The screenshot shows the user interface of the Lake Valley University My Courses page. At the top left is the Lake Valley University logo. At the top right, it says "WELCOME, GREG WALENT" and "SIGN OUT | HELP". Below the logo is the "campus library" logo. A search bar contains the text "Find Educational Materials...". A yellow notification banner reads: "Did you know that as an instructor you have full access to McGraw-Hill content and tools, including a presentation center, computerized test bank, and online test creation?". Below this is the "My Courses" section, which is expanded to show "GREG TEST COURSE". The course card for "INTERMEDIATE ALGEBRA 7e" by DUGOPOLSKI is displayed. It includes the book cover, the author's name, copyright information (2012 © McGraw-Hill, Inc.), ISBN-10 (0073384577), ISBN-13 (9780073384573), and a "(not your book?)" link. There are two buttons: "View online resources" and "CUSTOMIZE". At the bottom of the course card, there are two icons: "Egrity" and "connect". The "connect" icon is circled in red, and a red arrow points to it with the letter "J" next to it.
