Who is MyTitleSupport and what types of service do you provide?

MyTitleSupport partners with various lenders to provide lien satisfactions or duplicate titles to dealers, other lenders, and customers after a loan has been paid off and the original title or lien satisfaction has been sent. For some lenders, title State Change and Name Change service is provided for borrowers when the lien is still active, and the title needs to be updated to reflect your relocation to a new state or a legal name change.
