PAST PERFORMANCE

Huntington Ingalls Industries

TechComp designed, built, & programmed one of the largest *distributed* Wonderware ArchestrA SCADA projects on the East Coast for Huntington-Ingalls (formerly Northrop Grumman) Newport News Shipbuilding facility.

Aquatic Bath

TechComp has completed over 20 projects at Aquatics' seven plants throughout the U.S. such as: machine control refits, automation projects, motion controls, robotics controls, safety systems, and corporate wide ERP data collection & reporting systems.

DuPont-DCI

TechComp has designed, built, & implemented a plant-wide Manufacturing Execution System (MES) for DuPont-DCI in Richmond, VA. The MES encompasses 2 plants & 14 processes. This system includes order & inventory management, production WIP tracking & traceability, recipe management, SCADA System, & machine control.

Kraft Foods

TechComp has worked with multiple plants for Kraft since 2003. During this time we have completed a multitude of projects including: machine control refits, automation projects, plant wide Overall Equipment Efficiencies (OEE), asset management solutions, robotics, cooking systems, & water treatment controls.
