- The chance to relax in over 900 airport VIP lounges in 400 cities around the world, whether you are travelling for work or for pleasure.
- A quiet and comfortable place to wait for flights, with complimentary refreshments and snacks.
- All the facilities required to do vital business – with most lounges offering free Internet connectivity state-of-the-art conference spaces.
- The opportunity to entertain colleagues, clients and guests.
- The flexibility to choose the airline and class of travel that suits your schedule and budget – with the peace of mind that you won't forfeit lounge access.

Please note that complimentary lounge visits are issued at the sole discretion of the Bank and cannot be rolled over into the next year. Thereafter, a fee of US\$27 per person for each visit to a participating lounge will be charged to your Republic Bank / AAdvantage® Visa Infinite Credit Card.

What is the lounge visit process?

1. Visit Priority Pass participating lounge with accompanying guest(s).
2. Present valid Priority Pass membership card at the reception of the participating lounge.

PRIORITY PASS™

3. You and your guest visit are registered. The record of the visit shows your name and membership number, as well as the number of accompanying guests (as applicable), lounge location and date of the visit. You will be required to sign the record of visit voucher.
4. The process to record your visits at the participating lounges varies depending on whether the lounge has an electronic reader at their reception or if they use a manual imprint machine. Note: the electronic readers will not charge you for the visit – all lounge visit charges will be applied through the monthly billing process.
 - In the US, the participating airline lounges use their electronic readers to record your visits and a roster is signed by the member.
 - Outside the US, lounges with electronic readers swipe the Priority Pass card in a reader provided by Priority Pass and you sign a slip generated by the system.
 - Other lounges use a manual imprint machine and you sign a voucher.
5. Participating lounges report your visits to Priority Pass regularly. Lounges with electronic readers report the visits daily or weekly. Lounges with manual imprint machines and vouchers report visits monthly.

3. Follow the instructions.

Once enrolled, Priority Pass will:

- Create the Priority Pass account for you and forward your Priority Pass membership card to your address.
- Provide a digital membership card that you can download to your smart phone. This digital card can be used to gain access at some participating lounges around the world.

2. How do I gain access to one of the participating lounges?

- When you visit a lounge present your Priority Pass membership card to the lounge operator. You will be required to sign a record of visit, reflecting the number of accompanying guests as applicable. The lounge will not accept any other identification as proof of Priority Pass membership. If you do not have your Priority Pass membership card, then you will not be allowed into the lounge.

3. What is Priority Pass policy for taking guests into a lounge?

- You can invite friends or guests to join the lounge as described in the lounge directory. Most lounges will allow any number of guests but where there are limits, the details are shown in the lounge directory and via the lounge search functionality on the website. Guests are charged accordingly. When you enter the lounge, you will need to sign a record of visits. This will note if any guests are entering at the time and it is your responsibility to ensure this is correct. The lounge visit fee will be charged later as applicable.

4. How do I pay for the guest visits?

- As a valued Republic Bank / AAdvantage® Visa Infinite cardholder, your membership (valued at US\$99) and two lounge visits per 12 month period from the date of issuance of your Republic Bank / AAdvantage® Visa Infinite Credit Card, valued at US\$27 each, are provided to you free of charge. Thereafter, each visit will cost US\$27 per person and will be billed to your Republic Bank / AAdvantage® Visa Infinite Credit Card. Please bear in mind that if the two free visits are not utilised during the 12 month period, they will not roll over for the next 12 month period. Your membership privileges now give you access to participating facilities regardless of your choice of airline, class of airline ticket, or membership in an airline airport lounge programme.
- The 12 month period will be calculated based on the expiry date of the card e.g., Card issued April 2017 - the 2 free visits will expire March 2018.

5. What is Priority Pass policy for taking children into a lounge?

- Many lounges will allow children entry at the prevailing guest rate however where there are limits, details are shown in the lounge directory and via the lounge search functionality on the website and the Priority Pass app for smartphones.

6. What procedure should be followed when I am accompanied by my spouse (who is also a cardholder), or by another Priority Pass member when visiting a lounge?

- Each Priority Pass cardholder has their own individual card - including spouses. So, when entering a lounge each of you must show your card to gain access to the lounge. If you don't you will be charged as a guest and a fee may apply.

7. How can I obtain lounge information?

- There are many resources available to ensure lounge information is available easily:
 - a. You can check lounge information in the Priority Pass website ***www.prioritypass.com***
 - b. The Priority Pass lounge directory details exactly how to find a lounge with a full list of all the facilities in the lounge and opening hours.
 - c. The Priority Pass app is free to download on the App Store, Google Play and BlackBerry World. The app allows you to search the Priority Pass database of over 900 airport lounges.
 - d. If you do not have access to the lounge listing or app, the automated Lounge Finder service can help. Texting +44 7624 809977 allows you to perform quick and easy lounge searches by simply entering any three digit airport code (e.g. 'LHR' for London Heathrow Airport).

8. The Priority Pass directory indicates that a lounge location is either "landside" or "airside", what does that mean?

- Landside and airside refer to the location of the lounge in relation to the airport security checkpoint. Landside refers to a lounge location prior to the airport security checkpoint. Airside refers to a lounge location after the security checkpoint closest to the departure area.

9. Can someone else use my Priority Pass card to gain access?

- No. The membership card is only valid for the cardholder stated on the card.

10. How are my visits recorded?

- If the lounge has a card reader machine, the Priority Pass card will be swiped. If not, an imprinted machine will be used. You will be asked to sign a record of the visit.

11. What happens if my card has been stolen or lost?

- You must report stolen or lost cards immediately to Republic Bank's Customer Service Department at 1-868-627-3348.

12. How do I pay for additional charges incurred during a lounge visit?

- At most participating lounges, additional charges can be paid using your Republic Bank / AAdvantage® Visa Infinite Credit Card. However, the method of payments is dictated at the discretion of the lounge.

13. What is the lounge dress code?

- The lounges impose their own dress code. However, as a general rule please expect a smart/casual dress code - no hats, football shirts, jeans nor shorts. For more information consult the Priority Pass lounge directory or the Priority Pass website: www.prioritypass.com.

14. Do the lounges provide flight information?

- Some lounges have flight information monitors; however take note that not all lounges offer this service. As lounges have no contractual obligation to Priority Pass cardholders to announce flights, it is your responsibility to remain aware of flight times and boarding information.

What are the Priority Pass members' Conditions of Use?

1. The cardholder agrees that by using a Priority Pass card or, if applicable, its corresponding Digital Membership Card, they agree to and accept these Conditions of Use. These Conditions of Use will prevail over any other terms and conditions provided to the cardholder in relation to use of the Priority Pass card or its corresponding Digital Membership Card.
2. The Priority Pass card is not transferable and is only valid up to its date of expiry and when it has been signed by the cardholder. The card may not be

used by any person other than the named cardholder and only one Priority Pass card may be used for each lounge visit.

3. The Priority Pass card is not a payment card nor is it proof of creditworthiness and attempts to use it as such could constitute fraud.
4. Admittance to a lounge is conditional upon presentation of one valid Priority Pass card or, if applicable, its corresponding Digital Membership Card per person only (some restrictions may apply to Priority Pass Select cardholders and Priority Pass cardholders in the U.S. that receive their membership through a U.S. financial institution). Payment cards will not be accepted as substitutes for the Priority Pass card.
5. Lounge visits are subject to a per person per visit charge. Where applicable (dependent upon membership plan), all such visits, including those by accompanying guests, shall be debited to the cardholder's payment card by (i) Priority Pass or (ii) the card issuer as per the rates and terms notified by (i) Priority Pass or (ii) the card issuer to the cardholder in respect of their Priority Pass membership.
6. Priority Pass may amend the lounge visit charges at any time on providing 30 days' notice in advance of such change. Where the cardholder receives the Priority Pass card through third party card issuer, any changes in lounge visit charges shall be notified to the card issuer, who is responsible for advising the cardholder. The cardholder agrees that the Priority Pass Group of companies is not responsible for any disputes that may occur between the cardholder and the card issuer nor for any loss incurred by the cardholder relating to any lounge visit charges debited by the card issuer.
7. When presenting the Priority Pass card on entering the lounge, lounge staff will either electronically scan or take an imprint of the card and issue a receipt of visit voucher to the cardholder or make a log entry. The cardholder must sign the receipt of visit voucher, or sign the electronic reader (as applicable), which will also reflect the exact number of accompanying guests, if any, but does not show any per person per visit charge. The charge per visit for the cardholder, where relevant, and that for any guests will be based on the receipt of visit voucher/ /log submitted by the lounge operator.
8. The lounge staff, will where appropriate, make a voucher imprint/log entry of the Priority Pass card, and the cardholder is responsible for ensuring the 'Record of Visit' voucher/receipt/log correctly reflects their own usage and that of any guests at the time of using the lounge. Where applicable, the cardholder is responsible for retaining the 'Cardholder's' copy of the 'Record of Visit' voucher or receipt presented to them at the lounge.
9. Where applicable, cardholders may use a Digital Membership Card for lounge admittance. This is a barcode that represents the cardholder's Priority Pass card and is not transferable, is valid only up to its date of expiry, and may not be used by anyone other than the named cardholder. Use of the Digital Membership Card on the cardholder's smartphone, tablet or other device may require inspection of the Digital Membership Card by a member of lounge staff, including the need for the member of staff to handle the device. Priority Pass accepts no liability for any damage caused to the device, by any member of lounge staff.

10. Not all lounges on the Priority Pass programme accept the Digital Membership Card. In the instance that the lounge is not able to accept the Digital Membership Card the member must present a physical Priority Pass card to gain access. Cardholders are advised to check the Priority Pass website or application to confirm whether a lounge accepts the Digital Membership Card, and should always have a physical Priority Pass card available when visiting a lounge.
11. Access to the lounges for children and the fees for such visits varies across the lounges and the cardholder is advised to check the individual lounge description before travelling.
12. All participating lounges are owned and operated by third party organisations. The cardholder and accompanying guests must abide by the rules and policies of each participating lounge and the cardholder accepts that registering for a lounge does not guarantee continued access. The cardholder accepts that the Priority Pass Group of companies has no control over the lounge operator's decision whether to admit any cardholder, the number of people allowed in any lounge at any time, facilities offered, the opening/closing times, the length of time which cardholders may spend in the lounge and any charges payable for extended lounge visits or the personnel employed by the lounges. The administrators of Priority Pass will use reasonable endeavours to ensure the benefits and facilities are available as advertised, but the cardholder accepts that the Priority Pass Group of companies does not warrant nor guarantee in any way that all or any of the benefits and facilities will be available at the time of the cardholder's visit.
13. The cardholder further accepts that the Priority Pass Group of companies is not liable for any loss to the cardholder, or any accompanying guests, arising from the provision or non-provision (whether in whole or in part) of any of the advertised benefits and facilities.
14. Participating lounges have no obligation to announce flights and the cardholder accepts that the Priority Pass Group of companies shall not be held liable for any direct or indirect loss resulting out of any cardholder and/or accompanying guests failing to board their flight(s). It is the cardholder's responsibility to check the relevant entry requirements for any country being visited and to have the correct travel documentation for the journey.
15. The provision of free alcoholic drinks (where local law permits) is at the discretion of each lounge operator and in some cases may be limited or unavailable. In such cases the cardholder is responsible for paying any charges for additional consumption or Premium alcoholic drinks direct to the lounge staff. (See individual lounge descriptions for details).
16. Telephone and Wi-Fi facilities (where available) vary from lounge to lounge and are provided at the lounge operator's discretion. Free usage of telephone facilities is normally limited to local calls only. Charges for any other lounge facilities are at the discretion of each lounge operator and the cardholder is responsible for paying these direct to the lounge.
17. Admittance to lounges is strictly subject to cardholders and any guests if permitted being in possession of a valid flight ticket and travel documents for the same day of travel. Airline, airport and other travel industry employees travelling on reduced-rate tickets may not be eligible for access.

Outside the US, flight tickets must be accompanied by a valid boarding pass for departing flight, i.e. outbound passengers only. Please note some lounges in Europe are located within designated Schengen areas of the airport which means that access is only provided to these lounges if cardholders are travelling between Schengen countries (an up to date list of Schengen countries is detailed at http://ec.europa.eu/dgs/home-affairs/what-we-do/policies/borders-and-Visas/schengen/index_en.htm).

18. Admittance to lounges is subject to cardholders and any guests if permitted (including children) behaving and dressing in accordance with the relevant lounge terms and conditions and any person not complying with such terms and conditions may be asked to vacate the lounge facilities. The Priority Pass Group of companies is not liable for any loss suffered by the cardholder and any guests where a lounge operator has refused admission because the cardholder and/or guests have not complied with these conditions.
19. To the fullest extent allowed by law, the Priority Pass Group of companies accepts no responsibility for the actions of the cardholder when using any participating lounge and shall not be responsible for any personal belongings brought into a lounge by cardholders.
20. Lost, stolen or damaged Priority Pass cards are to be notified immediately to (i) the Priority Pass office from which the card was issued or (ii) to the card issuer, who shall be responsible for providing a replacement card. A charge may be levied for any replacement card.
21. In the event of the cardholder cancelling or not renewing their Priority Pass membership or their payment card with the card issuer, the Priority Pass card shall be invalid effective from the cancellation date or the expiry date (as applicable) of their Priority Pass membership or their payment card. Any lounge visits made by a cardholder using an invalid card, including any guests, shall be charged to the cardholder. In the event that Priority Pass membership has been revoked due to the cardholder's payment card being cancelled, Priority Pass reserves the right to pursue legal action to recover any outstanding charges. Cancellation of membership must be in writing to the Priority Pass office where the card was issued.
22. Renewal terms and conditions are at the sole discretion of Priority Pass. Priority Pass has the right to refuse membership to people who are employed by or contracted to an airline, airport or a Government in respect of airline or airport security.
23. If the cardholder has agreed to automatic billing, Priority Pass membership will be automatically renewed if the cardholder does not cancel such membership, in writing, at least 30 days prior to the end of the membership.
24. If the cardholder has agreed to standard billing, Priority Pass membership will expire if the cardholder does not inform Priority Pass that they wish to renew their membership in writing prior to the end of the membership.
25. The Priority Pass Group of companies shall not be held responsible for any disputes or claims that may occur between the cardholder and/or any guests and a lounge operator, and the Priority Pass Group of companies shall not be liable for any costs, damages, losses or expenses related to such disputes.

26. The Priority Pass Group of companies reserves the right at any time in its sole discretion and without notice to revoke membership to Priority Pass or to terminate the Priority Pass Programme. Where applicable a proportional refund of the annual fee/enrolment fee (whichever is applicable) will be made provided revocation has not been made because of fraud or misuse by the cardholder.
27. The cardholder agrees that s/he will defend and indemnify the Priority Pass Group of companies, its directors, officers, employees and agents (collectively 'the indemnified parties') against and hold each indemnified party harmless from all liabilities, damages, losses, claims, suits, judgments, costs and expenses (including reasonable legal fees) for injury to or death of any person or damage to or destruction of any property arising out of the use of any lounge by the cardholder or any other person accompanying the cardholder, except that such indemnification shall not extend to acts of gross negligence or willful misconduct by the indemnified parties.
28. Priority Pass makes no representations as to any income, use, excise or other tax liability of cardholders as a result of their Priority Pass membership. Cardholders are advised to check with their accountant or tax adviser for further information. The cardholder is solely responsible for any tax liability as a result of Priority Pass membership.
29. The Priority Pass website may contain links to websites, offers or programmes that are operated or owned by third parties that are not part of or controlled by the Priority Pass group of companies. The Priority Pass group of companies accepts no responsibility for the content of any such third party websites, or in relation to the redemption of any offers by third parties. The Priority Pass group of companies shall not be liable for any loss or damage that may arise from the cardholder's use of any third party websites, offers or programmes.

35. Priority Pass reserves the right at all times to make any changes to these Conditions of Use subject to giving cardholders reasonable notice as appropriate in the circumstances.
36. To the extent permissible by local law or regulation these Conditions of Use shall be governed by and construed in accordance with English law and Priority Pass and the cardholder submit to the non-exclusive jurisdiction of English courts to resolve any disputes that arise out of them.

Travel and Insurance Benefits

Auto Rental Insurance

Republic Bank / AAdvantage® Visa Infinite Credit Cardholders with this benefit may obtain the Auto Rental Insurance at no additional cost each time they rent an automobile using their Republic Bank / AAdvantage® Visa Infinite Credit Card. The cardholder must decline the Collision Damage Waiver (CDW/LDW) or similar coverage offered by the auto rental company. Coverage is offered by Chartis AIG.

Eligibility

To be eligible for this insurance coverage:

- Cardholders must use their Republic Bank / AAdvantage® Visa Infinite Credit Card to reserve and pay for the entire cost of the auto rental.
- All drivers authorised to operate the rental vehicle in accordance with the rental car agreement should be covered.
- No person other than the cardholder or other authorised drivers shall have any legal or equitable right, remedy, or claims of insurance proceeds and/or damages under or arising out of this coverage.

If you are unable to decline the auto rental company coverage, the coverage will be “secondary” to the auto rental company coverage and will be responsible for any gap between the auto rental company coverage and the damages for which you are responsible.

Coverage

The AIG Auto Rental Insurance covers Republic Bank / AAdvantage® Visa Infinite Credit Cardholders up to the actual cash value of the vehicle, the cost of repairs or replacement value of the rental vehicle while said vehicle is in your possession.

The following specific costs are included in the policy:

- Damage due to collision.
- Theft of vehicle and related charges.
- Malicious vandalism charges.
- Loss due to accidental fire as long as the liability rests with the cardholder.

The following specific costs are not included in the policy (this is a summary of the exclusions; complete exclusions are contained in the policy on file with Visa International).

- Any obligation assumed by the cardholder under other agreements.
- Injury to any person or damage to any object that is inside or outside the rental vehicle.
- Loss or theft of personal belongings.
- Personal liability.
- Expenses assumed, waived or paid by the auto rental company or its insurer.

- The cost of the insurance coverage purchased through the auto rental company.
- The operation and care of the vehicle contrary to the terms of the auto rental contract.
- Losses resulting from intentional acts, or losses arising from admission of guilt, being prosecuted or found guilty by a court of law of being under the influence of drugs or intoxicating substances, or as a result of illegal activities or smuggling.
- Gradual wear and tear due to normal use or mechanical problems.
- Losses arising from any type of hostility (including war, invasion, rebellion or insurrection).
- Confiscation by the authorities.
- Vehicles that do not fit the definition of covered vehicles.
- For rental agreements in excess of 31 days there is no coverage after the 31st day.
- Leases and mini-leases.

What happens if the auto rental company insists that you buy its insurance?

You must ask the auto rental company representative to call the claims administrator toll free at the number assigned to the country, or collect from any country in the world. The claims administrator can provide a confirmation of coverage. You can also obtain a “certificate of coverage” from the issuer prior to travel.

Where and when is coverage effective?

This insurance is effective when you rent a covered vehicle and the Visa card issuer provides the coverage. This coverage is available 24 hours a day and will remain in effect while the vehicle is in the possession of any of the drivers named in the contract. The coverage will cease as soon as the rental car is returned to the auto rental company. Vehicles rented for rental periods of more than 31 days are not covered after the 31st day.

What type of insurance coverage is provided?

This coverage is “primary” coverage. If you are unable to decline the auto rental company coverage, the coverage will be “secondary” to the auto rental company coverage and will be responsible for any gap between the auto rental company coverage and the damages for which the cardholder is responsible.

Which vehicles are covered?

Most cars are covered, including:

- Some luxury cars such as BMW and Mercedes Benz.
- Some minivans designed to transport a maximum of ten passengers, including the driver, and used exclusively to transport passengers.

- Jeeps (4 x 4) provided they are not driven outside the government maintained roads.

If you have any questions regarding a specific vehicle, you should call the claims administrator.

Rental cars not covered

Rental cars that are not covered include:

- Expensive and exotic cars, including but not limited to Aston-Martin, Bentley, Bricklin, Daimler, DeLorean, Excalibur, Ferrari, Jensen, Lamborghini, Lotus, Maserati, Porsche and Rolls-Royce.
- Very old automobiles (over 20 years old, or which were not manufactured in the last 10 years).
- Trucks, pick-up trucks for commercial use, motorcycles, mopeds, motor bikes, limousines, campers, trailers and recreational vehicles.

What should I do in the event of an accident or theft?

If you are involved in an accident or the rental vehicle is stolen, you should call the claims administrator immediately. A representative will answer any questions you or the auto rental company representative may have, and will send you a claim form.

The auto rental company might require you to pay for damages with your Visa card. If this happens, the insurance company will reimburse you directly for the covered amount after the claim is processed.

You are required within 30 days after the accident or theft to notify the claims administrator via telephone call. A toll free number or worldwide collect number is available. Not doing so might result in denial of the claim.

What do I need from the auto rental company in order to submit a claim?

As soon as the accident occurs or you return the rental vehicle, you must request the following from the auto rental company:

- A copy of the accident report and a completed claim form indicating the costs for which you are liable.
- A copy of the initial and final auto rental agreement (front and back).
- A copy of the repair estimate and final repair invoice.
- If available, two photographs of the vehicle showing damages.
- For claims including "loss of use" charges by the auto rental company, a copy of the daily utilisation record for the loss period, if available.
- A copy of the police report (if any).

How is the claim submitted?

You must notify the incident to the claims administrator no later than 30 days following the accident or theft.

Within the time frame stated on the claim form, you must fill out and sign the claim form and submit it accompanied by:

- A copy of the sales receipt showing that the full auto rental was reserved and paid with your Republic Bank / AAdvantage® Visa Infinite Credit Card providing this coverage.
- All documentation you receive from the auto rental company (see the list above under section “What do I need from the auto rental company in order to submit a claim?”) must be sent within the time frame stated on the claim form to:

After you report the damage or theft, the claim will remain open during a period of 12 months following the date of loss. During that period, you must support the claim as required. No payment will be made until the claims administrator has received all necessary documentation at its offices.

What else should I do?

In normal circumstances, the claim will be paid within a period of 15 days from the date the claims administrator receives all required documentation. However, as soon as the claim is paid, all rights against any person in connection with the damage or theft will be transferred to the insurance provider.

This means that the insurance provider will have the right to file suit on its own in the cardholder's name. You will assist the insurance provider in any way, as reasonably requested by the insurance provider, in order to help the insurance provider enforce any rights or recourse the insurance provider may have, including the execution of all documents required by the insurance provider to file suit in the cardholder's name.

General programme provisions

You will do your best to avoid or reduce any losses or damages to the property insured under this programme. Please keep in mind that the Insurance Provider will not apply this provision unreasonably to avoid a claim. If you make any claim knowing it to be false or fraudulent in any respect, you will no longer be entitled to the benefits of this protection, nor to the payment of any claim made under this policy. This insurance is subject to the terms and conditions described and includes certain restrictions, limitations and exclusions. AIG and/or corresponding reinsurer, if applicable, will not be liable to provide any coverage or make any payment hereunder if to do so would be in violation of any sanctions law or regulation which would expose AIG and/or corresponding

reinsurer, if applicable, its parent company or its ultimate controlling entity to any penalty under any sanctions law or regulation.

This description of coverage is not a contract of insurance and is intended to be a general informative statement of the coverage made available by Visa International throughout the Latin America and Caribbean Region

In the event of any discrepancy between the policy and the description of the programme, the policy will govern. This policy is on file at the offices of Visa International, Latin America and Caribbean Region.

If you need to submit a claim or have any question regarding this programme, you should call the Assistance Centre at the toll free number assigned to your country. The Assistance Centre operates 24 hours a day, 365 days a year.

We are empowered to cancel or decline renewal of any Visa cardholder's insurance coverage. If we do so, the card issuer will give you at least 60 days advance notice. If the Insurance company does not renew or cancels any coverage provided to Visa cardholders, you will be notified at least 60 days prior to the date the policy expires. In the event a substantially similar coverage becomes effective without interruption, said notice will not be required. The Auto Rental insurance will continue to apply to rentals that were effective prior to the date of cancellation or non-renewal, provided all other terms and conditions of coverage are met.

As an International Visa cardholder, you will be reimbursed up to the maximum benefit amount, in excess of any other valid and collectible insurance or common carrier reimbursement paid or payable, for the cost of replacement of the baggage and contents, provided the common carrier verifies the loss. For losses resulting from the insured person being unavoidably exposed to the elements due to an accident, the benefits will be payable as if resulting from an injury. Loss must occur within 365 days of the accident.

The company will pay the benefit for loss of life if the body of an insured person cannot be located within one year after the forced landing, stranding, sinking or wrecking of a conveyance in which such person was a passenger, then it shall have suffered loss of life within the meaning of the policy.

If the insured has multiple losses as the result of one accident, the company will pay the single largest benefit amount applicable. Trip Delay

As a Republic Bank / AAdvantage® Visa Infinite Credit Cardholder with this benefit, you, your spouse and your dependent children under 23 years of age, will each be insured automatically up to the benefit amount for reasonable expenses if your covered trip is delayed for more than four hours which is caused by a covered hazard provided the full travel fare has been charged to your Republic Bank / AAdvantage® Visa Infinite Credit Card. Coverage is in excess of any other applicable insurance.

What do I need to be eligible?

You must possess a valid and active Republic Bank / AAdvantage® Visa Infinite Credit Card and use it to purchase the entire travel fare(s).

Are frequent flyer and rewards tickets covered?

All frequent flyer, rewards and complimentary common carrier tickets are covered if there are taxes and/or fees associated with the ticket issuance and they are charged in their entirety to an eligible Visa card. If there are no taxes or fees, or they are paid with rewards points, only tickets earned as direct result of charges made with an eligible Republic Bank / AAdvantage® Visa Infinite Credit Card will be covered. The bank will have to send a letter to guarantee that the points acquired in the loyalty programme were generated by the use of the Visa card covered by the insurance.

What is a common carrier?

A common carrier is any land, water or air conveyance operated under a valid licence for the transportation of passengers for hire.

Which are the covered hazards?

- For delays caused by equipment failure, your Republic Bank / AAdvantage® Visa Infinite Credit Card will cover the expenses incurred as a result of any sudden, unforeseen breakdown in the common carrier's equipment that caused a delay or interruption of the trip.
- For delays caused by inclement weather, your Republic Bank / AAdvantage® Visa Infinite Credit Card will cover you in the case of any severe weather condition which delays the scheduled arrival or departure of a common carrier.
- For delays caused by a strike, your Republic Bank / AAdvantage® Visa Infinite Credit Card will cover the expenses incurred as a result of any labour disagreements that interfere with the normal departure and arrival of a common carrier.

What expenses are covered as a result of a delay?

You will be covered for the reasonable additional expenses, such as meals and lodging, which were necessarily incurred as the result of the aforementioned covered hazards, and which were not provided by the common carrier or any other party free of charge. The maximum coverage of USD300, is the total benefit payable regardless of the number of or length of the delays.

What is not covered?

You will not be covered for any delay due to an insured covered hazard which was made public or known to the insured prior to the departure of the covered trip.

How do you file a claim?

You must call the Visa Assistance Centre within 30 days following the date of the insured trip delay. The representative will answer any questions you may have and will send you a claim form. Section B. International Emergency Medical Services Terms and Conditions

Introduction

We recommend that you read "Section A. Introduction" above before reading the section below. In addition, the reading of "Section C, Definitions for the benefits described in this guide" is fundamental for the understanding of the concepts used hereinbelow, as well as for knowledge of the exclusions that apply to this benefit. Please note the definitions below are applicable for the benefits described in the terms and conditions.

The international emergency medical services benefit will be offered to beneficiaries up to the limit of the benefit, during an eligible trip. The beneficiaries will use the benefit, either when travelling internationally together or separately.

In order to use this benefit, the beneficiaries must have purchased the international ticket with an eligible Republic Bank / AAdvantage® Visa Infinite Credit Card issued in Latin America and the Caribbean Region and must provide proof of purchase of the international ticket in order to use this benefit. In addition, the benefits provided in these Terms and Conditions are only valid for an eligible trip for up to sixty (60) consecutive days from the departure of country of residence or country of card issuance of such eligible trip.

In the event that the beneficiary can not provide a proof of purchase of the international ticket bought with an eligible Republic Bank / AAdvantage® Visa Infinite Credit Card issued in Latin America and the Caribbean Region or such other required documentation, customer service will only coordinate the medical assistance for the beneficiary and will not cover any expenses related to the IEMS.

appropriate medical facilities at the site where the accident or medical emergency occurred, customer service will coordinate the emergency medical evacuation and the appropriate benefits will be applied to the usual, reasonable and customary expenses incurred for the emergency medical evacuation to the nearest medical facility equipped to provide the adequate emergency treatment.

- b. **Repatriation of mortal remains:** In the event of the beneficiary's unexpected death during an eligible trip, our customer service will secure the proper governmental authorisations and pay for the usual, reasonable and customary expenses to preserve and bring the beneficiary's mortal remains and the required country of residence casket for repatriation of the mortal remains to the beneficiary's country of residence. The costs of a funeral are excluded.
- c. **Repatriation of beneficiary:** If it is determined by our customer service that it is medically necessary for the beneficiary to be admitted to a medical facility in the beneficiary's country of residence, customer service will coordinate and the appropriate benefits will be applied to the usual, reasonable and customary expenses incurred for the repatriation to a medical facility equipped to provide the adequate treatment to the beneficiary in the country of residence.
- d. **Early return or extended stay:** In the event there is an additional charge imposed by the transportation company for a ticket change requested for the early return or the extended stay of the beneficiary due to the death, medical emergency or accident of a different beneficiary when travelling together, this benefit will cover the cost of changing the international ticket to an international ticket comparable to the travel arrangements of the original itinerary. If there is no way to change the international ticket, this benefit will cover the costs of a new international ticket comparable to the travel arrangements of the original itinerary. This benefit only covers the return of the applicable beneficiary to the country of residence. Travel arrangements for the escort will be made in the same class of service as the original itinerary of the elderly dependent or the economic dependent.
- f. **Convalescence:** In the event the beneficiary needs convalescence as a result of a covered hospitalisation due to an accident or medical emergency, this benefit will cover the costs of up to a maximum five (5) nights of comparable accommodations where the beneficiary was staying during the eligible trip when the accident or medical emergency occurred. Customer service must pre-approve or coordinate and make all the necessary arrangements. If the beneficiary does not contact customer service prior
