(d) Each license issued under this act shall expire on July 1 annually. A renewal license fee in the same amount as that paid for the original license shall be paid annually for each respective type of license and for each licensed place of business.

(e) A licensee shall pay an examination fee for any examination of its records conducted by the administrator. The examination fee shall be the lesser of the actual hourly rate or per contract rate as established by this subdivision. An examination fee based on the per contract rate shall not be less than \$150.00. Annually, the administrator shall determine and notify all licensees of the hourly rate and per contract rate at which examination fees shall be charged for all examinations conducted pursuant to this act during the calendar year. The hourly rate shall be not less than \$20.00 per hour, nor more than \$40.00 per hour for each examiner engaged in an examination. The per contract rate shall be not less than \$0.08, nor more than \$0.20 per installment sales contract. The examination fee shall be invoiced upon the completion of the examination and shall be due and payable upon receipt of the invoice by the licensee. A licensee shall not be required to pay for more than 1 examination in any 1 calendar year. An installment seller shall not be required to pay more than \$200.00 for an examination unless the licensee holds its own installment sales contracts.

(f) All fees and expenses provided for in this section and in section 7(c) shall be paid into the state treasury to the credit of the financial institutions bureau, and money in this account shall be used only for the operation of the financial institutions bureau.

492.106a Receipt of completed application for new or renewal license; issuance of license within certain time period; report.

Sec. 6a. (1) Subject to subsection (3), beginning on the effective date of the amendatory act that added this section, the administrator shall approve or reject a new or renewal license application within 90 days after the date a complete application under section 4 is received by the office of financial and insurance services or the

date it is received by another agency or department of state government on behalf of the office of financial and insurance services, whichever is earlier.

(2) If an application described in subsection (1) is considered incomplete by the administrator, the administrator shall notify the applicant in writing or electronically within 30 days after receipt of the incomplete application, describing the deficiency and requesting the additional information, the unpaid fee, or the bond. The 90-day time period described in subsection (1) is tolled upon notification by the administrator of a deficiency until the date the requested information is received by the administrator. The determination of the completeness of an application does not operate as an approval of the application for the license and does not confer eligibility of an applicant determined otherwise ineligible for issuance of a license. The tolling of the 90-day time period under this subsection does not allow the administrator to otherwise delay the processing of the application, and that application, upon completion, shall be placed in sequence with other complete applications received at that same time.

(3) If the administrator fails to issue or deny a license within the time required by this section, the administrator shall return the license fee and shall reduce the license fee for the applicant's next renewal application, if any, by 15%. The administrator shall not discriminate against an applicant in the processing of the application based upon the fact that the license fee was refunded or discounted under this subsection.

(4) Beginning October 1, 2005, the administrator shall submit a report by December 1 of each year to the standing committees of the senate and house of representatives concerned with commerce issues and to the appropriations subcommittees of the senate and house of representatives generally responsible for appropriations to the office of financial and insurance services. The administrator shall include all of the following information in the report concerning the preceding fiscal year:

(a) The number of initial and renewal applications the administrator received and completed within the 90-day time period described in subsection (1).

(b) The number of applications denied.

(c) The number of applicants not issued a license within the 90-day time period and the amount of money returned to licensees and registrants under subsection (3).

History: Add. 2004, Act 283, Imd. Eff. July 23, 2004.

492.107 License certificate; issuance; posting; license nontransferable and nonassignable; change in business location; notice; amendment of license certificate; fee; operating more than 1 place of business.

Sec. 7. (a) Upon approving a license application, the administrator shall issue to the applicant a license certificate showing the name of the person authorized to do business under the license and the business address of the licensee. Upon issuance to a licensee, a license certificate shall be posted in a conspicuous place in the place of business of the licensee in full view of the public at all times.

(b) A license shall not be transferable or assignable.

(c) A licensee may change his or her place of business to another location within the same municipality for which the license certificate was issued. A licensee desiring to change the address of his or her place of business shall give prior written notice to the administrator and shall return the license certificate to the administrator for amendment. The administrator shall amend the license certificate to show the new address and the date of the change, which shall then be the authorized address of the licensee. A licensee shall pay a fee of \$10.00 to amend a license certificate.

(d) Only 1 place of business may be operated under the same license. A licensee may operate more than 1 place of business by filing an application on the prescribed form for each additional place of business and complying with the bond and license fee provisions of this act. For an installment seller only, if every place of business is conducted in 1 city under 1 name and all business records are continuously kept in 1 place, only 1 license shall be required for all places of business conducted in that city.

492.108 License; application, rejection, grounds, notice; retention of fee.

Sec. 8. (a) The administrator may reject any application for license or any application for renewal of a license if he is not satisfied that the financial responsibility and the general fitness of the applicant and of the owners, partners or members thereof, if the applicant be a partnership or association, and of the officers and directors, if the applicant be a corporation, are such as to warrant the belief that the business for which application for license is filed will be operated in accordance with the provisions of this act.

(b) Whenever the administrator rejects an application for license he shall mail a notice of such action to the applicant and the applicant may, within 30 days of the date of such notice, appeal from such action to the circuit court in the manner provided for in section 9, subsection (d) of this act.

(c) Whenever the administrator rejects an application for license, he shall retain the license fee which accompanied the application, to defray costs of investigation.

History: 1950, Ex. Sess., Act 27, Eff. Mar. 31, 1951.

492.109 License; revocation or suspension; grounds; appeal.

Sec. 9. (a) The administrator, upon 30 days written notice to the licensee, forwarded by registered mail to the place of business of such licensee, as shown in the application for license or as amended on the license certificate in case of change of address subsequent to issuance of the license certificate, may revoke or suspend any license if he finds that:

1. The licensee has made any material misstatement in the application for license, or that
2. The licensee has violated any provisions of this act, or that
3. The licensee refuses or has refused to permit the administrator or his designated representative to make examinations authorized by this act, or that
4. The licensee in the case of a sales finance company has failed to maintain in effect the bond required under the provisions of this act, or that
5. The licensee has failed to maintain satisfactory records required by this act, or that
6. The licensee has falsified any records required by this act to be maintained in connection with the business contemplated by this act, or that
7. The licensee has after proper notice failed to file any report with the administrator within the time stipulated in this act, or that
8. The licensee has failed to pay the fine required by this act for failure to file reports to the administrator within the time stipulated, or that
9. The licensee has defrauded any retail buyer to the buyer's damage or wilfully failed to perform any written agreement with any retail buyer, or that
10. Any fact or condition exists or is discovered which, if it had existed or had been discovered at the time of filing of the application for such license, would have warranted the administrator in refusing to issue such license.

(b) The administrator may revoke or suspend only the particular license with respect to which grounds for revocation may occur or exist, but if he finds that grounds for revocation are of general application to all places of business or to more than 1 place of business operated by a licensee, he may revoke all of the licenses issued to such licensee or those licenses to which grounds for revocation apply, as the case may be.

(c) Whenever a license has been revoked, the administrator shall not issue another license to the licensee pursuant to the provisions of this act until the expiration of at least 1 year from the effective date of revocation of said license.

(d) Appeals may be taken from the action of the administrator in accordance with procedure prescribed in section 30 of Act No. 319 of the Public Acts of 1969, being section 487.330 of the Compiled Laws of 1948.

492.110 Investigation and examination of records; access to place of business; required witness attendance; subpoena; forms, rules and regulations.

Sec. 10. (a) The administrator is authorized and empowered to investigate and examine at any time during regular business hours any and all books, accounts, papers, records, documents and files, to the extent that such investigation and examination pertain to matters regulated under the provisions of this act, of any licensee and of any person who shall be engaged in business contemplated by this act. For this purpose the administrator shall have free access to the offices and places of business and any and all books, accounts, papers, records, documents and files of all such persons. A person who is not licensed under this act shall be presumed to be engaged in business contemplated by this act, if he, as principal, agent or broker advertises or solicits business for which a license is required by the provisions of this act, and the administrator and any person designated by him for that purpose is, in such case, hereby empowered to examine the books, accounts, papers, records, documents, files, safes and vaults of such persons for the purpose of discovering violations of this act.

(b) The administrator is empowered to require the attendance and testimony of witnesses and the production of any books, accounts, papers, records, documents and files relating to such business which the administrator has authority by this act to investigate, and for this purpose the administrator or his duly authorized representative may sign subpoenas, administer oaths and affirmations, examine witnesses and receive evidence. In case of disobedience of any subpoena or the contumacy of any witness appearing before the administrator, the administrator may invoke the aid of the circuit court of Ingham county, or any circuit court of the state, and such court shall thereupon issue an order requiring the person subpoenaed to obey the

subpoena, or to give evidence, or to produce books, accounts, papers, records, documents and files relative to the matter in question. Any failure to obey such order of the court may be punished by such court as a contempt thereof.

(c) The administrator is hereby authorized and empowered to prescribe the various blank forms to be used by licensees in making reports, and to make rules and regulations relating to the enforcement of this act. A copy of every rule and regulation shall be mailed by the administrator to all licensees under this act at their respective licensed places of business at least 10 days before the effective date thereof.

Sec. 11. (a) Every licensee shall maintain, at the place of business designated in the license certificate, such books, accounts and records of the business conducted under the license issued for such place of business as will enable the administrator to determine whether the business of the licensee contemplated by this act is being operated in accordance with the provisions of this act.

(b) A licensee, operating 1 or more licensed places of business in this state, may maintain the general control records of all such offices at any 1 of such offices, or at any other office maintained by such licensee, upon the filing of a written request with the administrator designating therein the office at which such control records are maintained and upon approval of such request by the administrator.

(c) All books, accounts and records of licensee shall be maintained in the English language.

(d) All books, accounts and records of licensees, including any cards used in a card system, shall be preserved and available for examination by the administrator for at least 2 years after making the final entry therein.

492.112 Installment sale contract; contents; signatures; buyer's copy; notice; form; delivery acknowledgment; payments; applicability.

Sec. 12. (a) An installment sale contract shall be in writing, and shall contain all of the agreements between the buyer and the seller relating to the installment sale of the motor vehicle sold, and shall be signed by both the buyer and the seller.

(b) An installment sale contract shall be completed as to all essential provisions prior to the signing of the contract by the buyer and contain such other information as the administrator may require.

(c) An exact copy of the installment sale contract shall be furnished by the seller to the buyer without charge at the time the buyer signs the contract. The buyer's copy of the contract shall contain the signature of the seller identical with the signature on the original contract.

(d) An installment sale contract shall contain the following notice printed prominently and in the form indicated in 12-point type or larger directly above the space provided in the contract form for the signature of the buyer:

“Notice to buyer. Do not sign this contract in blank. You are entitled to 1 true copy of the contract you sign without charge. Keep it to protect your legal rights.”

(e) The seller shall obtain from the buyer a written acknowledgment of the delivery of the copy of the contract. The acknowledgment shall be printed in 12-point type or larger and, if attached to the contract, it shall be printed below the buyer's signature to the contract and independently signed.

(f) An installment sale contract shall provide for weekly, semi-monthly, or monthly payments of the time balance in substantially equal periods and amounts. This subdivision does not apply to installment sale contracts made between an installment seller and an installment buyer who is an employee of the installment seller. This subdivision shall not be construed to prohibit installment sales contracts that extend the time for making installment payments for a period of not to exceed 3 months. This subdivision does not preclude the exceptional installment sale contract provided for in section 22 of this act.

History: 1950, Ex. Sess., Act 27, Eff. Mar. 31, 1951;—Am. 1954, Act 132, Imd. Eff. Apr. 23, 1954;—Am. 1994, Act 2, Imd. Eff. Feb. 17, 1994.

492.113 Installment sale contract; contents; collateral security; notice of legal rights; liability.

Sec. 13. (1) An installment sale contract shall include the full names and addresses of all the parties to the contract, the date when signed by the buyer, and a description of the motor vehicle sold that is sufficient for accurate identification.

(2) An installment sale contract shall set forth all of the following separate items in the following order:

(a) The cash price of the motor vehicle. This amount shall include any taxes, the cash price of agreed upon

accessories and installation of the accessories, the cash price of any extended warranty or service contract, and a documentary preparation fee. The documentary preparation fee shall not exceed 5% of the cash price of the motor vehicle or \$160.00, whichever is less. Beginning on January 1, 2005, the administrator shall adjust the maximum amount then in effect for the documentary preparation fee described in this subdivision every 2 years to reflect the cumulative percentage change in the consumer price index for the 2 immediately preceding calendar years, as determined by the administrator. The administrator shall round the adjustment to the nearest \$10.00 increment to set the fee every 2 years under this subdivision, but shall carry over and use the absolute value to calculate the next 2-year adjustment. As used in this subdivision, "consumer price index" means the United States consumer price index for all urban consumers, U.S. city average, as defined and reported by the United States department of labor, bureau of labor statistics.

(b) The down payment made by the buyer at the time of or before execution of the contract, indicating whether made in cash, represented by the agreed value of a trade-in motor vehicle or other goods, or both. The amount of cash and the value of any trade-in shall be stated separately. A description that is sufficient for identification of any trade-in shall be included.

(c) The unpaid cash price balance, which is the difference between the cash price under subdivision (a) and the down payment under subdivision (b).

(d) The cost of any insurance premium or travel emergency benefits pertaining to the operation of the automobile that the seller agrees to extend credit to the buyer to obtain. The installment sale contract shall set forth the term of the insurance and a concise description of the terms of the insurance policy and the travel emergency benefits. If the precise cost of the insurance is not available at the time the contract is signed, an estimated amount, ascertained from the current published applicable manual of a recognized standard insurance rating bureau, may be set forth in the contract. Within 25 days after making the installment sale contract, the seller shall mail or cause to be mailed to the buyer at his or her address as shown on the contract a certificate or policy of insurance and a statement showing the exact cost of the insurance. Each installment sale contract shall contain the following warning, printed prominently in red ink and in 12-point type or larger, directly preceding the notice provided for in section 12(d), enclosed by a continuous heavy line:

Warning: The insurance afforded hereunder does not cover liability for injury to persons or damage to property of others unless so indicated hereon.

(e) The cost of any guaranteed asset protection waiver that the seller agrees to extend credit to the buyer to obtain. For purposes of this subdivision, all of the following apply:

(i) "Guaranteed asset protection waiver" means that term as defined in section 3 of the guaranteed asset protection waiver act.

(ii) A guaranteed asset protection waiver may be included as part of, or as an addendum to, an installment sale contract.

(iii) An installment seller that offers, sells, or provides guaranteed asset protection waivers to installment buyers in this state must comply with the guaranteed asset protection waiver act.

(iv) Any cost to an installment buyer for a guaranteed asset protection waiver entered into in compliance with the truth in lending act, 15 USC 1601 to 1667f, and the regulations promulgated under that act, 12 CFR part 226, must be separately stated and is not considered a finance charge or interest.

(f) Other necessary or incidental costs that the seller contracts to pay on behalf of the buyer and for the amount of which the seller agrees to extend credit to the buyer as authorized under this act. The contract shall contain an itemization of the nature and amount of the costs.

(g) The principal amount financed, which is the total of the amounts described in subdivisions (c), (d), (e), and (f).

(h) The finance charge, which is the consideration in excess of the total of the cash price under subdivision (a), excluding the amounts described in subdivisions (d), (e), and (f).

(i) The time balance, which is the total of the amounts described in subdivisions (g) and (h) and represents the total obligation of the buyer that he or she agrees to pay in 2 or more scheduled payments.

(j) The payment schedule, which shall include the number of payments, the amount of the payments, and the time of the payments required to liquidate the time balance.

(3) An installment sale contract shall state clearly any collateral security given to secure the buyer's obligation under the contract.

(4) An installment sale contract shall contain a summary notice of the buyer's principal legal rights respecting prepayment of the contract and rebate of the finance charge and reinstatement of the contract in the event of repossession.

(5) An installment sale contract shall contain specific provisions concerning the buyer's liability for default charges, repossession, and sale of the motor vehicle in case of default or other breach of contract, and the seller's or holder's rights concerning any collateral security.

(2) If subsection (1) applies in an installment sale transaction, then the other necessary or incidental costs included in the installment sale contract under section 13(2)(e) shall include the amount the seller agreed to finance under subsection (1).

History: Add. 2005, Act 319, Imd. Eff. Dec. 27, 2005.

Compiler's note: Enacting section 1 of Act 319 of 2005 provides:

"Enacting section 1. It is the intent of the legislature that this section be construed as declaring the law as it exists before this section is enacted and not as modifying it."

492.114 Installment sale contract; condition of signing; acceleration clause; right of repossession; prohibited provisions.

Sec. 14. (a) An installment sale contract shall not be signed by a party to the contract unless it contains all of the information and statements required by this act.

(b) An installment sale contract shall not contain an acceleration clause under which any part or all of the time balance represented by payments, not yet matured, may be declared immediately payable because the seller or holder deems itself to be insecure.

(c) An installment sale contract shall not contain a provision authorizing a person acting on behalf of the seller or holder to enter upon premises of the buyer unlawfully or to commit a breach of the peace in the repossession of the motor vehicle or collateral security. A right of repossession of a motor vehicle provided in an installment sale contract shall be exercised only in the manner provided in part 6 of article 9 of the uniform commercial code, 1962 PA 174, MCL 440.9601 to 440.9628, concerning taking possession of and disposing of collateral.

(d) An installment sale contract shall not contain a provision by which the buyer waives a right of action against the seller, holder, or other person acting on behalf of the holder for an illegal act committed in the collection of the payments under the contract or in the repossession of the motor vehicle or collateral security.

(e) An installment sale contract shall not contain a provision by which the buyer executes a power of attorney appointing the seller, the holder, or the agent of the licensee as the buyer's agent in collection of the payments under the contract or in repossession of the motor vehicle sold or collateral security.

(f) An installment sale contract shall not contain a provision relieving the holder, or other assignee, from liability for legal remedies which the buyer has against the seller under the contract or under a separate instrument executed in connection with the contract.

492.114a Evidence of obligation; holder subject to claims and defenses of buyer; limitation on buyer's recovery; mandatory provision in installment sale contract; sales to which section applicable; action to collect debt; designation of disinterested third party to receive payments; amount and distribution of payments.

Sec. 14a. (a) A person shall not take a negotiable instrument, other than a currently dated check or draft, as evidence of the obligation of the buyer in a retail sale of a motor vehicle.

(b) A holder of an installment sale contract is subject to all the claims and defenses of the buyer arising out of the installment transaction, but the buyer's recovery shall not exceed the amount paid to the holder thereunder.

(c) An installment sale contract entered into under this act shall contain the following provision in at least 10-point boldface type:

Notice

(e) In an action by the holder to collect a debt from the buyer, the court, after notice to the buyer and a hearing, may designate a disinterested third party to receive payments from the buyer. If the court finds that the buyer will not be unreasonably burdened nor deprived of adequate transportation by making the payments, an amount up to but not greater than the amount of each time balance payment due shall be paid to the disinterested third party as it becomes due during the period of litigation. At the conclusion of the litigation these payments shall be distributed pursuant to the judgment of the court.

492.115 Installment sale contract; sale, transfer, assignment; notice to buyer; exception; assignment contracts.

Sec. 15. (a) Whenever an installment sale contract is lawfully sold, transferred or assigned to a person who is licensed as a sales finance company, pursuant to the provisions of this act, such new holder shall furnish to the buyer in such contract a written notice of such sale, transfer or assignment, excepting when assignment is made only to secure a bona fide commercial loan or pursuant to a bulk sale of installment sale contracts. Such notices shall set forth the name and address of the new holder and shall notify the buyer of the name and address of the person authorized to receive future payments on such contract. If such notice has not been given, any payment or tender of payment made to and any service of notice on the last known holder by the buyer shall be binding upon any subsequent holder. No installment sales contract shall be sold to any person doing business in this state who is not licensed under the provisions of this act.

(b) The provisions of this section shall not apply to an assignment of installment sale contracts, which is executed by a seller or sales finance company in connection with a bulk sale or as collateral security for a bona fide commercial loan, obtained at lawful rates of interest from a person regularly engaged in the business of lending money on the security of such assigned collateral, and under which, in the absence of default or other bona fide breach of the loan contract, ownership of the assigned contracts remains vested in the assignor and collection of payments on such assigned contracts is made by the assignor: And provided, That such assignment and loan contracts are not for the purpose of evading or circumventing the provisions of this act.

492.116 Installment sale contract; insurance of vehicle, limitation, coercion prohibited; premium cost, buyer's certificate, terms of contract, cancellation.

Sec. 16. (a) The buyer of a motor vehicle under an installment sale contract may be required to provide insurance on such motor vehicle at the buyer's expense for the protection of the seller or subsequent holder. Such insurance shall be limited to insurance against substantial risk of damage, destruction or theft of such motor vehicle: Provided, however, That the foregoing shall not interfere with the liberty of contract of the buyer and seller to contract for travel emergency benefits pertaining to the operation of the automobile or other or additional insurance as security for or by reason of the obligation of the buyer, and inclusion of the cost of such insurance premium and said travel emergency benefits in the principal amount advanced under the installment sale contract. Such insurance shall, if possible to obtain, be written for the dual protection of the buyer and of the seller, or subsequent holder, to the extent of his interest in the motor vehicle. Such insurance shall be for an amount, and period of time, and upon terms and conditions, which are reasonable and appropriate considering the type and condition of the motor vehicle, the amount of the time balance and the schedule of payments in the installment sale contract. In the event such insurance cannot be obtained for the dual protection of the buyer and the seller, or subsequent holder, or if obtained, is cancelled by the insurance company prior to expiration, the seller, or subsequent holder, may obtain insurance to protect his interest in the motor vehicle and the buyer may be required to pay the cost thereof. In such event, the seller, or subsequent holder, shall promptly notify the buyer that such insurance cannot be obtained, or is cancelled, and

credit to the buyer the difference between the amount charged by the seller for such dual protection insurance and the cost to the seller of such single interest insurance (less, in the event of cancellation, the earned premium on the dual interest insurance for the period it is in force): Provided, That whenever such insurance is written for the protection of the seller, or subsequent holder, only, neither the insurance company issuing the policy nor any other person shall be subrogated to the rights of the insured as against the buyer.

(b) The buyer of a motor vehicle under an installment sale contract shall have the privilege of purchasing such insurance from any insurance company, agent or broker authorized to do business in Michigan other than the installment seller. No installment seller shall coerce, threaten, or in any manner influence any installment buyer to purchase insurance from any insurance company, agent or broker designated by such seller: Provided, however, That the inclusion of the cost of the insurance premium in the installment sale contract, when the buyer selects the company, agent or broker, shall be optional with the seller.

(c) Whenever the seller contracts to purchase, at the buyer's expense, such insurance on a motor vehicle sold under an installment sale contract, such insurance shall be purchased through an agent and/or broker or other person, authorized to conduct business in Michigan, and such insurance shall be written by an insurance company qualified to do business in Michigan. The status of the buyer and seller or holder, as set forth in such insurance contract, shall conform to the status of these parties in the installment sale contract. The cost of the premium on such insurance to the buyer shall not be in excess of the amount of the premium which others are required to pay to such insurance company for similar coverage, and in no event in excess of rates established in the then current published applicable manual of a recognized standard insurance rating bureau, or the rates fixed by authority of the state of Michigan.

(d) Whenever the seller contracts to purchase, at the buyer's expense, such insurance on a motor vehicle sold under an installment sale contract, a certificate of insurance and a statement showing itemized cost of such insurance shall be delivered to the buyer within 25 days of the date of the buyer's signing of the installment sale contract.

(e) The insurance policy or certificate of insurance on the motor vehicle which is furnished to the buyer, when the insurance is placed by the seller or subsequent holder at the buyer's expense, shall set forth complete information as to the effective dates, amounts of premiums and coverage, and shall contain all the terms of the insurance contract.

(f) When the seller or subsequent holder has placed, at the expense of the buyer, insurance on a motor vehicle sold under an installment sale contract and the buyer prepays the time balance under the contract prior to the expiration date of the insurance, such insurance shall remain in force unless the buyer requests cancellation thereof. The seller or holder shall not cancel the insurance under such circumstances without the buyer's consent, nor shall the seller or holder coerce the buyer to cancel the insurance. Unexpired insurance premiums received by the seller or holder, resulting from cancellation of insurance which was originally placed at the buyer's expense, shall be used in procuring comparable insurance as in subsection (g) of this section provided, and if such insurance cannot be obtained, shall be paid to the buyer or credited to any matured unpaid installments under the contract.

(g) When the seller contracts to purchase insurance at the buyer's expense and such insurance is cancelled by the insurance company prior to expiration, the seller or subsequent holder shall attempt to place comparable insurance with another insurance company and furnish or cause to be furnished to the buyer a copy of the insurance policy or certificate of insurance, subject to the same requirements of this act applicable to the original policy. In the event the holder is unable to obtain such insurance in another insurance company, he shall promptly notify the buyer by registered mail, addressed to the buyer at the address appearing upon the installment sale contract, unless the seller is in receipt of written notice of a change in the buyer's address, and in such event addressed to the buyer at such changed address. The buyer may then obtain such insurance from an insurance company, agent or broker of his own selection. The holder shall also be liable to the buyer for any loss suffered by the buyer through negligence on the part of the holder in promptly mailing notice to the buyer of his inability to obtain replacement insurance.

492.118 Finance charge on installment sale contract; maximum rate; computation.

Sec. 18. (1) A seller licensed under this act may charge the buyer a finance charge on any installment sale contract covering the retail sale of a motor vehicle in this state. The finance charge shall not exceed the rate permitted by the credit reform act, 1995 PA 162, MCL 445.1851 to 445.1864.

(2) The seller shall compute the finance charge on the principal amount financed as determined under section 13(2)(f).

(3) The seller shall compute the finance charge at the annual rates permitted by subsection (1) on installment sale contracts that are payable by installment payments, extending for a period of 1 year. On installment sale contracts providing for installment payments extending for a period that is less than or greater than 1 year, the seller shall compute the finance charge proportionately. If an installment sale contract provides for payment other than in equal successive weekly, semimonthly, or monthly installments, the finance charge may be at a rate that will provide the same annual percentage rate as is permitted on monthly payment contracts considering the schedule of payments in the contract. The seller shall disclose the annual percentage rate of the installment sales contract in accordance with disclosure requirements of the truth in lending act, title I of the consumer credit protection act, Public Law 90-321, 15 U.S.C. 1601 to 1608, 1610 to 1613, 1615, 1631 to 1635, 1637 to 1648, and 1661 to 1667e, and the regulations promulgated under the truth in lending act.

(4) The seller may compute the finance charge on the basis of a full month for a fractional month period in excess of 10 days.

(5) A seller may charge a minimum finance charge of \$15.00 on an installment sale contract in which the finance charge, when computed at the rates indicated, results in a total charge of less than \$15.00.

The refinance charges may be computed on the basis of a full month for any fractional month period in excess of 10 days.

(d) If the unpaid balance of the contract is refinanced or renewed, a refinance charge may be assessed on the amount obtained by adding to the unpaid time balance of the contract the insurance cost and other costs incidental to refinancing and the unpaid default charges that may be accrued, and by deducting any rebate that may be due to the buyer for prepayment incidental to refinancing, at the rate of the finance charge provided for in section 18(a), but otherwise subject to the provisions of this act governing computation of the original finance charge. The provisions of this act governing minimum finance charges and minimum prepayment rebate do not apply in calculating refinance charges on the contract renewed under this method of computation.

(e) The holder of an installment sale contract shall not include in any contract for refinancing the contract any cash loan to the buyer, nor any credit extended to the buyer incidental to the purchase of goods or services. A loan under this section does not include, nor does this act prohibit, a rearrangement of payments under the installment sale contract by a refinance transaction involving a restoration of certain installment payments made under the contract, but the refinance charge on the amount restored may not be more than that specified in section 18(a). The holder of the contract may embody in the refinance contract the cost of accessories, equipment, and parts for the motor vehicle sold under the contract, and the cost of repairs and services to the motor vehicle including finance charges on the contract.

Rebate may be made in cash or credited to the amount due on the obligation of the buyer.

(3) The unearned portion of the finance charge to be rebated to the buyer shall be rebated by the actuarial method. The holder is not required to rebate a portion of the unearned finance charge that results in a net minimum finance charge on the contract less than \$15.00. Sec. 22. An installment sale contract may provide for a series of weekly, semi-monthly or monthly payments in substantially equal periods and amounts, followed by a single larger payment of the unpaid time balance, in which event the installment buyer shall have the right to an option, at the time such larger payment

shall become due, to make such payment or to enter into a second contract, which contract shall conform to all the provisions of this act except that the refinance charge provided for in such second contract shall not exceed the finance charge rate provided for in the first contract.

On contracts providing for equal monthly installments, if the final installment is more than 105% of a previous installment as a result of the deferred interest charges, the installment buyer shall be given the option to pay the deferred interest charges not less than 25 days after the date the last installment payment is due.

(c) If the unpaid time balance is prepaid in full, together with all interest incurred to the date of prepayment, the balance of the original finance charge shall be canceled and the finance charge rebate provisions of section 21 do not apply.
