*Christina Aguilera: **Enter the Circus** opening song*

Opening (Dialogue)

Ladies and Gentlemen

Boys and girls

Step right up, step right up

Come close, you won't believe your eyes

Behind this curtain witness something you've never seen before

The most amazing show

I ask you do you want to come and play.

Aaaahahaha

Come and play

So sit back, relax, and fasten your seatbelts

It's going to be a bumpy ride to the other side...
