

# ICD-9 — ICD-10 Conversion

*Version 2*

A message to our peers,

We hope you find the following ICD conversion guide helpful. We designed it with the same guiding principle as our business- to compile useful resources and present them in the most accessible and useable format.

Visit our website today to find out what else ChiroUp can do to make your life easier.

Sincerely,

Tim Bertelsman,  
D.C. CCSP

Brandon Steele,  
D.C.

Building and construction	Y93.H3
Other activity property/land maintenance, bldg. & construction	Y93.H9
Other stressful life events affecting family and household	Z63.79

# Glossary

xx- placeholder

7th Character: A - Initial Encounter (Active Treatment)

7th Character: D - Subsequent Encounter (Post Active Care)

7th Character: S - Sequela (Complication from Condition)

NEC - Not Elsewhere Classified

NOS - Not Otherwise Specified

INCLUDES: Includes following codes

EXCLUDES: Codes cannot be billed together

Codes Ending In a "9" likely to be deemed not medically necessary

## Educate Yourself

ChiroUp was created to help you deliver clinical excellence. We've researched and written detailed, evidence-based protocols for the assessment and management of the most common conditions.

## Educate Patients

Quickly print or email easy-to-read and professionally illustrated lay descriptions of your patients' condition, your proposed treatment plan, exercises, and helpful advice.

## Prescribe Exercises

Patients will be able to access "your" online video demonstrations of their specific exercises so they can utilize their personalized printed or emailed exercise program with confidence.

## Grow Your Business

Create a marketing plan for your style of practice with step-by-step implementation advice, alongside a library of professionally designed samples to set the groundwork for you to attract more patients right away.

## Access Tools

Users will have access to a library of clinical & business resources including everything you need to assess, document, order, refer & communicate professionally, and administrative forms and policies.

## Connect and Stay Informed

Connect with like-minded professionals through peer group chat rooms and blogs allowing you to interact, learn, share and discuss timely topics.

ChiroUp didn't invent all the protocols of clinical, business and marketing excellence, we simply created an outstanding, user-friendly system for you to access and implement these "best practices" right now!
