# Employer Directory

for the

## Bioscience & Pharmaceutical Sectors

Last updated: August 2018

Careers+Placements [www.aston.ac.uk/careers](http://www.aston.ac.uk/careers)

# How to use this Directory

---

This Directory lists almost 200 employers and recruitment agencies, primarily in the bioscience and pharmaceutical sectors although a few also support the food and drink industry.

Many are multinational organisations with offices in several countries, so the contact details included here relate to the relevant UK office (if possible) or the corporate headquarters.

The employers are listed alphabetically.
