In line with Download school map for Minecraft PE: nostalgic institutions will bring your memories back. What's interesting about MCPE school cards? Education is one of the periods of our lives, and this is the first. We spend most of them in schools with teachers, homework and endless exams. Now it's all about MCPE with these stunning buildings. The spacious rooms, long and narrow corridors and large halls are an excellent place to start your adventures. School and city by Rexor03 This high school building is quite ordinary. But there are many buildings, except for the main structure. The town hall, library, shops and boulevards can be found here. The school itself is undoubtedly significant, which means you'll have plenty of room to go out with your classmates at Minecraft PE. There is even a restaurant and a theater. Role play with high school from Gator1380 This MCPE card is slightly different. Although it presents a school home, this one is specially designed for role-playing games. You can become a teacher and your student friends. Fortunately, there are many rooms to have fun. Laboratories of chemistry, parking lots, a patio in the café and much more. In addition, you can find plenty of unique classrooms inside the school. Rainbow High School by Darkdean This school is probably the best looking of all. It is vibrant and built of many different colors, which makes it more satisfying. Players get a massive city where they will be able to spend their holidays. Minecraft PE users can play swim in the pools and have fun in the area. Luckily, there's a lot to see. Your you will enjoy your holiday here. Basics of Minecraft: Chapter Two of MBTeam Games This map of MCPE differs from others: it has plots, quests and built-in add-ons. According to the creators, the old school set fire to it, and you had to move to the new one. Buy new items, go to the next levels, do not make mistakes, as someone persists looking at you in Minecraft PE. Your goal is to escape from this damn school! It's kind of a horror map. By Editor Published october 21, 2017 This creation includes a small neighborhood, school, theater and some other buildings. It's a clean little map to use for role-playing games, or you can try to expand the area with more buildings and maybe turn it into an entire city. We hope that some of you will find good use for the card whatever you decide to do with it. It is built in a flat world and as a result you are a little limited in terms of research. Creator: KamteBham installation Download . Download McCowell. ZIP tags: , MCWorldCreating maps of the planet Join Minecraft! We are a community of artists sharing everything Minecraft!
