**Mega Millions Jackpot Prize Payment**

Jackpot winners must make arrangements to receive their prize and are required to have a media announcement. If you win the Jackpot, you will have 60 days from the date the Lottery provides you with a Jackpot Claim Form to decide if you prefer 30 Annual Payments or a Lump Sum Payout. Those values are established via Mega Millions rules and will be presented to you by the Lottery shortly after a jackpot win.

**Prize Information**

If you match 5 numbers plus the Mega Ball and win the jackpot, you will be notified by a Lottery representative to make arrangements to receive your prize. Prizes over \$600 will be mailed to you. Smaller prizes will be automatically credited to your Subscription Center prize account.

You can view your prize winnings through the Subscription Center at mynylottery.org. You will be able to use your prize credits to reduce the cost of your next subscription purchase or request a cash-out of your prize credits at any time.

**MEGAPLIER® Option**

By selecting MEGAPLIER you can multiply your non-Jackpot winnings by 2, 3, 4 or 5. Prior to each drawing, a MEGAPLIER multiplier is randomly selected and non-Jackpot prizes are multiplied by that amount. MEGAPLIER doubles the cost of your subscription.

**Taxes**

The Lottery is required to report and withhold taxes according to the regulations of the Internal Revenue Service and the New York State Department of Tax and Finance.

**Revisions**

The New York Lottery reserves the right to suspend or cancel any drawing or the game itself, change the prize structure, frequency of draws or draw dates. In the event of such a change, all subscribers will receive participation in a revised game, equivalent in value to the remainder of their subscription, or a refund, at the sole option of the Lottery.
