## ABOUT MAGID GLOVE & SAFETY MFG. CO. LLC

Headquartered in Chicago, IL, Magid Glove & Safety is America's leading manufacturer, importer, distributor and direct supplier of work gloves, personal protective equipment (PPE), first aid products and protective and disposable clothing. A valued partner in safety to thousands of companies since 1946, Magid also offers the same quality products and outstanding customer service to the consumer market under the HandMaster® and RoadMaster® brand names.

## DETAILS MATTER

As a family owned business, we've never lost sight of the fact that personal attention to every detail is the key to reaching our most important goal: your total satisfaction. Our glove collections are research-based and focus on fashion, market and industry trends. We work directly with our vendors and offer outstanding value in all of our products. No matter which gloves you choose, you can be sure that they will provide ultimate protection and comfort. Our dedication to this and our strong work ethic are reasons why customers choose Magid as their work glove partner.

## OPERATIONAL EXCELLENCE

Sourcing constraints shouldn't affect bottom line results. Utilizing a state-of-the-art warehouse management system, Magid works continuously to streamline the purchasing process and simplify supply chain management. We ship 95% of our orders within 24 hours of receipt and have over half a million square foot distribution and fulfillment center with more than 40,000 in-stock items. And, with world-wide sourcing capabilities, we are sure to help you find exactly what you need.

## COLOR CODED PRODUCT CATEGORIES

Magid's packaging offers superb category management. Our tags clearly guide consumers from all-purpose gloves to heavy duty and premium styles.

## HIGH PERFORMANCE WORK GLOVES

Advanced materials and tailored features target specific applications. Design and color integrate for a high style look.

### Heavy Duty

#### HEAVY DUTY

This glove offers heavy-duty comfort, protection and style. The rugged synthetic leather palm has specially positioned gel pads to stand up to the toughest tasks. With a four-way stretch spandex back for extra flexibility and reinforced fingertips for longer wear, this glove really performs. Embossed neoprene knuckle protects against abrasion; hook and loop wrist closure with side vent lycra panel keeps debris out and provides a secure fit. Terrycloth thumb brow wipe. Machine washable. Sizes M-XL.

PGP45T

#### HEAVY DUTY

Durable synthetic leather palm, rugged palm patches, joint protectors and reinforced fingertips for longer wear. Snug spandex back for added comfort and flexibility; neoprene knuckle guard provides extra protection. PVC sure-grip palm patch, wing thumb and terrycloth thumb brow wipe. Hook and loop closure for secure fit. Sizes M-XL.

PGP40T

### General Utility

#### GENERAL USE

Durable brushed goatskin leather palm and reinforced fingertips for longer wear; snug grey spandex back for added comfort and flexibility. Hook and loop closure for secure fit. Sizes M-XL.

PGP05T

#### GENERAL USE

Durable grain pigskin leather palm and reinforced fingertips for longer wear. Snug black spandex back provides added comfort and flexibility. Hook and loop closure for secure fit. Sizes M-XL.

PGP07T

#### GENERAL USE

Durable synthetic leather palm, padded palm patches and reinforced fingertips for longer wear. Snug taupe color spandex back for added comfort and flexibility. Wing thumb and terrycloth thumb brow wipe. Hook and loop closure for secure fit. Sizes M-XL.

PGP10T

#### GENERAL UTILITY

This all-purpose glove is designed with a durable synthetic leather palm and specially positioned palm pads for extended wear. Four-way stretch spandex back provides superior fit, and the foam padded knuckle offers increased protection. Slip-on style cuff with shirred elastic wrist. Machine washable. Sizes M-XL.

PGP15T

### Specialty

#### EXTRA GRIP PALM

With a silicone patterned palm for a firm, non-slip grip, and a four-way stretch spandex back, this glove perfectly blends function and comfort. The durable synthetic leather palm provides long lasting protection and the neoprene knuckle guards against abrasion. The gloves are reinforced between the thumb and forefinger to increase wear and gripping power. Terrycloth thumb brow wipe; hook and loop wrist closure for secure fit. Machine washable. Sizes M-XL.

PGP25T

#### FRAMING

With a durable synthetic leather and foam padded palm, this glove is designed for tough performance. Its stylish design and comfortable fit make it easy to wear. Half-finger construction on thumb, index and middle fingers provides increased dexterity for more precise work. With a four-way stretch spandex back for added comfort and reinforced fingertips for longer wear; this glove offers the perfect blend of protection and function. Hook and loop wrist closure for secure fit. Machine washable. Sizes M-XL.

PGP35T

#### FINGERLESS

With a four-way stretch spandex back for a snug fit, this fingerless glove is perfect for jobs that require full finger dexterity. Synthetic leather palm with reinforced foam padding in critical wear areas provides durable comfort. The embossed neoprene knuckle protects against abrasion, while its concealed interior seam stitching prevents snagging. Hook and loop wrist closure for secure fit. Machine washable. Sizes M-XL.

PGP37T

#### HIGH VISIBILITY

This glove has been specially designed for road crew workers, tow truck drivers or any construction worker needing higher visibility. The hi-vis lime yellow, four-way stretch spandex back provides a snug fit, and the reflective fingers and trim help to ensure user safety. The synthetic leather palm has abrasion resistant PVC pads for a durable grip, even in wet conditions. Abrasion resistant neoprene knuckle; slip-on style extended cuff with shirred elastic wrist. Machine washable. Sizes M-XL.

PGP90T

#### T-REX® IMPACT

Providing fierce impact protection, the T-REX® gloves feature rubberized TPR pads and gel-padded palms to shield hands and fingers from crushing impacts. 100% polyester seamless machine knit shell conforms to hands, providing unmatched comfort and dexterity. An exclusive NitrX® Grip Technology sandy nitrile coating delivers rock-solid grip in wet, dry and oily conditions. Rated ANSI Cut Level 1, ANSI Abrasion Level 3 and ANSI Puncture Level 4, T-REX® gloves are well suited for most environments with impact hazards. Hi-vis lime and orange colors for maximum visibility, hook and loop wrist closure ensures a snug fit.

TRX500T Sizes M-XXL

TRX550T T-REX® IMPACT PLUS, Sizes M-XXL, ANSI cut level 5 (not shown)

### Leather

#### PREMIUM SUEDE COWHIDE

This premium glove has a reinforced suede leather padded palm and fingertips for a high level of protection and durability. The four-way stretch spandex back provides a snug fit, and the foam padded knuckle adds extra comfort. With PVC reinforcement on the thumb and forefinger for grip and a neoprene cuff with hook and loop wrist closure for secure fit, this glove provides tough protection for all day wear. Sizes M-XL.

PGP65T

#### DELUXE GRAIN GOATSKIN

Premium grain goatskin glove with four-way stretch spandex back affords the ultimate lightweight comfort and protection. Reinforced palm and fingertips provide long lasting wear. Glove features a terrycloth thumb brow wipe and slip-on style neoprene cuff with a shirred elastic wrist. Sizes M-XL.

PGP70T

#### DELUXE GRAIN LEATHER

This all-purpose glove is designed with a seamless grain leather palm and reinforced fingertips for longer wear. With supple grain leather and a four-way stretch spandex back, this glove is the ultimate in comfortable protection. The neoprene knuckle protects against abrasion and the hook and loop wrist closure ensures a secure fit. Sizes M-XL.

PGP75T

PROTECTION.

PERFORMANCE.

STYLE.

**COLD WEATHER**

This cold weather glove features a water-proof, windproof, breathable membrane, an insulating 3MThinsulate™ liner (40-gram) and a comfortable four-way stretch spandex outer shell. The synthetic leather palm has abrasion resistant PVC pads for a durable grip, even in wet conditions. With a neoprene knuckle and an extended fleece wrist to keep the cold and debris out, this glove provides superior warmth, dry comfort and protection. Sizes M-XL.

PGP80T

**WINTER FLEECE**

This cold weather glove is constructed from micro fleece for warm protection. The PVC grip double palm offers increased durability and extra control in wet or dry conditions. Slip-on style cuff with shirred elastic wrist. Machine washable. Sizes M-XL.

PGP82T

**COLD WEATHER UTILITY**

Keep hands warm and protected with these cold weather utility gloves. These gloves feature 3MThinsulate™ insulation (60-gram) for the perfect balance of warmth and dexterity and a four-way stretch spandex back for ultra comfort. The reinforced double palm extends wear and the textured pads offer durable grip. Hook and loop closure with vent lycra panel keeps debris and cold out and provides a secure fit. Terrycloth thumb brow wipe. Machine washable. Sizes M-XL.

PGP84T

**THINSULATE™-LINED SUEDE**

These winter high performance gloves provide the ultimate protection and warmth. The 3MThinsulate™ (100-gram) lining is combined with micro fleece for extra warmth, and the cowhide suede leather palm is reinforced for increased durability. The four-way stretch spandex back provides a comfortable fit. Hook and loop closure with vent lycra panel keeps debris and cold out. Knuckle strap and reinforced fingers protect against abrasion. Sizes M-XL.

PGP86T

**THINSULATE™-LINED GRAIN**

These Thinsulate™-lined grain gloves provide tough protection for outdoor winter work. The 3MThinsulate™ (100-gram) lining is combined with micro fleece for extra warmth, and the grain leather palm offers supple comfort. With a leather knuckle strap and a four-way stretch spandex back, these gloves provide a seemingly customized fit. Slip-on style cuff with shirred elastic wrist. Sizes M-XL.

PGP88T

**WINTER HI-VIS**

Using a combination of hi-vis yellow and orange four-way stretch spandex, these gloves have been specially designed for road crew workers, tow truck drivers or any construction worker needing higher visibility in cold weather conditions. The 3MThinsulate™ (100-gram) lining is combined with micro fleece for extra warmth, and the synthetic leather palm has abrasion resistant PVC pads for a durable grip, even in wet conditions. The foam padded knuckle adds extra protection, and the hook and loop closure provides a secure fit. Machine washable. Sizes M-XL.

PGP89T

COLD WEATHER PROTECTION.

**Styled and sized to meet women's needs**

Women want gloves that offer fit, protection and comfort. . . but look great, too. At Magid, we believe details make the difference. We offer women's work gloves with the best materials, construction and design. . . so women get exactly what they want.

**GENERAL UTILITY**

With a supple suede goatskin leather palm and a four-way stretch spandex back, this glove is comfortable and durable. Its form-fitting design improves dexterity and the padded palm helps to reduce hand fatigue. With an extended palm, shirred elastic wrist and slip-on cuff, it's perfect for DIY jobs or in the garden. Reinforced fingertips for longer wear; terrycloth thumb brow wipe. Sizes S-L.

PGP50T

**DELUXE GRAIN GOATSKIN**

Soft, flexible premium quality goatskin leather palm with four-way stretch spandex back makes this glove irresistibly comfortable and hard working. With an extended palm and comfortable foam padded knuckle, it's sized for a woman's hand to provide improved dexterity. Hook and loop wrist closure with side vent lycra panel keeps debris out and glove secure. Terrycloth thumb brow wipe. Sizes S-L.

PGP55T

**DELUXE GARDENER**

This extremely versatile glove has a lightweight, four-way stretch spandex back, synthetic leather palm and reinforced fingertips for maximum comfort, fit and performance. With an extended palm, shirred elastic wrist and slip-on cuff, the Deluxe Gardener is perfectly sized for a woman's hand for improved dexterity. Its stylish design, rubberized grip and terrycloth brow wipe make it the ultimate gardening and work glove. Machine washable. Assorted 12 - 6 pair each blue and burgundy. Sizes S-L.

PGP60T

**TENDING THE GARDEN  
and other related tasks**

Designed for the modern gardener, Magid's high performance garden gloves offer the perfect combination of function and style. The gloves showcase form-fitting materials for increased dexterity, extended palms and wrists for extra comfort and protection and colorful patterns to suit all tastes. HandMaster® garden gloves. . . Quality that works. . . and style that's simply irresistible.

For more information about available styles, please reference Magid's garden glove catalog.

## QUALITY THAT WORKS FOR EVERYONE

Our ProGrade® line features rich leathers that mold to the hand for ultimate comfort. The WorkGrade™ gloves are durable favorites with reinforced leather palms that come in a variety of colors and styles. And our UtilityGrade™ gloves offer something for every chore from the ergonomic, flexible fit of our coated knits, to dotted jerseys and everyday canvas.

**WORK  
GRADE**

**Leather Palm**

The leather palm glove has long been the workhorse of the glove industry. And, after over 65 years in business, Magid knows that well. No matter which one you select, you can be confident that our gloves offer tough durability and protection. We use genuine leather, have double-stitched seams and focus on quality and craftsmanship in all of our products. After all, when your goal is "Quality that Works," it's the details that make all the difference.

**GENERAL UTILITY PLUS**

# UTILITY GRADE PLUS

ROC®

## THE ROC® COATED WORK GLOVES

Grips like iron. Feels like bare hands. Our ROC® collection has a glove for every task. Special coatings provide tough abrasion resistance and durability while delivering exceptional grip in wet, oily or dry conditions. From touchscreen compatible, cut resistant and hi-vis options to moisture wicking bamboo, the comfortable form-fitting shells allow extra dexterity for working with small parts. No matter the style, the ROC® delivers hands-on gripping power.

Works With Touchscreens

### TOUCHSCREEN ROC®

Regular work gloves won't work on touchscreens. The T-ROC™ will. With an electro-conductive copper and nylon blended liner, the T-ROC™ allows the transfer of an electric current—which makes the touchscreen work. Compatible with all touchscreen devices, the T-ROC™ is form fitted for dexterity and accuracy and has a polyurethane dipped palm for extra grip. This is the perfect glove for dry work environments—working with hand tools, construction or material handling.

ROC5000T Men's sizes S-XL

AL5000T Women's version, Sizes S/M and M/L (not shown)

Scan to see the T-ROC in action.

### HI-VIS

The Hi-Vis ROC® delivers hand protection that won't go unnoticed. The gloves feature a hi-vis orange polyurethane palm coating on a hi-vis yellow seamless nylon shell. This combination of high visibility colored materials produces a glove that can be easily seen from a distance, providing an added degree of protection in high traffic environments. The polyurethane coating provides good grip and abrasion resistance, while the nylon shell stretches to offer superior dexterity and fit. Knit wrist keeps dirt out. Men's sizes M-XL.

ROC25HVT

## Cut Resistant

### CUT RESISTANT

Kevlar® fiber is five times stronger than steel and offers exceptional cut resistance. Comfortable Kevlar®/Lycra® shell and durable nitrile palm coating provide a unique combination of cut, abrasion and puncture resistance without sacrificing dexterity and grip. Seamless comfort for extended wear; knit wrist keeps dirt out. ANSI Cut Level 2 protection. Men's sizes M-XL.

ROC30T

### CUT RESISTANT, CHROMATEK™ ROC®

Manufactured from a super high-density, 15-gauge high performance polyethylene blend, the ChromaTek™ ROC® features a seamless machine knit shell with more yarn filaments to deliver form-fitting, breathable comfort all day long, as well as ANSI Cut Level 2 and ultra-high ANSI Abrasion Level 8 protection. The black polyurethane palm coating channels away liquids and oils, ensuring added flexibility, dexterity and grip. These gloves offer the perfect combination of comfort, flexibility and protection. Men's sizes S-XL.

ROC31T

### CUTMASTER®

Featuring a polyurethane coated palm on a seamless, cut resistant high performance polyethylene (HPPE) fiber blended knit shell, these gloves offer ANSI Cut Level 4 protection, excellent grip and a comfortable and flexible feel. Men's sizes M-XL.

ROC35T

### NITRILE COATED PALM

Durable nitrile palm coating provides great oil grip and increased abrasion and puncture resistance. Seamless nylon shell for extra comfort and extended wear; knit wrist keeps dirt out. Men's sizes M-XL.

ROC10T

### FULL NITRILE COATING

Fully coated nitrile palm ensures a tight grip and resists cuts and abrasions. Seamless nylon and spandex blended shell for extra comfort, flexibility and extended wear; knit wrist keeps dirt out. Men's sizes M-XL.

ROC15T

### POLYURETHANE COATED PALM

Durable polyurethane palm coating provides unmatched grip. Ideal for jobs requiring maximum dexterity without the fatigue associated with heavier, bulkier gloves. Seamless polyester shell for extra comfort and extended wear; knit wrist keeps dirt out. Men's sizes M-XL.

ROC20T

### ULTRA GRIP

With a black polyurethane coated palm and a 100% black polyester seamless machine knit shell, these gloves provide outstanding grip and superior abrasion resistance. Flexible and form fitting, they adapt to the contours of the hand for a completely custom and comfortable fit. Sizes M-XL.

T315T

### HIGH TACTILE GRIP

Comfortable, breathable, 100% stretch polyester shell, feels like working with your bare hands. Black nitrile coated palm for abrasion, cut and liquid resistance. Men's sizes M-XL.

T319T

### COMFORTFLEX®

With a supremely comfortable, form-fitting and breathable nylon and spandex blended back, this glove is perfect for general maintenance tasks. Utilizing a new combination of polyurethane and nitrile, the coated palm provides textured grip in wet or dry conditions.

T1000T Red and black, Men's sizes M/L and L/XL

T337T Taupe and black, Men's sizes M/L and L/XL

## Bamboo Collection FOR MEN AND WOMEN

### Naturally Comfortable. Remarkably Sustainable.

With a rayon made from bamboo shell, these gloves are lighter, cooler and more absorbent than other cotton gloves. The fabric is moisture wicking and breathable, and its natural UV protection makes working outdoors worry free. The collection includes gloves with nitrile, latex or polyurethane coated palms for superior gripping power and tough protection.

Bamboo is one of nature's most sustainable resources. Grown without pesticides or chemicals, bamboo is 100% biodegradable and naturally regenerative.

## HI VIS

### HI-VISIBILITY WORK GLOVES

Don't blend in. Work gloves that won't go unnoticed help to ensure user safety in critical hi-visibility situations.

#### HIGH VISIBILITY

This glove has been specially designed for road crew workers, tow truck drivers or any construction worker needing higher visibility. The hi-vis lime yellow, four-way stretch spandex back provides a snug fit, and the reflective fingers and trim help to ensure user safety. The synthetic leather palm has abrasion resistant PVC pads for a durable grip, even in wet conditions. Abrasion resistant neoprene knuckle; slip-on style extended cuff with shirred elastic wrist. Machine washable. Sizes M - XL.

PGP90T

#### T-REX® IMPACT

Providing fierce impact protection, the T-REX® gloves feature rubberized TPR pads and gel-padded palms to shield hands and fingers from crushing impacts. 100% polyester seamless machine knit shell conforms to hands, providing unmatched comfort and dexterity. An exclusive NitriX® Grip Technology sandy nitrile coating delivers rock-solid grip in wet, dry and oily conditions. Rated ANSI Cut Level 1, ANSI Abrasion Level 3 and ANSI Puncture Level 4, T-REX® gloves are well suited for most environments with impact hazards. Hi-Vis lime and orange colors for maximum visibility; hook and loop wrist closure ensures a snug fit.

TRX500T Sizes M-XXL

TRX550T T-REX® IMPACT PLUS, Sizes M-XXL, ANSI cut level 5 (not shown)

#### HI-VIS. SURE GRIP

Hand protection that won't go unnoticed. Ergonomic design for flexible fit, maximum dexterity and reduced hand fatigue. Latex palm provides excellent wet grip as well as abrasion and puncture resistance. Lime yellow knit shell provides cool comfort and maximum visibility. Men's sizes M-XL.

305HVT

#### WINTER HI-VIS

Using a combination of hi-vis yellow and orange four-way stretch spandex, these gloves have been specially designed for road crew workers, tow truck drivers or any construction worker needing higher visibility in cold weather conditions. The 3M Thinsulate™ (100-gram) lining is combined with micro fleece for extra warmth, and the synthetic leather palm has abrasion resistant PVC pads for a durable grip, even in wet conditions. The foam padded knuckle adds extra protection, and the hook and loop closure provides a secure fit. Machine washable. Sizes M-XL.

PGP89T

#### HI-VIS ROC®

The Hi-Vis ROC® delivers hand protection that won't go unnoticed. The gloves feature a hi-vis orange polyurethane palm coating on a hi-vis yellow seamless nylon shell. This combination of high visibility colored materials produces a glove that can be easily seen from a distance, providing an added degree of protection in high traffic environments. The polyurethane coating provides good grip and abrasion resistance, while the nylon shell stretches to offer superior dexterity and fit. Knit wrist keeps dirt out. Men's sizes M-XL.

ROC25HVT

#### HI-VIS DOTTED STRETCH KNIT

Seamless, knit utility glove in hi-vis lime yellow color. Dotted palm for sure grip. Stretch fit for comfort. Men's size L.

AG93HVPT
