About Modesto City Schools

Modesto City Schools serves the community with a variety of programs for ages two months to adult. Composed of an elementary district (PreK-8) and a high school district (9-12) with a common Board of Education and administration, seven other school districts feed into Modesto City Schools at the high school level. Current enrollment is approximately 30,000. Students are served in 22 elementary schools (TK-6), four junior high schools (7-8), and seven comprehensive high schools (9-12). Early Childhood Education serves an additional 1,500 children in Family Child Care Homes, Early Head Start, Head Start and State Preschool programs. An extensive alternative education program includes an opportunity and continuation school, independent

study and adult education program. Modesto City Schools has approximately 3,500 employees, one of the largest workforces in Stanislaus County. Modesto City Schools is committed to the educational achievement of every student, regardless of his or her background or circumstance. Staff collaborate to prepare students for their next steps after graduation, whether it be college, career or military service. Board of Education trustees encourage parents and community members interested in public education to attend Board of Education meetings. More information, including meeting dates, is available on the District's website at www.mcs4kids.com.
