For the sake of organization we've broken down the answers into the following categories: (Iced espresso, Iced Tea, Refreshers, Frappuccinos, and Non-Espresso) Best Iced Espresso Beverages: 1. Iced Caramel Macchiato The iced caramel macchiato is a simple yet delicious treasure. Made with vanilla, two percent milk, espresso shots over top, and decadent caramel drizzle, this drink satisfies any coffee lover looking for a little summer sweetness. #spoontip this drink is meant to be enjoyed from the bottom up, so don't stir it! 2. Iced Blonde Vanilla Latte Starbucks Blonde Espresso has been a hit since its introduction in January. Now you can essentially make any espresso drink "blonde," (which just means using their blonde espresso shots in place of the regular). This creates a smooth balanced taste, and the Blonde iced vanilla latte is no exception to this delicious innovation. 3. Cold Foam Cappuccino Another new addition to their summer menu is the Cold Foam Cappuccino, replacing their more traditional iced cappuccino. Starbucks Cold foam is thick and velvety, made with espresso shots, and topped with nonfat milk whipped to create a thick blanket of creamy goodness. Best Iced Teas: 1. Passion Iced Tea Passion Tango iced tea. The name just sounds refreshing. With a blend of hibiscus, lemongrass, and apple it takes well deserved residency at number 1. This tea can be made sweetened or unsweetened and with or without lemonade. Because it is a hibiscus tea, it is the only iced tea offered without caffeine. 2. Strawberry Green Iced Tea Infusion The name may be a mouthful but this summery concoction is a blend of Starbucks green tea and their strawberry infusion (another unsweetened tea). This drink can be made sweetened and with or without lemonade. The addition of succulent strawberry tea is a refreshing afternoon treat. Best Refreshers: 1. Strawberry Acai Refresher Packed with delicious slices of dried strawberries, the Strawberry Acai Refresher is a quick caffeine kick to your day without the taste of coffee. This drink gets its unique color and flavor from the Very Berry Hibiscus Refresher as its base, coconut milk instead of water, and a generous scoop of freeze dried blackberries. Best Frappuccinos: 1. Ultra Caramel Frappuccino The Ultra Caramel Frappuccino is one of two brand new fraps released this summer. This frap contains a brand new Dark Caramel sauce used to flavor the inside as well as adorn the bottom and top of the cup. Another sweet addition is the Sweet Cold Brew Whipped cream, made with Starbucks' own Cold Brewed Iced Coffee. Most who've tried it say it tastes similar to a Dunkin Donuts Coolata, but we'll leave that up for you to decide. 2. Triple Mocha Frappuccino The second of this summer's two new fraps is the Triple Mocha Frappuccino. This blended beverage is only slightly different than the OG Mocha Frap, as it still gets the regular mocha sauce, but with the new addition of Dark Mocha sauce and the Sweet Cold Brew Whipped Cream. 3. Java Chip Frappuccino Ah the classics, there's something satisfying about sticking to the basics. For anyone who is a coffee and chocolate lover, the Java Chip Frap is drink for you.
