pacific Time on the day the remittance is made. If you wish to cancel a remittance, you should call the State's data collector at (800) 554-7500 or you can cancel your payment from the web payment portal. In order to expedite the cancellation, you should provide the Reference/Confirmation Number from the original remittance. The voice operator will provide on-line access to the system, using the following information supplied by the caller:

- FEIN
- Security Code
- Branch Identification Number
- Property Holder Type Code
- Remittance Type Code
- Reference/Confirmation Number

After the remittance has been cancelled, the system will provide a cancellation reference/confirmation number. This number should be retained for your records.

ACH Credit Remittances

If you are registering for ACH Credit, complete Sections I and III on the SCO EFT-1, sign in the signature block and return the SCO EFT-1 to the EFT Desk by e-mail at UPDSOEFT@sco.ca.gov, or by fax at (916) 464-6224. After the EFT staff has received and reviewed the completed SCO EFT-1, you will be faxed a copy confirming your EFT approval and the method of remittance, along with EFT payment instructions and the State Controller's bank account information.

With the ACH Credit method, you transfer funds by instructing your financial institution to debit your account and credit the State Controller's bank account through the automated clearing house network.

In the ACH Credit process, the holder contacts its financial institution and specifies the amount of the remittance, State Controller's bank and account number, and the date the transaction is to be finalized. The free form portion of the TXP Addendum Record, which is completed by your financial institution, must be precisely structured as shown in the TXP Addenda Convention Layout provided in Appendix - 8 in this handbook.

Note:

You should allow at least three weeks for your financial institution to prepare your account for filing by EFT. Your bank will provide you with instructions and/or software that are needed before you can initiate ACH Credit transactions.

If you are making payments to more than one State of California agency, please note that each state agency has its own bank account number and requests different information for the "free form area" of the TXP Addenda Record. Although the actual addendum format for each department may look similar, the information requested is different.

To be timely, your remittance must settle in the State Controller's bank account by the first banking day following the due date. Check with your financial institution to determine when you should originate your remittance so that this deadline is met. You should also check with your financial institution to ensure that it is open for business the day you plan to originate your remittance.

Cost

You must pay any set-up costs charged by your financial institution for each ACH Credit transaction initiated. Some financial institutions also charge monthly fees.

Record Format Requirement

In order to remit your unclaimed property correctly, your financial institution must originate your remittance using either the Cash Concentration or Disbursement (CCD), Prearranged Payment and Deposit (PPD), or Corporate Trade Exchange (CTX) formats, with the addendum record being in the Tax Payment (TXP) Banking Convention. These are the standard formats that have been adopted for payments by the NACHA. For format details, refer to Appendix - 8 in this handbook.

Before selecting the ACH Credit method, check with your financial institution to confirm that it can originate an ACH Credit transaction in the required record format.

Corrections

If you use the ACH Credit method and discover that you have reported erroneous information, you must contact your financial institution for assistance.

ACH Credit Instructions

Your financial institution can tell you if any special equipment is required to remit unclaimed property by ACH Credit.

ACH Credit transactions must be transmitted in one of the three NACHA-approved formats: CCD, PPD, or CTX. Transactions transmitted in any other formats will be rejected. Each format has technical information needed by your financial institution and the State of California to process your ACH Credit remittance. If you choose the ACH Credit option, please give your financial institution a copy of the Tax Payment (TXP) Banking Convention Addendum found in Appendix - 8 in this handbook.

Before Initiating Payment

The TXP Banking Convention Addendum record represents the layout of the information your financial institution will transmit with your unclaimed property remittance. The information below will assist you in providing your financial institution everything needed to complete the record.

Remittance Information

Your ACH Credit remittance must include the following information entered in the order displayed below:

- **Federal Employer Identification Number (FEIN)**
This nine-digit number is the same FEIN that is required on the unclaimed property report UFS-1. You will use the federal number for your EFT payments.
- **Branch Identification Number**
This number will be six zeroes (000000).

- **Unclaimed Property Holder Type Code**

This is a two-digit number used to identify the type of holder that is remitting unclaimed property. The following codes are used by the SCO:

01	Banks
02	Savings and Loan Associations
03	Credit Unions
04	Brokerage Firms
05	Business Associations
06	State Agencies
07	Cities and Counties
08	Life Insurance Companies
09	All Other Insurance Companies
10	Transfer Agents

A transfer agent should use code 10 when remitting on behalf of its principals, not when remitting on its own behalf. A transfer agent reporting unclaimed property for principals must provide an alphabetical summary of all holders and the amount remitted for each. This form should be attached to the UFS-1, to ensure that each principal's account is recorded accurately.

Unclaimed Property Remittance Type Code

This is a two-digit number used to identify the type of remittance:

- | | |
|----|---|
| 01 | Report Remittance
Use code 01 to remit unclaimed property that is due between June 1 and 15 (or December 1 and 15 for life insurance companies) reporting period. |
| 02 | Corporate Actions
Use code 02 to remit the proceeds from corporate actions that result in a cash remittance, such as redemptions, mergers, calls, and fractional share proceeds. |
| 03 | Dividends
Use code 03 to remit dividend proceeds earn from stock that is registered to the State Controller. |
| 06 | Sale of Securities Proceeds
Use code 06 to remit the proceeds from the sale of stock and mutual funds. Sale proceeds must be remitted electronically, regardless of the amount. |
| 08 | CCP Section 1577 Interest Assessment
Any person who fails to report, pay or deliver unclaimed property within the time prescribed is liable for interest assessed at the rate of 12 percent per annum on such property or the value of the property from the date the property should have been paid or delivered. Use code 08 when remitting the interest assessment. |
| 10 | CCP Section 1532(g) Penalty
Use code 10 to remit the amount assessed if the holder has failed to remit electronically when required to do so, according to section 1532(g). |
| 12 | CCP Section 1576 Penalty |

- Use code 12 to remit the amount assessed, pursuant to CCP section 1576, for any person who willfully fails to render any report or perform other duties, including use of the report format described in section 1530.
- 13 **CCP Section 1577 Interest from Audit**
When the State Controller's Office's Division of Audits finds property that should have been reported in prior years, the holder is liable for CCP section 1577 interest. Use code 13 when remitting the interest amount as determined by the audit.
- 17 **SCO Audit Report Remittance**
The State Controller's Office's Division of Audits reviews the records of holders of unclaimed property to determine compliance with CCP section 1500, et seq. Use code 17 when remitting the principal amount as determined by the audit.
- 18 **Audit Agent Report Remittance**
Use code 18 to remit funds identified as a result of a review of a holder's records by the audit agent.
- 27 **Live Auction Proceeds**
Use code 27 to remit the proceeds from live auctions held by the State Controller's Office for the sale of tangible property found in safe deposit boxes.
- 30 **Online Auction Proceeds**
Use code 30 to remit the proceeds from online auctions held by the State Controller's Office for the sale of tangible property found in safe deposit boxes.
- 41 **IOLTA – Interest on Lawyers Trust Accounts**
Use code 41 to remit funds related to the IOLTA Legislation.

Three Unclaimed Property Remittance Type Codes may be combined on a single remittance. For example, if there is unclaimed property and a penalty (CCP sections [1532\(g\)](#), [1576](#), or [1577](#)) that is due, both of these amounts may be remitted on a single EFT remittance. Three Unclaimed Property Remittance Type Codes are the maximum that can be included on a single remittance. A holder must remit electronically if the mandatory threshold of \$2,000 has been reached, regardless of the remittance type.

All EFT remittances for Report Remittance type code 01 must be accompanied by a Holder Remit Report (paper or encrypted file). Holders reporting ten or more accounts are required to report in standard NAUPA II format. For more information, refer to the *Report Formats* section in this handbook. All other types of remittances must be accompanied by appropriate accounting documentation that will enable the State Controller to correctly allocate remittances and credit the holder's account.

Reference Number

This five-digit number is created by the holder and is intended for the holder's use. This field may or may not contain a value. ACH Credit remitters should assign a number to this field and keep it for their records.

NACHA Record Formats for CCD, PPD, and CTX Entries

NACHA record formats for CCD, PPD, and CTX Entries using the Tax Payment (TXP) Banking Convention flow in the following order:

- File Header Record
- Company/Batch Header Record

- Entry Detail Records
- Addenda Record (Carries an 80-character free form Field)
- Company/Batch Control Record
- File Control Record

For more specific information on NACHA formats, specifications and definitions, you may refer to the NACHA rulebook. A copy of the NACHA rulebook may be obtained from your financial institution or from Western Payments Alliance at (415) 433-1230.

State Controller's Office Bank and FEIN Number

Bank:

Union Bank
400 California Street
San Francisco, CA 94104

Account Number: See "note" below

Routing Number: See "note" below

FEIN: 68-0322992

NOTE:

Bank account and routing numbers may be obtained by emailing the Unclaimed Property Division, EFT Desk at UPDSCOEF@scs.ca.gov or by calling (916) 464-6220. You may be asked to verify specific information regarding your EFT Authorization and/or Registration. Requests may also be faxed to (916) 464-6224.

Other Remittance Options

Authorization to Remit

Remittance may be made by Fedwire; however, the State Controller encourages holders to remit unclaimed property through ACH Debit or ACH Credit.

If you choose to remit via Fedwire and it is your first time using this method, you must contact the EFT Desk by e-mail at UPDSCOEF@scs.ca.gov, or by calling (916) 464-6220 to request and complete the Registration for Remittance by Fedwire (SCO EFT-3) prior to remitting the property. (Refer to the Report Forms and Instructions SCO EFT-3 in this handbook.)

If you have previously remitted unclaimed property by Fedwire, it is strongly recommended you contact our office prior to remitting your unclaimed property funds. This is to ensure that all of the information needed to process your remittance in an accurate and timely manner has been received by our office, and to confirm that our bank account information is current.

Fedwire

With Fedwire, the transaction is originated by the holder and utilizes the national electronic payment system to transfer funds through Federal Reserve banks. The holder debits its own bank account and credits the State Controller's bank account.

International Funds Transfer

International Funds Transfer refers to any transaction originated by the holder and utilizing the international electronic payment system to transfer funds from outside of the United States. The holder debits its own bank account and credits the funds, in US Dollars, to a United States bank that credits the State Controller's bank account. (Please ensure all foreign funds have already been converted to

US Dollars.) To remit using this method, you must complete and fax the Authorization Agreement for Electronic Funds Transfer (SCO EFT-1) form to the EFT Desk at (916) 464-6224. You can obtain a copy of this form by contacting the EFT Desk by email at UPDSOEFT@sco.ca.gov, calling (916) 464-6220, or on our website at: sco.ca.gov/upd_rptg.html.

Cost

Any costs associated with Fedwire or International Funds Transfer payments must be paid by the originator of the transaction.

Reporting a Remittance

Contact your financial institution for specific instructions to originate a Fedwire or International Funds Transfer remittance.

To be timely, your remittance must settle in the State Controller's bank account by the first banking day following the due date. Check with your financial institution to determine when you should originate your remittance so that this deadline is met.

You should also check with your financial institution to ensure that it is open for business the day you plan to originate your remittance.

Corrections

If you use the Fedwire or International Funds Transfer method and discover that you have remitted erroneous information, you must contact your financial institution for assistance. If the funds have already been credited to the State Controller's account, you must submit a Holder's Claim for Reimbursement (HCR-1). (Refer to the *Report Forms and Instructions* section in this handbook.)

Filing Your Unclaimed Property Report

Although you are remitting unclaimed property electronically, you must still file a Holder Remit Report in a timely manner. For more information on filing requirements refer to the General Reporting Instructions section in this handbook.

Before filing your Holder Remit Report, attach the UFS-1 to a copy of the remitting instructions you provided your financial institution, or some other evidence of remittance. This enables the State Controller's Office to establish a relationship between your electronic remittance and your Holder Remit Report. (Refer to the [Report Forms and Instructions](#) section in this handbook.)

Remitting Securities

When securities are escheated, the holder must re-register the securities in the name of the State Controller, State of California. The securities shall be delivered to the State Controller's Office either in a certificate or by electronic transfer through the Depository Trust Company (DTC) to a State Controller's account with the State Controller's contracted broker. The State Controller's Office has determined that an electronic transfer (DTC) is the most efficient method to deliver unclaimed securities.

The **Standard NAUPA II** format is the national standard for reporting unclaimed property to all states. The State Controller's Office requires that holders use the **SECR-DELIVERY-METHOD** field when delivering securities to the State. Valid Security Delivery Code values are **DTC** (Direct Transfer), **Physical** (Physical Certificate Delivery), **Account** (Registration of Account Only), and **UNT** (Securities Not Transferable). The State Controller's Office uses Security Delivery Codes to expedite the processing of reports and to verify the information received for delivered securities is accurate.

The State Controller's Office requires remitters of unclaimed properties to provide a list of security issues using the SS-1. Instructions to complete the SS-1 can be found in the [Report Forms and Instructions](#) section of this handbook. This form can be found by going to: https://sco.ca.gov/upd_rptg.html and must accompany the Holder Remit Report (the SS-1 is not required when submitting the Holder Notice Report).

In addition, if securities are being delivered electronically, remitters are also required to e-mail the SS-1 to the State Controller's Office at UCPDTCSS1@sco.ca.gov and to the State Controller's contracted broker at Calif.StateMail@wellsfargoadvisors.com upon transfer. When saving the SS-1, include the Report ID number in the file name. The Report ID number is located on the Holder Remit Reminder Letter (14F) you received from the State Controller's Office. Please prepare and send a separate SS-1 for each Report ID number.

The report ID number must be included in the DTC comment field as part of the account registration. When remitting securities via DTC, the report ID number located on the Holder Remit Reminder Letter (14F) received from the State Controller's Office, must be written first in the DTC comment field (i.e. State of CA 123456). If the report ID number is missing there is a possibility the securities transfer will be rejected.

In the Subject line of your email in which you send the SS-1, please note that you are sending an SS-1 and include the Report ID number, Holder Name and your company's DTC number. NOTE: Mutual Fund companies will not have a DTC number. Below is a sample of a properly formatted Subject line:

Subject: SS-1 Report ID 123456 - XYZ Company – DTC# 1234

When submitting the unclaimed property Holder Remit Report, include a copy of the SS-1 with the DTC receipt confirmations. Do not submit securities by DTC *and* Certificate for the same CUSIP number. All reported securities must be listed on the SS-1, including non-transferable securities (that will not be remitted) as well as securities that are being certificated.

When corporate actions (such as stock split, reverse stock split, stock dividend, exchange, etc.) occur after the Holder Notice Report was submitted and change the number of reported shares and/or CUSIP number, the Holder Remit Report must be revised to match the new number of shares and/or CUSIP number remitted to the State Controller's contracted broker.

Additionally, the CUSIP numbers or number of shares reported on the SS-1 must match the actual CUSIP numbers and number of shares transferred to the State Controller's contracted broker and reported on the Unclaimed Property Holder Remit Report.

When dividends accrue to shares that are to be remitted to the State Controller's Office, but the dividend payable date is after the shares have been remitted, the cash dividends must be sent to the State Controller's Office along with a supporting letter linking the cash dividends with the Remit Report ID number, CUSIP number and associated property owners. No additional report is required if the original owners of those shares were already included in the Holder Notice Report.

Dividend Reinvestment

The State Controller's Office does not participate in dividend reinvestment plans. This means:

- Earnings shall not be credited to a dividend reinvestment plan.
- Interim stock and mutual fund dividend reinvestment shares accrued after the Holder Remit Report was submitted to the State's Controller's Office shall be liquidated and paid in cash.
- The State Controller's Office will not accept dividend reinvestment plans.

Whole and Fractional Shares in Individual Owner Accounts

The State Controller's Office offers the following guidelines regarding whole and fractional shares held in individual owner accounts:

- Whole reported shares in individual stock owner accounts need to be transferred to the State Controller's contracted broker via electronic transfer or certificated. Fractional shares need to be liquidated and paid in cash. Please close individual owner accounts.
- Convert each owner's account to whole shares and register the shares in the name of the State Controller. Include the whole shares in the "PROP-NUMBER-OF-SHARES" field of your report.
- Each owner's fractional shares must be cashed out. Include the cash proceeds in the "PROP-AMOUNT-REPORTING/REMITTED" field of your report. Since fractional shares are cashed out for each owner, do not total the shares by issue to liquidate the resulting fractional shares.
- Whole and fractional shares in individual mutual fund owner accounts need to be transferred to the State Controller's contracted broker by electronic transfer. Please close individual owner accounts.

Non-Transferable Securities

California's Unclaimed Property Law does not exclude securities that are worthless or non-transferable from being reported to the State Controller's Office. If certain securities cannot be transferred to the State Controller's contracted broker or re-registered to the State of California in certificate form, the securities must still be reported on the Holder Notice Report and the Holder Remit Report.

Security issues reported on the Holder Remit Report that are deemed non-transferable must be identified on a list of issues not remitted and submitted with the Holder Remit Report. The information provided must include the Reported Security Name, CUSIP number, number of shares reported, reason the security cannot be transferred (i.e. chilled at DTC, no Transfer Agent, etc.) and a written verification from the State Controller's contracted broker that the issue cannot be transferred.

The holder must contact the State Controller's contracted broker to determine if the securities are deemed non-transferable and attach a written verification from the State Controller's contracted broker to the Holder Remit Report. The holder must then open a holding account under the State Controller's name, but only after the security issues have been verified by the State Controller's contracted broker. No other security and/or mutual fund issue should be transferred into a State Controller's holding account. All transferable securities and/or mutual funds are to be remitted to the State Controller's Office. Monthly/quarterly account statements for non-transferable security issues held in a State Controller's holding account should be mailed to: State Controller's Office, Unclaimed Property Division, P.O. Box 942850, Sacramento, CA 94250-5873.

Once the holder has filed the Holder Remit Report and the mutual fund shares have been transferred to an account registered to the State Controller, the holder is not allowed to transfer any shares from the State Controller's account without prior written consent from the State Controller's Office.

For any questions, contact Tim Johnson at Wells Fargo Advisors
Tim.Johnson@wellsfargoadvisors.com or Calif.StateMail@wellsfargoadvisors.com.

Holders must submit verification from the State Controller's contracted broker that Wells Fargo Advisors cannot hold the fund.

Remitting Safe Deposit Box Contents

Holders of unclaimed contents of a safe deposit box or safekeeping repository must report property that has been unclaimed by the owner for three years from the date on which the lease or rental period of the box or safekeeping repository expired, or from the date of termination of any agreement in which the box or any other repository was furnished to the owner without cost, whichever occurs last (CCP section 1514).

All contents within the safe deposit box or safekeeping repository must be reported. Holders should not file a safe deposit report if the safe deposit box or safekeeping repository is empty. A safe deposit box shall not escheat to the state if the owner has a savings or checking account with the holder that is active and not subject to escheat.

Holders are to maintain the reported contents until contacted by the State Controller's Office with delivery instructions. Delivery instructions will be provided at a later date.

Safe Deposit Box Reporting

When reporting safe deposit box contents, be sure to enter all content details into the report. The content details are required in the Holder Remit Report. Ensure that you use the appropriate Tangible Type Codes (Safekeeping Property) when reporting the contents. (Refer to Appendix 6 for the Tangible Type Codes). The Safe Deposit Box Inventory Form and the Safe Deposit Detail Sheet are no longer required documents when reporting with an encrypted file because this information will be included in the holder's report.

Attach one copy of the Safe Deposit Box Inventory Form to correspond with the owner's name and the identifying number and/or safe deposit box number. List the contents such as money, jewelry, tableware, stock certificates, bonds, and wills from the safe deposit boxes and safekeeping repositories on the Safe Deposit Box Detail Sheet. Legible reproductions of inventories already prepared are acceptable. ***The Inventory Form and Detail Sheets are required with the Holder Remit Report and***

are not required with the Holder Notice Report. (For details refer to the Report Forms and Instructions section in this handbook.)

Questions regarding the remitting process may be directed to the State Controller's Office Safe Deposit Unit at (916) 464-0997, or email at UPDSafekeeping@sco.ca.gov.

Report Formats

All reports must be submitted in the Standard NAUPA II format.

Standard NAUPA II Reporting

The Standard NAUPA II format is the national standard for reporting unclaimed property to the states. Encrypted reports generated by reporting software should be submitted on either CD or USB flash drive, or via email to UPDReportUpload@sco.ca.gov.

Free Reporting Software — Available for Download

For free unclaimed property reporting software, please visit the National Association of Unclaimed Property Administrators' (NAUPA) website at: <https://unclaimed.org/reporting-software-and-naupa-file-format/>.

Report Requirements

It is the responsibility of each organization, prior to preparing unclaimed property reports, to review the law to ensure that all requirements are understood. Questions regarding the reporting process may be directed to the Holder Outreach and Compliance Unit at (916) 464-6088 or email

UPDHolderOutreach@sco.ca.gov.

A holder must submit a UFS-1 for each report. The total on the UFS-1 must match the amount reported on the CD or USB flash drive. When reporting securities, in addition to the UFS-1, the holder is also required to complete and submit a SS-1.

Holders are required to remit unclaimed property payments of \$2,000 or greater via EFT. Please note that remittances of \$2,000 or greater that are not submitted via EFT will be subject to penalties ([CCP section 1532](#)). Additionally, EFTs do not have a required minimum amount, so remittances of less than \$2,000 may also be submitted via EFT. For more information, please refer to the Electronic Funds Transfer section in this handbook.

Multiple reports submitted via email, on CD, or USB flash drive must be submitted with a list of each holder reported and the corresponding dollar amount. Reports must include all property that has remained unclaimed for the required dormancy period as of June 30 (or the end of the holder's fiscal year).

It is imperative that holders file complete and accurate reports in accordance with the holder reporting instructions and the Unclaimed Property Law. Failure to follow these instructions may result in a report being returned to the holder for correction and may result in an assessment of interest and fines ([CCP sections 1576](#) and [1577](#)). Standard NAUPA II Reporting Instructions can be found at: GoReport.sco.ca.gov.

Important Considerations

Following are other important topics to consider when reporting.

Blocked Accounts

A blocked account is defined as a bank account from which funds cannot be withdrawn for any of a number of reasons such as bankruptcy proceedings, liquidation of a company, or a government order freezing foreign assets. Blocked accounts require approval from the court of jurisdiction before the account may be paid or delivered to the State Controller's Office.

Coogan Accounts

Coogan Trust Accounts are trust accounts created under Family Code section 6753. Coogan Accounts are subject to escheatment if after the account becomes payable or distributable, the owner has not, within a period of three years, increased or decreased the principal, accepted payment of principal or income, corresponded in writing concerning the property, or otherwise indicated an interest as evidenced by a memorandum or other record on file with the fiduciary. Holders can reference CCP sections [1510](#) and [1518](#) for the complete requirements for notifying owners of unclaimed property.

Interest on Lawyers' Trust Accounts

Attorneys and law firms (holders) are required to report and transfer to the State Controller's Office property held in Interest on Lawyers' Trust Accounts (IOLTA) for individual clients when there has been no activity on the property or contact with the owner regarding the balance for a period of three years. When reporting funds held in an IOLTA, use property type code TR89.

Demutualization Reports

The demutualization Holder Notice Report must be filed before May 1. The "As of" date should be December 31 of the prior year. The Holder Remit Report is due between December 1 and 15, which is seven to seven-and-one-half months after the Holder Notice Report ([CCP section 1515.5](#)).

The property is deemed abandoned when:

- On the date of demutualization or reorganization if the instruments or statements reflecting the distribution are not mailed to the owner because the address on the books and records for the holder is known to be incorrect.
- Two years after the date of demutualization or reorganization if the instruments or statements reflecting the distribution are mailed to the owner and returned by the post office as undeliverable and the owner has not communicated in writing, or by other means, with the holder or its agent regarding the property. Communication must be evidenced by a memorandum or other record on file with the holder or its agent.
- Three years after the date of the demutualization or reorganization if the instruments or statements reflecting the distribution are mailed to the owner and not returned by the post office as undeliverable and the owner has not communicated in writing, or by other means, with the holder or its agent regarding the property. Communication must be evidenced by a memorandum or other record on file with the holder or its agent.

Form Requirements for Demutualization Reports

The UFS-1 must be completed and attached to the report. The following special instructions apply to reports that include unclaimed proceeds from the demutualization of an insurance company:

- Place the word DEMUTUALIZATION after the name of the company in Section B of the UFS-1.
- Complete Section H of the UFS-1 as follows:
Check the appropriate box for reporting demutualized property,
 1. Provide the date of the demutualization, and
 2. Select the appropriate escheat criterion for properties payable.

Holder Reimbursement Requests

If a holder reimburses an owner or reinstates an owner's account for property in the State's possession, the State Controller will reimburse the holder under [CCP section 1560\(b\)](#). A reimbursement can be made only after the State Controller loads and reconciles the report to the remittance received.

Holder reimbursement or account reinstatement requires all holders to provide the Holder's Claim for Reimbursement ([HCR-1](#)), proof of payment, and a letter of authorization. Instructions for completing the form are on pages two and three of the form. To enable timely processing of a reimbursement request, please comply with the requirements below.

Form Requirements

- If the HCR-1 is not signed by an officer of the company, a letter signed by an officer authorizing a representative of the company to claim on behalf of the company is required, including the officer's title and contact information. The letter must be currently dated, on holder letterhead, and contain the name of the individual(s) or third party authorized to claim on behalf of the holder.
- Claim packages may be submitted with a single authorization letter but require a separate HCR-1 for each report year included in the package. To expedite processing, the entire claim package should not contain over 100 properties. However, if one report year contains over 100 properties, the package for that one report year need not be split.
- An HCR-1 for \$1,000.00 or greater or containing security property must be notarized.

Required Documentation

- Proof is required that payment was made to the owner or that the owner's account has been reinstated.
 - For negotiable instruments (including check, money order, cashier's check, or travelers check), include proof that the instrument was presented to the holder and paid to the owner.
 - A system-generated document showing reactivation of an account may be accepted under certain conditions.
 - For reinstated life insurance accounts, proof may be required that the owner consented to the reinstatement of the account.
 - Proof of payment is not required for reimbursements occurring as a result of an overpayment.
- Before a holder reimburses a property owner, the holder should search for the property on the [State Controller's website](#), make a note of the property ID number, and notify the Controller's Office at CAHCR@sco.ca.gov to avoid a duplicate return of the property.

No interest shall be payable on any claim under [CCP section 1540\(c\)](#).

Reciprocity

Holders can no longer report to another state property for owners with a last known address in California. Under California law, unclaimed property owners must be notified by the State of California

that their property has been reported and will escheat to the State unless the owners contact the holder to prevent the transfer of their property. This requirement of the law cannot be met if the holder reports the property to another state. The holder must follow California reporting instructions and report California property directly to California. Similarly, because California now has different remit due dates from the other states, holders should report property for owners with last known addresses in another state directly to that state.

Reporting Royalties

When remitting royalties, holders must follow the two-report process following the normal three-year dormancy period for the initial royalty transaction. As each subsequent royalty transaction occurs, holders must remit the property and submit a letter that references the original Holder Remit Report in which the property was reported, AND provide the original owner's name so the royalty can be properly applied to the correct account.

Statute of Limitations

The statute of limitations does not prevent the escheat of any property otherwise escheatable to the State ([CCP section 1570](#)).

Compliance

All holders with California unclaimed property are required to report that property to the State Controller ([CCP section 1530](#)).

Failure to Provide Formatted Reports

The State Controller's Office will return to the holder any incorrectly formatted reports. It is the holder's responsibility to submit a report in the format prescribed by the State Controller's Office. Failure to do so may result in an assessment of fines, as stated in [CCP section 1576\(a\)](#):

Any person who willfully fails to render any report or perform other duties, including use of the report format described in [CCP section 1530](#), required under this chapter shall be punished by a fine of one hundred dollars (\$100) for each day such report is withheld or such duty is not performed, but not more than ten thousand dollars (\$10,000).

In addition, if a holder pays or delivers unclaimed property in a timely manner, but files a report that is not in substantial compliance with the requirements of section 1530, the interest payable shall not exceed \$10,000.

Late Filing

Holders who report after the deadline for the Holder Notice Report or Holder Remit Report and have not obtained an extension will be assessed appropriate interest charges. If a holder pays or delivers unclaimed property in a timely manner, but files a report that is not in substantial compliance with the requirements of [CCP section 1530](#), the interest payable shall not exceed \$10,000. Holders can reference [CCP section 1577](#) for more information.

Holder Extension Requests

All extension requests must be submitted in writing on the proper Holder Request for Extension form no later than 30 days prior to the original due date. Holders must provide a detailed description as to why they are unable to complete their report on time and include measures taken to meet the original due date. An extension to a Holder Notice Report will automatically extend the due date for the Holder Remit Report.

Audits

Under [CCP section 1571\(a\)](#), the State Controller's Office has the authority to perform holder audits if there is reason to believe the holder failed to report property that should have been reported pursuant to the Unclaimed Property Laws & Regulations. The State Controller currently has positions allocated for auditing California based entities. Third-party contractors are contracted for audits outside of California.

Communication

Communication during the course of the audit is key for a smooth audit. Holders are often given preliminary information, such as potential escheatable property, for further research and review which will take additional time and effort and may involve others working throughout the organization. Coordinating and communicating this effort by the auditee will enable the audit to proceed timely and effectively. It also is encouraged and allowed for the holder to re-issue checks or re-establish contact with owners prior to the completion of the audit.

Interest and Penalties

California will assess interest for non-reported escheated property, and may issue fines for willful failure to report and/or remit. Interest is assessed at 12 percent per annum on the property from the date the property should have been reported, paid, or delivered. Fines may be assessed at \$100 per day for

each day a report is withheld, not to exceed \$10,000. Fines for willful refusal to pay or deliver escheated property range between \$5,000 and \$50,000. If a holder pays or delivers unclaimed property in a timely manner, but files a report that is not in substantial compliance with the requirements of [CCP section 1530](#), the interest payable shall not exceed \$10,000.

Under California law, the assessment of interest is mandatory for failure to report, pay, or deliver unclaimed property on time, unless there is a showing of reasonable cause for the delay. Reasonable cause is defined in regulations as the exercise of ordinary business care and prudence. California cannot waive interest for voluntary disclosure unless there is reasonable cause for the failure to report, pay, or deliver on time.

Appeal Process

California employs an audit appeal process through which holders may request an informal appeal of audit findings and/or interest assessment. All appeals are independently conducted by the State Controller's Legal Office.

Holder Assistance Available

The Outreach and Compliance Unit educates holders on the Unclaimed Property Law and the mandated reporting requirements. The Outreach and Compliance Unit provides one-on-one assistance to holders through the reporting process. Additionally, representatives of the Outreach and Compliance Unit are available to attend your business events and webinars to provide an overview of the Unclaimed Property Law and the mandated reporting process. You may contact us at (916) 464-6088 or email at UPDHolderOutreach@sco.ca.gov if you have any questions to request our attendance at an event or webinar.

If you would like to receive notifications of upcoming workshops, important notices, or updates to form or other publications, we invite you to subscribe to our e-mail list at GoReport.sco.ca.gov.

UFS-1 (Rev 01/15)

Universal Holder Face Sheet

The Universal Holder Face Sheet (UFS-1) must be completed and submitted with all reports.

Notice Report: Check this box when submitting a Holder Notice Report. This report is due annually prior to November 1 or prior to May 1 for life insurance companies. If the holder identifies accounts that were not included on the original Holder Notice Report, they must be reported on a separate Supplemental Notice Report and cannot be included on the Holder Remit Report.

Remit Report: Check this box when submitting a Holder Remit Report. This report is due between June 1 and June 15 or between December 1 and December 15 for life insurance companies.

Report ID# (Remit Report Only): Please list the Holder Remit Report ID number located on the upper right-hand corner of the Holder Remit Reminder Letter (14F). If you did not receive a 14F letter, please contact the Reporting Unit at 916-464-6284 for assistance.

Section A - Holder Information: Please provide the Federal Employer Identification Number (FEIN), branch number (if applicable), report "As of" date, and check number/EFT debit reference number (Holder Remit Report only). **The FEIN and report "As of" date are required. Failure to provide this information will result in the report being rejected.**

FEIN: Enter the FEIN number.

Branch Number: Enter the branch number, if applicable.

Report "As of" date: The "As of" date is the cut-off date of your reporting cycle (either June 30 or the holder's fiscal year end). If the fiscal year-end date falls between January 1 and June 30, the report is due before November 1 of the same year. If the fiscal year end date falls between July 1 and December 31, the report is due before November 1 of the following year. This date is not the signature date or report due date. The report "As of" date for life insurance companies and insurance corporation demutualization or reorganization proceeds is December 31 [CCP section 1530 (d)].

Check Number/EFT Debit Ref Number: Applies to Holder Remit Report only.

Section B – Holder Contact Information: The holder name is required. The holder is the company reporting the property. Please provide complete contact information for the person in the company responsible for completing the report. This contact information will be used by the State Controller's Office to contact the holder with questions regarding the report. Failure to provide this information will result in the report being rejected.

Section C – Property Owner Contact Information: Please provide complete contact information for the person responsible for handling inquiries from owners attempting to claim their property. If you are submitting a disk, the contact information on the UFS-1 should match the contact information on the disk. The contact information on the UFS-1 (paper reports) or the disk (electronic reports) will be printed on notices to property owners. If this section is left blank, the contact information provided in Section B will be printed on notices to property owners. **During the notice period, the contact person listed in Section C should expect phone calls from owners claiming their property.**

Section D – Holder Agent Contact (If Applicable): If the report is completed by a reporting agent (third-party vendor), enter the agent's name and contact information. If filing electronically, please ensure the contact information is correct on the disk.

Section E – Holder CEO/CFO: Please provide complete contact information for the company's Chief Financial Officer (CFO) or Chief Executive Officer (CEO), including a valid mailing address.

Section F – Holder Report Totals: The total dollar amount (or share amount) is required. Please fill in the total dollar amount reported (Notice cycle) or remitted (Remit cycle). Fill in the total shares reported for each cycle. Fill in zero (0) if no shares are remitted. Shares refer only to securities such as stock and mutual funds. Check yes or no to indicate whether or not the report includes safe deposit box contents or safekeeping items (property types SD01, SD02, SD03). Do not enclose safe deposit properties when reporting (Notice or Remit).

Section G – Holder Business Information: Enter the holder's type of organization, state and date of incorporation, four digit NAICS code, and charter type and date.

Section H – Demutualization Proceeds: Applies only if the report contains unclaimed proceeds from the demutualization of an insurance company. More information can be found in the Important Considerations section of the Unclaimed Property Holder Handbook, available on the website at https://www.sco.ca.gov/Files-UPD/guide_rptg_holderhandbook.pdf

Section I – Transfer Agent (If Applicable): If a holder is using a transfer agent for security-related properties, please list the name and the address of the transfer agent.

Section J – Verification: An original signature of an authorized person is required. For reports to be properly verified, the California State Controller's Office requires an original signature on all UFS-1s. Reports with UFS-1s that do not contain an original signature may be subject to interest at a rate of 12 percent per annum from the date the property should have been reported or remitted as prescribed by [CCP section 1577](#). The UFS-1 includes an affirmation stating that all accounts not included on the Holder Remit Report, which were included on the Holder Notice Report, are absent only due to reactivation or reunification of property with the owner.

Reporting agents submitting multiple reports at one time will be allowed to submit a transmittal letter with an original signature that lists all reports being submitted. The transmittal letter must contain an original signature of the person who meets the criteria under [CCP section 1530\(e\)](#) and the UFS-1 verification language specified in the General Reporting Instructions section of the Unclaimed Property Holder Handbook. The UFS-1 can then be submitted with stamped signatures. Multiple reports submitted by reporting agents that do not meet this criterion may be subject to interest at a rate of 12 percent per annum from the date the property should have been reported or remitted as prescribed by [CCP section 1577](#).

A copy of the UFS-1 can be found at: https://www.sco.ca.gov/upd_rptg.html.

INSTRUCTIONS AND REQUIREMENTS FOR COMPLETING FORM HCR-1

INSTRUCTIONS

Section 1. Holder Information:

- Enter the holder's name, street address, city, state, zip code, phone number including extension (if any), fax, email address, and FEIN.
- Enter company officer's name and title, or authorized representative/agent name and title (*An authorized representative or agent has the authority to file a claim for reimbursement on behalf of the Holder when evidenced by a Letter of authorization. A representative or agent cannot authorize themselves.*)
- Check appropriate Reason for Reimbursement and provide explanation.

Section 2. Report Information:

(Information should mirror what was provided on the UFS-1 and 14F form completed when your Unclaimed Property report was filed/submitted)

- Enter the report year, report "As of Date," remit report identification number, and the total reported/remitted dollars and/or total reported/remitted shares.

Section 3. Owner Information:

(Information should mirror what was provided on the Unclaimed Property report when filed/submitted)

- Enter the owner's name, SSN/FEIN, address, city, state, and zip code.
- For Negotiable Instruments, enter the check number for cashier's check, money order, or traveler's check.
- Enter the owner's account or policy number if applicable.
- Enter the NAUPA Code for the type of account held by the owner.
- Enter the amount claimed for reimbursement (dollars and shares if applicable). This amount must match the amount of property reported to the Controller.
- If the owner was reported as "Unknown" check the appropriate space.
- Check the appropriate space if claiming only one property.
- To ensure the property has been uploaded to our system and available to claim, and has not been previously claimed by the property owner, check the State Controller's Public website for the property and enter the Controller's property identification number. The Property ID number will also help us to quickly process your claim.

Note: If reimbursement is for more than one owner/account, provide the spreadsheet shown on page 4, or use the Excel spreadsheet located on the Controller's website at http://sco.ca.gov/Files-UPD/upd_rptg_hcr-1_spreadsheet.xls. It can also be emailed to you by contacting us at CAHCR@sco.ca.gov.

Section 4 (A) Holder Affirmation:

- Read the affirmation language and sign and date the completed HCR-1.

Section 4 (B) Notary:

- Your signature must be notarized if the claim amount is \$1,000 or greater. ALL claims for shares, securities, or safe deposit boxes must be notarized.

REQUIREMENTS

The requirements below need to be followed when submitting a Holder's Claim for Reimbursement (HCR-1). Claims that do not have the required information may be returned. All reimbursements will be issued to the holder.

Form Requirements

- If the HCR-1 is not signed by an officer of the company, a letter signed by an officer authorizing a representative of the company to claim on behalf of the company is required, including the officer's title and contact information. The letter must be currently dated, on holder letterhead, and contain the name of the individual(s) or third party authorized to claim on behalf of the holder.
- Claim packages may be submitted with a single authorization letter, but require a separate HCR-1 for each report year included in the package. To expedite processing, the entire claim package should not contain over 100 properties. However, if one report year contains over 100 properties, the package for that one report year need not be split.
- An HCR-1 for \$1,000 or greater or containing security property must be notarized.

Required Documentation

- Proof is required that payment was made to the owner or that the owner's account has been reinstated.
 - ⇒ For negotiable instruments (including check, money order, cashier's check, or travelers check), include proof that the instrument was presented to the holder and paid to the owner.
 - ⇒ Holders may provide a system-generated document showing reactivation of an account under certain conditions.
 - ⇒ For reinstated life insurance accounts, proof may be required that the owner consented to the reinstatement of the account.
 - ⇒ Proof of payment is not required for a reimbursement occurring as a result of an overpayment.
- Before a holder reimburses a property owner, the holder should search for the property on the State Controller's public website to ensure the Controller has not already returned the property to the owner. If the property appears on the website, make a note of the property ID number and notify the Controller's Office at CAHCR@sco.ca.gov to avoid a duplicate return of the property.
- A copy of the Universal Holder Face Sheet (UFS-1) from the original Holder Remit Report is required.
- Unless the property was reported in aggregate, a listing of the owner's name, account number, property description, and the State Controller's property ID number must be provided to facilitate processing.

Send all documents and questions regarding the claim process to CAHCR@sco.ca.gov or the mailing address below. Contact us if you would like to submit proof of payment by means other than paper, such as a .PDF file.

Section 3 — Signature Block

Signature Block — Inventories should be prepared, signed, and dated in dual custody.

Section 4 — Release of Contents

Inventory Sheet Distribution

Three copies of the completed inventory form will be needed:

- for the holder records;
- to include with the Holder Remit Report filed with the State Controller's Office for each account reported; and,
- To enclose with the safe deposit box contents – either inside with the contents or attached to the outside of the contents, for identification purposes.

Release of Contents — Enter the requested information and select the type of costs associated with the Safe Deposit Box.

On ____/____/____, upon receipt of \$_____, which represents:

☐ Past due rent ☐ Drill costs ☐ Storage Fees

Assistance — If you need additional assistance to complete the inventory form, call (916) 464-0997.

Remit Report Due Date	6/1/2014-6/15/2014												

The State Controller's Office (SCO), Unclaimed Property Division, has received your Holder Notice Report. This reminder letter is to inform you that your Holder Remit Report, along with the delivery or remittance of all remaining unclaimed property, is due to the SCO on the date specified above. If the Remit Report and remittance are not received by the SCO during the specified timeframe, holders will be subject to interest assessment at a rate of 12% per annum (California Code of Civil Procedure Section 1577). Holders of Safe Deposit Boxes or Safekeeping Repositories are to maintain the reported contents until contacted by the SCO. If the property has been returned to the owner, submission of a UFS-1 form (Rev. 05/12) is still required by the SCO.

Holder Remit Report Requirements/Guidelines:

- Accounts Included on the Holder Notice Report that Are No Longer Unclaimed** - Holders must refund or reactivate owner properties when the property owner contacts them prior to the date required to remit the property to the SCO. For owner accounts that were reported on the Holder Notice Report that are no longer unclaimed because of owner contact prior to the due date of the Holder Remit Report, the holder shall follow the reporting instructions for the specific format in which they are reporting. If reporting in the Standard AUPA II or Paper form, the holder may either exclude the owner accounts from the report entirely, or may include the owner accounts on the report with the appropriate Paid or Deletion Code. For all other formats, the holder will include the owner accounts on the report. Please note that the holder will be signing an affirmation on the UFS-1 form (Rev. 05/12) stating that all accounts reported on the Holder Notice Report that are not included on the Holder Remit Report are no longer considered unclaimed due to owner contact or return of the property to the owner. Reporting forms can be found on our website at www.sco.ca.gov.
- New Accounts Not Included on the Holder Notice Report** - Do not include accounts on the Holder Remit Report that were not identified on the original Holder Notice Report. California law requires that before unclaimed property can be transferred to the state, the SCO must send a notice to the owner to give them the opportunity to claim their property from the holder before it is transferred. Therefore, any new properties identified that were not included on the Holder Notice Report should be reported on a separate Supplemental Holder Notice Report and not included on the Holder Remit Report.
- EFT Instructions** - Holders of unclaimed property must remit cash property by Electronic Funds Transfer (EFT) if the amount is \$20,000 or more. Holders are encouraged to register for ACH-Debit remittance with the SCO as this EFT method is free to holders. However, other methods of transfer are available. For more information on EFT, please refer to our reporting instructions available at www.sco.ca.gov. To register for EFT prior to the next remit period, please contact our EFT staff at updscoeft@sco.ca.gov or (916) 464-8220.
- Transfer of Securities** - The holder shall re-register the securities in the name of the State Controller, State of California. The securities shall be delivered to the SCO either via electronic transfer to an account with the SCO's contracted broker, through the Depository Trust Company (DTC) or by submitting a duplicate certificate. The SCO prefers the electronic transfer method over the submission of duplicate certificates. A hard copy of the SS-1 form (Rev. 03/11) is required with the Holder Remit Report when remitting securities. If securities are being delivered electronically, remitters are also required to email the SS-1 form (Rev. 03/11) to the SCO at updtoss1@sco.ca.gov and to the SCO's contracted broker at califstateemail@wellsfargoadvisors.com at least 48 hours prior to transfer. **The SCO's contracted broker will reject the security transfer without proper notification.** For more information regarding transferring securities, please contact our Reconciliation staff at UPDSecRecon@sco.ca.gov.
- Required Forms** - A hard copy of the UFS-1 form (Rev. 05/12) is required with every report. The SS-1 form (Rev. 03/11) is required for all reports that include securities that are being reported and remitted. **In addition to the form(s) above, a copy of this notice is also required when submitting your Holder Remit Report.** Instructions for the Holder Remit Reports are available on our website at www.sco.ca.gov. If you have questions regarding this reminder letter, please call the Unclaimed Property Reporting Unit at (916) 464-8284 or email upreporting@sco.ca.gov.

This reminder letter and your remittance of the Reported Amount and Reported # of Shares, as delineated above, must be received within the date range in the Remit Report Due Date field above. Please follow all EFT and Transfer of Securities instructions located in the Holder Handbook at www.sco.ca.gov when remitting the property.

Sign and date this form and return it with your Holder Remit Report to expedite processing:
