

Microsoft in Education

Empowering the students of today to create the world of tomorrow.

Ian Fordham
Director of Education
 @ianfordham

Unlock Limitless Learning

We believe in the potential of every student. We believe teachers deserve more time to teach. And we believe, with the right tools, everything is possible.

Microsoft in Education

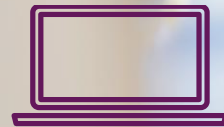

Giving educators great tools to create better learning outcomes for *all* students.

Saving educators time and giving you more ways to bring lessons to life

Empowering every student, teacher and school with devices and skills for today and the future

Let's Unlock Limitless Learning

**London's largest crowd-
sourced festival of tech
returns...**

The iconic city of London becomes the back drop for a week long festival of tech and innovation once again this June. Bringing together 55,000 attendees to enjoy the hundreds of crowd-sourced and anchor events taking place across the city, London Tech Week 2018 promises to be the boldest festival yet.
