Bowling Green, Ohio 43402  
(419) 373-7373**

The Bowling Green Regional Training Center is located in the Woodland Mall on Route 25 (1234 N. Main St, Suite D) in Bowling Green, Ohio. The Woodland Mall is a SMALL one-story mall so if you are accustomed to a large, metro mall, look for a much smaller building.

The entrance to the training center is located at the back of the mall on the north side (directly behind the Sears store) between Sears and Steve & Barry's (now closed). The training center entrance is in the section of the building painted white and can be identified by the red canopy over double glass doors. There is no sign for this entrance.

The training center's classrooms, registration area, restrooms, and break room are accessed through double wooden doors on the left side of the entrance corridor. The double doors on the right go to the offices (need ID to access this side).
