Inspire & create opportunities for children to *be* scientists!

"Don't let anyone rob you of your imagination, your creativity, or your curiosity. It's your place in the world; it's your life. Go on and do all you can with it, and make it the life you want to live."

- Mae Jemison, Astronaut, Doctor and Much More

*"Take Our Daughters And Sons To Work Day is a unique opportunity to change a child's
entire perspective and thereby, change their lives. It was a life-changing experience for me.*

- Ida Siegal, television news reporter - WNBC-TV in New York City
