Making Contractions—Grade 2

Remember, a **contraction** is formed by joining two words together and leaving out some of the letters in one or more of the words. You use an apostrophe to show where letters have been left out.

Example: I will = I'll

Will not = won't

Make a contraction out of the two words given. Make sure to use an apostrophe to show where you have left out letters.

1. We will = _____
2. They are = _____
3. Should not = _____
4. He would = _____
5. She is = _____
6. I am = _____
7. Have not = _____
8. Would have = _____
9. It is = _____
10. You are = _____
11. I have = _____
12. Do not = _____
