## What we offer...

A superb setting - Overlooking tranquil gardens and fields, with its own sheltered garden, a haven for birds and butterflies, plus soft lamps to attract moths in the evenings.

Luxury accommodation - 20 purpose built µPVC luxury double units with facilities for families of cats. A heated bedroom for sleeping and resting and an airy lounge for play activity or watching the birds feed in the garden.

Optimal hygiene - A tiled non-slip floor and no wooden structure to harbour germs, carefully cleaned and disinfected between guests to eliminate both germs and the smell of the previous cat.

Housekeeping - Rooms are cleaned every morning, and litter trays are checked a minimum of 3 times daily and cleaned when required.

Interaction - Daily grooming and play sessions with additional enrichment activities.

Food - Our own ethically produced super premium dry food always available and wet food to your cat's taste twice a day. Gourmet and super BARF option also available to match a cat's natural diet.

Hydration - Cats like to drink from running water, so drinking water fountains are provided to help ensure you cat stays hydrated.

## Why we are different...

We want your cat to enjoy its stay with us and go home looking healthy and stress free. We understand cat behaviour and do our very best to help a nervous or timid cat settle in quickly, providing Feliway/Zylkene and hiding places until your cat feels safe and settled.

We give every guest individual attention through daily grooming and interactive play time, with games and challenges to keep them stimulated.

We provide excellent nutrition as standard with both a Super-Premium dry food to graze and a variety of wet food twice a day.

Hydration is VERY important for your cat's urinary health and as cats prefer to drink from running water, we provide chlorine-free UV-filtered water from our own well from a cat drinking fountain.

*It all adds up to a happy, contented, healthy and relaxed cat at the end of its luxury holiday with us!*

- Half gourmet - our own Super Premium dry with Natures Menu pouches and fresh chicken and fish.
