Java 8 installation and Configuration for ASYCUDA World

1. Go to the website

http://www.oracle.com/technetwork/java/javase/downloads/jre8-downloads-2133155.html and download the Java Runtime Environment 8 that is compatible with your operating system.

- a. If your computer has a 32 bit operation system, you should download "Windows X86 offline 53.81 MB jre-8u121-windows-i586.exe" shown below: Windows x86 Offline 53.81 MB €jre-8u121-windows-i586.exe
- b. If your computer has a 64 bit operating system, you should download "Windows X64 offline 61.18 MB jre-8u121-windows-x64.exe", shown below.
 Windows x64 Offline 61.18 MB €jre-8u121-windows-x64.exe
- 2. Once the download is complete, click the executable file and click the install button to begin the installation
