

Please note:

1. These lists are not exhaustive.
2. Don't assume that the canned and dry versions of a food will be similar in nutrient content.
3. Different flavors of the same food can be very different in nutrient content. If list specifies a flavor, it refers to that flavor only.
4. Information updated Oct, 2019. Nutrient content of diets can change so check back regularly for up-to-date information (or check with the manufacturers).

REDUCED SODIUM FOODS - Canine (In order of decreasing sodium content)
