

Gmail – Farmingdale Student Email

To access your Farmingdale student email from any web browser type:

gmail.farmingdale.edu

Email Username

Student usernames are typically the first 4 letters of your last name, first initial, middle initial and possibly followed by a random number.

If you don't know your email username:

- Log into OASIS
- Under Personal Information, click on View E-mail Addresses

Email Password

*First time users MUST reset their password before logging in.

To reset the password, click on the **“Student Password Reset”** link on the Gmail login page
Follow the instructions carefully.

Password requirements:

- Minimum password length is 8 characters
- Old passwords cannot be reused
- Passwords expire every 120 days.

Once you login, you will see the below Gmail web interface.

To **“Sign out”**, click on your account name in the top right hand corner (circled below).
