Things You Need to Know

Please refer to our Home Loan Fact Sheets for details regarding our loans. The reference rate for your loan will depend on the repayment type you select – Principal and Interest or Interest Only.

* The associated rate includes a margin below or above the applicable reference rate that applies for new lending only. Applicable reference rates are set out above and aside. Extra Home Loan (4 Year Introductory Rate) is only available for first home buyers where none of the applicants have previously owned or currently hold an interest in property anywhere in Australia.

** To be eligible for a package you must have an initial total home lending balance of \$150,000 (the sum of the account balance of eligible home lending and line of credit accounts) and pay an annual package fee of \$395. Package rates shown are based on a discount of 0.70% p.a. on the Standard Variable Rate and Viridian Line of Credit, and a discount of 0.15% p.a. on Fixed Rates in a package. Please refer to the Wealth Package/Mortgage Advantage Fact Sheet for full details.

Extra Home Loan (2 Year Introductory Rate) and Extra Home Loan (4 Year Introductory Rate) are available for new borrowings only. For these products, the interest rate will increase at the end of the introductory period. Rates are subject to change. Applications are subject to normal credit approval. Full terms and conditions will be included in our loan offer. Fees and charges are payable.

Comparison rate calculated on a \$150,000 secured loan over a 25 year term. WARNING: Comparison rate is true only for the examples given and may not include all fees and charges. Different terms, fees or other loan amounts might result in a different comparison rate. Comparison rates for variable Interest Only loans are based on an initial 5 year Interest Only period. Comparison rates for fixed or guaranteed Interest Only loans are based on an initial Interest Only period equal in length to the fixed or guaranteed period. During an interest only period, your interest only payments will not reduce your loan balance. This may mean you pay more interest over the life of the loan.

On and from 16 March 2019, MISA (offering a full offset of Standard Variable Rates, and 1.50% partial offset of Fixed Rates) is no longer available for sale, or able to be activated, for any loan. If a MISA has a nil balance on or after 16 March 2019, it cannot be reactivated.
