- Print individual pages (such as certain sections) of the Guide chapters

AllRegs Online User Guide for Use with the *Freddie Mac Single-Family Seller/Servicer Guide*

This comprehensive PDF file contains all Guide chapters as of the publication of the most recent Bulletin with Guide updates. There are also separate PDFs, located under the applicable segment, of each Guide segment (Freddie Mac – Seller/Servicer Relationship, Selling and Servicing) to provide Seller/Servicers with more specific options for searching and printing.

- **Guide content** – Freddie Mac’s requirements for Mortgages secured by 1- to 4-unit properties are split into the following three segments:
 - **Freddie Mac – Seller/Servicer Relationship**
 - **Selling**
 - **Servicing**
- Exhibits, Forms, Glossary and Directory. Note that:
 - Exhibits referenced in the Guide are Freddie Mac exhibits unless otherwise indicated.
 - Forms referenced in the Guide are Freddie Mac forms unless otherwise indicated.
 - The Glossary contains definitions of select terms used in the Guide.
 - The Directory contains Freddie Mac contact information (addresses, telephone numbers, fax numbers and e-mail addresses) to be utilized for specific questions, requests and documentation. Guide references to the Directory are indicated with a bolded parenthetical (e.g., “(see **Directory 5**)”).

The Guide’s design places the provisions applicable to all Seller/Servicers in one central location (Freddie Mac Seller/Servicer Relationship), and then differentiates between those for selling and servicing. Although the Guide has distinct Selling and Servicing Segments, there may be information and/or cross references for Servicers in the Selling Segment and for Sellers in the Servicing Segment.

The Freddie Mac – Seller/Servicer Relationship Segment contains the following series:

- Series 1000, *General Contract Terms*
- Series 2000, *Doing Business with Freddie Mac*
- Series 3000, *Risk Management and Remedies*

The Selling Segment contains the following series:

- Series 4000, *Mortgage Eligibility*
- Series 5000, *Origination and Underwriting*
- Series 6000, *Selling and Delivery*

The Servicing Segment contains the following series:

- Series 7000, *Transfers of Servicing*
- Series 8000, *Servicing All Mortgages*
- Series 9000, *Servicing Default Management*

Within each series, the content is grouped with like topics: Each topic contains at least one chapter, and each chapter contains at least one section. The titles of topics, and chapters and sections within topics, are intended to facilitate navigation and searching capabilities.

The numbering system of the Guide reflects how the provisions are grouped by segment, series and topics. The format is as follows:

AllRegs Online User Guide for Use with the *Freddie Mac Single-Family Seller/Servicer Guide*

- XXXX.XX – The first digit indicates the series number (for example, Series 6000, *Selling and Delivery*, or Series 5000, *Origination and Underwriting*)
- XXXX.XX – The second digit indicates the topic number, which can have one or many chapters
- XXXX.XX – The last two digits before the decimal point indicate the chapter number
- XXXX.XX – The two digits after the decimal indicates the section number

For example, in Section 1101.1:

- 1101.1 – The first “1” represents that this section is located in Series 1000, *General Contract Terms*
- 1101.1 – The second “1” represents that this section is located in the first topic of Series 1000, Topic 1100, *The Guide*
- 1101.1 – The “01” before the decimal point represents that this section is located in the first chapter within Topic 1100, Chapter 1101, *The Guide*
- 1101.1 – The “1” after the decimal point represents that this is the first section in Chapter 1101, Section 1101.1, *Introduction to the Guide*.

This numbering can help in locating specific content. For example, these are the steps you can take if you want to locate the Guide requirements about reporting fraud and other Suspicious Activity:

- First, the **segment** should be identified. This is a requirement that applies to both Sellers and Servicers and is contained within the Freddie Mac Seller/Servicer Relationship Segment.
- Second, the **series** should be found. As this is part of risk management, the relevant series is Series 3000, *Risk Management and Remedies*.
- Next, the **topic** needs to be determined. These requirements are contained within Topic 3200: *Fraud Prevention, Detection and Reporting; Reporting Other Suspicious Activity*.
- Finally, the **chapter and section** within the topic need to be located. In this case, the chapter title mirrors the topic heading, Chapter 3201: *Fraud Prevention, Detection and Reporting; Reporting Other Suspicious Activity*. The specific provisions about this subject are contained in Section 3201.2: *Fraud and other Suspicious Activity reporting requirements*.

The numerical reference to this provision, then, is Section 3201.2.

This section explains Guide content features that identify when changes to the Guide are made.

Any future revision of a Guide provision is always shown first, followed by any revision history and then the current content is shown. Below is an example of a section with both a future version and revision history.

▶ Future Revision 01/01/21
▶ Future Revision 11/16/20
▶ Revision History 05/17/19

- While you can show or hide future revisions and revision histories, you cannot hide current content.
- Searching and printing information for future revisions and revision histories of a Guide provision can be found under the "[Search tab](#)" and "[Printing](#)" sections of this user guide.

Color-Coded Text

6.	If the Mortgage is secured by a leasehold estate, the term of the lease (or any exercised option to renew the lease, or any renewal options that are enforceable by the leasehold mortgagee, whichever is applicable) must not terminate earlier than five years after the maturity date of the proposed modified Mortgage. In the event that the current term of the lease (or applicable renewal options) terminates earlier than five years after the maturity date of the proposed modified Mortgage, the term of the lease must be renegotiated in order to satisfy this requirement prior to offering the Borrower a Trial Period Plan.
7.	If the Mortgage is subject to an indemnification agreement and is otherwise eligible under the requirements of this chapter, the Servicer has discretion to approve the mortgage modification provided the following conditions are met: <ul style="list-style-type: none">The modified Mortgage retains its credit enhancement

AllRegs Online User Guide for Use with the *Freddie Mac Single-Family Seller/Service* Guide

It is easy to perform a broad basic search by typing in a word or phrase that you are looking for and pressing **Enter**. However, it's recommended that you filter and refine your search. The following tips can help:

- Every word matters. Generally, all the words you type in the search field will be used.
- Search is not case sensitive. Searching for [mortgage] is the same as searching for [Mortgage].

This process should be followed to obtain good quality searches so the results will closely relate to what you wish to find.

- Use the filter – located in the **All Content** drop-down menu - to select specific sections or documents to search.

- If you want to search all, use ✓ **Select All**
- You can select specific sub-sections and documents within each folder by clicking the > sign. This will expand the list.
- If you want to search only current Guide requirements, do not include the ✓ **Include Old Content** filter in your search filter.
- Enter a search term on the top of the page.
- Select **Options** to toggle the Find Synonyms, Match all words, Match any words, Match exact phrase.
- Press the **Enter** key or click  to perform the search.

Create Your Search

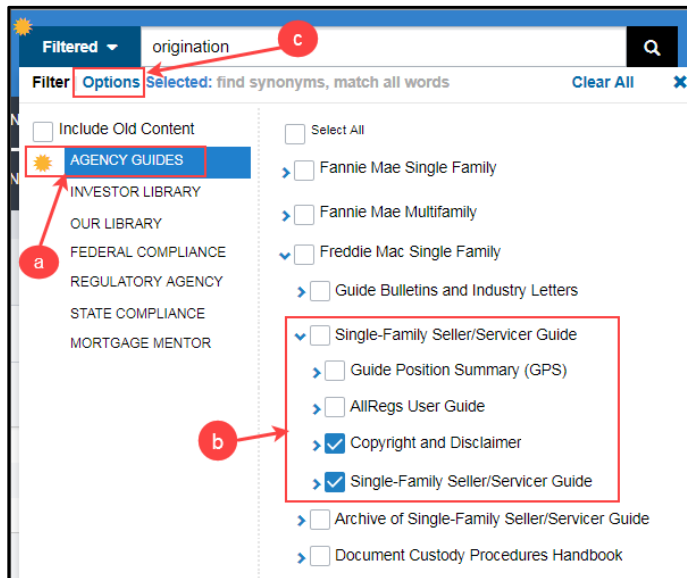

1. In the **All Content** field, enter your keyword(s) or phrase. If applicable, select one of the suggested search terms from the list that appears below your keyword(s).

 - b. Select the content you want to search.
 - c. Click **Options** to modify how the keyword(s) are queried.

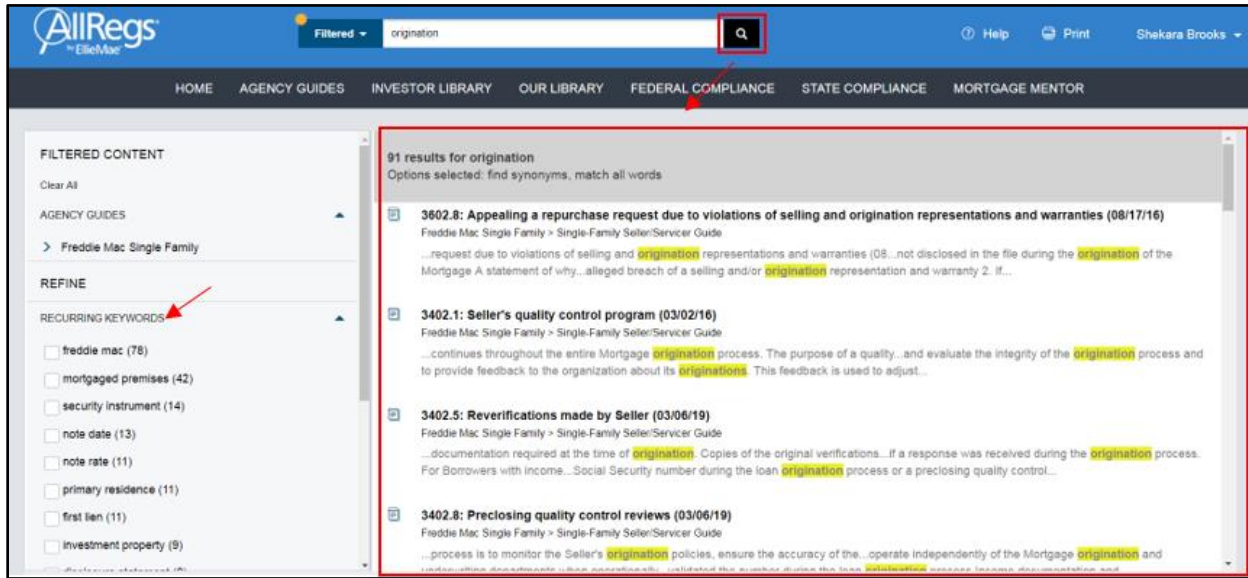

4. Toggle the following attributes to narrow or expand the scope of the search results.

- **Find Synonyms** – If checked, it will include any of the terms you enter, as well as terms with nearly the same meaning in the results.
- **Match all words** – Searches all words of the terms you enter and will only provide results that include all the words, but not necessarily in the same order as entered in the search field. If you are unsure of the exact terminology, you can select **Find Synonyms** to show results for similar terms as well.
- **Match any word** – Searches for any of the words you enter and will provide results that include any of the words as if each word were searched individually. You can select **Find Synonyms** to show results for similar terms with this search option as well.
- **Match exact phrase** – Searches for the phrase you enter, exactly as typed.

AllRegs Online User Guide for Use with the *Freddie Mac Single-Family Seller/Service Guide*

5. Press the Enter key or click  to perform the search.
6. The search results are displayed in the right panel; click a document title to view the document.
7. You may narrow the search results by selecting a **Recurring Keyword** from the list on the left that also appears in the list of document results.

Tips and Best Practices for Searching

- **Keep it simple.** If you're looking for a particular subject, just enter the logical word or phrase, or as much of its name as you can recall. If you're looking for a particular concept or product, start with its name. For example, if you're looking for [Home Possible] guidelines, just enter [Home Possible]. Simple is good.
- **For general searches think how the document you are looking for will be written.** A search engine is not a human; it is a program that matches the words you give to documents on AllRegs Online. **Use the words that are most likely to appear on the page**, for example, instead of typing [values that are assigned to properties], enter [appraisals], because that's a more direct choice for your search.
- **Describe what you need with as few terms as possible.** All words you search for are used so additional words limit the results. The main advantage to starting with fewer keywords is that, if you don't get what you need, the results may come back with something that may help you choose a better term to refine your results on the next search.
- **Use Guide Glossary terms when possible.** For example, if you search [adjustable rate mortgage], you will not get as many results as when you search [ARM], which is a Guide Glossary term. Therefore, for extensive results on [adjustable rate mortgages], you will need to search [ARM].
- **Choose descriptive words.** The more unique the word is the more likely you will get relevant results. Words that are not very descriptive, like [document], [company], or [info] are usually not needed. Keep in mind, however, that even if the word has the correct meaning but it is not the one most commonly used, it may not match the pages you need. For example, [cell phone ringtones] is more descriptive and specific than [cell phone sounds].
- Content contained within Guide forms and exhibits that are posted as attached documents are not searchable. However, the titles of attached documents are searchable. Therefore, when a search is run for a certain term, even if that term is contained within a form or an exhibit that is posted as an attachment, the search results will not include that form or exhibit unless the term is also part of the title.

AllRegs Online User Guide for Use with the *Freddie Mac Single-Family Seller/Service Guide*

- **Define your search using the inline revision feature.** If a Guide provision with a future revision or revision history is included in search results, the searched term will be highlighted and shown first in each applicable future revision and/or revision history, followed by the current content. Hide any future revisions or revision histories if you only want to see where the term appears in the current version.

Inactivity

AllRegs Online will time out after 90 minutes of inactivity. This is to optimize site performance as high numbers of open sessions can affect the site speed. To avoid having to log back in to AllRegs, do not remain inactive on the site for 90 minutes.

Links to the Guide

Links throughout the current version of the Guide will always go to the current effective version of that Guide provision.

Links throughout an archived version of the Guide go to the version of the Guide that was in effect in that archived folder. For example, a link to Section 37.13 in the “Guide Published as of the Date of the Last 2014 Bulletin” goes to the version of Section 37.13 that was in effect on December 18, 2014, the date that the last Guide Bulletin of 2014 was published.

Additionally, for Bulletins:

- Links to Guide provisions in Bulletins published in the current year link to the corresponding Guide provisions in the “Single-Family Seller/Service Guide” folder.
- Links to Guide provisions in Bulletins published in 2013 and later archived years link to the corresponding Guide provisions in the “Archive of the Single-Family Seller/Service Guide Published as of the Date of the Last 2013 Bulletin” folder.
- Links to Guide provisions in Bulletins published prior to 2013 link to the corresponding Guide provisions in the “Archive of Single-Family Seller/Service Guide Published as of the Date of the Last 2012 Bulletin” folder.

Single-Family Seller/Servicer Guide

When “Single-Family Seller/Servicer Guide” is expanded, this User Guide, the Copyright and Disclaimer and the *Single-Family Seller/Servicer Guide* content appear.

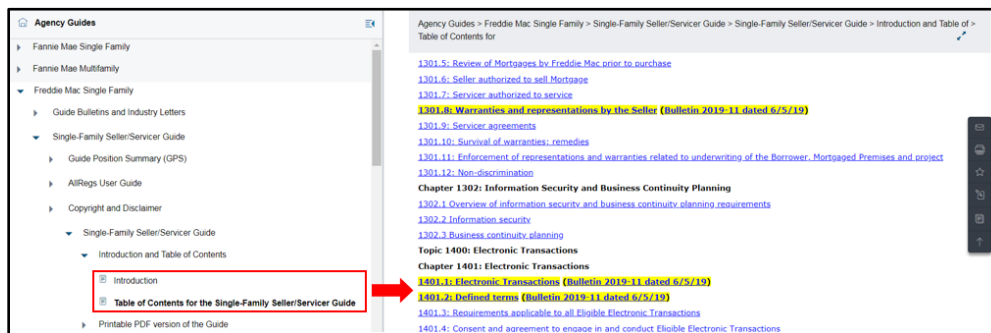

When the *Single-Family Seller/Servicer Guide* is expanded, the page displays the following:

- **Introduction and Table of Contents**

This page, located under “Single-Family Seller/Servicer Guide”, lists the titles of all chapters, sections, exhibits and forms. Each title also links directly to the corresponding content. When a chapter, section, exhibit and/or form is updated with the publication of a Guide Bulletin, the title of that chapter, section, exhibit or form will be highlighted for 60 days.

This is an easy-to-navigate page where you can see the contents of the Guide as well as determine recent updates in one view.

- **Printable PDF version of the Guide**

Under “Single-Family Seller/Servicer Guide”, the “Printable PDF version of the Guide” provides all Guide chapters as a single PDF with easy-to-use navigational bookmarks. This allows you to:

- Save a copy of all Guide chapters
- Search all Guide chapters (using CTRL + F)
- Print individual pages (such as certain sections) of the Guide chapters

This comprehensive PDF file contains all Guide chapters as of the publication of the most recent Bulletin with Guide updates. There are also separate PDFs, located under the applicable segment, of each Guide segment (Freddie Mac – Seller/Servicer Relationship, Selling and Servicing) to provide Seller/Servicers with more specific options for searching and printing.

- **Guide content** – Freddie Mac’s requirements for Mortgages secured by 1- to 4-unit properties are split into the following three segments:
 - Freddie Mac – Seller/Servicer Relationship

AllRegs Online User Guide for Use with the *Freddie Mac Single-Family Seller/Servicer Guide*

- Selling
- Servicing
- **Exhibits, Forms, Glossary and Directory.** Note that:
 - Exhibits referenced in the Guide are Freddie Mac exhibits unless otherwise indicated.
 - Forms referenced in the Guide are Freddie Mac forms unless otherwise indicated.
 - The Glossary contains definitions of select terms used in the Guide.
 - The Directory contains Freddie Mac contact information (addresses, telephone numbers, fax numbers and e-mail addresses) to be utilized for specific questions, requests and documentation. Guide references to the Directory are indicated with a bolded parenthetical (e.g., “**(see Directory 5)**”).

The Guide’s design places the provisions applicable to all Seller/Servicers in one central location (Freddie Mac Seller/Servicer Relationship), and then differentiates between those for selling and servicing. Although the Guide has distinct Selling and Servicing Segments, there may be information and/or cross references for Servicers in the Selling Segment and for Sellers in the Servicing Segment.

The Freddie Mac – Seller/Servicer Segment contains the following series:

- Series 1000, *General Contract Terms*
- Series 2000, *Doing Business with Freddie Mac*
- Series 3000, *Risk Management and Remedies*

The Selling Segment contains the following series:

- Series 4000, *Mortgage Eligibility*
- Series 5000, *Origination and Underwriting*
- Series 6000, *Selling and Delivery*

The Servicing Segment contains the following series:

- Series 7000, *Transfers of Servicing*
- Series 8000, *Servicing All Mortgages*
- Series 9000, *Servicing Default Management*

Within each series, the content is grouped with like topics: Each topic contains at least one chapter, and each chapter contains at least one section. The titles of topics, and chapters and sections within topics, are intended to facilitate navigation and searching capabilities.

The numbering system of the Guide reflects how the provisions are grouped by segment, series and topics. The format is as follows:

- **XXXX.XX** – The first digit indicates the series number (for example, Series 6000, *Selling and Delivery*, or Series 5000, *Origination and Underwriting*)
- **XXXX.XX** – The second digit indicates the topic number, which can have one or many chapters
- **XXXX.XX** – The last two digits before the decimal point indicate the chapter number
- **XXXX.XX** – The two digits after the decimal indicates the section number

For example, in Section 1101.1:

- **1101.1** – The first “1” represents that this section is located in Series 1000, *General Contract Terms*

AllRegs Online User Guide for Use with the *Freddie Mac Single-Family Seller/Servicer Guide*

- 1101.1 – The second “1” represents that this section is located in the first topic of Series 1000, Topic 1100, *The Guide*
- 1101.1 – The “01” before the decimal point represents that this section is located in the first chapter within Topic 1100, Chapter 1101, *The Guide*
- 1101.1 – The “1” after the decimal point represents that this is the first section in Chapter 1101, Section 1101.1, *Introduction to the Guide*.

This numbering can help in locating specific content. For example, these are the steps you can take if you want to locate the Guide requirements about reporting fraud and other Suspicious Activity:

- First, the **segment** should be identified. This is a requirement that applies to both Sellers and Servicers and is contained within the Freddie Mac Seller/Servicer Relationship Segment.
- Second, the **series** should be found. As this is part of risk management, the relevant series is Series 3000, *Risk Management and Remedies*.
- Next, the **topic** needs to be determined. These requirements are contained within Topic 3200: *Fraud Prevention, Detection and Reporting; Reporting Other Suspicious Activity*.
- Finally, the **chapter and section** within the topic need to be located. In this case, the chapter title mirrors the topic heading, Chapter 3201: *Fraud Prevention, Detection and Reporting; Reporting Other Suspicious Activity*. The specific provisions about this subject are contained in Section 3201.2: *Fraud and other Suspicious Activity reporting requirements*.

The numerical reference to this provision, then, is Section 3201.2.

Guide Content Features

This section explains Guide content features that identify when changes to the Guide are made.

- **Effective Dates**
The date listed next to a Guide provision title is the effective date of the most recent update to that Guide provision.

Tips and Best Practices for Searching

- **Keep it simple.** If you're looking for a particular subject, just enter the logical word or phrase, or as much of its name as you can recall. If you're looking for a particular concept or product, start with its name. For example, if you're looking for [Home Possible] guidelines, just enter [Home Possible]. Simple is good.
- **For general searches think how the document you are looking for will be written.** A search engine is not a human; it is a program that matches the words you give to documents on AllRegs Online. **Use the words that are most likely to appear on the page**, for example, instead of typing [values that are assigned to properties], enter [appraisals], because that's a more direct choice for your search.
- **Describe what you need with as few terms as possible.** All words you search for are used so additional words limit the results. The main advantage to starting with fewer keywords is that, if you don't get what you need, the results may come back with something that may help you choose a better term to refine your results on the next search.
- **Use Guide Glossary terms when possible.** For example, if you search [adjustable rate mortgage], you will not get as many results as when you search [ARM], which is a Guide Glossary term. Therefore, for extensive results on [adjustable rate mortgages], you will need to search [ARM].

AllRegs Online User Guide for Use with the *Freddie Mac Single-Family Seller/Service* Guide

- **Choose descriptive words.** The more unique the word is the more likely you will get relevant results. Words that are not very descriptive, like [document], [company], or [info] are usually not needed. Keep in mind, however, that even if the word has the correct meaning but it is not the one most commonly used, it may not match the pages you need. For example, [cell phone ringtones] is more descriptive and specific than [cell phone sounds].
- Content contained within Guide forms and exhibits that are posted as attached documents are not searchable. However, the titles of attached documents are searchable. Therefore, when a search is run for a certain term, even if that term is contained within a form or an exhibit that is posted as an attachment, the search results will not include that form or exhibit unless the term is also part of the title.
- **Define your search using the inline revision feature.** If a Guide provision with a future revision or revision history is included in search results, the searched term will be highlighted and shown first in each applicable future revision and/or revision history, followed by the current content. Hide any future revisions or revision histories if you only want to see where the term appears in the current version.

3602.8: appealing a repurchase request due to violations of selling and origination representations and warranties (08/17/16)

Effective August 17, 2016, the contents of former Section 3602.7 have moved to this section.

Upon receipt of a Repurchase Demand for any violation described in Section 3602.2, if the recipient of the Repurchase Demand (in this Section 3602.8, referred to as the "Seller/Service") has additional supporting information and/or documentation that may affect Freddie Mac's decision, the Seller/Service may file an appeal. See Section 3401.1(f) for information regarding Freddie Mac's review of Corrections (as defined in Section 3401.1(a)) submitted by the Seller/Service.

(a) First appeal

Within 60 days from the date of Freddie Mac's Repurchase Demand or within such other time frame as may be specified by Freddie Mac, the Seller/Service may submit the first appeal. If a first appeal is not received within the 60-day period or within such other time frame as may be specified by Freddie Mac, the Seller/Service will have no further right to challenge such Repurchase Demand, and will not be able to avail itself of the Impasse Process, the Management Escalation Process or the IDR Process. Below is the process for the first appeal:

1. The first appeal must be sent in writing to the Freddie Mac office requesting the repurchase
2. The Seller/Service's appeal package must contain:
 - A statement of all relevant facts concerning the Mortgage
 - An explanation of why these facts were not disclosed in the file during the origination of the Mortgage
 - A statement of why Freddie Mac's decision should be reversed
 - All available documentation supporting the basis for the first appeal
3. If the Seller/Service submits a timely appeal, Freddie Mac will review the appeal and advise the Seller/Service in writing of the appeal decision
4. At any time during the first appeal process, the Seller/Service has the right to provide a Correction of an alleged Significant Defect (as defined in Section 3401.1)
5. If the first appeal is denied, the Seller/Service must:
 - Comply with the terms of the Repurchase Demand within 15 days from the date of Freddie Mac's denial letter or within such other time frame as specified by Freddie Mac; or
 - Submit a second appeal as set forth in Section 3602.8(b) below
6. In order for Freddie Mac to have the right to seek a remedy based on the breach(es) alleged in the Repurchase Demand, Freddie Mac must respond to the Seller/Service's first written appeal within 60 days of receipt of the Seller/Service's written appeal

Freddie Mac provides the spreadsheets as a convenience to Seller/Servicers to reference, by topic, the specific Guide provisions updated within a Bulletin. The spreadsheets must be referenced in conjunction with the corresponding Bulletin cover letter and the Guide for complete information on the topics and their impacts.

The spreadsheets are available only for Bulletins with numerous Guide updates and/or topics at <https://guide.freddiemac.com/app/guide/bulletins>.

To View the Spreadsheets:

1. From the main Guide page, select **Recent Bulletins**.
2. Click a Bulletin to select it.
3. After opening the Bulletin, click the **Attachments** drop-down, and select **Guide Updates Spreadsheet**.
4. The spreadsheet can then be viewed, downloaded, and/or printed.
