## *delivery fees*

For any drop off catering a delivery fee will be applied. The delivery fee ranges from \$20-\$100 and is determined by the location and the event times. A higher delivery fee will be charged for late night and weekend events; however, if Bon Appétit determines equipment is in a secure area, Bon Appétit will pick up equipment the following business day to minimize a high delivery fee. Client is responsible for any missing equipment.

Looking to save money? You are more than welcome to pick up your catering order from our Bon Appétit office to save on the delivery fee. Please bring a friend and/or cart and we will be more than happy to help you load your food order. All equipment must be returned to the Bon Appétit office 24 hours after the event. In the event that equipment has been lost, stolen or damaged an equipment fee will apply and will be noted on the invoice.

## *service staff*

The number of staff required will depend on the number of guests at your event, location and the desired level of service. If set up is required in advance there may be additional labor charges. Staff hours are calculated from event preset through event breakdown and will be charged to the client directly. If your event begins or ends later than anticipated, additional labor charges will apply and noted on the invoice. If your group is meeting in the same room as the event there may be additional labor charges if we have to wait for your meeting to end before cleaning. Please contact the catering department to get an estimate on your staffing.

# FREQUENTLY ASKED QUESTIONS

.....

**Q. How far in advance should I place my catering order?**

A. The sooner the better. All events must be contracted no later than 2 weeks before the event date. Any drop off catering orders that are under 50 people and chosen from our printed menu will require a minimum of 72 hours.

**Q. What other information is needed to place a catering order?**

A. We will need to know the event date, event start time and end time, location, number of people, and the account number for billing. It's also nice to have the program or agenda as well.

**Q. What if I can't find what I'm looking for on your catering menu?**

A. We are happy to customize a menu for you! Just let us know your catering needs, vision and budget and our catering team will be happy to put together something for you. Please give us additional time so that our chefs can have the time to create something special for you.

**Q. What if I have a guest with dietary restrictions (i.e. gluten free, dairy free, vegan, etc.)?**

A. We can certainly alter a menu based on guests' dietary restrictions. We just ask that you give us those meal requests in advance so we can successfully accommodate them.

**Q. When is my final guest count due?**

A. A preliminary guest count is given when we start working on your contract that way we can quote pricing on food, labor and any rentals. Your final guest count is due 3 business days prior to your event. After you turn in your final guest count, your counts can only increase not decrease. If you have rented china or linens please give us as much time as possible so we can ensure matching linen and china. In the event Classic Party Rentals does not have the equipment, Bon Appétit will do their best to find the equipment from another vendor though we cannot guarantee an exact match.

**Q. Why do I sometimes get charged for china and glassware?**

A. The university only owns so many place settings of china, flatware and glassware. If your count exceeds our current inventory additional rental fees will be charged, along with a delivery fee from Classic Party Rentals.

**Q. What tables does the university own?**

A. You can request 8ft tables or 60" rounds in 25Live for your event. Currently the college does not own bistro or high boy tables; however, we are happy to rent them for you. We can also rent specialty chairs for you as well. Please contact the catering department for an updated price list on tables/chairs. If your event is held in North Party Room, custodial requires that you use the square tables for your event.

**Q. Will I be charged more if my event runs late?**

A. Unfortunately, yes you will. Your estimated labor fee on your contract is based on the event times that were given prior to the event. If staff needs to stay later to clean up the client will be charged additional labor fee, which will be reflected on the final invoice.

**Q. Can I bring any leftover food home?**

A. Unfortunately, no. Due to state health regulations, leftovers may not be taken from the event and will not be packaged for removal off premises.
