GALENA PARK
INDEPENDENT SCHOOL DISTRICT

A letter from the GPISD Superintendent of Schools

Welcome back to another exciting school year in the Galena Park Independent School District! The new year provides an opportunity to use the accomplishments of the past year as the foundation for even greater successes going forward. As we begin this year, please know our goal remains the same – to provide the best education possible to all students in our district. In Galena Park ISD, it's **“All About Excellence.”**

We seek nothing but the best. We are dedicated to giving 100 percent each and every day of the school year preparing our students to be productive citizens and lifelong learners in whatever path they may take going forward. **Parents**, I offer my sincere thank you for your support and commitment to your children and Galena Park ISD. We appreciate the confidence you have shown in the District by trusting us with the well-being of your loved ones. We are proud to partner with you in their educational and social growth. We are aware that you have options in where you reside and where your children attend school.

Students, each new school year offers a new opportunity to grow and learn. The District and our employees are here to ensure every day you attend school is a day that will shape your future. Your teachers and principals **choose** to be part of this district and enthusiastically accept the opportunity to participate in your life's journey through education.

As we begin this semester, I encourage you to get the most from this opportunity, by connecting with your teachers, making positive friendships, and pushing yourself to be the best student you can be! **The Student Handbook and Code of Conduct** is your guide to understanding what is expected of you each day to ensure you are safe and every school is an orderly place to learn and connect. **Carefully read the dress code regulations, attendance policies, and other procedures which all students are required to follow.**

Thank you for taking the time to read and adhere to the **GPISD 2018-19 Student Handbook and Code of Conduct**. If you should have any questions, please contact your child's school administrators.

Sincerely,

A handwritten signature in black ink that reads 'Angi M. Williams'.

Discipline Management Plan, Dress Code Regulations, Attire

Discipline Management Plan

The basic provisions of the GPISD Discipline Management Plan are:

1. A Student Code of Conduct that includes rules, procedures, and expectations related to conduct and specifies the consequences of violating the code. An outline of the District's alternative educational programs shall be included. The Student Code of Conduct shall be published and made available online. Parents may request a paper copy from their child's principal.
2. Annually signed statements by each student's parent demonstrates the parent understands and consents to the responsibilities outlined in the District's Student Code of Conduct.

Dress Code Regulations

Students within the Galena Park Independent School District will adhere to dress code policies. A Standardized Dress Code policy has been adopted by each elementary and middle school campus, with the consent of the Site-Based Committee. Traditional dress code will continue for all high school campuses.

The principal of the school shall have the discretion to determine if a student's attire, hair, and/or grooming is acceptable and does not cause a distraction within appropriate health and safety standards.

Principals have the authority to modify the attire for special occasion days and events.

Each student will display appropriate grooming and dress for the educational environment. Attire or hair styles which are deemed to be a distraction or disturbance to learning are prohibited.

Students who violate the dress code will be subject to disciplinary action.

Students assigned to Center for Success (CFS) will be required to wear navy blue, khaki or black slacks and a shirt issued by CFS.

Unacceptable Hair and Grooming

Unacceptable hair and/or grooming examples: facial hair (beards, mustaches), gang related, profane, vulgar language or gang symbols cut into hair, or tattooed or cut into the skin. Each campus, 6th through 12th grade, will determine how to address a student's violation of the grooming code, in regard to facial hair. This campus decision will be communicated in writing to the parent of every school, with the students in grades 6th through 12th prior to the beginning of the school year.

Student clubs, organizations, and extracurricular activities such as athletics, drill team, etc. may have their own policy about colored hair for their program.

Standardized Dress Code (elementary and middle schools) incorporates all of the following. (Individual campuses are more specific regarding colors. Please contact your school.)

Elementary School Dress Code

Attire

Dresses, jumpers, shorts, slacks, skirts, skorts

Collared shirts or blouses

Colors

Attendance

Each child residing in or legally transferred to GPISD who is as much as six years of age, or who is less than six years of age and has previously been enrolled in a public school, and who has not completed the academic year in which his/her nineteenth birthday occurred shall be required to attend school each day for the entire period the

program of instruction is provided. Pre-Kinder and adult students may be withdrawn after five unexcused absences in a semester.

In order to receive credit in a class, students must be in attendance for at least 90% of the days the class is offered. Students who are in attendance for fewer than the prescribed number of days set by the law shall not be given credit for the class unless the attendance committee finds that the absence(s) are the result of extenuating circumstances.

When returning to school after an absence, a student must bring a note signed by the parent that describes the reason for the absence; notes signed by the student, even with the parent's permission, will be considered forgery and the student will be disciplined.

The District accepts the following as extenuating circumstances for the purpose of granting credit or promotion:

1. An excused absence based on personal illness or illness or death in the family, quarantine, weather or road conditions making travel dangerous, and any other unusual cause acceptable to the teacher, principal, or Superintendent or Superintendent's designee.
2. Days of suspension.
3. Participation in court proceedings or child abuse/neglect investigation or any court order activity.
4. A migrant student's late enrollment or early withdrawal.
5. Days missed as a runaway.
6. Completion of a competency based program for "at risk" students.
7. Late enrollment or early withdrawal of a student under Texas Youth Commission.
8. Teen parent absences to care for his or her child.
9. Participation in a substance abuse rehabilitation program.
10. Religious holy days when the days are a tenet of faith and parents submit a written request prior to the absence.
11. For appointment with health care professional.
12. Obtain U.S. citizenship.

If the attendance committee finds that there are no extenuating circumstances for the absence or if conditions established by the committee for earning or regaining credit are not met, the committee shall deny credit for the class. Students whose petitions for credit are denied may appeal the attendance committee's decision to the Board of Trustees by submitting a written request that includes the basis for the disagreement with the committee's decision to the Superintendent's designee. The appeal shall be addressed as provided by the student complaint policies. (See FNG (Legal) & FNG (Local)).

The District shall provide alternative ways for students to make up work or regain credit lost due to attendance.

In all cases, the student must also earn a passing grade in order to receive the credit.

Consecutive Absences, Excused and Unexcused Absences, Tardies

Students who have been absent for any reason are required to make up the work they missed within the time given by the teacher. Failure to make up work may result in academic penalties.

It is the student's responsibility to request missing assignments. Parents may request assignments for a student who will be absent more than three days for personal illness by calling the school **office 24 hours in advance.**

Students who are absent for any part of the school day will not be allowed to participate in school related activities on that day or evening, unless the absence is considered justifiable (e.g. school related activities, doctor's appointments for part of the day). This also applies to participating on Saturday when absent on Friday.

Students who are absent from school or from any class without permission will be considered truant and will be subject to disciplinary action. Students with excessive tardies or unexcused absences shall be subject to appropriate disciplinary action and failure or loss of credit, but may not be suspended from school. **The parent of a student is responsible for requiring the student to attend school. Legal action may be taken if the parent reneges on the responsibility.**

Excused Absences

A child required to attend school may be excused for temporary absence resulting from any cause acceptable to the teacher, or principal of the school in which the child is enrolled. Excused absences may include temporary absence resulting from personal illness, death or illness in the family, quarantine, weather or road conditions making travel dangerous, or a required court appearance. Excused absences may be claimed for religious holy days when the days are tenet of the faith and the parent submits a written request prior to the absence, and for temporary absences resulting from appointment with a health care professional, so long as the student commences classes or returns to school on the same day as the appointment.

All absences for which the student brings a doctor's note will be considered excused absences. In cases where the student brings a parent note, the **first five notes** will excuse the absence, as long as the duration of the absence is between one and four consecutive days. All absences of five days or longer will require a doctor's note.

After the fifth note, regardless of whether or not the child has a parent note, the absence will be considered an unexcused absence unless the child has a doctor's note or visits the school nurse and is sent home due to illness.

Any notes from the parent and/or guardian explaining the nature of the absence must be submitted no later than three (3) school days after the student's absence and must include specific information as to the nature of the absence. Information required:

1. Name of student
2. Campus

3. Date(s) of absence(s)
4. Specific reason for absence(s)
5. Signature of parent/guardian
6. Phone number of parent/guardian
7. Date

Semester examinations missed during exam week at the end of each semester must be made up within ten days after the end of each semester provided the student has an excused absence unless other arrangements have been made with the principal. **Failure to make up final examinations will result in an exam grade of 0.**

Consecutive Absences

Any student who is absent five (5) or more consecutive days will be required to submit a doctor's note to excuse the absences.

Warning Notice for Unexcused Absences

The District shall notify a student's parent in writing during student registration that if the student has been absent without an excuse ten (10) or more days within a six-month period in the same school year the student's parent is subject to prosecution under Section 25.093 and the student is subject to referral to a truancy court for truant conduct under Section 65.003(a), Family Code. If a student age 12 through age 18 violates the compulsory attendance law, both the parent and student may be referred to the truancy court.

- * The fact that a parent did not receive a notice does not create a defense to prosecution under Section 25.093 or under Section 65.003(a), Family Code.

Tardies

Elementary Schools - Students who are tardy must go directly to the office for a tardy slip. **Students are tardy to school if they are not in their classroom when the bell rings to start the school day or any of the class periods.** Excessive tardies may lead to disciplinary action.

Secondary Schools - Students are tardy if they are not in their classroom when the bell rings to start the school day or any of the class periods.

Please contact your school principal regarding the beginning and ending times of school. Times are subject to change.

Student Transfers

Parents may request a student transfer for limited reasons. These reasons include, but are not limited to: Public Education Grant (PEG) list, and being a victim of a violent crime on campus (Policy FDE). For more information regarding transfers, please contact the Student Admissions Office. If your student is transferred to another school, the District is not responsible for transportation.

Student Illness, Immunizations

HEALTH-RELATED MATTERS

Student Illness

When your child is ill, please contact the school to let us know he or she won't be attending that day. It is important to remember that schools must exclude students with certain illnesses from school for periods of time as identified in state rules. For example, if your child has a fever over 100 degrees, he or she must stay out of school until fever free for 24 hours without fever-reducing medications. In addition, students with diarrheal illnesses must stay home until they are diarrhea free without diarrhea-suppressing medications for at least 24 hours. A full list of conditions for which the school must exclude children can be obtained from the school nurse.

If a student becomes ill during the school day, he or she must receive permission from the teacher before reporting to the school nurse. If the nurse determines that the child should go home, the nurse will contact the parent. The district is also required to report certain contagious (communicable) diseases or illnesses to the Texas Department of State Health Services (TDSHS) or our local/regional health authority. The school nurse can provide information from TDSHS on these notifiable conditions.

Contact the school nurse if you have questions or if you are concerned about whether or not your child should stay home.

Immunizations

A student must be fully immunized against certain diseases or must present a certificate or statement that, for medical reasons or reasons of conscience, including a religious belief, the student will not be immunized. For exemptions based on reasons of conscience, only official forms issued by the Texas Department of State Health Services (TDSHS), Immunization Branch, can be honored by the district. This form may be obtained by writing the TDSHS Immunization Branch (MC 1946), P.O. Box 149347, Austin, Texas 78714-9347; or online at <http://www.dshs.texas.gov/immunize/school/exemptions.aspx>. The form must be notarized and submitted to the principal or school nurse within 90 days of notarization. If the parent is seeking an exemption for more than one student in the family, a separate form must be provided for each student.

No student may be enrolled in any school in Galena Park ISD unless he/she has been immunized against diphtheria, tetanus, and pertussis; measles, mumps, and rubella; polio; hepatitis A; hepatitis B; varicella (chicken pox); and meningococcal disease. Immunizations are not a prerequisite for admission to the District schools when the student applying for admission can prove there are medical reasons or religious conflicts to prevent immunizations. The exclusion must be submitted annually. (Policy, Health Requirements and Services, FFAB)

If a student should not be immunized for medical reasons, the student or parent must present a certificate signed by a U.S. licensed physician stating that, in the doctor's opinion, the immunization required poses a significant risk to the health and well-being of the student or a member of

the student's family or household. This certificate must be renewed yearly unless the physician specifies a life-long condition.

As noted at Bacterial Meningitis, entering college students must also, with limited exception, furnish evidence of having received a bacterial meningitis vaccination within the five years prior to enrolling in and attending classes at an institution of higher education. A student wanting to enroll in a dual credit course taken off campus or at Early College High School may be subject to this requirement.

TB Skin Test, Communicable Diseases, Head Lice, Medications at School

Tuberculin Skin Test (TB)

Parents of all **new students** will be given the **Texas Department of Health's Risk Assessment Questionnaire** (replacing the formally required TB skin test) to determine the TB risk of students entering the Galena Park Independent School District. If a student is identified through the use of the questionnaire to be at risk of TB exposure, a TB skin test will be required and must be read to determine if that student has been infected. Parents will be given the original questionnaire to take to the health care provider (i.e. private physician, Health Steps, clinics) as evidence of determination of possible exposure to the condition.

A positive test will require evidence of a negative chest film and documentation of medical treatment. If proof of a negative x-ray and medical treatment is not provided, the student shall be excluded according to FFAB Board Policy.

Communicable Diseases

Parents of students with a communicable or contagious disease are asked to telephone the school nurse/principal so that other students who have been exposed to the disease can be alerted as advised by the Harris County Public Health and Environmental Services Department.

Convalescing students are not allowed to come to school until the disease is no longer contagious.

Some of these diseases include chicken pox, impetigo, measles, mumps, pink eye, ringworm, scabies, mononucleosis, streptococcal infections, hepatitis, bacterial meningitis and tuberculosis. Board policy FFAD AND FFAD (E) outlines when a student may return to school after being excused from school because the student had a communicable disease. The Human Immunodeficiency Virus (HIV), which causes Acquired Immune Deficiency Syndrome (AIDS) and other HIV related conditions are not transmitted in everyday school settings. An HIV-infected student need not be excluded from school unless certain conditions are present. Confidentiality of information concerning an individual's HIV status will be strictly maintained. Unauthorized disclosure of information concerning the HIV status of a student or staff members may result in civil and criminal penalties. (Texas Health and Safety Code, 81.103-104)

A history of measles illness is acceptable in lieu of measles vaccine, but the illness must be physician validated in writing. If a student is unable to submit a physician's statement, then measles vaccine is required. A history of mumps illness is acceptable in lieu of mumps vaccine. All histories of mumps illness must be physician validated. A history of chickenpox is acceptable in lieu of varicella vaccine. A parent or physician's verification is required.

Toilet-Trained Pre-K Students

For the health and safety of the class and teachers, students who meet eligibility for prekindergarten must be completely toilet-trained by the time they start pre-k. Pre-k students will not be allowed to wear diapers/pull-ups. Our pre-k staff and

classrooms are not equipped to handle stool, change diapers/pull-ups or dispose of them under the required sanitary laws. We understand that students will have accidents as they are becoming accustomed to class routines or sometimes due to illnesses. However, if the accidents are reoccurring and are not due to illnesses, the child will be withdrawn from school. Once the child is successfully toilet-trained, the parent may reenroll the child in school. *This regulation does not apply for students who meet the eligibility for a disability according to the Individuals with Disabilities Education Improvement Act (IDEIA) or the PPCD program.*

Head Lice

Head lice, although not an illness or a disease, is very common among children and is spread very easily through head-to-head contact during play, sports, or nap time and when children share things like brushes, combs, hats, and headphones.

Based upon specialized training and the professional judgement of the school nurse, students with live lice or signs of active infestation will be excluded from school. Students who have been sent home should receive prompt treatment for lice and expected to return to school the following day, free of live organisms. Parents should check their child weekly for head lice. If head lice are found, the hair must be treated before the child returns to school on the following day. Upon return to school, the student and parent/guardian must report directly to the school nurse, provide information about the treatment utilized and have the student's hair checked before reporting to class. Chronic cases and instances of non-treatment will result in unexcused absences.

Medications at School

All medications must be brought to the nurse's office or principal's office in the original container. All medications must have a label including student's name, drug name, directions concerning dosage, and schedule for administration. **Prescription and non-prescription medication must be in original container with a written request from the parent or guardian to administer the medication.** Non-prescription medication will be dispensed in accordance with Board policy. For the safety of the child, narcotic medications will not be administered at school or at school functions. **A nurse needs knowledge of an existing illness or condition that may impact the administration of minor first aid or emergency care. The district will not purchase medication to give to a student.**

Clinic Procedures

A student must have a Health Referral Form from his/her teacher to visit the nurse's office. A nurse will be available during school hours for illness or injury and assist in health planning. **Please notify the school nurse if your child has any health problems, special needs, allergies, or is taking any medications.** Any reaction(s) that your child may have to medication could be a result of you not giving the nurse all the necessary medical information required to alleviate such results. **It is imperative that the school**

Food Allergy Management Plan, Bacterial Meningitis

is given an emergency telephone number or contact person. The parent is responsible for providing to the school nurse proof of immunizations as required by Texas state law. You will be notified if your child needs any additional immunizations.

Statewide Fitness Assessment

All students in grades 3 - 12 who are enrolled in P. E. will complete a physical fitness assessment that included six test items. The test items selected will vary depending on what each campus selected to assess from the state's list of items. If you would like to have the results of your child's physical fitness assessment, please contact the Physical Education teacher on your child's campus. He or she will be glad to share that information with you.

Physical Activity for Students in Elementary and Middle School

In accordance with polices EHAB, EHAC, EHBG, [and FFH], the district will ensure that students in full-day prekindergarten through grade 5 engage in moderate or vigorous physical activity for at least 30 minutes per day or 135 minutes per week.

Students in middle school will engage in 30 minutes of moderate or vigorous physical activity per day for at least four semesters or at least 225 minutes of moderate or vigorous physical activity within each two-week period for at least four semesters.

Vending Machines

The district has adopted policies and implemented procedures to comply with state and federal food service guidelines for restricting student access to vending machines. For more information regarding these policies and guidelines see the Student Nutrition Department.

School Health Advisory Council (SHAC)

The School Health Advisory Council is composed of parents, community members and district administrators. This group comes together four times a year to discuss matters related to student health, employee wellness and community awareness issues. The meeting dates are posted on the district's website.

Food Allergy Management Plan

Galena Park ISD has developed and will maintain a policy to address the needs of students with a diagnosed food allergy who are at risk for anaphylaxis.

The district requests to be notified when a student has been diagnosed with a food allergy, especially those allergies that could result in dangerous or possibly life-threatening reactions either by inhalation, ingestion, or skin contact with the particular food. It is important to disclose the food to which the student is allergic, as well as the nature of the allergic reaction. Please contact the school nurse or campus principal

if your child has a known food allergy or as soon as possible after any diagnosis of a food allergy.

The district has developed and annually reviews a food allergy management plan, which addresses employee training, dealing with common food allergens, and specific strategies for dealing with students diagnosed with severe food allergies. When the district receives information that a student has a food allergy that puts the student at risk for anaphylaxis, individual care plans will be developed to assist the student in safely accessing the school environment. For more information please refer to FFAF (Local) Board policy.

Emergency Medical Treatment

Parents shall complete the emergency card form each year that includes a place for parental consent for school officials to request medical treatment for the student, as provided by law. Parents shall also be asked to supply other information that could be required in case of an emergency; **parents should update this information as often as necessary.**

The cost of services provided by ambulance, private physician, clinic, hospital, or dentist remains the responsibility of the parent or guardian and shall not be assumed by the Galena Park Independent School District.

WHAT IS MENINGITIS?

Meningitis is an inflammation of the covering of the brain and spinal cord. It can be caused by viruses, parasites, fungi, and bacteria. Viral meningitis is common and most people recover fully. Parasitic and fungal meningitis are very rare. Bacterial meningitis is very serious and may involve complicated medical, surgical, pharmaceutical, and life support management.

WHAT ARE THE SYMPTOMS?

Someone with meningitis will become very ill. The illness may develop over one or two days, but it can also rapidly progress in a matter of hours. Not everyone with meningitis will have the same symptoms.

Children (over 2 years old) and adults with bacterial meningitis commonly have a severe headache, high fever, and neck stiffness. Other symptoms might include nausea, vomiting, discomfort looking into bright lights, confusion, and sleepiness. In both children and adults, there may be a rash of tiny, red-purple spots. These can occur anywhere on the body.

The diagnosis of bacterial meningitis is based on a combination of symptoms and laboratory results.

HOW SERIOUS IS BACTERIAL MENINGITIS?

If it is diagnosed early and treated promptly, the majority of people make a complete recovery. In some cases it can be fatal or a person may be left with a permanent disability.

Environmental Concerns, Student Identification, Student Records

HOW IS BACTERIAL MENINGITIS SPREAD?

Fortunately, none of the bacteria that cause meningitis are as contagious as diseases like the common cold or the flu, and they are not spread by casual contact or by simply breathing the air where a person with meningitis has been. They are spread when people exchange respiratory or throat secretions (such as by kissing, coughing, or sneezing).

The germ does not cause meningitis in most people. Instead, most people become carriers of the germ for days, weeks, or even months. The bacteria rarely overcome the body's immune system and cause meningitis or another serious illness.

HOW CAN BACTERIAL MENINGITIS BE PREVENTED?

Maintaining healthy habits, like getting plenty of rest, can help prevent infection. Using good health practices such as covering your mouth and nose when coughing and sneezing and washing your hands frequently with soap and water can also help stop the spread of the bacteria. It's a good idea not to share food, drinks, utensils, toothbrushes, or cigarettes. Limit the number of persons you kiss.

There are vaccines available to offer protection from some of the bacteria that can cause bacterial meningitis.* The vaccines are safe and effective (85–90 percent). They can cause mild side effects, such as redness and pain at the injection site lasting up to two days. Immunity develops within seven to ten days after the vaccine is given and lasts for up to five years.

WHAT YOU SHOULD DO IF YOU THINK YOU OR A FRIEND MIGHT HAVE BACTERIAL MENINGITIS?

You should seek prompt medical attention.

FOR MORE INFORMATION

Your school nurse, family doctor, and the staff at your local or regional health department office are excellent sources for information on all communicable diseases. You may also call your local health department or Regional Texas Department of Health Services office to ask about meningococcal vaccine. Additional information may also be found at the web sites for the Centers for Disease Control and Prevention: www.cdc.gov and the Texas Department of Health Services: www.tdh.state.tx

Environmental Concerns

Asbestos: GPISD has facilities that contain asbestos building materials. An Asbestos Management Plan is located in the office of each facility. This plan gives detailed information concerning building asbestos according to the Asbestos Hazard Emergency Response Act (AHERA) Management Plan, and is available during normal business hours.

Pesticides: GPISD periodically applies pesticides inside

buildings as part of an Integrated Pest Management (IPM) program. All persons applying pesticides are required to receive special training in pesticide application and pest control. In addition, policy requires the use of non-chemical pest control tactics whenever possible. Information regarding pesticide use, including the types and timing of treatments, is available from Randy Taylor, IPM Coordinator (832) 386-2065.

Recycling: GPISD encourages environmental awareness and recycling in its schools. Information about the recycling programs of individual campuses are available from the principal.

Ozone Watch: GPISD subscribes to the Texas Commission on Environment Quality (TCEQ) Listserv Services for ozone warnings. The purpose is to alert individuals when atmosphere conditions are expected to be favorable for producing high levels of ozone air pollution in the Houston-Galveston-Brazoria area.

Student Identification

Upon enrollment, the school will request the student's social security number for identification on all students' records. **While enrolled, high school students are required to visibly display school I.D. during school hours.** Student I.D.'s must be presented upon request of school personnel.

Student Records

A student's school records are confidential and restricted from unauthorized inspection or use. A cumulative record is maintained for each student from the time the student enters the District until the student withdraws or graduates. This record moves with the student from school to school.

By law, both parents whether married, separated, or divorced, have access to the records of a student who is a minor. A parent whose parental rights have been legally terminated will be denied access to the records if the school is given a copy of the court order terminating these rights.

State law provides that parents are entitled to access all written records of the school District concerning their child, including:

1. Attendance records
2. Test scores
3. Grades
4. Disciplinary records
5. Counseling records
6. Psychological records
7. Applications for admission
8. Health and immunization information
9. Teacher & counselor evaluations

Amending School Records, Copies of Student Records

10. Reports of behavioral patterns
11. Physical Fitness Assessment

The principal is custodian of all records for the students currently enrolled at the assigned school. The Principal is custodian of all records for students who have withdrawn or graduated. Records may be reviewed during regular school hours. The records custodian or designee will respond to reasonable requests for explanation and interpretation of the records. The phone numbers and addresses of the principals are listed in the front of this handbook. Parents of a minor or of a student who is a dependent for tax purposes, the student (if 18 or older), and school officials with legitimate educational interests are the only persons who have general access to a student's records. School officials include any employees, agents, or trustees of the District, cooperatives or contractual placement facilities, as well as their attorneys and consultants, who are:

1. Working with the student;
2. Counseling disciplinary or academic actions, the student's case, or a student with disabilities Individual Educational Plan (I.E.P.);
3. Compiling statistical data; or
4. Investigating or evaluating programs.

Certain other officials from various governmental agencies may have limited access to the records. The District forwards a student's record without prior consent or request to a school in which a student seeks or intends to enroll. Release of records may also be made without the consent in accordance with District Policy (FL Local). When a student reaches 18 years of age, the right to consent to release records transfers to the student. The parent's or student's right to access copies of student records does not extend to all records. Materials that are not educational records, such as teachers' personal notes on a student that are shared only with substitute teachers and records created and pertaining to a student when the student is no longer a student in GPISD, do not have to be made available to parents or students.

Amending School Records

Students over 18 and parents of a minor student may inspect the student's records and request a correction if the records are inaccurate, misleading or otherwise in violation of the student's privacy or other rights. If the District refuses the request to amend the records, the petitioner has the right to a hearing and to place in the student's record a statement commenting on the information. Although improperly recorded grades may be challenged, parents and students are not allowed to contest a student's grades in a course through this process. Parents or students have the right to file a complaint with the Superintendent or Superintendent's designee if they feel that the District is not in compliance with the law regarding student records.

Copies of Student Records

Copies of student records are available at a cost pursuant to District Policy FL(E) (Local), payable in advance. Parents may be denied copies of a student's record:

1. After the student reaches age 18 or is no longer a dependent for tax purposes,
2. When the student is attending an institution of post secondary education, or
3. If the parent fails to follow proper procedures and pay the copying charge.

If the student qualifies for free or reduced-priced lunches and the parents are unable to view the records during the regular school hours, upon written request of the parent, one copy of the record will be provided at no charge.

Protection of Student Rights Under 20 U.S.C. 1232H

Parents have the right to inspect all instructional materials, including teacher's manuals, films, tapes, or other supplementary material, that will be used in connection with any survey, analysis, or evaluation as part of any funded in whole or in part by the U.S. Department of Education. Please contact your child's principal if you desire an appointment to review such materials.

If your children are under the age of 18, they will not be required to participate in a survey, analysis, or evaluation as part of any program funded in whole or in part by the U.S. Department of Education that reveals information concerning the following topics without your prior written consent:

1. Political affiliations.
2. Mental and physiological problems potentially embarrassing to the student or his or her family.
3. Sexual behavior and attitudes.
4. Illegal, antisocial, self-incriminating, and demeaning behavior.
5. Critical appraisals of other individuals with whom students have close family relationships.
6. Legally recognized privileged or analogous relationships, such as those of lawyers, physicians, and ministers.
7. Religious practices, affiliations, or beliefs of the student or student's parent; or
8. Income (other than that required to determine a child's eligibility for participation in a program or for receiving financial assistance under such programs).

If your children are 18 or older, or emancipated minors, they will have the opportunity to give or withhold consent to participate in the survey, analysis, or evaluation.

Protection of Student Rights Under ESSA (Every Student Succeeds Act) - Title IX, Sec. 9532

A student who becomes a victim of a violent crime offense, while in or on the grounds of a public elementary or secondary school that the student attends is offered and allowed to attend a safe public elementary or secondary school within the local educational agency, including a public charter school.

Parent Notification, Visitors, Parking Stickers

PARENT NOTIFICATION (EF LEGAL)

A District shall directly notify the parent of a student, at least annually at the beginning of the school year, of the specific or approximate dates during the school year when activities, described below, are scheduled or expected to be scheduled. The following activities require notification under this section:

1. Activities involving the collection, disclosure, or use of personal information collected from students for the purpose of marketing or for selling that information.
2. The administration of any survey containing one or more items described at PROTECTED INFORMATION below:
 - o Political affiliations or beliefs of the student or the student's parents. Mental and psychological problems of the student or the student's family.
 - o Sex behavior and attitudes.
 - o Illegal, anti-social, self-incriminating, and demeaning behavior.
 - o Critical appraisals of other individuals with whom respondents have close family relationships.
 - o Legally recognized privileged or analogous relationships, such as those of lawyers, physicians, and ministers.
 - o Religious practices, affiliations, or beliefs of the student or student's parent.
 - o Income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program).
3. Any nonemergency, invasive physical examination or screening that is required as a condition of attendance, administered and scheduled by the school in advance, and not necessary to protect the immediate health and safety of the student or of other students.

On Campus Policy

No student will be allowed to leave the school campus during the school day. When students are delivered to the school on buses, they are to remain on the grounds for the entire day.

When students receive permission to leave the campus because of personal illness or like cause, they must report to the attendance office, where their parents will be notified and checkout.

Visitors

In order to protect the security of District students, staff, and the learning environment at schools, all visitors, including parents/guardians, shall conform to the following guidelines:

1. All visitors shall report to the campus administrative office and provide a government-issued form of identification that includes the person's photograph, name, and date of birth. This shall apply to parents, Board members, volunteers, social service workers, invited

speakers, maintenance and repair persons not employed by the District, vendors, representatives of the news media, former students, and any other visitors.

2. Visitors shall wear in a prominent place the visitor badge provided by the office.
3. Visits to individual classrooms during instructional time shall be permitted only with the principal's and teacher's prior approval. A parent can suggest a date and time for a visit, but a teacher shall have the prerogative to request another date because of possible interference with classroom activities. Such visits shall be permitted if:
 - a. Their duration or frequency does not interfere with the delivery of instruction or disrupts the normal school environment;
 - b. The visitor must abide to the same classroom rules as the students in the classroom;
 - c. Phones, cameras, recorders are turned off and out of sight; and
 - d. The requested visit cannot involve third parties (other than school officials, parents, or guardians) observing a classroom while occupied with students.
4. No visitor shall disseminate information to students and staff without prior approval from the Superintendent or designee as provided in GKDA (Local).
5. No visitor may solicit, proselytize or recruit for fundraising activities, religious groups, youth groups, or political causes.
6. Media representatives shall arrange visits to school campuses with the Assistant Superintendent of Communications.
7. Visitors are expected to wear appropriate attire while visiting District schools. Such attire should generally conform to the dress code outlined in the Student Handbook.
8. Any visitor who wishes to establish a regular presence in District schools and/or interact directly with students shall consent to a criminal background check.

Parking Stickers

High school students desiring to operate vehicles on campus must produce verification of a current Texas Driver's License, and liability insurance before they are issued a parking permit and allowed to operate a vehicle on campus or any district facility.

Vehicles on Campus

Vehicles parked on school property are under the jurisdiction of the school. **The school reserves the right to search any vehicle if reasonable suspicion exists to do so.** Students have full responsibility for the security of their vehicles and will make certain they are locked and that keys are not given to others. **Students will be held responsible for any prohibited objects or substances, such as alcohol, drugs, and weapons, that are found in their cars and will be subject to disciplinary action.** Searches of vehicles, as well as general searches of school property, may be conducted at any time if there is reasonable suspicion to do so, with or without the presence of the student. If the vehicle subject to search

Credit by Examination, Assessment for Acceleration, Credit Validation (With Prior Instruction)

is locked, the student shall be asked to unlock the vehicle. If the student refuses, the District shall contact the student's parent(s). If parent(s) also refuse to permit the vehicle to be searched, the District may contact local law enforcement officials and turn the matter over to them.

Students are also responsible for parking vehicles legally. If parked illegally, the vehicle is subject to being towed at the expense of the owner. The principal shall have the discretion to set eligibility for parking on campus.

Credit by Examination

Assessment for Acceleration/No Prior Instruction

Credit by examination provides for grade level acceleration in grades K - 8 and course credit in grade level nine or above for a student with no prior formal instruction in the grade level or course.

Credit by examination opportunities only apply to courses which are offered by Galena Park ISD.

Assessment for Acceleration

Kindergarten

Kindergarten students must meet the age requirement by being five (5) on or before September 1st. Kindergarten credit by examination applicants will be tested within the first 30 days of school to determine placement.

These students must meet requirements as mandated by campus committee for placement. Criteria for acceleration may include:

- Scores on readiness and/or achievement tests
- Kindergarten or preschool recommendation
- Chronological age and observable social and emotional development of the child

Grades 1 - 8

A student may be advanced one grade level if:

1. The student scores a minimum of 80% on a criterion referenced test for the grade level he or she wants to skip in each of the following areas; language arts, mathematics, science, and social studies.
2. A school District representative recommends that the student be accelerated; and
3. The student's parent or guardian gives written approval for the acceleration.

Grades 9 - 12

A student in grades 9 - 12 may receive credit for an academic subject in which he or she has no prior instruction if the student scores a minimum of 80% on a criterion referenced test for the applicable course. Credit for some secondary courses may be dependent on evidence of subject mastery in the form of: portfolio, student product, oral presentation, research paper, etc.

If such credit is given, the District shall enter the examination score on the student's transcript. This score, however, shall not be used to calculate class rank.

Retesting

Applicants shall be allowed only one retest opportunity over a particular grade or course.

Transportation

The District shall not provide transportation to test sites. The District shall not be responsible for transporting students who qualify for courses offered on different campuses.

Eligibility

A student must complete a credit by examination registration form indicating the grade level/subject area for testing. All forms must be signed by the student's parent or guardian.

Registration Deadlines & Testing Dates

Applications are available on all campuses.

All forms must be received in the student's campus office by:

- September 14th for October 20th testing
- December 14th for February 2nd testing
- April 19th for June testing
- June 3rd for July testing

A \$15 deposit (cash or money order) per exam is required at the time of registration. Deposits will be refunded after testing is completed. Registered students who do not take the exam(s) during the specified test period will forfeit their deposit. No makeup exams will be scheduled. Students or parents who have questions about these examinations should contact the principal or counselor.

Credit Validation (With Prior Instruction)

Students may use credit validation to demonstrate mastery in any subject in elementary grades or to earn credit in any academic course at the secondary level, with prior approval of the appropriate administrator. Examinations used to earn credit under this policy assess the student's mastery of the essential knowledge and skills.

Eligibility

- The student has had prior instruction in the subject or course, as determined by the GPISD on the basis of review of the student's educational record.
- Additionally, a student must have received a course grade of at least a 50 in order to use examination for credit validation to make up a failing grade.
- Students are not eligible for credit validation of subjects or courses they are currently taking.

Passing Score

- To receive credit, students shall receive a 70 or above on the examination.
- If such credit is given, the score shall be entered on the student's transcript. This score, however, shall not be used to calculate class rank.
- Some courses may require further evidence of subject mastery in the form of: portfolio, student product, research paper, etc.

Promotion Standards, Limited English Proficiency (LEP)

Procedures

- Students shall schedule for credit validation with their individual counselor.
- The middle school credit validation registration period is scheduled from April through June. The middle school credit validation exams must be administered prior to September 1st.
- The high school credit validation registration and testing period are throughout the academic year.
- Credit validation opportunities will not be offered for courses which are not offered by GPISD.
- Students are required to pay \$40 (cash or money order) for each exam requested.

Retesting

- A student shall be offered only one additional opportunity to take an examination for credit validation over a particular subject or course if a score of at least a 70% is not reached.

Promotion Standards

PK - 5th grade

Students may be promoted **ONLY** on the basis of academic achievement.

Students in grades 5 and 8 must also meet the State Student Success Initiative (SSI) requirements.

Galena Park ISD Policy EIE (Local) states:

In kindergarten, the standard for promotion is developed on 28 out of 37 assessed skills by the end of the fourth nine week period. ("Promoted" or "Placed" shall be indicated on a student's cumulative folder.)

In grade 1, promotion to the next grade level shall be based on an overall average of 70, in each subject, on a scale of 100 based upon course-level and grade-level standards (essential knowledge and skills) in reading and math. **Students who are not working on grade level do not meet promotion requirements.**

In grades 2 - 5, promotion to the next grade shall be based on an overall average of 70, in each subject, on a scale of 100 based upon course-level, grade-level standards (essential knowledge and skills) in reading and math plus a passing average or above in two out of the three following subjects: language arts, science, and/or social studies. **Students who are not working on grade level do not meet promotion requirements.**

Retention

No student shall be retained more than one time in grades PK - 5 and more than one time in grades 6 - 8. In exceptional cases, with approval of a committee consisting of at least the student's teacher(s) and two administrators (one of whom shall be assigned above the campus level), and the permission of the parent, a second retention within either grades 1 - 5 or grades 6 - 8 may be allowed.

Promotion Standards (EIE Local)

Grades 6 - 8

In grades 6 - 8, promotion to the next grade level shall be based on an overall average of 70 on a scale of 100 based on course level, grade-level standards (essential knowledge and skills) for all subject areas and a grade of 70 or above in English, reading, mathematics, science, and social studies.

Students in grades 6, 7 and 8 who fail to meet the above requirements shall attend summer school and successfully master the requirements prior to being promoted.

Academic High School Credit for Middle School Course Work

Students who successfully complete high school course work in middle school with a grade of "70" or better will receive credit toward high school graduation. High school courses taken at the middle school level will be graded according to high school guidelines. Each semester grade and the credit earned will be recorded on the transcript, but will not be included in the student's grade point average or class rank. Class-ranking grade points are not counted until 9th grade.

Grades 9 - 12

For course credit towards graduation mastery of at least 70 percent of the objectives on curriculum course work shall be required. Students will be classified by the following:

9th grade	1st year in high school
10th grade	2nd year in high school
11th grade	3rd year in high school
12th grade	4th or more years in high school

To be eligible for senior activities, 12th graders must have a minimum of 20 state approved credits at the beginning of their senior year.

10th grade students with less than 6 credits and failed a minimum of two core classes, will be placed at the Zotz Education Center for a minimum of one semester.

Limited English Proficiency (LEP)

The goal of bilingual education and ESL programs shall be to enable English learners (ELs) to become competent in listening, speaking, reading, and writing in the English language through the development of literacy and academic skills in the primary language and English. Such programs shall emphasize the mastery of English language skills, as well as mathematics, science, and social studies, as integral parts of the academic goals for all students to enable ELs to participate equitably in school. Such programs shall use instructional approaches designed to meet the specific language needs of ELs. The basic curriculum content of the programs shall be based on the Texas Essential Knowledge and Skills and the English language proficiency standards required by the state.

Progress Reports Grades 1 - 12, Grading System, Behavior Designations

- a. The district shall accommodate the instruction, pacing, and materials to ensure that English learners have a full opportunity to master the essential knowledge and skills of the required curriculum, which includes the Texas Essential Knowledge and Skills and English language proficiency standards (ELPS). Students participating in the bilingual education program may demonstrate their mastery of the essential knowledge and skills in either their primary language or in English for each content area.
- e. Second language acquisition methods, which may involve the use of the students' primary language, may be provided in any of the courses or electives required for promotion or graduation to assist the English learners to master the essential knowledge and skills for the required subject(s). The use of second language acquisition methods shall not impede the awarding of credit toward meeting promotion or graduation requirements.

After being given appropriate linguistic accommodations (e.g. bilingual dictionary, English dictionary, reading aloud, oral translation, clarification), accessible reading materials and using appropriate second language methods; if an EL refuses to make **reasonable effort**, the student may receive a failing grade.

Progress Reports - Grades 1 - 12

Progress reports will be issued to students in grades 1 - 12 at the first three/four weeks of a grading period to the parents of a student whose grade average in any class is lower than a 70 or whose grade average is deemed borderline. If a student receives a six/nine weeks grade average of less than a 70 in any class or subject, the parent will be requested to schedule a conference with the teacher of that class or subject.

Report Cards Grades 1 - 12

Report cards will be available for parents at Skyward Family Access at the close of each grading period. Report cards will indicate whether tutorials are recommended for students (in grades 1 - 12) who receive a grade below 70 in a class or subject. Conferences may be scheduled with teachers by calling the school office. A parent can request a copy of the report card at the campus.

Elementary campuses may require parents to attend a parent/teacher conference at least once a year to discuss their child's progress and pick up their child's report card.

Skyward Family Access

Galena Park ISD grants access for parents to be able to check grades, attendance, and discipline records through our Skyward Family Access.

Parents will receive a login and password that will allow them to view their child's current grades electronically through Skyward Family Access.

Tutorials

Each school will provide tutorial services. Students who are assigned tutorials by the campus will be required to attend. For schedule information, please contact the principal's office.

Any parent or student may request tutorials from the teacher.

Grading System - Elementary Schools

Pre-kindergarten and Kindergarten

Grades of 4, 3, 2, or 1 will be recorded on PK and Kindergarten report cards.

- 4 = Exceeds Standard** - Consistently meets and often exceeds grade level expectations; performance demonstrates mastery of concepts and skills.
- 3 = Meets Standard** - Meets grade level expectations; performance demonstrates an understanding of concepts and skills.
- 2 = Developing** - Progressing toward grade level expectations; performance varies regarding accuracy, quality, and level of support needed.
- 1 = Emerging** - Not meeting grade level expectations; performance is inconsistent even with guidance and support.

Grades 1 - 5

For grade 1, numerical grades shall be established for the subjects of language arts, reading and math. Grades for health, science, and social studies, art, music and physical education may use designations of "E, S, N, U". **There will be no Language Arts Composite.**

A = 90 - 100	D = 70 - 74
B = 80 - 89	F = 69 - Below
C = 75 - 79	

Grading System - Middle & High School

The following numerical values are assigned to each respectively:

A = 90 - 100	C = 75 - 79	F = 69 - Below
B = 80 - 89	D = 70 - 74	

Grades which are temporarily incomplete will be indicated by the mark "I".

Students enrolled in course for dual high school and college credit will be subject to the grading system used by the college system offering the course.

Behavior Designations

E (Excellent) - The student has an exemplary attitude, is always cooperative, and always observes school rules and regulations.

S (Satisfactory) - The student has a good attitude, is cooperative, and generally observes school rules and regulations.

N (Needs Improvement) - The student's attitude needs to improve. Infractions of school and classroom rules exist.

U (Unsatisfactory) - The student's attitude is poor and uncooperative. The student disrupts class and shows little respect for school and classroom rules and regulations.

Failure Criteria, Homework Guidelines

The weighing of the components that are combined to calculate the total grade for any grading cycle can have a variety of conditions.

Grading Formula - Elementary, Middle and High Schools

Elementary School Level

Two grades per subject per week

Daily – 60% or Daily – 50%
Major – 40% Homework – 10%
Major – 40%

- 3 major grades that may include, but not limited to, tests, benchmarks, projects, performances/demonstrations, reports or portfolios.
- Daily grades that may include, but not limited to, class work, class participation, teacher observation, quizzes, teacher checklist.

Middle School Level

Nine weeks = 4 major grades and 10 daily grades

The semester grade will be determined in the following way:
1st 9 weeks = 42%, 2nd 9 weeks = 43% and semester exam = 15%.

Grades will be placed in the following categories:

Regular Classes

Daily – 60%
Major – 40%
or
Daily – 50%
Homework – 10%
Major – 40%

Pre AP

Daily – 50%
Major – 50%
or
Daily – 40%
Homework – 10%
Major – 50%

- 4 major grades that may include, but not limited to, tests, benchmarks, projects, performances/demonstrations, presentations, reports or portfolios.
- 10 daily grades that may include, but not limited to, class work, class participation, teacher observation, quizzes, teacher checklist.

High School Level

Six weeks = 3 major grades and 8 daily grades

Grades will be placed in the following categories:

Regular Classes

Daily – 50%
Major – 50%
or
Daily – 40%
Homework – 10%
Major – 50%

Pre AP/Advanced

Daily – 40%
Major – 60%
or
Daily – 30%
Homework – 10%
Major – 60%

AP

Daily – 30%
Major – 70%
or
Daily – 20%
Homework – 10%
Major – 70%

The semester grade will be determined in the following way: 1st six weeks = 28%, 2nd six weeks = 28%, 3rd six weeks = 29%, and semester exam = 15%. If a student passes both semesters of a year long course, the student receives one credit. If a student passes the fall semester of a

year long course, the student receives ½ credit regardless of the spring semester grade. If a student fails the fall semester of a year long course but passes the spring semester, then the two semesters will be averaged together for a yearly average. If the average is passing, the student receives one full credit. Semester only courses will receive ½ credit if passed.

Failure Criteria

1. Parent/guardian must receive contact if students are receiving a failing grade on the progress report or report card.
2. Teachers must submit a contact log to their appraiser/principal at the end of the grading period with the failing students' names attached. Leaving a message on an answering machine is not considered contact with the parent/guardian.
3. A parent/guardian must be contacted anytime a student's grade drops from passing to failing during a grading period.
4. A conference must be scheduled with a parent/guardian of students who fail during the grading period. Documentation will be submitted to the appraiser/principal.
5. Every student must have the opportunity to RETEST after failing (69 or below) a major test. If a student is eligible to retest, he/she must attend at least one tutorial session before taking the test. The two tests will be averaged together for the test grade. Quizzes and 9 week exams and semester exams are not eligible for retesting.
6. Students may turn in work to eliminate zeros during the grading period. The deadline for submitting the make up work is one week before the end of the grading period. The district penalty for late work is -10 for one week, -20 for two weeks, and -30 for three or more weeks. The District's penalty for late work in Advanced Placement (AP) classes and Pre-AP classes shall be minus ten points per day late.

GPISD believes that a success rate of 90% is acceptable. Every avenue must be investigated to help students become successful.

Homework Guidelines

The following guidelines are suggestions to provide consistency and balance with homework. **Homework is a vital part of the learning process and the parent-child-school partnership.**

1. The purpose of homework should be:
 - A) to help students improve achievement
 - B) to nurture the development of good study habits
 - C) to familiarize parents with their student's work and give them a chance for involvement
2. Guidelines for assigning homework:
 - A) students should have prior instruction
 - B) homework should be promptly evaluated with feedback for students needs
 - C) student homework should be directly related to classroom instruction
 - D) teachers should consider the availability of

Grading System - Special Education, Special Programs, CTE, Dual Credit

resources before assigning homework

3. Class work is generally work that is started and finished at school. Homework may be started in the classroom and completed at home.
4. Teachers should strive to ensure that individual students understand the work before homework is assigned. Students have the responsibility of ensuring they have an appropriate understanding of the homework assignment.
5. Homework may count up to 10% of the grading period or may be counted as extra credit depending on the nature of the homework. Exceptions to the 10% weight may be made for work such as science and social studies projects.

Exemption Policy/High School Only

The exemption policy is the discretion of the principal. See EIAA (Local Policy).

Award Ceremonies for Elementary/Middle Schools

Award ceremonies are an individual decision approved by the Principal and the Site-Based Committee on each campus. Please contact your child's school regarding the award ceremonies for its campus.

Grading System - Special Education

The grading of special education students assigned to grades K-12 shall be consistent with local board regulations and procedures regarding the grading of regular students except when the Admission, Review, and Dismissal (ARD) Committee recommends a modification in grading. When this occurs, the Committee shall justify the need and define the specific modification to be made. Accommodations designated for state and local assessments shall be in accordance with student's Individualized Education Plan (IEP).

Homebound/Community Class for Students Pre-AP/Advanced/AP

Pre-AP/Advanced/AP students who are placed on (1) homebound by a physician for health reasons for four or more consecutive weeks or (2) are enrolled in the district's community class services following a pregnancy for up to six weeks will be allowed to maintain their educational status and receive Pre-AP/Advanced/AP credit as long as they are able to complete the required coursework.

Special Programs

Galena Park ISD provides a well-balanced curriculum in accordance with state law, state board rules, and local school District policies. Effective instruction is delivered by highly qualified teachers to all students. Instruction is provided in the essential elements of each subject in appropriate grade levels. Programs for special populations are an integral part of the total instructional program. In order to provide effective instruction, District special programs include:

1. Bilingual education and other special language programs
2. Gifted and Talented:
 - A) Journeys (K - 5th Grade)
 - B) Encounters (4th - 9th Grade)
 - C) Pre-Advanced Placement (6th - 10th Grade)
 - D) Advanced Placement (10th - 12th Grade)
 - E) Dual Credit Courses (High School)
3. Special Education
 - A) Language Arts/Math
 - B) Resource and Co-Teach
 - C) Life Skills
 - D) Preschool Program for Children with Disabilities for students ages 3 - 5
 - E) Positive Approach to Student Success
 - F) Speech
 - G) Occupational/physical therapy
 - H) Counseling
 - I) Homebound
 - J) Programs for students with autism
4. Dyslexia
5. Programs for at risk/504 students
 - A) Pregnancy, Education and Parenting Program (PEP)
 - B) Drop out prevention
 - C) Credit recovery
 - D) New Arrival Centers
 - E) Tutorials

Other programs designed to meet the needs of all students include:

1. Pre-AP/Advanced/AP classes at the high school level
2. Career and Technical Education
3. Pre-AP at the middle school level
4. Pre-kindergarten and kindergarten programs
5. Accelerated Learning classes
6. Two-Way Immersion Program (TWI)

Students and parents with questions about these programs should contact the principal or the counselor. The coordinator of each program can answer questions about eligibility requirements and programs and services offered in the District or by other organizations.

Career and Technical Education (CTE) Programs

The Galena Park Independent School District offers Career and Technical Education Programs in Agriculture, Food & Natural Resources; Architecture & Construction; Arts, A/V Technology & Communications; Business Management & Administration; Education & Training; Finance; Health Science; Hospitality & Tourism; Human Services; Information Technology; Law, Public Safety, Corrections & Security; Manufacturing; Marketing; Science, Technology, Engineering & Mathematics; and Transportation, Distribution & Logistics. Admission to these programs is based on interest, aptitude, age appropriateness and class space availability.

Dual Credit Program

GPISD has a Dual Credit Program partnership with San

Gifted and Talented, Honor Roll Criteria, Perfect Attendance, Honor Society

Jacinto College North Campus. Students who are deemed college-ready (4000+ on English II EOC or pass the TSIA) are able to take courses for college credit upon campus approval. Students have the opportunity to earn a minimum of 24 hours (8 college classes) of transferable credits. Courses cost \$50 each, if students are eligible for the dual credit scholarship program. Textbooks and transportation are provided. Students may take additional courses at their own expense.

Gifted and Talented

Definition

The District's program for gifted and talented students is provided for those who perform or show the potential for performing at a remarkably high level of accomplishment when compared to others for the same age, experience, or environment, and who excel in the areas of general intellectual ability and creative and productive thinking.

Description

At the elementary level, students at each grade, on each campus may participate in the District's Journeys program, which provides an enrichment curriculum. Beginning in the fourth grade, students are further assessed for eligibility to participate in the District's Encounters pullout program, which is maintained through grade 9. Students enrolled in fourth grade through the sixth grade Encounters program participate in an enrichment program one day a week on an assigned campus. Students in grades 7 through 9 who are enrolled in the Encounters program participate in a specially designed program for one period a day on their home campus. Students in grades 6 through 12 participate in the gifted and talented Pre-Advanced Placement and Advanced Placement Program through classes offered in specific academic areas. Students also participate in other options at the high school level appropriate to their educational endeavors (dual credit).

Identification

Data collected in the form of the objective and subjective criteria is utilized to determine student eligibility.

Identification criteria may include, but is not limited to, the following:

1. Achievement test scores (State test scores used are from previous year)
2. Ability test scores
3. Creativity test scores
4. Teacher nomination scores
5. Past records
6. Student work products, if available; and
7. Outstanding accomplishments in school, the community, or the like

Selection

The District selection committee includes a parent, a counselor, the Advanced Academics Coordinator, and District gifted and talented teachers. All principals serve as ad hoc committee members. Students who are being considered for the program are assigned a number for selection purposes in order to maintain anonymity. Parents or students may appeal any final decision of the selection or assessment committee

regarding selection or removal from the gifted program. Appeals shall be made to the Coordinator for Advanced Academics.

Participation

Student participation in the program is ongoing, and a yearly evaluation is not required; however, third grade students are further assessed for participation in the Encounters program. Additionally, a Journeys student who transfers to another campus in the District is reassessed to determine if he/she can be successful in that campus' program.

Transfers

Students who transfer into the District and who were enrolled in gifted and talented programs at their former schools are reassessed based on District standards. Participation in programs outside the District shall be given consideration during the placement process.

Honor Roll Criteria

All GPISD elementary schools will use the following criteria to determine eligibility for A Honor Roll and A & B Honor Roll.

A Honor Roll

All A's (no B's) in all graded subjects
E or S in Health, Art, P.E., and Music

A & B Honor Roll

Only A's or B's in all graded subjects
E or S in Health, Art, P.E., and Music

All GPISD middle schools will use the following criteria to determine eligibility for A Honor Roll and A & B Honor Roll.

A Honor Roll

All A's in all graded subjects (90+)

A & B Honor Roll

All A's or B's in all graded subjects (80+)

Perfect Attendance Awards

All GPISD elementary schools will use the same criteria to determine student eligibility for perfect attendance awards. In order for a student to receive a Perfect Attendance Award, the student must have **no absences or tardies** for the entire school year.

Honor Society

Middle School Selection and Dismissal of Members

- To be eligible for membership, the candidate must be in middle school. Candidates must have been in attendance at his/her campus the equivalent of one semester. Some candidates may be ineligible for induction because of the semester ruling. Many students, including students of military parents, are required to move with parents or guardians who have transferred in their work. The present school principal should seek a recommendation from the previous school principal pursuant to the candidate's selection. Based on the recommendation of the previous principal, the Faculty Council may waive the semester regulation.

Honor Society, Aiding Students Who Have Learning Difficulties or Who Need Special Education or Section 504 Services

- Candidates must have a cumulative scholastic average of at least 91 percent or 3.6 (on a 4.0 scale.) in all core classes. Five points will be added to the final grade received in each of the Pre-AP classes (including Algebra). Candidates shall then be evaluated on the basis of service, leadership, citizenship, and character (an additional consideration for membership may require the completion of a Student Activity Information Form).
- To be considered for membership, the candidate must not have been assigned to In School Suspension, Suspension, and/or Alternative Educational Placement in their previous year.
- The selection of each member to the chapter shall be by a majority vote of the Faculty Council.
- Members who fall below the standards which were the basis for their selection shall be promptly warned in writing by the chapter adviser and given a reasonable amount of time to correct the deficiency, except that in the case of a flagrant violation of school rules or civil laws leading to in-school suspension, suspension, or alternative education placement a member does not necessarily have to be warned before being dismissed. The Faculty Council shall determine when an individual has exceeded a reasonable number of warnings.
- In all cases of impending dismissal, a member shall have the right to a hearing before the Faculty Council. For purposes of dismissal, a majority vote of the Faculty Council is required. A member who has been dismissed may appeal the decision of the Faculty Council under the same rules for disciplinary appeals in the school district.

High School Selection and Dismissal of Members

- Candidates shall have spent at least one semester in Galena Park Independent School District and shall be a member of the Sophomore, Junior, or Senior class. Candidates eligible for election to the chapter shall have a grade point average of not less than 3.35 on a weighted 4.0 scale. This scholarship level shall be this chapter's required scholastic achievement for admission to candidacy for membership in this chapter. All pupils who can rise in scholarship to or above such standard level shall be admitted to candidacy for election to membership.
- Candidates' eligibility shall then be considered on their service, leadership, and character. To evaluate these qualities, the candidates must complete the recommended application for membership found in the National Honor Society Handbook, Appendix 4. To obtain membership, candidates must accumulate on their application a total of seven (7) service points in the categories of service, leadership, and character.
- To be considered for membership, the candidate must not have been assigned to in-school suspension, suspension, and/or alternative educational placement in their previous year.
- The election of members to this chapter of the National Honor Society shall be by a chapter faculty council.
- Members who fall below the standards which were the basis for their selection shall be promptly warned in writing by the chapter adviser and given a reasonable

amount of time to correct the deficiency, except that in the case of a flagrant violation of school rules or civil laws leading to in-school suspension, suspension, or alternative education placement a member does not necessarily have to be warned before being dismissed. The Faculty Council shall determine when an individual has exceeded a reasonable number of warnings.

- In all cases of impending dismissal, a member shall have the right to a hearing before the Faculty Council. For purposes of dismissal, a majority vote of the Faculty Council is required. A member who has been dismissed may appeal the decision of the Faculty Council under the same rules for disciplinary appeals in the school district.

Aiding Students Who Have Learning Difficulties or Who Need Special Education or Section 504 Services

For those students who are having difficulty in the regular classroom, all school districts must consider tutorial, compensatory, and other academic or behavior support services that are available to all students, including a process based on Response to Intervention (RtI). The implementation of RtI has the potential to have a positive impact on the ability of districts and charter schools to meet the needs of all struggling students.

If a student is experiencing learning difficulties, his or her parent may contact the individual(s) listed below to learn about the school's overall general education referral or screening system for support services. This system links students to a variety of support options, including making a referral for a special education evaluation or for a Section 504 evaluation to determine if the student needs specific aids, accommodations, or services. A parent may request an evaluation for special education or Section 504 services at any time.

Special Education Referrals:

If a parent makes a written request for an initial evaluation for special education services to the director of special education services or an administrative employee of the school district, the district must respond no later than 15 school days after receiving the request. At that time, the district must give the parent a prior written notice of whether it agrees to or refuses to evaluate the student, along with a copy of the Notice of Procedural Safeguards. If the school district school agrees to evaluate the student, it must also give the parent the opportunity to give written consent for the evaluation.

Please note that a request for a special education evaluation may be made verbally and does not need to be in writing. Districts must still comply with all federal prior written notice and procedural safeguard requirements and the requirements for identifying, locating, and evaluating children who are suspected of being a child with a disability and in need of special education. However, a verbal request does not require the district to respond within the 15-school-day timeline.

If the district decides to evaluate the student, it must complete the student's initial evaluation and evaluation report no

Non Discrimination, STAAR 3-8, STAAR EOC, and TELPAS, Testing Calendar

later than 45 school days from the day it receives a parent's written consent to evaluate the student. However, if the student is absent from school during the evaluation period for three or more school days, the evaluation period will be extended by the number of school days equal to the number of school days that the student is absent.

There is an exception to the 45-school-day timeline. If a district receives a parent's consent for the initial evaluation at least 35 but less than 45 school days before the last instructional day of the school year, it must complete the written report and provide a copy of the report to the parent by June 30 of that year. However, if the student is absent from school for three or more days during the evaluation period, the June 30th due date no longer applies. Instead, the general timeline of 45 school days plus extensions for absences of three or more days will apply.

Upon completing the evaluation, the district must give the parent a copy of the evaluation report at no cost.

Additional information regarding special education is available from the district in a companion document titled Parent's Guide to the Admission, Review, and Dismissal Process.

Section 504

A child determined to have a physical or mental impairment that substantially limits a major life activity, as defined by law, and who does not otherwise qualify for special education services, may qualify for protections under Section 504 of the Rehabilitation Act. Section 504 is a federal law designed to prohibit discrimination against individuals with disabilities. When an evaluation is requested, a committee will be formed to determine if the child is in need of services and supports under Section 504 to receive a Free and Appropriate Public Education (FAPE), as this is defined in federal law.

Section 504 Referrals:

Each school district must have standards and procedures in place for the evaluation and placement of students in the district's Section 504 program. Districts must also implement a system of procedural safeguards that includes notice, an opportunity for a parent or guardian to examine relevant records, an impartial hearing with an opportunity for participation by the parent or guardian and representation by counsel, and a review procedure.

Non Discrimination

In its efforts to promote nondiscrimination and as required by law, Galena Park ISD does not discriminate on the basis of race, religion, color, national origin, gender, sex, disability, age, or any other basis prohibited by law, in providing education services, activities, and programs, including CTE programs, and provides equal access to the Boy Scouts and other designated youth groups. The following district representatives have been designated to coordinate compliance with these legal requirements:

- Title IX Coordinator, for concerns regarding discrimination on the basis of sex, including sexual harassment or gender-based harassment:
Jerid Link, Executive Director for Human Resource Services - Compliance and Hearing,
14705 Woodforest Blvd. Houston, TX 77015, 832-386-1000
- ADA/Section 504 Coordinator, for concerns regarding discrimination on the basis of disability:

14705 Woodforest Blvd. Houston, TX 77015, 832-386-1000

STAAR 3-8, STAAR EOC, and TELPAS 2018 - 2019

The State of Texas Assessments of Academic Readiness (STAAR) program, which was implemented in spring 2012, includes annual assessments for:

- reading and mathematics, grades 3–8
- writing at grades 4 and 7
- science at grades 5 and 8
- social studies at grade 8
- end-of-course (EOC) assessments for English I, English II, Algebra I, Biology and U.S History.

Beginning in spring 2016, STAAR English III and Algebra II became available for districts to administer as optional assessments.

TELPAS assesses the English language proficiency of K–12 English Language Learners (ELLs) in four language domains—listening, speaking, reading, and writing. English language proficiency assessments in grades K–12 are federally required to evaluate the progress that ELLs make in becoming proficient in the use of academic English. The assessment components for grades K–1 and 2–12 differ in the following ways:

Grades K–1: TELPAS includes holistically rated listening, speaking, reading, and writing assessments based on ongoing classroom observations and student interactions.
Grades 2–12: TELPAS includes multiple-choice reading tests, holistically rated student writing collections, and holistically rated listening and speaking assessments. The listening and speaking assessments are based on ongoing classroom observations and student interactions.

Students with Disabilities

1. A student with disabilities may graduate after satisfactorily completing the minimum academic credit requirements for graduation applicable to non-disabled students, including satisfactory performance on the STAAR EOC.
2. A student with disabilities may graduate upon the determination by the ARD committee that the student has completed one of the following:
 - A) Full time employment, based on the student's abilities and local employment opportunities, in addition to sufficient self help skills to enable the student to maintain the employment without direct and ongoing educational support of the District; or
 - B) Demonstrates mastery of specific employability skills and self help skills which do not require direct ongoing educational support of the local school District; or
 - C) Access to services which are not within legal responsibility of public education, or employment or educational options for which the student has been prepared by his/her academic program.
3. A student may graduate upon the determination by the ARD committee that the student no longer meets the age requirements and completion of requirements specified in the IEP.

Dead Week Policy

The week of final examinations and state testing for secondary schools shall be designated DEAD WEEK. There will not be **ANY** night activities scheduled by school organizations during this week. The regular scheduled UIL activities for this week will be followed. The nights will be free for students to use for exam preparation.

Exceptions to the No-Pass, No Play Rule, Class Rank, Eligibility, Early Graduation

Grade/Course Transfers

When a student transfers from another District, grade points will only be given for those classes in which the student received credit. Any letter grade(s) will be equated to the middle of the grade point scale for that class. If a student has taken honors level courses other than those offered by the Galena Park ISD, these courses will be treated as regular grade level courses in determining class rank.

Transfers from other Districts that are on a different schedule do pose a dilemma. The following procedures will be followed:

Any student who transfers into our District from the **fifth to tenth** week of classes will have three choices concerning the credit request(s).

1. Have the second six weeks grade averaged **twice** plus the third six weeks grade and final exam to equal the semester average
2. Pass the credit validation from University of Texas/ Texas Tech (approximately \$40) at the end of the semester to receive credit.
3. Take the course and **not receive any credit** for the semester.

Exceptions to the No-Pass, No Play Rule

Students who fail a course at the high school level for a six/ nine weeks marking period are ineligible to participate in competitive school activities with one exception. If a student fails a class or classes that are listed on the schedule as Dual Credit, Pre-AP or AP, the school principal has the discretion of providing a onetime waiver for eligibility purposes. The waiver applies to each Dual Credit, Pre-AP or AP class taken in a school year and may apply to each class only once during a school year.

Ranking for Graduation

Seniors shall be ranked for graduation at the end of the fifth six weeks of the senior year according to Grade Point Average (GPA). An estimated class rank will be given to seniors at the end of the first semester. Weighted factors will be designated for each semester grade earned with the exception of the following: summer school, evening/night school, high school courses taken prior to grade 9, correspondence work, credit by examination, A.C.E., (alternative high school program), office aides/laboratory managers, virtual courses, accelerated courses, including dual credit mini-sessions, home school, credit from foreign countries, and courses with pass/fail status. For more information see EIC Local.

Virtual Course Exception: Dual Credit and Advanced Placement virtual courses will be awarded weighted factors with the following conditions:

- course is not offered on campus or course is offered during a period not available to a student
- course is listed on student's schedule
- student **must** report to library and work on course
- **Seniors must complete all virtual course work by April 15th to be awarded weighted GPA to be used in calculating final rank**

Class Rank

All courses that count in a student's GPA must be on the student's schedule. A student is limited to eight classes per semester that will earn GPA points. Actual numerical rank will be available only to the top 50% ranked students. Bottom 50% will only be given their standing by quartile. Valedictorian and Salutatorian will be named at a designated school function. In the case of a tie for Valedictorian, there will be a Co-Valedictorian and no Salutatorian. Academic foundation scores (English, Math, Social Studies, and Science) will determine the highest ranking student for scholarship purposes only. The top 5% will be designated "Magna Cum Laude" and the second 5% will graduate "Cum Laude". These students will be seated alphabetically by designations at graduation. They will be seated after the Valedictorian and Salutatorian.

Eligibility

In order to be ranked, a student must have earned at least 20 credits by the beginning of their senior year. Weighted factors shall be designated for each semester grade earned with some exceptions as those listed previously under "Ranking for Graduation." Advanced Placement and Dual Credit virtual courses that meet the criteria shall be weighted and shall be included in a student's grade point average. All courses that are calculated in a student's GPA must be on the student's schedule. A student is limited to eight classes per semester (4.0 credits) that will earn GPA points. Some courses may earn a full credit although taken in one semester. When a student takes such a course, 0.5 credit will be weighted and calculated in the GPA and the other 0.5 credit will be reflected on the transcript but will not be calculated in the GPA.

Estimated class rank shall be computed for all students applying for college admission at the end of the eleventh grade and end of the first semester of the senior year.

A final calculation of GPA and class rank is determined at the end of the fifth six-weeks grading period of the senior year and shall be reflected on the final transcript which is sent to colleges.

Early Graduation

Juniors who petition by June 1 of their sophomore year for early graduation and who complete all requirements, including state assessments, by the last instructional day of their junior year shall be unofficially ranked with the senior class. In order to be eligible to graduate "Magna Cum Laude" or "Cum Laude", a student must be enrolled in the high school from which he/she is graduating prior to the end of the first six-week period of his/her senior year and continuing until the end of the second semester of his/her senior year. Early graduates will be given an unofficial ranking if they qualify according to their GPA. In order to qualify for valedictorian/salutatorian, a student must be enrolled in the high school from which he/she is graduating prior to the end of the first six-week grading period of his/her junior year. The student who ranks number one may not necessarily be the valedictorian. An early graduate may not be considered for valedictorian/salutatorian. Students who are enrolled in an off-campus program for gifted learners shall not be ranked, but may participate in commencement as regular students. These students may not participate in junior/senior activities.

Graduation Ceremony Participation, Academic and Personal Counseling, Student Organizations

Graduation Ceremony Participation

The commencement programs (graduation ceremonies) for the District shall be conducted according to the following guidelines:

1. Students shall be grouped, recognized, and permitted to participate in the following categories:
 - a) Students who have satisfied all requirements for graduation with honors.
 - b) All other graduates.
2. Students who do not meet the above requirements may, by attending summer school, evening or night school, participate in a summer graduation ceremony in September. The ceremony will include graduates of all Galena Park ISD high schools.
3. A meeting with students shall be held to ensure understanding of the requirements for graduation and participation in the commencement program.
4. Students must participate in the commencement practice in order to be eligible for the graduation ceremony. Exceptions to these guidelines are at the discretion of the campus principal.
5. Graduating seniors who completed the school year at a DAEP will not be allowed to participate at the graduation ceremony.
6. The privilege to participate in the graduation ceremony is reserved for students who have 90% or higher attendance during the second semester.
7. Inspection shall be conducted before processional to ensure student compliance with the prescribed commencement attire.

Please note that participation in GPISD graduation ceremonies is a privilege granted to students who meet the necessary requirements. Students who fail to meet the requirements or those who commit a disciplinary infraction **at any time prior to the ceremony may be excluded from walking** at the discretion of the campus principal or a District administrator.

Academic Counseling

Students and parents are encouraged to talk with their school guidance counselors, teachers, and principals to learn more about course offerings and graduation requirements, and early graduation procedures. Each spring students in grades 5 through 11 will be provided information on anticipated course offers for the next school year and other information that will help make the most of academic and vocational opportunities. To plan for the future, each student should work closely with the guidance counselor in order to enroll in the high school courses that best prepare them for attendance at a college, university, training school or for pursuit of some other type of advanced education. The guidance counselor can also provide information about entrance exams and application deadlines as well as information about automatic admission to state colleges and universities, financial aid, housing and scholarships.

Personal Counseling

School guidance counselors are available to help students

and parents with a wide range of personal concerns, including such areas as social, family, emotional or substance abuse. Counselors are familiar with community resources and may direct students and parents to other sources of assistance. A student or parent who wishes to meet with their guidance counselor should inform the guidance counselor so that a time can be arranged that best meets the needs of the student.

College and Career Counseling

School guidance counselors understand the value and importance of preparing students for life beyond their high school years and diligently work to provide students and parents with programs and activities designed to encourage students to begin thinking about their future. Counselors at the elementary level utilize character education and college and career days to expose students to a variety of college and career opportunities. In middle school, guidance counselors begin working with students on developing six-year plans that will be used as a guide to help students prepare for their future career and educational goals. In high school, guidance counselors meet individually with students each year to discuss the students' selected graduation plan, career goals and to encourage their participation in career exploration activities throughout high school to help them identify potential career options and related educational requirements.

Student Organizations

Student clubs and performing groups such as the band, choir, drill and athletic teams may establish rules of conduct and consequences for misbehavior that are more strict than those for students in general. If a violation of school rules occurs, the consequences specified by the school shall apply in addition to any consequences specified by the organization.

Each student member of a group imposing stricter standards shall be notified of the standards of behavior and the specific consequences of violating the standards. A faculty member must sponsor the organization and the principal must approve the organization. The individual school may furnish a list of available clubs and organizations.

Clubs within the school District shall be open to all students who qualify under the rules of the school to fill the special aims of the organizations. **Students are not allowed to participate in illegal organizations such as a fraternity, sorority, secret society, gangs or cults.** A student fraternity, sorority, or secret society, gang or cult is an organization composed wholly or in part of members of the student body of the school which seeks to perpetuate itself by taking in additional members from the student body on the decision of its members, rather than upon the free choice of any student who is qualified by the rules of the school to fulfill the special aims of the organization. It violates the standards of the conduct of the District to be or remain a member of, to join or promise to join, to become pledged, to become a member of such fraternity, sorority, secret society, gang or cult. **It is a violation of the standards of conduct of the District to wear any dress or attire signifying membership in a fraternity, sorority, gang or cult.**

Interscholastic League Activities, Extracurricular Activities

Fundraising Activities

Fundraising activities by student groups and/or for school sponsored projects shall be allowed, "with prior administrative approval and under the supervision of the project sponsor" for students in all grades. Elementary and Middle school student organizations are allowed to have two fund-raising activities a year. High School student organizations are allowed to have only one fundraising activity a year. Students who do not wish to participate in fund-raising activities shall not be penalized. All fundraising activities involving the sale of ready-to-eat food must fully comply with the guidelines of the Texas Public School Nutrition Policy as set forth in the Texas Administrative Code and the GPISD Wellness Plan.

Interscholastic League Activities (UIL)

If a student participates in two or more school activities, and the activities are scheduled for the same time, University Interscholastic League contests have priority over other events and performances and have priority over practices/rehearsals. If both events are University Interscholastic League Contests, the student must make a choice.

All students who participate in Interscholastic League activities or competitions must have a birth certificate filed in the registrar's office. Major college athletic scholarships require enrollment in a regular high school program. For more complete information on college bound student athletes, please see your guidance counselor.

Extracurricular Activities

A student who participates in an extracurricular activity, shall be suspended from participation in such activity if the student receives a grade lower than a 70 in any course, during any marking period. Middle school and high school students failing a Pre-AP or AP course may request a waiver from the building principal once each school year for each Pre-AP or AP course.

"Grade evaluation period" means:

1. The six/nine weeks grade reporting period.
2. The first six/nine weeks of a semester and each grade reporting period thereafter, in the case of a District with a grade reporting period longer than six weeks.

The suspension continues for a three week period. The suspension is removed if the student is passing all courses at the three week grade check following the three week suspension period or at the next grading period if the student is passing all courses.

A student suspended under this section may practice or rehearse with other students for an extracurricular activity but may not participate in a competition or other extracurricular components, including traveling with the group or wearing the uniform at the extracurricular activity.

Students who are absent from school on a given day will not be allowed to represent the school in any capacity that afternoon or night, unless the absence is considered justifiable. This also applies to participating on Saturday when absent on Friday.

Participation in extracurricular activities is a privilege. Students have no constitutional right to participate in extracurricular activities.

Parents are entitled to review the district's records regarding the age of each football helmet used by the campus, including when a helmet has been reconditioned.

Standards for District Extracurricular Activities

Students involved in extracurricular activities are expected to exhibit the highest standard of conduct. Galena Park Independent School District views participation in extracurricular activities as a **privilege, not a right**. Any student who violates the Student Code of Conduct is also subject to District standards for extracurricular activities discipline and/or regular school disciplinary action. This includes any misconduct, regardless of time or location, that would reflect negatively upon GPISD in an extracurricular activity. Students who violate the Student Code of Conduct which results in DAEP assignment may result in probation and temporary removal from extracurricular activities.

Disciplinary measures taken may include special assignments, additional services, or extended time as determined by the sponsor or principal.

Probation and/or dismissal from extracurricular activities will be the consequence for infractions involving alcohol, smoking, drugs, use of profanity, violence, and other serious offenses when the sponsor/principal believes the integrity and credibility of the organization has been jeopardized by the student's action. Probation may be assigned when the student fails to comply with rules and regulations of the extracurricular activity. (Probation is defined as a trial period during which a student is permitted to prove the desire to be a productive member of the organization).

A student may be dismissed from extracurricular activities upon any major infraction or during a probation period. Prior to being dismissed from extracurricular activities, the student and parent will be notified of the reasons for the action. The student or his/her parent(s)/legal guardian will be afforded the opportunity of a hearing with the sponsor and the principal. The complaint process will be explained at that time. The student will not be eligible for any individual or team recognitions or awards that occur after the date of dismissal.

All students who participate in extracurricular activities, under the provisions of the Texas Education Code, must maintain a passing grade in all courses. The probation time for academic ineligibility is currently three weeks and is established under the Texas Education Code.

Extracurricular Activities Complaint Procedures

The sponsor/coach will have a conference with the student and parent(s). Consequences may result in suspension of activity, dismissal from activity, or other appropriate action such as extra duty or community service. (Community service with approval of principal).

Consent Required for Certain Activities, Fire, Tornado, and Other Emergency Drills, Emergency Closing Information

The principal will hold a conference with the student and parent(s) (excluding athletics). Serious infractions could result in dismissal from extracurricular activities.

The Campus Athletic Coordinator or Athletic Director will hold a conference with a student in the athletic program and their parent(s). Serious infractions could result in dismissal from athletics activities.

If the parent/student wishes to appeal, a request must be made in writing by the parent for a Level II conference using the Level II grievance/complaint form. The request must be made to the Superintendent's designee within ten days after the grievance with the principal.

The Superintendent's designee will schedule a Level II hearing and notification will be given to the parent(s)/ legal guardian.

The parent(s)/legal guardian may appeal the decision rendered by the Superintendent's designee to the Board of Trustees, as stated in policy FNG (Local).

Consent Required for Certain Activities

1. An employee of a school district must obtain written consent of a child's parent(s)/legal guardian before the employee may:
 - A) Conduct a psychological examination, test, or treatment as required under Section 38.004 (referring to or relating to child abuse reporting); or
 - B) Make or authorize the making of videotape of a child or record or authorize the recording of a child's voice.
2. An employee of a school district is not required to obtain the consent of a child's parent(s)/ legal guardian before the employee may make a videotape of a child or authorize the recording of a child's voice if the videotape or voice recording is to be used only for:
 - A) Purposes of safety, including the maintenance of order and discipline in common areas of the campus or on the school buses;
 - B) A purpose related to an extracurricular activity; or
 - C) a purpose related to regular classroom instruction.

Deliveries to School

Deliveries of flowers, balloons, gifts, food and other items not necessary for the student's class work will not be permitted.

Fire, Tornado, and Other Emergency Drills

Students, teachers, and other District employees shall participate in frequent emergency drill procedures. When the alarm is sounded, students must follow the directions of teachers or emergency personnel quickly and in an orderly manner.

Emergency Closing Information

Bicycle/Skateboard/Skates Safety

Bicycles may be ridden to school. Children who ride bicycles must obey bicycle safety rules. **Bicycles must be walked on and off the school grounds.** Bicycle serial numbers should be recorded in a safe place at home. **The school District is not responsible for loss or damage to bicycles.** Bicycles must be parked correctly and left only in specified parking areas. Each student must provide his/her own chain and lock for the bicycle. **Students are NOT to bring skates or skateboards to school.**

Book Bags

ONLY clear or mesh book bags will be allowed on campuses. This does not include district-issued bags.

Insurance

Student accident insurance is available to parents who wish to purchase a policy. There are two options available. Option One is a 24 hour protection policy. Option Two is an at school protection policy. Contact the school office for more information.

Lost and Overdue Books

Students are expected to clear their record of fines before the beginning of the school year. Students who withdraw from school should clear their record prior to withdrawal in order to have records released.

All books sold to students, parent(s)/legal guardian, and all books lost or not accounted for by students, shall be paid for on the basis of the net contract price. **Refunds for recovered books will not be made after June 15.** Please help your child understand his/her responsibility for textbooks. Fines for loss or damage can be a burden for the family.

Cafeteria Services All Grade Levels

The district participates in the School Breakfast Program (SBP) and National School Lunch Program (NSLP) and offers students nutritionally balanced meals daily in accordance with standards set forth in state and federal law.

Free meals are available based on the Community Eligibility Provision under the NSLP to all students enrolled in participating GPISD schools. Families with students enrolled at

Cafeteria Services All Grade Levels, School Buses/District Vehicles

participating schools do not need to apply to receive free breakfast and lunch for their students. Information about a student's participation is confidential; however, disclosure of a student's eligibility may be made without prior notice or consent to programs, activities, and individuals that are specifically authorized access under the National School Lunch Act (NSLA), which is the law that sets forth the disclosure limits for the district's child nutrition programs. A student's name, eligibility status, and other information may be disclosed to certain agencies as authorized under the NSLA to facilitate the enrollment of eligible children in Medicaid or the state children's health insurance program (CHIP) unless the student's parent notifies the district that a student's information should not be disclosed. A parent's decision will not affect the child's eligibility for free and reduced price meals.

Waiver Fees

Upon receipt of the District of reliable proof that a student and his or her parent(s)/legal guardian are unable to pay a fee deposit required by the school, his or her parent(s)/legal guardian must present evidence of their inability to pay. The campus principal shall determine eligibility for a fee waiver.

Publications

All student publications and other written material intended for distribution to students shall be submitted to the principal for review and approval [See policy FMA & FMA (LOCAL)].

Student Computer Users

All copyright laws and federal and state laws regarding electronic data transfer or communications will be strictly enforced. This means, but is not limited to, making copies of copyrighted software, logging on to bulletin boards, invading networks or computer systems or files to alter information therein (viruses or changing data) bringing pirated software into the labs or offices, or making threats or other terroristic statements.

Any student found violating these laws or rules will be removed from class and will be referred for disciplinary actions, and legal prosecution if applicable.

The equipment is the property of the Galena Park Independent School District. Each student will be held financially responsible for any damage to the equipment caused by that student. Parent/legal guardian and student must read the Student Agreement for Acceptable Use of the Electronic Communications System on page 46 which is included in this Student Handbook. Parents and students must also sign and return the Student Acceptable Use Policy (AUP), which is located in the signature packet sent out at the beginning of the school year.

School Buses/District Vehicles

The Galena Park Independent District is committed to the safety of all children who ride in our district vehicles. As a result of that concern for children's safety, please know that **any student behavior that compromises the safe operation of a GPISD vehicles will be addressed immediately and severely according to the Student Code of Conduct and state law.** The District has the same expectations for

student behavior on a district vehicle or bus stop that it does on the school campus.

An authorized adult must receive all pre-kindergarten and kindergarten students at the bus stop. If someone other than the parent(s)/legal guardian will be receiving the child, that individual must be identified to the school and the transportation department, in writing, by the parent(s)/legal guardian.

If an authorized adult is not at the bus stop to receive the pre-kindergarten or kindergarten student, **the student will be returned to the home campus.** Parent(s)/legal guardians are to contact the school principal to establish who will meet their pre-kindergarten or kindergarten student at the bus stop.

Any student who fails to comply with the Student Code of Conduct, or established rules of conduct, while on school district transportation, **may be denied transportation services and shall be subject to disciplinary action. District transportation is a privilege.** Students being transported in school district-owned vehicles shall comply with the Student Code of Conduct. The following rules shall apply to student conduct on school transportation:

1. Students are required to be present at the assigned bus stop five (5) minutes prior to the scheduled pick up time.
2. Students are to board their district vehicle at the campus in a timely manner. If they are not on the district vehicle when it departs the campus, they are not to chase the district vehicle and try to stop it. This action could result in serious injury to the student.
3. Students shall follow the driver's directions **at all times.**
4. Students shall board and leave the district vehicle in an orderly manner at the designated bus stop nearest their home.
5. Students shall not stand when on the district vehicle.
6. Students shall keep books, band instrument cases, feet and other objects out of the aisle of the bus. Band instruments need to be kept in their case while on the district vehicle.
7. Students will not be allowed to carry on unauthorized item. (i.e. skateboards, scooters, glass items, etc.) Students need to check with campus administration on what may be classified as an "unauthorized items", before attempting to board a district vehicle.
8. Students shall not deface a district vehicle and/or its equipment.
9. Students shall not extend head, hand, arms, legs out of the window, nor hold any objects out of the window or throw objects within or out of a district vehicle.
10. Students shall not smoke or use any form of tobacco, alcohol, drugs, or possess any weapons on a district vehicle.
11. Usual classroom conduct shall be observed. Unruly conduct, including the use of obscene language, will subject the student to disciplinary action or loss of privilege to ride a district vehicle.
12. Upon leaving a district vehicle, the student shall not cross immediately in front unless directed by the driver.
13. Students are not to cross behind a district vehicle nor

School Buses/District Vehicles, Undeliverable and Unattended Children, Detention, Telecommunication Devices

loiter around the sides at any time.

14. Students shall adhere to the school dress code while on a district vehicle.

Parent(s)/legal guardian, Please Note:

Parent(s)/legal guardian may be held financially responsible for property damage/vandalism caused by their child.

The following procedures shall be followed when a discipline concern arises on school transportation serving a regular route or an extracurricular activity:

1. The driver shall attempt to correct the misbehavior of the passenger.
2. If the driver is unable to resolve the problem, the principal shall be notified immediately, or if the incident occurs in the afternoon, not later than the morning of the next school day.
3. The principal shall investigate the incident and notify the driver of the action taken.
4. A conference involving the principal, the student passenger, the bus driver, and the parent(s)/ legal guardian may be required.
5. The principal may suspend the student's riding privileges. If such suspension occurs, the parents shall be notified prior to the time the suspension takes effect.
6. In case of serious misconduct that endangers the safety of other passengers or the driver, the driver shall stop the vehicle in a safe location and notify the dispatcher. If the misconduct continues the dispatcher will request assistance from a law enforcement officer. The principal and parent(s)/legal guardian shall be notified of the situation as soon as possible. The student shall not be provided service again until a conference between the parent and campus administrator has been held. Permission to ride a district vehicle is granted or denied by the campus administration.

Parent(s)/legal guardian, Please Note: Disciplinary action resulting from student misbehavior will be taken by the campus administration.

Please contact the school principal regarding such matters.

Disciplinary sanctions and changes in transportation for a student with disabilities shall be made in accordance with the provision of the Student's Individual Education Plan (IEP).

Undeliverable Children

Pre K, Kinder and Special Needs students utilizing GPISD transportation must be received by a parent/legal guardian or parent designee in case of emergency. If a student cannot be delivered to his/her parent/legal guardian, the child may be returned to the home campus. If a student needs to be returned to campus frequently, it may result in loss of transportation services and privileges.

Unattended Children

Children left unattended by a parent or guardian for one or more hours at the campus, will be delivered to Children's

Protective Services if no parent contact is made.

Agency Name: Children's Protective Services
Address: 2525 Murworth, Houston, TX 77054
Telephone #: 713-394-4000

Detention

Students may be detained outside of school hours on one or more days if a student violates the school's rules or conduct. The detention may begin the day after assignment; parent(s)/ legal guardian shall be notified by either the school or the student. Transportation arrangements should be made by the parent(s)/legal guardian on the day of the detention.

Parent(s)/legal guardian, Please Note: School buses that are assigned to activity routes (detention, tutorials, extended day programs) are provided as a convenience to students and are not required by state law. These buses will be assigned to service areas and will not duplicate the regular route in drop off locations.

Chaperones Requirement for Field Trips

There must be at least one school district employee as a sponsor on a school bus to accompany students on a field trip/extracurricular activity. A parent or guardian designated to be a sponsor is allowed to ride in a school bus with the students in the event there is more than one (1) school bus required for the field trip.

Telecommunication Devices

The District allows students to possess cell phones while on school property or while attending school-sponsored or school related activities on or off school property. Cell phones must remain **turned off, out of sight, and not used** during the instructional day, unless permitted by the teacher for instructional purposes. Cell phones are permitted on school transportation as long as they are used in a respectful manner. If the use of a cell phone becomes a distraction to the driver or the transportation of students, school disciplinary action may be taken.

During designated cafeteria times, secondary students may listen to music with one earbud.

Students who violate this policy shall be subject to established disciplinary measures. District employees shall confiscate any cell phones visible, heard or used during the instructional day on school property. **Cell phones will not be visible during the passing periods.**

Consequences for improper electronic device usage will be:

1. First infraction - The device will be confiscated and parents are notified and must come to the school to retrieve the device.
2. Second infraction - The device will be confiscated and parents are notified and a parent conference is scheduled to review the Telecommunication Devices Policy.
3. Third infraction - The device will be confiscated and parents are notified and the device will be held for a minimum of TWO WEEKS. A ten dollar fee will be

Telecommunication Devices, Physical Restraint, Special Education Physical Restraint

assessed on the third infraction prior to the return of the device.

Any further infractions will merit the same consequences as the third infraction. After notification, parents will have 30 days to retrieve the device. If after 45 days the device has not been retrieved by the parents; the device will be disposed.

GPISD will not be responsible for the recovery of lost or stolen electronic devices and accessories.

Student/Parent(s)/Legal Guardian Complaints

Students or parents/legal guardians who have a complaint should first bring the matter up with the teacher/sponsor. If the outcome of that discussion is not satisfactory, the student and/or parent(s)/legal guardian should contact the principal. Complaints or concerns regarding handicapped students or the District's special education program should be brought to the special education teacher or case manager. Students or parent(s)/legal guardian with other kinds of complaints should contact the principal.

If the outcome of the initial administrative conference is not satisfactory, the student and/or parent may follow the District's formal complaint procedure, available from the principal's office, to carry the complaint to the Superintendent's designee and ultimately to the Board of Trustees. This procedure is outlined in GPISD Policy FNG (Local). Galena Park ISD has implemented an **Informal Complaint Resolution Process.** This **mediation process** is highly recommended by the District before the complainant proceeds to the formal procedure. This Informal Resolution Procedure is outlined on page 42. Any student who alleges they have been discriminated against on the basis of race, origin, color, sex (including sexual harassment), or handicap may utilize the complaint.

Physical Restraint

Any District employee within the scope of the employee's duties may use and apply restraint to a student that the employee reasonably believes necessary in order to:

1. Protect a person from physical injury.
2. Obtain possession of a weapon or other dangerous objects.
3. A student may be restrained and removed from a specific location on school property if the student refuses a lawful command from a school employee.
4. Restrain an irrational student.

Special Education Physical Restraint

Physical restraint is only used in situations that meet the definition of a "behavioral emergency". If a student is in imminent danger of causing serious property destruction, or poses an imminent threat to safety of himself/herself or to others, physical restraint may be used.

If the student is receiving Special Education Services, it is necessary to respond in writing to the incident within twenty-four hours.

- Whenever it is necessary to use physical restraint, the building administrator will be notified on the same day that the restraint has been used.
- The individual involved in the physical restraint will attempt to notify the parent verbally of the restraint unless the administrator assumes responsibility for this. Efforts to verbally notify the parent will be documented.
- After a physical restraint has been used, the individual(s) involved in the restraint will complete the form, Written Summary of Restraint Use. (Form is generated at the campus level).
- Submit a copy to the campus administrator and to the Special Education Records Clerk.

It is the responsibility of the campus administrator to send the Written Summary of Restraint Use with a cover letter to the parent within one day from the date the restraint occurred.

The campus administrator will determine if the individual(s) involved in the restraint have had the training required when restraint has been used. The training includes the Non-violent Physical Crisis Intervention (PCI) restraint training and the Modules 1, 2, 3, and 5 of the Texas Behavior Support Initiative (TBSI). If the individual(s) involved in the restraint have not had the required training, the administrator will notify the Director of Special Education and Federal Programs to schedule training within 30 school days.

The campus Special Education Records Clerk should make a copy of the completed form, Written Summary of Restraint Use, and file it in the student's audit file. The campus Special Education Records Clerk will send the original Written Summary of Restraint Use to the District Records Clerk in the Administration Building.

Incidents of restraint use for students receiving special education services will be entered into PEIMS by the district special education records clerk.

Rules and Regulations/Jurisdiction

The District has jurisdiction over students during the school day and while going to and from school on District transportation. The District's jurisdiction includes any activity during the school day on school grounds and attendance at any school related activity, regardless of time or location. Additionally, according to state law, discipline may be imposed for certain off campus behavior(s) listed in the Student Code of Conduct.

Students shall observe the rules of good citizenship going to and from school. They shall not loiter, litter, trespass, abuse or create nuisance conditions for residents of this community. The school cannot assume responsibility for the acts of students going to and from school, however, it may take disciplinary action if the circumstances warrant. The District will cooperate with law enforcement agencies investigating citizens' reports of violations.

Students' Desks and Lockers

Students' desks and lockers are school property and remain under the control and jurisdiction of the school even when

Students' Desks and Lockers, Firearms/Weapons, Tobacco Prohibited

assigned to an individual student.

Students are fully responsible for the security and contents of their assigned desks and lockers. Students must be certain that their lockers are locked, and that the combinations are not available to others.

Searches of desks or lockers may be conducted at any time there is reasonable cause to believe that they contain articles or materials prohibited by policy, whether or not a student is present.

The parent will be notified if any prohibited items are found in the student's desk or locker.

Gang-Free Zones

Section 71.028 of the Penal Code establishes gang-free zones which include schools, institutions of higher education, public or private youth centers, playgrounds, shopping malls, movie theaters, public swimming pools, video arcades, and school buses. A person 17 years of age or older who commits certain offenses (for school-related purposes) in, on, or within 1,000 feet of any real property that is owned, rented, or leased by a school or school board or on a school bus may be assessed a punishment that is increased to the next highest category of offense (unless the offense is already classified as a felony in the first degree). The gang-free zones apply if a person commits or conspires to commit certain offenses with the intent to establish, maintain, or participate in a combination or in the profits of a combination or as a member of a criminal street gang as specified in Section 71.02, Penal Code (organized criminal activity). These offenses include murder, capital murder, arson, aggravated robbery, kidnapping, aggravated kidnapping, aggravated assault, aggravated sexual assault, sexual assault, forgery, deadly conduct, assault with bodily injury; unlawful manufacture, transportation, repair, or sale of firearms or prohibited weapons; or any offense listed in Chapter 43, Penal Code (public indecency) depicting or involving conduct by or directed toward a child younger than 18 years of age. Penal Code 71.028

Firearms/Weapons

A person commits an offense if the person knowingly, intentionally, or recklessly possesses or goes with a firearm, illegal knife, or prohibited weapon listed in Penal Code 46.05(a) onto the physical premises of a school or educational institution or any grounds or building in which an activity sponsored by a school or educational institution is being conducted, or a passenger transportation vehicle of a school or educational institution, unless pursuant to written regulations or written authorization of the District. Penal Code 46.03.

A person commits a third degree felony if the person, by exhibiting or using or threatening to exhibit or use a firearm, interferes with the normal use of a building or portion of a campus or of a school bus being used to transport children to and from school-sponsored activities. Education Code 37.125 and Galena Park ISD POLICIES FNCG (LEGAL) and GKA (LEGAL).

In addition, guns and other weapons are governed by the Gun-Free School Zones Act which prohibits the possession of a firearm in a school zone and the state Weapon-Free School Zones law which prohibits the possession of weapons within 300 feet of the premises of a school or on the premises of a place where an official school function or an event sponsored or sanctioned by the University Interscholastic League is taking place. 18 USC 657.922(q) and Penal Code 46.11

Drug-Free School Notice

A person commits a criminal offense (enhanced) if the person knowingly or intentionally possesses a controlled substance listed in the Health and Safety Code, Chapter 481 in, on, or within 1,000 feet of any real property that is owned, rented, or leased to a school district, or on a school bus. Health and Safety Code 481.134

Random Student Drug-Testing

Random student drug-testing will include any 6th – 12th grade student who participates in extra- or co-curricular activities. In addition, parents/guardians may request for their child to be included by contacting their child's principal. Consequences for positive test results will be limited to temporary removal from the extra- or co-curricular organization, and will include mandatory counseling.

Tobacco Prohibited

Students are prohibited from possessing or using any type of tobacco product, including electronic cigarettes, juuls or any other vapor devices, while on school property at any time or while attending an off campus school-related activity. Education Code 28.004(k)

The district and its staff strictly enforce prohibitions against the use of all tobacco products, including electronic cigarettes or any other electronic vaporizing device, by students and all others on school property and at school-sponsored and school-related activities.

Galena Park Independent School District Student Code of Conduct

Student Code of Conduct

The philosophy of the Galena Park Independent School District is to provide an instructional program designed for the individual needs and abilities of all students.

In order to realize these objectives, the Galena Park Independent School District has the responsibility of maintaining exemplary programs for its students. If this is to be accomplished, **the school environment must be free from disruptions and distractions that interfere with teaching and learning activities. Parent(s)/legal guardian, students, and school District personnel share the responsibility of providing and maintaining an environment conducive to teaching and learning.**

The Student Code of Conduct that follows is the District's specific response to requirements of Chapter 37 of the Texas Education Code. The law requires the District to define misconduct that may or must result in a range of specific disciplinary consequences. This code is an outgrowth of collaboration among District and campus staff, parent(s)/legal guardian, and other community members. This code, adopted by the Board of Trustees, provides information and direction to students and parent(s)/legal guardian regarding standards of behavior as well as consequences of misconduct and procedures for administering discipline.

The Student Code of Conduct is to assist students, parent(s)/legal guardian, teachers, and school administrators in identifying appropriate and inappropriate behaviors, and understanding the rights and responsibilities of each individual involved.

Student Responsibilities

The student has the responsibility to:

- Conduct himself/herself in a safe and responsible way;
- Seek help from school personnel when having school or personal problems;
- Demonstrate an attitude of respect toward individuals and their property;
- Use appropriate language when speaking to others;
- Be familiar with and obey school rules and regulations;
- Attend school, be punctual, and be prepared for class;
- Follow teacher's directions and stay on task during instruction;
- Be familiar with and meet the curriculum requirements of the state and District;
- Be familiar with and use District support services as needed, for example, guidance, counseling and testing;
- Cooperate with school staff in all matters;
- Maintain an appearance and grooming conducive to learning;
- Report bullying, harassment, dating violence, and sexual violence to a teacher, counselor or administrator.
- Adhere to the requirements of the Student Code of Conduct.

Parent(s)/Legal Guardian Responsibilities

The parent or legal guardian has the responsibility to:

- Establish and maintain a positive attitude toward education;
- Participate in identifying and responding to school related concerns;
- Ensure that the child's general grooming and appearance is conducive to learning;
- Demonstrate an attitude of respect toward others and their property;
- Keep child from school when he/she is ill;

- Report any case of suspected abuse to Child Protective Services (CPS);
- Report crimes as required by law and shall call local law enforcement when an administrator suspects that a crime has been committed on campus.

SHELTER IN PLACE, LOCKOUT AND LOCKDOWN PROCEDURES

In the event of an emergency, Galena Park ISD has Emergency Operations Procedures in place to keep your children safe. The most important thing to remember is to REMAIN CALM. Should we encounter a situation requiring the following procedures, listen to the local radio and television stations. You can also find information on our web site at www.galenaparkisd.com.

Emergency procedures are defined below.

SHELTER IN PLACE

- Used in any situation other than weather that may be a hazard to health or life threatening
- All windows and doors are locked and the heating/air conditioning (HVAC) system is shut down
- NO ONE is allowed to enter or leave a building that has activated SHELTER IN PLACE procedures. This means parents WILL NOT be able to pick up children from school. It is safer to keep the students inside the building rather than expose them to possible harm by allowing them to leave the building.
- Once the "ALL CLEAR" is given, students and teachers will return to their regular activities or a parent/student reunification (student pickup) program may be initiated
- If a school is sheltering in place, parents should also shelter in place at home

SHELTER IN PLACE, WEATHER ONLY

- Used when weather conditions exist that may place a school or schools in immediate danger
- Students and staff are sheltered inside buildings away from outside windows or doors
- Buildings are open for entry only
- There is no exit until the "ALL CLEAR" is given
- When the "ALL CLEAR" is given, normal activities may resume or a parent/student reunification (student pickup) program may be initiated

LOCKOUT

- Used when an intruder or threat is outside of the premises
- All doors, windows, classrooms and administrative offices are locked. Students, teachers and employees remain in their classrooms/offices until the "ALL CLEAR" signal is given
- Under lockout procedures, NO ONE will be allowed to enter or exit the building
- Teachers check roll and account for students
- Increase situational awareness
- Continue instruction
- The local authorities will provide assistance, if needed

LOCKDOWN

- Used when an intruder invades the premises or there is an imminent danger to the campus
- All doors, windows, and classrooms are locked. Students and teachers remain in their classrooms until the "ALL CLEAR" signal is given
- Under lockdown procedure, NO ONE will be allowed to enter or leave the building. Parents WILL NOT be allowed to pick up children from school
- The local authorities will provide assistance, if needed
- Once the "ALL CLEAR" is given, students and teacher will return to their regular activities or the parent/student reunification (student pickup) process will go into effect

REUNIFICATION/CHILD PICKUP

- Based on reports from emergency personnel, the danger or threat has passed and the area is safe for children and parents. The District/school will identify the locations, time, and check out process for parents to pick up children.

VIOLATIONS

- There could be legal ramifications if an individual violates the SHELTER IN PLACE, LOCKOUT and LOCKDOWN procedures.

Galena Park Independent School District Title I Parent and Family Engagement Policy

It is the goal of the schools in Galena Park Independent School District to develop strong partnerships with parents and other family members of our students. Parents, other family members, and schools working as partners increase student achievement and develop positive attitudes about self and school. Galena Park ISD is committed to providing outreach to all parents and family members that encourages meaningful involvement in their child(ren)'s education.

The key factor in the family-school partnership is the relationship among the teacher, student, and parent/family members. Teachers are professionals who manage a variety of instructional resources. Parents/family members are the child's first teachers and play a vital role in their children's education. Organizational support from the school board, district administrators, parent facilitators, counselors, social services workers, and building principals enable teachers and parent/family members to effectively develop the partnerships. Students are the true beneficiaries of a close family-school partnership.

The partnership between home and school will be supported by:

1. Developing a process that continuously assesses, plans and implements strategies that build the partnership.
 - a) A district-wide committee of parents, teachers and administrators will review the annual school evaluations of the content and effectiveness of parent and family involvement activities in increasing participation of parent/family members and whether there are barriers to greater participation. The evaluation will be conducted through a written/electronic survey in English and Spanish each year. The committee will use the results of the survey to offer revision suggestions for the district parent and family engagement policy if necessary.
 - b) A parent and family engagement coordinator will assist parent facilitators on each campus with the parent and family engagement efforts by providing technical assistance and other support necessary to assist schools in planning and implementing effective programs. The parent and family engagement facilitator will work in collaboration with his/her site-based decision-making committees, other school staff, parents, other family members and community resources.
 - c) The parent facilitators, counselors and social services workers, PTA chairpersons, faculty, and staff on each campus will provide direct services to families to reduce barriers to student learning. The services include parenting education, counseling, referrals, advocacy, and relationship building to encourage positive attitudes toward education and to promote the concept of parents/parent figures as the child's first teacher, and to promote a meaningful, two-way communication between the home and the school.
2. Developing Home-School Compacts to strengthen communication between home and school.
 - a) The home-school compacts are to be developed jointly with students and parents.
 - b) The compacts are to be reviewed and revised on an annual basis to meet the changing needs of students, parents and the schools.
3. Developing opportunities for the full participation of all parents and family members including those who lack language skills, those who are disabled, or those who are economically disadvantaged.

Full realization of the partnership will be achieved through on-going commitment and active participation by parents, other family members and schools.

Options and Requirements For Providing Assistance to Students Who Have Learning Difficulties or Who Need or May Need Special Education

If a child is experiencing learning difficulties, the parent may contact one of the persons listed below to learn about the District's overall general education referral or screening system for support services. This system links students to a variety of support options, including referral for a special education evaluation. Students having difficulty in the regular classroom should be considered for tutorial, compensatory, and other support services that are available to all students, including a process based on Response to Intervention (RtI). The implementation of RtI has the potential to have a positive impact on the ability of school districts to meet the needs of all struggling students.

At any time, a parent is entitled to request an evaluation verbally or in writing for special education services. The District must respond within 15 school days as to whether the requested evaluation will be completed. However, a verbal request does not require the district to respond within 15 school days. If an evaluation is needed, the parent will be notified and asked to provide consent for the evaluation. The District must complete the evaluation and the report within 45 school days of the date that the District receives the written consent. The District must give a copy of the report to the parent, and an Admission, Review, and Dismissal/Individualized Education Program (ARD/IEP) meeting must be held within 30 calendar days from the date of the report.

If the District determines that the evaluation is not needed, the District will provide the parent with written notice that explains why the child will not be evaluated. This written notice will include a statement that informs the parent of his/her rights if he/she disagrees with the District. The district is required to give parents the *Notice of Procedural Safeguards—Rights of Parents of Students with Disabilities*. Additional information regarding the Individuals with Disabilities Education Act (IDEA) is available from the school district in a companion document, *A Guide to the Admission, Review, and Dismissal Process*.

The designated persons to contact regarding options for a child experiencing learning difficulties or a referral evaluation for special education are:

Andrea Sellers
Director for Special Education and Federal Programs
Phone Number: 832-386-1000

TK Dunbar
Director for Special Education Assessment and Compliance

Notice of Parent and Student Rights: Bullying, Harassment, Dating Violence, and Sexual Violence

The Galena Park Independent School District (GPISD) is committed to providing a learning environment for all students that enhances personal safety and promotes respect, dignity and equality among students. High standards are expected for both academic achievement and for behavior.

GPISD strives to ensure that all of its students and employees are free from bullying, which includes cyberbullying, harassment, dating violence, and sexual violence. These situations are to be taken very seriously by students, faculty, staff, administration, and parents/guardians. GPISD will make every effort to handle and respond to every charge and complaint filed by students and employees in a fair, thorough, and just manner. Every effort will be made to protect the due process rights of all victims and all alleged perpetrators.

Bullying means engaging in written or verbal expression, expression through electronic means or physical contact that occurs on school property, at a school-sponsored or school-related activity, or in a vehicle operated by the district that:

- has the effect or will have the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear or harm to the student's person or of damage to the student's property or
- is sufficiently severe, persistent, or pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student.

Harassment means threatening to cause harm or bodily injury to another student, engaging in sexually intimidating conduct, causing physical damage to the property of another, subjecting another to physical confinement or restraint, or maliciously taking any action that substantially harms another student's physical or emotional health or safety.

Sexual harassment is conduct that is severe, pervasive, and objectively offensive in such a manner that it can be said to deprive the victim of access to the educational opportunities or benefits provided by the school. It is a form of harassment that includes touching someone in ways that are not wanted, sexual jokes, pressuring someone to have sex, threats or intimidation from a dating partner, or any other form of harassment of sexual nature that would make a reasonable person uncomfortable.

Gender-based harassment includes harassment based on a student's gender, expression by the student of stereotypical characteristics associated with the student's gender, or the student's failure to conform to stereotypical behavior related to gender. Examples of gender-based harassment directed against a student, regardless of the student's actual or perceived sexual orientation or gender identity, may include, but not be limited to, offensive jokes, name-calling, slurs, or rumors; physical aggression or assault; threatening or intimidating conduct; or other kinds of aggressive conduct such as theft or damage to property.

Dating violence is defined as the intentional use of physical, sexual, verbal, or emotional abuse by a person to harm, threaten, intimidate, or control another person in a dating relationship. Dating violence is a pattern of coercive behavior that one partner exerts over the other for the purpose of establishing and maintaining power and control.

Sexual violence is defined as sexual assault, sexual abuse, or sexual stalking of a minor child or teenager, including sexual violence committed by perpetrators who are strangers to the victim and by perpetrators who are known or related by blood or marriage to the victim. These definitions includes behavior that is not limited to incest, molestation, child abuse, stranger rape, and non-stranger rape.

Students who believe they have been harassed, bullied, or otherwise victimized by fellow student or GPISD employees are encouraged to promptly report such incidents to the campus principal or other campus professional. To the greatest extent possible, complaints shall be treated as confidential. Limited disclosure may be necessary to complete a thorough investigation.

A student or parent/guardian who has a complaint alleging bullying, harassment, dating violence, or sexual violence may request a conference with the principal or the principal's designee. If the student or parent/guardian is not satisfied with the response from the campus staff, they may request a conference with the GPISD's Title IX Coordinator.

Complaints will be documented and investigated in accordance with GPISD policy and guidelines. Any staff member who observes an incident that involves physical or sexual assault or threats will report the incident immediately to the principal. Any staff member who learns of an incident or threat may submit a Complaint Form on behalf of the victim.

Campus Complaint Procedure:

1. Students and staff members will complete a Complaint Form available in the school's main office or online.
2. The Complaint Form will be submitted to the principal or designee immediately.
3. The principal or designee will investigate complaints by meeting separately with each student involved in the situation.
4. The principal or designees will conference with the victim and parent/guardian to discuss safety and community resources.
5. The principal or designee will conference with the alleged perpetrator and parent/guardian to discuss appropriate behaviors and consequences.

Vivian Dancy
Director of Athletics

August 2018

Dear Galena Park ISD Parents and Students,

As a part of a larger commitment to excellence and education, Galena Park ISD is committed to excellence in all of our athletic programs. Participation in athletics encourages the development of positive character traits, which contributes to students' personal growth and success in life. These traits include the drive to take one's talents to the highest level of performance, embracing the discipline needed to reach high standards, learning to work with others as a team in pursuit of a common goal and adherence to codes of fairness and respect.

We are committed to the physical and emotional well-being of student athletes and to the social development of the whole child. We recognize that great demands are placed on students who participate in athletics. However, Galena Park ISD athletes are expected to adhere to a level of conduct that brings credit to themselves, their school, and the community.

Galena Park ISD is a member in good standing with the University Interscholastic League (U.I.L.). As such, there are rules and regulations to which our athletic programs are required to adhere. These rules also include our spectators.

Athletics plays an important role in creating a sense of community. However, there have been occasions where less than desirable situations have taken place, which did not reflect well on our fans or our district. There were incidents of negative/derogatory/threatening remarks made toward officials, coaches, students, players and opponents. There were instances involving the use of profanity and vulgarity.

Please do not be the person in the stands that detracts from the teachings of fairness and respect for our athletes. **We expect to fill our stands only with fans that support our students and coaches and contribute to the positive environment they deserve. Please be aware that anyone who violates the UIL sportsmanship regulations will be immediately removed from the event and may be banned from future attendance for up to one year.**

We appreciate your support of our student athletes and coaching staff. Please know it is up to each of us to model high expectations for our youth, especially as we prepare them to one day be the leaders of our community.

If you have any questions, feel free to call me at 832-386-4330. Again, thank you for your continued support and cooperation.

Sincerely,

A handwritten signature in black ink, appearing to read "Vivian Dancy", written in a cursive style.

TRUANCY NOTICE

Student success holds the highest priority for Galena Park ISD. School attendance is critical for student success. Galena Park ISD's truancy program is designed to increase school attendance, which, in turn, can help them succeed in school and life.

This letter is to inform you of the law regarding failure to attend school. It is important that all parents and guardians are aware of the consequences of excused and unexcused absences from school.

The Texas Education Code §25.095 requires the school district to notify a student's parents or guardians in writing, at the beginning of the school year, that if the student is absent from school for 10 or more days or parts of days within a six-month period in the same school year:

- (1) the student's parent is subject to prosecution under Section 25.093; and
- (2) the student is subject to referral to a truancy court for truant conduct under Section 65.003(a), Family Code.

The school district shall notify a student's parent if the student has been absent from school, without excuse under Section 25.087, for three days or parts of days within a four-week period. The notice will:

- (1) inform the parent:
 - (A) it is the parent's duty to monitor the student's school attendance and require the student to attend school; and
 - (B) the student is subject to truancy prevention measures under Section 25.0915; and
- (2) request a conference between school officials and the parent to discuss the absences.

The fact that a parent did not receive a notice, by law, does not create a defense under Section 25.093 or under Section 65.003(a), Family Code.

Galena Park ISD continually strives for student success. You can help your student by encouraging them to attend school on time daily. Best wishes for a successful school year.

Use of Personal Mobile Devices (BYOD - Bring Your Own Device)

Galena Park ISD believes technology is a powerful tool that enhances learning and enables students to access a vast amount of academic resources. The District's goal is to increase student access to digital tools and facilitate immediate access to technology-based information, much the way that students utilize pen and paper. To this end, the District will provide a filtered, wireless network through which students in specific age groups will be able to connect privately owned (personal) mobile devices. Students using personal mobile devices must follow the guidelines stated in this document while on school property, attending any school-sponsored activity, or using the Galena Park ISD network.

Students are allowed to bring personal mobile devices that can access the Internet for educational purposes as determined by the school and classroom teacher.

Guidelines:

- In order to utilize Galena Park ISD's wireless Internet access and participate in Bring Your Own Device (BYOD), students and a parent or legal guardian must review and sign the Acceptable Use Policy agreement form. The Acceptable Use Policy agreement will be considered a legally binding agreement.
- Galena Park ISD provides filtered internet access and a wireless SSID for personal devices. Users are required to use GPISD filtered guest wireless network when accessing the Internet.
- The student is fully responsible, at all times, for the personally owned device brought to school. Galena Park ISD is not liable for any loss, damage, or theft of a personally owned device.
- The student is responsible for the condition of the device brought to school, including updates, antivirus software, and repair.
- Personal devices should be charged and recharged outside of school, unless specific permission is granted.
- Personal device use is limited exclusively to campuses and classrooms participating in the BYOD Program. Outside these classrooms all electronic devices should be turned off and should not be visible.
- Students may not use any device or service for non-educational purposes during school hours.
- No device, personal or otherwise, may be used to record, store, or transmit any type of image, sound, or video from Galena Park ISD, except for approved projects with the express permission of the teacher.
- If reasonable belief exists that the student has violated the terms of this agreement, or other school policy, the student's device may be inspected and/or confiscated. Subsequent or additional disciplinary action involving misuse of technology may extend to loss of technology privileges or further action as determined by Galena Park ISD.

Security:

- A student who gains access to any inappropriate or harmful material is expected to discontinue the access and to report the incident to the supervising staff member.
- Any student identified as a security risk or as having violated the Acceptable Use Policy may be denied access to the District's system. Other consequences may also be assigned.

Use of Personal Mobile Devices (BYOD - Bring Your Own Device)

- A student who knowingly brings prohibited materials into the school's electronic environment will be subject to suspension of access and/or revocation of privileges on the District's system and will be subject to disciplinary action.

Subject to Monitoring:

- All District computer/network/Internet usage shall not be considered confidential and is subject to monitoring by designated staff at any time to ensure appropriate use.
- All electronic files transmitted through or stored in the computer system will be treated no differently than any other electronic file.
- The District reserves the right to access, review, copy, modify, delete or disclose such files for any purpose.
- Students should treat the computer system like a shared or common file system with the expectation that electronic files, sent, received or stored anywhere in the computer system, will be available for review by any authorized representative of the District for any purpose.
- Personal mobile devices are subject to examination in accordance with disciplinary guidelines if there is reason to believe that the Acceptable Use Policy has been violated.

Inappropriate Use:

- Inappropriate use includes, but is not limited to:
 - use that violates the law
 - use that are violations in this document
 - use that violates the rules of network etiquette
 - use that hampers the integrity or security of the computer/network/Internet system or any components that are connected to it

The above actions are considered inappropriate uses, are prohibited, and will result in revocation of the student's access to the computer/network/Internet.

- Violations of Law. Transmission of any material in violation of any federal or state law is prohibited. This includes, but is not limited to:
 - threatening, harassing, defamatory or obscene material;
 - copyrighted material;
 - plagiarized material;
 - material protected by trade secret; or
 - blog posts, Web posts, or discussion forum/replies posted to the Internet which violate federal or state law.

STUDENT AGREEMENT FOR ACCEPTABLE USE OF THE ELECTRONIC COMMUNICATIONS SYSTEM

You are being given access to Galena Park ISD's Technology Resources. GPISD's goal in providing this service is to promote educational excellence by facilitating and providing communications for resource sharing, collaborative work, databases, software, and access to other online resources. Access to Internet resources also brings the possibility of encountering material that may not be considered appropriate in an educational setting. The District has taken available precautions, including but not limited to enforcing the use of filters that block access to inappropriate or non-educational sites. However, on a global network, it is impossible to control all material and an industrious user may obtain access to inappropriate information or material. The District firmly believes that the value of the information and interaction available on the Internet far outweighs the possibility that students and employees may procure material which is not consistent with our educational goals.

It is all staff members' responsibility to educate students about appropriate online behavior, including interactions with other individuals on social networking sites/chat rooms, and cyberbullying awareness and response. In addition to the district provided Internet Safety curriculum, teachers may conduct yearly short training sessions, one-on-one education with individual students, and/or via educational handouts. It is also the responsibility of all staff members to monitor students' online activity for appropriate behavior.

The successful operation of the network relies upon the proper conduct of the users who must adhere to strict guidelines. The following rules of acceptable use are provided so that users are aware of the ethical and legal responsibilities associated with the use of network resources.

Policy of Acceptable Use:

A. General Use:

- Access to the District's electronic communication system is a privilege, not a right. Failure to comply with applicable regulations may result in suspension or termination of privileges and other disciplinary action consistent with District policies.
- Students shall keep their passwords confidential.
- Students may not use another individual's account credentials. Unauthorized access including "hacking" and other unlawful activities is prohibited.
- Students are prohibited from changing any computer settings and/or configurations.
- Students may not install any software, including but not limited to commercial software, shareware, freeware, original software and/or utilities onto school computers or networks.
- Students are not allowed to have access to any restricted, password-protected program, such as the Student Information Systems (SIS) software, Business Applications software, and employee email.
- Personal Electronic devices are allowed and can only be connected to the Internet through the district provided Guest wireless network. Connectivity to the district network through a physical connection or secure wireless connection (using district login) is prohibited.
- ALL Acceptable Use Policy regulations apply to ANY devices utilized in GPISD facilities, including personal electronic devices.
- Personal access points, aircards or other connecting devices that provide access to the Internet via a connection not provided by the technology department is strictly prohibited.

B. Internet/Electronic Communications Use:

- Access to the Internet is made available to students exclusively for instructional purposes and in accordance with administrative regulations. Students are to visit only Internet sites, which are appropriate for students and support District learning objectives.
- GPISD electronic communications are not private. Network administrators will review electronic communications and logs of Internet sites visited to verify appropriate use.

C. Computer Ethics:

- Students must abide by copyright laws and Internet Safety Guidelines.
- Students are not allowed to access, copy or transmit materials that are copyrighted, threatening, obscene or protected by trade secrets.
- Product advertisement or lobbying is prohibited.
- Any malicious attempt to harm, modify, or destroy District equipment or materials, data of another user, or any other networks that are connected to the Internet is prohibited and will be viewed as a violation of District Policy.
- Cyberbullying, using profanity and vulgarities or any other inappropriate behavior will not be tolerated.
- Students will not give home address, location of school, phone number or any personal information to anyone via the Internet.

D. Consequences

- Violation of any of the policies described above may result in disciplinary actions which could include: Loss of network privileges, detention, suspension, placement at Center For Success, expulsion, criminal charges, financial responsibility for all costs associated with system restoration including labor, hardware or software repair/ replacement, and restoring the integrity of data.

E. Disclaimer of Liability

- The District shall not be liable for users' inappropriate use of electronic communications resources or violations of copyright restrictions, users' mistakes or negligence, or costs incurred by users. The District shall not be responsible for ensuring the accuracy or usability of any information found on the Internet.
