Sec. 21.101. DEFINITION. In this subchapter, "teacher" means a principal, supervisor, classroom teacher, school counselor, or other full-time professional employee who is required to hold a certificate issued under Subchapter B or a nurse. The term does not include a superintendent or a person who is not entitled to a probationary, continuing, or term contract under Section 21.002, an existing contract, or district policy.

Amended by:

Acts 2013, 83rd Leg., R.S., Ch. 443 (S.B. 715), Sec. 9, eff. June 14, 2013.

Sec. 21.102. PROBATIONARY CONTRACT. (a) Except as provided by Section 21.202(b), a person who is employed as a teacher by a school district for the first time, or who has not been employed by the district for two consecutive school years subsequent to August 28, 1967, shall be employed under a probationary contract. A person who previously was employed as a teacher by a district and, after at least a two-year lapse in district employment returns to district employment, may be employed under a probationary contract.

(a-1) A person who voluntarily accepts an assignment in a

new professional capacity that requires a different class of certificate under Subchapter B than the class of certificate held by the person in the professional capacity in which the person was previously employed may be employed under a probationary contract. This subsection does not apply to a person who is returned by a school district to a professional capacity in which the person was employed by the district before the district employed the person in the new professional capacity as described by this subsection. A person described by this subsection who is returned to a previous professional capacity is entitled to be employed in the original professional capacity under the same contractual status as the status held by the person during the previous employment by the district in that capacity.

(b) A probationary contract may not be for a term exceeding one school year. The probationary contract may be renewed for two additional one-year periods, for a maximum permissible probationary contract period of three school years, except that the probationary period may not exceed one year for a person who has been employed as a teacher in public education for at least five of the eight years preceding employment by the district.

(c) An employment contract may not extend the probationary contract period beyond the end of the third consecutive school year of the teacher's employment by the school district unless, during the third year of a teacher's probationary contract, the board of trustees determines that it is doubtful whether the teacher should be given a continuing contract or a term contract. If the board makes that determination, the district may make a probationary contract with the teacher for a term ending with the fourth consecutive school year of the teacher's employment with the district, at which time the district shall:

(1) terminate the employment of the teacher; or

(2) employ the teacher under a continuing contract or a term contract as provided by Subchapter D or E, according to district policy.

Sec. 21.103. PROBATIONARY CONTRACT: TERMINATION. (a) The board of trustees of a school district may terminate the employment of a teacher employed under a probationary contract at the end of the contract period if in the board's judgment the best interests of the district will be served by terminating the employment. The board of trustees must give notice of its decision to terminate the employment to the teacher not later than the 10th day before the last day of instruction required under the contract. The notice must be delivered personally by hand delivery to the teacher on the campus at which the teacher is employed, except that if the teacher is not present on the campus on the date that hand delivery is attempted, the notice must be mailed by prepaid certified mail or delivered by express delivery service to the teacher's address of record with the district. Notice that is postmarked on or before the 10th day before the last day of instruction is considered timely given under this subsection. The board's decision is final and may not be appealed.

(b) If the board of trustees fails to give the notice of its decision to terminate the teacher's employment within the time prescribed by Subsection (a), the board must employ the probationary teacher in the same capacity under:

(1) a probationary contract for the following school year, if the teacher has been employed by the district under a probationary contract for less than three consecutive school years; or

(2) a continuing or term contract, according to district policy, if the teacher has been employed by the district under a probationary contract for three consecutive school years.

Sec. 21.105. RESIGNATIONS UNDER PROBATIONARY CONTRACT. (a) A teacher employed under a probationary contract for the following school year may relinquish the position and leave the employment of

the district at the end of a school year without penalty by filing with the board of trustees or its designee a written resignation not later than the 45th day before the first day of instruction of the following school year. A written resignation mailed by prepaid certified or registered mail to the president of the board of trustees or the board's designee at the post office address of the district is considered filed at the time of mailing.

(b) A teacher employed under a probationary contract may resign, with the consent of the board of trustees or the board's designee, at any other time.

(c) On written complaint by the employing district, the State Board for Educator Certification may impose sanctions against a teacher employed under a probationary contract who:

- (1) resigns;
- (2) fails without good cause to comply with Subsection (a) or (b); and

Notice that is postmarked on or before the 10th day before the last day of instruction is considered timely given under this subsection.

(b-1) Notwithstanding any other provision of this code, this subsection applies only to a school district with an enrollment of at least 5,000 students. The board of trustees may designate an attorney licensed to practice law in this state to hold the hearing on behalf of the board, to create a hearing record for the board's consideration and action, and to recommend an action to the board. Not later than the 15th day after the completion of the hearing under this subsection, the board's designee shall provide to the board a record of the hearing and the designee's recommendation of whether the contract should be renewed or not renewed. The board shall consider the record of the hearing and the designee's recommendation at the first board meeting for which notice can be posted in compliance with Chapter 551, Government

Code, following the receipt of the record and recommendation from the board's designee, unless the parties agree in writing to a different date. The board by written policy may limit the amount of time for oral argument. The policy must provide equal time for each party. The board may obtain advice concerning legal matters from an attorney who has not been involved in the proceedings. The board may accept, reject, or modify the designee's recommendation. A teacher who is aggrieved by a decision of a board of trustees on the nonrenewal of the teacher's term contract may appeal to the commissioner for a review of the decision of the board of trustees in accordance with the provisions of Subchapter G. The commissioner may not substitute the commissioner's judgment for that of the board of trustees unless the board's decision was arbitrary, capricious, unlawful, or not supported by substantial evidence.

Added by Acts 1995, 74th Leg., ch. 260, Sec. 1, eff. May 30, 1995.

Sec. 21.210. RESIGNATION UNDER TERM CONTRACT. (a) A teacher employed under a term contract with a school district may relinquish the teaching position and leave the employment of the district at the end of a school year without penalty by filing a written resignation with the board of trustees or the board's designee not later than the 45th day before the first day of instruction of the following school year. A written resignation mailed by prepaid certified or registered mail to the president of the board of trustees or the board's designee at the post office address of the district is considered filed at the time of mailing.

(b) A teacher employed under a term contract may resign, with the consent of the board of trustees or the board's designee, at any other time.

(b) For a good cause, as determined by the board, the board of trustees may suspend a teacher without pay for a period not to extend beyond the end of the school year:

- (1) pending discharge of the teacher; or
- (2) in lieu of terminating the teacher.

Sec. 21.212. APPLICABILITY OF SUBCHAPTER TO SUPERINTENDENTS. (a) The board of trustees of a school district may choose to not renew the employment of a superintendent employed under a term contract, effective at the end of the contract period. If a majority of the board of trustees determines that the term contract of the superintendent should be considered for nonrenewal, the board shall give the superintendent written notice, containing reasonable notice of the reason for the proposed nonrenewal, not later than the 30th day before the last day of the contract term.

(b) If the board of trustees fails to give notice of the proposed nonrenewal within the time specified by Subsection (a), the board of trustees shall employ the superintendent in the same professional capacity for the following school year.

- (1) take the appropriate action; and
- (2) notify the superintendent in writing of the action not later than the 30th day after the date the board sends the notice of the proposed nonrenewal.

(d) The board of trustees shall adopt policies that establish reasons for nonrenewal. This section does not prohibit a board of trustees from discharging a superintendent for good cause during the term of a contract.

(e) A superintendent employed under a term contract may leave the employment of the district at the end of a school year without penalty by filing a written resignation with the board of trustees. The resignation must be addressed to the board and filed not later than the 45th day before the first day of instruction of the following school year. A superintendent may resign, with the consent of the board of trustees, at any other time.

A superintendent whose contract is amended under this subsection may resign without penalty by providing reasonable notice to the board and may continue employment for that notice period under the prior contract.

The deposition must be held within the geographical boundaries of the school district or at the regional education service center that serves the district.

(c) A procedure specified in this section may be changed or eliminated by written agreement of the teacher and the school district after the teacher receives the written notice of the proposed action.

(d) If the hearing examiner is unable to continue presiding over a case at any time before issuing a recommendation or decision, the parties shall request the assignment of another hearing examiner under Section 21.254 who, after a review of the record, shall perform any remaining functions without the necessity of repeating any previous proceedings.

(e) The school district shall bear the cost of the services of the hearing examiner and certified shorthand reporter at the hearing and the production of any original hearing transcript. Each party shall bear its respective costs, including the cost of discovery, if any, and attorney's fees.

(a) Not later than the 20th day after the date the board of trustees or board subcommittee announces its decision under Section 21.259 or the board advises the teacher of its decision not to renew the teacher's contract under Section 21.208, the teacher may appeal the decision by filing a petition for review with the commissioner.

(b) The school district must file a response not later than the 20th day after the date the petition for review is filed. The record of the local hearing must be filed with the district's response or be filed alone within the period for a response if the district does not file a response. A school district's filing of the record with the commissioner under this subsection is not an offense under Section 551.146, Government Code.

(c) The commissioner shall review the record of the hearing before the hearing examiner and the oral argument before the board of trustees or board subcommittee. Except as provided in Section 21.302, the commissioner shall consider the appeal solely on the basis of the local record and may not consider any additional evidence or issue. The commissioner, on the motion of a party or on the commissioner's motion, may hear oral argument. The commissioner shall accept written argument.

(d) In conducting a hearing under this section, the commissioner has the same authority relating to discovery and conduct of a hearing as a hearing examiner has under Subchapter F.

(e) The commissioner may adopt rules governing the conduct of an appeal to the commissioner. An appeal to the commissioner under this section is not subject to Chapter 2001, Government Code.

(f) The commissioner may obtain advice concerning legal matters from the chief legal officer of the agency if the chief

(a) If a party alleges that procedural irregularities that are not reflected in the local record occurred at the hearing before the hearing examiner, the commissioner may hold a hearing for the presentation of evidence on that issue. The party alleging that procedural irregularities occurred shall identify the specific alleged defect and its claimed effect on the board's or board subcommittee's decision. The commissioner may make appropriate orders consistent with rules adopted by the commissioner. The commissioner's determination on any alleged procedural irregularities is final and may not be appealed.

(b) A hearing under this section shall be recorded by a certified shorthand reporter.

Added by Acts 1995, 74th Leg., ch. 260, Sec. 1, eff. May 30, 1995.

Sec. 21.303. DETERMINATION BY COMMISSIONER. (b) If the board of trustees terminated a teacher's probationary, continuing, or term contract during the contract term or suspended a teacher without pay, the commissioner may not substitute the commissioner's judgment for that of the board unless:

(1) if the board accepted the hearing examiner's findings of fact without modification, the decision is arbitrary, capricious, or unlawful or is not supported by substantial evidence; or

(2) if the board modified the hearing examiner's findings of fact, the decision is arbitrary, capricious, or

unlawful or the hearing examiner's original findings of fact are not supported by substantial evidence.

(c) The commissioner may not reverse a decision of a board of trustees based on a procedural irregularity or error by a hearing examiner, the board of trustees, or a board subcommittee unless the commissioner determines that the irregularity or error was likely to have led to an erroneous decision by the board or board subcommittee.

Added by Acts 1995, 74th Leg., ch. 260, Sec. 1, eff. May 30, 1995.

Sec. 21.304. DECISION OF COMMISSIONER. (a) The commissioner's decision must be in writing and must include findings of fact and conclusions of law. The commissioner may adopt by reference and incorporate findings of fact or conclusions of law from the local record.

(b) The commissioner must issue a decision not later than the 30th day after the last day on which a response to the petition for review may be filed under Section 21.301(b). If the commissioner fails to issue a decision within that time, the decision of the board is affirmed.

(c) The commissioner shall send a copy of the decision to each party or the party's representative by certified mail. The commissioner shall keep a record of the mailing. A party is presumed to be notified of the decision on the date the decision is received, as indicated by the certified mail return receipt.

(d) The commissioner shall maintain and index decisions of the commissioner issued under this section with the recommendations or decisions of the hearing examiner.

(e) If the commissioner reverses the action of the board of trustees, the commissioner shall order the school district to reinstate the teacher and to pay the teacher any back pay and employment benefits from the time of discharge or suspension to reinstatement.

(f) Instead of reinstating a teacher under Subsection (e), the school district may pay the teacher one year's salary to which the teacher would have been entitled from the date on which the teacher would have been reinstated.

(2) the oral argument before the board of trustees or board subcommittee.

(b) Each party shall bear the cost of any copy of the transcript requested by that party.

Added by Acts 1995, 74th Leg., ch. 260, Sec. 1, eff. May 30, 1995.

Added by Acts 1995, 74th Leg., ch. 260, Sec. 1, eff. May 30, 1995.

Sec. 21.307. JUDICIAL APPEALS. (a) Either party may appeal the commissioner's decision to:

(1) a district court in the county in which the district's central administrative offices are located; or

(2) if agreed by all parties, a district court in Travis County.

(b) An appeal under this section must be perfected not later than the 30th day after:

(1) the date the party or the party's representative receives notice of the commissioner's decision or the date on which the decision of the board of trustees is affirmed by operation of law if the commissioner fails to issue a decision within the required period; or

(2) if a request for rehearing is filed under Section 21.3041, the date on which the request is denied by order of the commissioner or by operation of law under Section 21.3041(c).

(c) The commissioner and each party to the appeal to the commissioner must be made a party to an appeal under this section.

(d) The perfection of an appeal under this section does not affect the enforcement of the commissioner's decision.

(e) The court shall, under the substantial evidence rule, review the evidence on the evidentiary record made at the local level and any evidence taken by the commissioner but may not take additional evidence.

(f) The court may not reverse the decision of the commissioner unless the decision was not supported by substantial evidence or unless the commissioner's conclusions of law are erroneous.

(g) The court may not reverse a decision of the commissioner based on a procedural irregularity or error by a hearing examiner, a board of trustees or board subcommittee, or the commissioner unless the court determines that the irregularity or error was likely to have led to an erroneous decision by the commissioner.

SUBCHAPTER H. APPRAISALS AND INCENTIVES

Sec. 21.351. RECOMMENDED APPRAISAL PROCESS AND PERFORMANCE CRITERIA. (a) The commissioner shall adopt a recommended

appraisal process and criteria on which to appraise the performance of teachers. The criteria must be based on observable, job-related behavior, including:

(1) teachers' implementation of discipline management procedures; and

(2) the performance of teachers' students.

(a-1) In adopting criteria described by Subsection (a)(1), the commissioner shall ensure that a teacher may not be assigned an area of deficiency in an appraisal solely on the basis of disciplinary referrals made by the teacher or documentation regarding student conduct submitted by the teacher under Section [37.002](#). This subsection does not prohibit a teacher from being assigned an area of deficiency based on documented evidence of a deficiency in classroom management obtained through observation or a substantiated report.

(b) The commissioner shall solicit and consider the advice of teachers in developing the recommended appraisal process and performance criteria.

(c) Under the recommended appraisal process, an appraiser must be the teacher's supervisor or a person approved by the board of trustees. An appraiser who is a classroom teacher may not appraise the performance of another classroom teacher who teaches at the same school campus at which the appraiser teaches, unless it is impractical because of the number of campuses or unless the appraiser is the chair of a department or grade level whose job description includes classroom observation responsibilities.

(d) Under the recommended appraisal process, appraisal for teachers must be detailed by category of professional skill and characteristic and must provide for separate ratings for each category. The appraisal process shall guarantee a conference between the teacher and the appraiser. The conference shall be diagnostic and prescriptive with regard to remediation needed in overall performance and by category.

Added by Acts 1995, 74th Leg., ch. 260, Sec. 1, eff. May 30, 1995.

Amended by:

Acts 2019, 86th Leg., R.S., Ch. 630 (S.B. [1451](#)), Sec. 1, eff. June 10, 2019.

Sec. 21.352. LOCAL ROLE. (a) In appraising teachers, each school district shall use:

(1) the appraisal process and performance criteria developed by the commissioner; or

(2) an appraisal process and performance criteria:

(A) developed by the district- and campus-level committees established under Section 11.251;

(B) containing the items described by Sections 21.351(a)(1) and (2); and

(C) adopted by the board of trustees.

(a-1) A school district may not assign an area of deficiency to a teacher solely on the basis of disciplinary referrals made by the teacher or documentation regarding student conduct submitted by the teacher under Section 37.002. This subsection does not prohibit a teacher from being assigned an area of deficiency based on documented evidence of a deficiency in classroom management obtained through observation or a substantiated report.

(b) The board of trustees may reject an appraisal process and performance criteria developed by the district- and campus-level committees but may not modify the process or criteria.

(c) Except as otherwise provided by this subsection, appraisal must be done at least once for each school year. A teacher may be appraised less frequently if the teacher agrees in writing and the teacher's most recent evaluation rated the teacher as at least proficient, or the equivalent, and did not identify any area of deficiency. A teacher who is appraised less frequently than annually must be appraised at least once during each period of five school years. The district shall maintain a written copy of the evaluation of each teacher's performance in the teacher's personnel file. Each teacher is entitled to receive a written copy of the evaluation promptly on its completion. After receiving a written copy of the evaluation, a teacher is entitled to a second appraisal by a different appraiser or to submit a written rebuttal to the evaluation to be attached to the evaluation in the teacher's personnel file. The evaluation and any rebuttal may be given to another school district at which the teacher has applied for

employment at the request of that district.

(c-1) In addition to conducting a complete appraisal as frequently as required by Subsection (c), a school district shall require that appropriate components of the appraisal process, such as classroom observations and walk-throughs, occur more frequently as necessary to ensure that a teacher receives adequate evaluation and guidance. A school district shall give priority to conducting appropriate components more frequently for inexperienced teachers or experienced teachers with identified areas of deficiency.

(d) A teacher may be given advance notice of the date or time of an appraisal, but advance notice is not required.

(e) A district shall use a teacher's consecutive appraisals from more than one year, if available, in making the district's employment decisions and developing career recommendations for the teacher.

(f) The district shall notify a teacher of the results of any appraisal of the teacher in a timely manner so that the appraisal may be used as a developmental tool by the district and the teacher to improve the overall performance of the teacher.

Sec. 21.3521. LOCAL OPTIONAL TEACHER DESIGNATION SYSTEM.

(a) Subject to Subsection (b), a school district or open-enrollment charter school may designate a certified classroom teacher as a master, exemplary, or recognized teacher for a five-year period based on the results from single year or multiyear appraisals that comply with Section [21.351](#) or [21.352](#).

(b) The commissioner shall establish performance and

validity standards for each local optional teacher designation system. The performance standards:

(1) must provide a mathematical possibility that all teachers eligible for a designation may earn the designation; and

(2) may not require a district to use an assessment instrument adopted under Section 39.023 to evaluate teacher performance.

(c) Notwithstanding performance standards established under Subsection (b), a classroom teacher that holds a National Board Certification issued by the National Board for Professional Teaching Standards may be designated as recognized.

(d) The commissioner shall:

(1) ensure that local optional teacher designation systems:

(A) meet the requirements of this section; and

(B) prioritize high needs campuses; and

(2) enter into a memorandum of understanding with Texas Tech University to monitor the quality and fairness of local optional teacher designation systems.

(e) The agency shall develop and provide technical assistance for school districts and open-enrollment charter schools that request assistance in implementing a local optional teacher designation system, including assistance in prioritizing high needs campuses.

(f) A teacher has no vested property right in a teacher designation assigned to the teacher under this section. A teacher designation issued under this section is void in the determination that the designation was issued improperly. Subchapters C through H, Chapter 2001, Government Code, do not apply to the voiding of a teacher designation under this subsection.

(g) The agency shall periodically conduct evaluations of the effectiveness of the local optional teacher designation systems under this section and the teacher incentive allotment under Section 48.112 and report the results of the evaluations to the legislature. A school district or open-enrollment charter school that has implemented a local optional teacher designation system or received funds under the teacher incentive allotment shall

participate in the evaluations.

(h) The agency shall collect information necessary to implement this section. Information otherwise confidential remains confidential and is not subject to Chapter 552, Government Code.

(i) The commissioner may adopt fees to implement this section. A fee adopted by the agency under this section is not subject to Sections 2001.0045 and 2001.0221, Government Code.

(j) The commissioner may adopt rules to implement this section. A decision made by the commissioner under this section is final and may not be appealed.

Added by Acts 2019, 86th Leg., R.S., Ch. 943 (H.B. 3), Sec. 2.008, eff. June 12, 2019.

Sec. 21.353. APPRAISAL ON BASIS OF CLASSROOM TEACHING PERFORMANCE. A teacher who directs extracurricular activities in addition to performing classroom teaching duties shall be appraised only on the basis of classroom teaching performance and not on performance in connection with the extracurricular activities.

Added by Acts 1995, 74th Leg., ch. 260, Sec. 1, eff. May 30, 1995.

Sec. 21.354. APPRAISAL OF CERTAIN ADMINISTRATORS. (a) The commissioner shall adopt a recommended appraisal process and criteria on which to appraise the performance of various classifications of school administrators. The criteria must be based on job-related performance.

(a-1) This section does not apply to the appraisal of the performance of a principal.

(b) The commissioner may solicit and consider the advice of teachers and administrators in developing the appraisal process and performance criteria.

(c) Each school district shall appraise each administrator annually using either:

(1) the commissioner's recommended appraisal process and performance criteria; or

(2) an appraisal process and performance criteria:

(A) developed by the district in consultation with the district- and campus-level committees established under

Section 11.251; and

(B) adopted by the board of trustees.

(d) Funds of a school district may not be used to pay an administrator who has not been appraised under this section in the preceding 15 months.

(b) The commissioner may establish a consortium of nationally recognized experts on educational leadership and policy to:

(1) assist the commissioner in effectively researching and developing the comprehensive appraisal and professional development system described by Subsection (a); and

(2) evaluate relevant research and practices and make recommendations to the commissioner to improve the quality of the training, appraisal, professional development, and compensation of principals.

(c) If the commissioner establishes the consortium, the commissioner shall select a presiding officer of the consortium. The presiding officer:

(1) must be an expert on educational leadership and policy;

(2) must have a demonstrated ability to lead a statewide school leadership reform initiative; and

(3) may not be employed by a school district in this state.

(d) The commissioner shall establish school leadership standards and a set of indicators of successful school leadership to align with the training, appraisal, and professional development of principals.

(e) In carrying out the commissioner's powers and duties under this section, the commissioner may use only money available from private sources that may be used for that purpose.

(f) In appraising principals, each school district shall use either:

(1) the appraisal system and school leadership standards and indicators developed or established by the commissioner under this section; or

(2) an appraisal process and performance criteria:

(A) developed by the district in consultation with the district-level and campus-level committees established under Section [11.251](#); and

(b) Subsection (a) applies to a teacher or administrator employed by an open-enrollment charter school regardless of whether the teacher or administrator is certified under Subchapter B.

(c) At the request of a school district, open-enrollment charter school, or private school at which a teacher or administrator has applied for employment, a school district or an open-enrollment charter school shall give the requesting district or school a document evaluating the performance of a teacher or

administrator employed by the school.

(d) A school district or open-enrollment charter school shall give the agency a document evaluating the performance of a teacher or administrator employed by the district or school for purposes of an investigation conducted by the agency.

(e) Notwithstanding Subsection (a) and except as otherwise provided by a court order prohibiting disclosure, a document provided to the agency under Subsection (d) may be used in a disciplinary proceeding against a teacher or administrator if the document may be admitted under rules of evidence applicable to a contested case, as provided by Section [2001.081](#), Government Code.

Sec. 21.357. PERFORMANCE INCENTIVES. (a) The commissioner shall design an objective system to evaluate principals that:

(1) is based on types of information available as of January 1, 1995, through the Public Education Information Management System (PEIMS) and the state's public school

accountability system;

(2) focuses on gain at a principal's campus and includes a statistical analysis comparing current campus performance to previous performance; and

(3) does not include subjective items.

(b) From funds appropriated for that purpose, the commissioner may award performance incentives to principals identified through the evaluation system as high-performing. Based on available appropriations, for each fiscal year, a performance incentive may not exceed:

(1) \$5,000, for a principal ranked in the top quartile; or

(2) \$2,500, for a principal ranked in the second quartile.

(c) A performance incentive awarded to a principal under this section must be distributed to the principal's school and used in the manner determined by the campus-level committee established under Section 11.253 in accordance with the requirements of Section 39.264(a).

SUBCHAPTER I. DUTIES AND BENEFITS

Sec. 21.401. MINIMUM SERVICE REQUIRED. (a) A contract between a school district and an educator must be for a minimum of 10 months' service.

(b) Except as provided by Subsection (c-1), an educator employed under a 10-month contract must provide a minimum of 187

(c) The commissioner, as provided by Section 25.081(b), may reduce the number of days of service required by this section. A reduction by the commissioner does not reduce an educator's salary.

(c-1) If a school district anticipates providing less than 180 days of instruction for students during a school year, as indicated by the district's academic calendar, the district may reduce the number of days of service required by this section proportionately. A reduction by the district does not reduce an educator's salary.

(a) Except as provided by Subsection (e-1) or (f), a school district must pay each classroom teacher, full-time librarian, full-time school counselor certified under Subchapter B, or full-time school nurse not less than the minimum monthly salary, based on the employee's level of experience in addition to other factors, as determined by commissioner rule, determined by the following formula:

$$MS = SF \times FS$$

where:

"MS" is the minimum monthly salary;

"SF" is the applicable salary factor specified by Subsection (c); and

"FS" is the amount, as determined by the commissioner under Subsection (b), of the basic allotment as provided by Section

48.051(a) or (b) for a school district with a maintenance and operations tax rate at least equal to the state maximum compressed tax rate, as defined by Section 48.051(a).

(b) Not later than June 1 of each year, the commissioner shall determine the basic allotment and resulting monthly salaries to be paid by school districts as provided by Subsection (a).

(e-1) If the minimum monthly salary determined under Subsection (a) for a particular level of experience is less than the minimum monthly salary for that level of experience in the preceding year, the minimum monthly salary is the minimum monthly salary for the preceding year.

(f) Notwithstanding Subsection (a), a teacher or librarian who received a career ladder supplement on August 31, 1993, is entitled to at least the same gross monthly salary the teacher or librarian received for the 1994-1995 school year as long as the teacher or librarian is employed by the same district.

(g) The commissioner may adopt rules to govern the application of this section, including rules that:

(1) require the payment of a minimum salary under this section to a person employed in more than one capacity for which a

minimum salary is provided and whose combined employment in those capacities constitutes full-time employment; and

(2) specify the credentials a person must hold to be considered a speech pathologist or school nurse under this section.

(h) In this section, "gross monthly salary" must include the amount a teacher or librarian received that represented a career ladder salary supplement under Section 16.057, as that section existed January 1, 1993.

Sec. 21.4021. FURLOUGHS. (a) Notwithstanding Section 21.401 and subject to Section 21.4022, the board of trustees of a school district may, in accordance with district policy, implement a furlough program and reduce the number of days of service otherwise required under Section 21.401 by not more than six days of service during a school year if the commissioner certifies in accordance with Section 48.010 that the district will be provided with less state and local funding for that year than was provided to the district for the 2010-2011 school year.

(b) Notwithstanding Section 21.402, the board of trustees may reduce the salary of an employee who is furloughed in proportion to the number of days by which service is reduced, provided that the furlough program is implemented in compliance with this section.

(b-1) A furlough program must subject all contract personnel to the same number of furlough days.

(c) An educator may not be furloughed on a day that is included in the number of days of instruction required under Section 25.081.

(d) An educator may not use personal, sick, or any other paid leave while the educator is on a furlough.

(e) A furlough imposed under this section does not constitute a break in service for purposes of the Teacher Retirement System of Texas. A furlough day does not constitute a day of service for purposes of the Teacher Retirement System of Texas.

(f) Implementation of a furlough program may not result in an increase in the number of required teacher workdays.

(g) If a board of trustees adopts a furlough program after the date by which a teacher must give notice of resignation under Section 21.105, 21.160, or 21.210, as applicable, a teacher who subsequently resigns is not subject to sanctions imposed by the State Board for Educator Certification as otherwise authorized by those sections.

(h) A decision by the board of trustees to implement a furlough program:

- (1) is final and may not be appealed; and
- (2) does not create a cause of action or require

collective bargaining.

(i) Any reduction under this section in the amount of the annual salary paid to an employee must be equally distributed over the course of the employee's current contract with the school district.

Sec. 21.4022. REQUIRED PROCESS FOR DEVELOPMENT OF FURLOUGH PROGRAM OR OTHER SALARY REDUCTION PROPOSAL. (a) The board of trustees of a school district may not implement a furlough program under Section 21.4021 or reduce salaries until the district has complied with this section.

(b) A school district must use a process to develop a furlough program or other salary reduction proposal, as applicable, that:

(1) includes the involvement of the district's professional staff; and

(2) provides district employees with the opportunity to express opinions regarding the furlough program or salary reduction proposal, as applicable, at the public meeting required by Subsection (c).

(c) The board of trustees must hold a public meeting at which the board and school district administration present:

(1) information regarding the options considered for managing the district's available resources, including consideration of a tax rate increase and use of the district's available fund balance;

(2) an explanation of how the district intends, through implementation of a furlough program under Section 21.4021 or through other salary reductions, as applicable, to limit the number of district employees who will be discharged or whose contracts will not be renewed; and

(3) information regarding the local option residence

homestead exemption.

(d) Any explanation of a furlough program under Subsection (c)(2) must state the specific number of furlough days proposed to be required.

(e) The public and school district employees must be provided with an opportunity to comment at the public meeting required under Subsection (c).

Added by Acts 2011, 82nd Leg., 1st C.S., Ch. 8 (S.B. 8), Sec. 16, eff. September 28, 2011.

Sec. 21.403. PLACEMENT ON MINIMUM SALARY SCHEDULE. (a) A teacher, librarian, school counselor, or nurse shall advance one step on the minimum salary schedule under Section 21.402 for each year of experience as a teacher, librarian, school counselor, or nurse until step 20 is reached.

(b) For each year of work experience required for certification in a career or technological field, up to a maximum of two years, a certified career or technology education teacher is entitled to salary step credit as if the work experience were teaching experience.

(c) The commissioner shall adopt rules for determining the experience for which a teacher, librarian, school counselor, or nurse is to be given credit in placing the teacher, librarian, school counselor, or nurse on the minimum salary schedule. A district shall credit the teacher, librarian, school counselor, or nurse for each year of experience without regard to whether the years are consecutive.

(d) As long as a teacher or librarian who received a career ladder supplement is employed by the same school district, the teacher or librarian is entitled to:

(1) placement on the minimum salary schedule at the step above the step on which the teacher would otherwise be placed, if the teacher or librarian received a career ladder supplement for level two of the career ladder on August 31, 1993; or

(2) placement on the minimum salary schedule at the step two steps above the step on which the teacher would otherwise be placed, if the teacher or librarian received a career ladder

supplement for level three of the career ladder on August 31, 1993.

Sec. 21.4031. PROFESSIONAL STAFF SERVICE RECORDS. (a) In
this section:

(1) "Salary schedule" means the minimum salary
schedule under Section 21.402 or a comparable salary schedule used
by a school district that specifies salary amounts based on an
employee's level of experience.

(2) "Service record" means a school district document
that indicates the total years of service provided to the district
by a classroom teacher, librarian, school counselor, or nurse.

(b) On request by a classroom teacher, librarian, school
counselor, or nurse or by the school district employing one of those
individuals, a school district that previously employed the
individual shall provide a copy of the individual's service record
to the school district employing the individual. The district must
provide the copy not later than the 30th day after the later of:

(1) the date the request is made; or

(2) the date of the last day of the individual's
service to the district.

(c) If a school district fails to provide an individual's
service record as required by Subsection (b), the agency shall, to
the extent that information is available to the agency, provide the
employing school district with information sufficient to enable the
district to determine proper placement of the individual on the
district's salary schedule.

Sec. 21.4032. REDUCTIONS IN SALARIES OF CLASSROOM TEACHERS AND ADMINISTRATORS. (a) This section applies only to a widespread reduction in the amount of the annual salaries paid to school district classroom teachers based primarily on district financial conditions rather than on teacher performance.

(b) For any school year in which a school district has reduced the amount of the annual salaries paid to district classroom teachers from the amount paid for the preceding school year, the district shall reduce the amount of the annual salary paid to each district administrator or other professional employee by a percent or fraction of a percent that is equal to the average percent or fraction of a percent by which teacher salaries have been reduced.

Sec. 21.404. PLANNING AND PREPARATION TIME. Each classroom teacher is entitled to at least 450 minutes within each two-week period for instructional preparation, including parent-teacher conferences, evaluating students' work, and planning. A planning and preparation period under this section may not be less than 45 minutes within the instructional day. During a planning and preparation period, a classroom teacher may not be required to participate in any other activity.

Added by Acts 1995, 74th Leg., ch. 260, Sec. 1, eff. May 30, 1995.

Sec. 21.405. DUTY-FREE LUNCH. (a) Except as provided by Subsection (c), each classroom teacher or full-time librarian is entitled to at least a 30-minute lunch period free from all duties and responsibilities connected with the instruction and supervision of students. Each school district may set flexible or rotating schedules for each classroom teacher or full-time librarian in the district for the implementation of the duty-free lunch period.

(b) The implementation of this section may not result in a lengthened school day.

(c) If necessary because of a personnel shortage, extreme economic conditions, or an unavoidable or unforeseen circumstance, a school district may require a classroom teacher or librarian entitled to a duty-free lunch to supervise students during lunch. A classroom teacher or librarian may not be required to supervise students under this subsection more than one day in any school week. The commissioner by rule shall prescribe guidelines for determining what constitutes a personnel shortage, extreme economic conditions, or an unavoidable or unforeseen circumstance for purposes of this subsection.

Added by Acts 1995, 74th Leg., ch. 260, Sec. 1, eff. May 30, 1995.

Sec. 21.406. DENIAL OF COMPENSATION BASED ON ABSENCE FOR RELIGIOUS OBSERVANCE PROHIBITED. A school district may not deny an educator a salary bonus or similar compensation given in whole or in part on the basis of educator attendance because of the educator's absence from school for observance of a holy day observed by a religion whose places of worship are exempt from property taxation under Section [11.20](#), Tax Code.

Added by Acts 1995, 74th Leg., ch. 260, Sec. 1, eff. May 30, 1995.

Sec. 21.407. REQUIRING OR COERCING TEACHERS TO JOIN GROUPS, CLUBS, COMMITTEES, OR ORGANIZATIONS: POLITICAL AFFAIRS. (a) A school district board of trustees or school district employee may not directly or indirectly require or coerce any teacher to join any group, club, committee, organization, or association.

(b) A school district board of trustees or school district employee may not directly or indirectly coerce any teacher to refrain from participating in political affairs in the teacher's community, state, or nation.

Added by Acts 1995, 74th Leg., ch. 260, Sec. 1, eff. May 30, 1995.

Sec. 21.408. RIGHT TO JOIN OR NOT TO JOIN PROFESSIONAL ASSOCIATION. This chapter does not abridge the right of an educator to join any professional association or organization or refuse to

join any professional association or organization.

Added by Acts 1995, 74th Leg., ch. 260, Sec. 1, eff. May 30, 1995.

Sec. 21.409. LEAVE OF ABSENCE FOR TEMPORARY DISABILITY.

(a) Each full-time educator employed by a school district shall be given a leave of absence for temporary disability at any time the educator's condition interferes with the performance of regular duties. The contract or employment of the educator may not be terminated by the school district while the educator is on a leave of absence for temporary disability. "Temporary disability" in this section includes the condition of pregnancy.

(b) A request for a leave of absence for temporary disability must be made to the superintendent of the school district. The request must be accompanied by a physician's statement confirming inability to work and must state the date requested by the educator for the leave to begin and the probable date of return as certified by the physician.

(c) The board of trustees of a school district may adopt a policy providing for placing an educator on leave of absence for temporary disability if, in the board's judgment and in consultation with a physician who has performed a thorough medical examination of the educator, the educator's condition interferes with the performance of regular duties. A policy adopted under this subsection must reserve to the educator the right to present to the board testimony or other information relevant to the educator's fitness to continue the performance of regular duties.

(d) The educator must notify the superintendent of the desire to return to active duty not later than the 30th day before the expected date of return. The notice must be accompanied by a physician's statement indicating the educator's physical fitness for the resumption of regular duties.

(e) An educator returning to active duty after a leave of absence for temporary disability is entitled to an assignment at the school where the educator formerly taught, subject to the availability of an appropriate teaching position. In any event, the educator must be placed on active duty not later than the beginning of the next term.

(f) The length of a leave of absence for temporary disability shall be granted by the superintendent as required by the individual educator. The board of trustees of a school district may establish a maximum length for a leave of absence for temporary disability, but the maximum length may not be less than 180 days. Added by Acts 1995, 74th Leg., ch. 260, Sec. 1, eff. May 30, 1995.

Without reference to the amendment of this section, this section was repealed by Acts 2019, 86th Leg., R.S., Ch. 943 (H.B. 3), Sec. 4.001(a)(6), eff. September 1, 2019.

Sec. 21.410. MASTER TEACHER GRANT PROGRAM. (a) The commissioner shall establish a master teacher grant program to encourage teachers to:

(1) become certified as master teachers in reading, mathematics, technology, or science; and

(2) work with other teachers and with students in order to improve student reading, mathematics, or science performance or to increase the use of technology in each classroom, as applicable.

(b) From funds appropriated for the purpose, the commissioner shall make grants to school districts as provided by this section to pay stipends to selected certified master teachers who teach at high-need campuses.

(c) The commissioner shall annually identify each high-need campus in a school district using criteria established by the commissioner by rule. The commissioner shall also use the criteria to rank campuses in order of greatest need.

(c-1) In establishing criteria under Subsection (c) to identify high-need campuses for purposes of awarding master teacher grants in reading, mathematics, or science, the commissioner must include performance on the reading, mathematics, or science assessment instrument administered under Section 39.023, as applicable.

(d) A school district may apply to the commissioner for grants for each high-need campus identified by the commissioner to be used to pay stipends to certified master teachers in accordance with this section. The commissioner shall approve the application

if the district:

(1) applies within the period and in the manner required by rule adopted by the commissioner; and

(2) agrees to use each grant only for the purpose of paying a year-end stipend to a master teacher in reading, mathematics, technology, or science:

(A) who holds the appropriate certificate issued under Section 21.0481, Section 21.0482, Section 21.0483, or Section 21.0484;

(B) who teaches in a position prescribed by the district at a high-need campus identified by the commissioner;

(C) whose primary duties include:

(i) teaching reading, mathematics, or science or integrating technology use in teaching, as applicable; and

(ii) serving as a reading, mathematics, or science teaching mentor or technology training mentor, as applicable, to other teachers for the amount of time and in the manner established by the district and by rule adopted by the commissioner; and

(D) who satisfies any other requirements established by rule adopted by the commissioner.

(e) Unless reduced under Subsection (g) or (i), a stipend under Subsection (d)(2) is in the amount of \$5,000.

(f) The commissioner shall adopt rules for the distribution of grants to school districts following the year of the initial grant. A district that has been approved for a grant to pay a stipend to a certified master teacher is not required to reapply for a grant for two consecutive school years following the year of the initial grant if the district:

(1) continues to pay a stipend as provided by Subsection (g); and

(2) notifies the commissioner in writing, within the period and in the manner prescribed by the commissioner, that the circumstances on which the grant was based have not changed.

(g) The commissioner shall reduce payments to a school district proportionately to the extent a teacher does not meet the

requirements under Subsection (d)(2) for the entire school year. A district that employs more certified master teachers than the number of grants available under this section shall select the certified master teachers to whom to pay stipends based on a policy adopted by the board of trustees of the district, except that a district shall pay a stipend for two additional consecutive school years to a teacher the district has selected for and paid a stipend for a school year, who remains eligible for a stipend under Subsection (d)(2), and for whom the district receives a grant under this section for those years. A decision of the district under this subsection is final and may not be appealed. The district may not apportion among teachers a stipend paid for with a grant the district receives under this section. The district may use local money to pay additional stipends in amounts determined by the district.

(h) A grant a school district receives under this section is in addition to any funding the district receives under Chapter 42. The commissioner shall distribute funds under this section with the Foundation School Program payment to which the district is entitled as soon as practicable after the end of the school year as determined by the commissioner. A district to which Chapter 41 applies is entitled to the grants paid under this section. The commissioner shall determine the timing of the distribution of grants to a district that does not receive Foundation School Program payments.

(i) This section does not create a property right to a grant or stipend. A school district is entitled to a grant to carry out the purposes of this section only to the extent the commissioner makes the grant in accordance with this section and only to the extent sufficient state funds are appropriated for those purposes. If state funds are appropriated but are insufficient to fully fund a grant, the commissioner shall reduce the grant paid to each district and the district shall reduce the stipend the district pays to each teacher under this section proportionately so that each selected teacher receives the same amount of money.

(j) A decision of the commissioner concerning the amount of money to which a school district is entitled under this section is
