### ***School Calendar***

Classes at the WANIC Skill Center and DigiPen follow the Lake Washington School District schedule. The LWSD District Calendar is available on the LWSD website in [English](#) and [Spanish](#).

*NOTE: WANIC students do not release early on Wednesdays.*

### ***Emergency Closure***

As a courtesy, local radio stations and [flashalert.net](http://flashalert.net) will announce school cancellations, delays, and early dismissals due to inclement weather or emergencies. WANIC Skill Center will be delayed/closed in conjunction with the Lake Washington School District. If Lake Washington Institute of Technology (LWTech) or DigiPen is closed, WANIC classes held on those campuses will also be cancelled. LWTech recommends registering with [Omnilert](#) to have updates sent directly to you.

## **SPECIAL SERVICES**

---

Individual Education Plans (IEPs) and/or Section 504 Accommodation Plans are designed for students with specific learning, behavior, or health needs. Once determined eligible, students may receive support and/or accommodations in the classroom setting. All necessary determinations of individuals who qualify for such services as well as any supports or accommodations deemed necessary are the responsibility of the student's sending high school. Students with Individual Education Plans or Section 504 Accommodation Plans must remain enrolled in a sending high school in order to continue receiving special services support while attending WANIC.

## **SAFETY**

---

On-the-job safety is a vital part of all occupations and is a part of each program at WANIC. Everyone is expected to demonstrate safe work habits. WANIC reserves the right to search the following but not limited to lockers, backpacks and vehicles that are on campus and at school-related events if reasonable suspicion exists. Safety violations are subject to strict discipline, including possible dismissal from a program. The following safety regulations, adopted from industry standards found on the job, are to be observed at all times:

1. **Safety Rules:** Students are expected to know, understand and follow safety rules as well as maintain an orderly and clean work area. Individual program safety rules are posted and must be followed.
2. **Eye Safety:** If a student is involved in a program of a hazardous nature WISHA code clearly states individuals must wear appropriate industry-quality eye protective devices as designated.
3. **Handling Blood/Body Fluid:** Gloves (available in each classroom) must be worn if contact with blood or other body fluid is possible.
4. **Food-Borne Illness:** Care must be taken in program activities involving the handling of food in an effort to prevent food-borne illness from occurring.

5. **Fire Drills and Emergency Procedures:** Plans have been developed that will ensure the maximum efficiency and safety for evacuating the building during fires or other emergencies. Drills are to be taken seriously. Instructions will be posted for students in each room. Teachers will discuss the instructions periodically with the students.
6. **Closed Campus:** WANIC, as well as any program associated with, but not located on, the main campus, is considered closed. Closed campus directly refers to a student's ability to leave campus prior to regular dismissal time. Once a student has arrived at WANIC they are expected to remain on campus for the full duration of their session unless they have received prior approval from the WANIC office. Students who need to leave campus prior to regular dismissal time will need to follow established check out procedures with the front office that includes verifiable parent/guardian contact. Students who choose to violate the closed campus policy may be subject to disciplinary action as deemed appropriate by WANIC administration.

## **ATTENDANCE**

---

WANIC follows an attendance policy similar to business and industry in that a student is considered an employee or a professional and is expected to be in full daily attendance in order to assure that maximum learning and productivity are achieved. Daily attendance and active participation in each class is a critical part of the learning process. The following policies and procedures are designed to help students learn responsibility and increase their potential for success. As part of recognizing the importance of this issue, parents and student are responsible for both being aware of student's attendance and correcting any error in a timely manner.

Programs at WANIC Skill Center include numerous hands-on activities which can be attained only by being in attendance. The skill application and practice in the lab setting is critical to skill competency.

All program instructors maintain the standards and attendance expectations for their programs. Individual teacher policies may include grade consequences related to attendance. Refer to teacher syllabus for specifics.

An absence may not be approved if it causes a serious adverse effect on the student's educational progress.

If a student is chronically absent, the school principal shall have reason to consider that further absences may have an adverse impact on the student's educational progress and therefore that further absences shall not be considered excused until a conference is held to develop a plan to support the student and that the student is in compliance with such a plan.

### **Tardies**

Students are expected to be in class each assigned class period on time. Corrective action may be taken when a student's tardiness becomes frequent or disruptive.

These standards teach what employers expect of their employees:

- **Being dependable** – Students are expected to be at school/work every day.
- **Being on time** – Students are expected to be prompt, not late, and ready to work.
- **Doing a full day's work** – Students are expected to stay on task, not leaving early or stopping work early, but complete what is expected and put materials away.

## ***Absence Procedures***

**Absences must be reported by the parent/guardian to the WANIC Office within 48 hours of the missed day.** There are four ways to excuse an absence:

- A parent/guardian can submit an absence request online via the LWSD Skyward Attendance module (instructions will be emailed to all parents/guardians)
- A parent/guardian can email [wanic@lwsd.org](mailto:wanic@lwsd.org).
- A parent/guardian can phone 425.739.8400 (messages can be left 24 hours a day).
- A parent/guardian can send a written note, signed by the parent/guardian, directly to the WANIC office.

All attendance communication must include the student's full name, date of absence, and detailed reason for the absence and must be submitted directly to the WANIC office. Please review [the JED file on the LWSD website](#) and [the JED-R file on the LWSD website](#) for more information on State laws regarding school absences. Until a valid reason is provided, the absence will be considered unexcused. Verification from a medical professional may be required for excessive absences. It is the student's responsibility to have their parents excuse absences on time.

*Absence excuses must be communicated directly to the WANIC office. We encourage communicating to the teacher too, however, the WANIC office must hear from the parent/guardian directly in order to excuse an absence. It is not the teacher's responsibility to relay parent messages to the office.*

**Pre-Arranged Extended Absence** If it is unavoidable that your student will be missing three or more school days, you must complete the [Pre-Arranged Absence Form](#) at least one week prior to the absence. This form requires approval from both the instructor and the WANIC Director, who will consider the student's current grade, attendance record, and the impact additional absences will have on the student's academic progress. This form can be found [at this link](#) or picked up in the WANIC office.

We believe that students need to be in school to receive the fullest measure of educational benefit and we would like to work with you to eliminate unnecessary absences. We understand that there are legitimate reasons that a student needs to be absent and will work with you and your student when these circumstances do occur. Poor attendance may impact your student's grade. In our effort to communicate and work together for your student's success, grade and attendance information is available any time online through LWSD Skyward Family Access.

## ***Emergency Release & Illness***

Students, if you become ill during the day, report to your teacher. Do not leave school for any reason without signing out and without parent/guardian approval or you will be considered truant.

## **CARE OF SCHOOL PROPERTY**

---

Students are responsible for the proper care of all school property including but not limited to books, supplies, technology and furniture. Anyone who damages or loses property or equipment will be required to pay for the item to be repaired or replaced. Anyone misusing or abusing school property will be subject to disciplinary action.

In computer labs, care must be taken to protect equipment from damage. Specific restrictions may be applied by program instructors regarding the use and consumption of food or beverages within a computer or classroom lab setting. Liquids, if allowed by instructor, are to be limited to containers that can be sealed and hands must be cleaned of all sticky or oily residue.

## **TRANSPORTATION**

---

Students provide their own transportation.

Students who are authorized to drive to and from any WANIC campus must know and observe the following regulations:

- Student vehicles are to be parked in designated spaces only. Vehicles must occupy only one parking space. Cars parked in unauthorized areas may be ticketed or towed.
- Handicapped parking is available.
- Student parking must comply with city fire codes; do not block fire lanes around the building.
- Follow the posted speed and stop signs on campus at all times. Speeding or careless driving on campus grounds or on streets bordering the campus or at off-campus sites may cause loss of driving privileges and/or further disciplinary actions.
- Drivers are responsible for keeping all litter contained in your vehicle. Littering is not permitted on any WANIC campus including the parking lot, the street bordering the campus, or at any off-campus sites.
- Music must be at a level that will not be disruptive to the educational process. Music should not be able to be heard outside of the student's vehicle.
- The parking lot is considered **off limits** during session hours. Students must gain permission from a staff member prior to going out to the parking lot for any reason during session.
- Drivers shall, at all times, yield the right of way to school busses and pedestrians.

Students who are authorized to drive to and from DigiPen will receive a parking pass from them.

Failure to follow the above stated rules may result in the termination of driving/parking privileges and/or further disciplinary action.

## **CELL PHONE/ELECTRONIC DEVICES**

---

Cell phones and electronic devices are to be silenced and put away during class time. It is the intent of WANIC Skill Center and the Lake Washington School District to provide a safe, productive, positive, and disruption-free classroom and learning environments. Use of cell phones (including texting, taking pictures and videos, etc.) and other electronic devices can be disruptive to the classroom environment and must be silenced when entering the program area. Programs may have additional guidelines regarding cell phones and electronic devices noted in the program syllabus.

Consequences for inappropriate cell phone and electronic device use can range from a verbal warning to confiscation of the cell phone and electronic device.

## **DRESS CODE**

---

Dress standards at WANIC are established in an effort to directly connect to the expectations in an employment setting. Therefore, *several of the standards acceptable at the comprehensive high school level may not be deemed acceptable by WANIC employability standards.* WANIC instructors will provide dress code regulations specific to each program.

# WANIC MINIMUM DRESS CODE

In order to facilitate learning for all students, WANIC requires that student dress and appearance follow health and safety standards and not cause disruption to the learning environment. Students who do not follow these guidelines will be asked to change their clothing, cover up, or go home, if necessary.

The clothed portions of this figure represent both the front and back areas of the body which must be covered in all positions (sitting, standing, bending, reaching) while attending school.

**Upper TORSO:**  
Clothing must cover stomach, back, shoulders, chest and undergarments.

**Lower TORSO:**  
Shorts, skirts and dresses must be longer than mid-thigh. Undergarments must be covered.

**FEET:**  
Footwear must be worn at all times and be appropriate to the activity.

**Additional Guidelines**

**Clothing that promotes** drugs, alcohol, tobacco, violence, is sexually suggestive, or displays inappropriate pictures, writing or innuendo is prohibited.

Any clothing worn in a manner identified as **gang-related** is prohibited.

Jewelry that can pose **safety hazards** is prohibited.

**Exceptions** to dress code standards may be made for PE or school activities.

*A good general policy regarding the dress code is: If there is ANY QUESTION about an item being inappropriate, DO NOT WEAR IT.*

If the student's dress or grooming is objectionable under these provisions, the principal/designee shall request the student to make appropriate corrections. If the student refuses, the principal/designee shall notify the parent/guardian and request assistance in guiding the student to make the necessary correction. If both the student and parent/guardian refuse, the principal/designee shall take appropriate corrective action. Students may be suspended, if circumstances so warrant and students who violate provisions of the dress code relating to extracurricular activities may be removed or excluded from the extracurricular activity for such period as the principal/designee may determine. All students shall be accorded due process safe-guards before any corrective action may be taken.

- Inappropriate dress includes but is not limited to: hats/bandanas or other headwear and/or clothing which disrupt the education process and/or promote tobacco, alcohol, drug use, or promote or imply profanity, obscenities, sexual suggestion, or gang involvement are not allowed. Clothing which exposes the midriff, chest, or open back area are not allowed. Tube or spaghetti strap tops or other clothes that expose or do not fully cover all undergarments are not allowed. Skirts, dresses or shorts which do not substantially cover the majority of the thigh area are not allowed.
- All dress standards apply in addition to or in conjunction with the employment standard of each program as defined by the program instructor.
- Protective clothing as required by Washington Industrial Safety & Health Administration (WISHA) is required.
- Dress or appearance must not present a health or safety hazard.
- Everyone must wear shoes at all times.

## DISCIPLINE

---

WANIC will help students to develop and reinforce self-control, orderliness, respect, and efficiency necessary to maintain a positive attitude, self-discipline, and overall effectiveness as a future employee.

Each staff member at WANIC is committed to proactive involvement with students by anticipating needs and always treating individuals fairly, openly, and honestly. If disciplinary action is warranted this will result in referral to the student's sending high school for disciplinary measures.

## EMERGENCY/FAMILY INFORMATION

---

**Health Information** - Parents/guardians have the primary responsibility for a student's health. WANIC does not have a full-time on-site school nurse or health room, so anyone who is too ill to be in class needs to identify an emergency contact person who is available for transportation home.

**School Accident Insurance:** WANIC and the Lake Washington School District do NOT provide medical insurance coverage for accidents or injuries resulting from participation in school or school-related activities. This means that the student's parent or legal guardians are financially responsible for any cost associated with such accidents. If a student has no medical insurance or wishes to supplement existing insurance, information detailing available accident insurance plans is available. Please contact the WANIC office. WANIC is not acting as an insurance agent; it is only making information available to interested parties.

**Privacy Rights:** Federal law prohibits school districts from releasing information found in student files without parent/guardian permission, except for what is called Directory Information. Parents can tell the school and district to keep Directory Information private as well. You can specify your Directory Information options at the same time that you verify your student's information in LWSD Skyward Family Access. This must be done before September 15 each year. Or you may write a letter to WANIC explaining your request to withhold Directory Information.

To set options online: In LWSD Skyward Family Access, in the Online Student Information Verification section, in Step 1 a. at the bottom of the page, you will find the "Allow Publication of Student's Information for:" section. You can select Yes or No to the following options:

- **Military:** If you select No, LWSD will not release student information to military recruiters.
- **Higher Ed:** If you select No, LWSD will not release student information to institutions of higher education.
- **Public:** If you select No, student information will not be shared with any person, entity or organization outside of the school district and its partner organizations. Your child's information will NOT: appear in news releases, be announced at graduation, or posted on school or district websites. **If you select No, we will not take photographs/videos of your student participating in any classroom, lab, or field trip activities.**
- **District:** If you select No, student information will not be used in any communication within the school district and its partner organizations. Your child's information will NOT: be published in student directories or posted on internal school websites. **If you select No, we will not take photographs/videos of your student participating in any classroom, lab, or field trip activities.**

All these options default to Yes.

**If you set either the Public or District options to No, be sure to inform your student so they understand why they will not be included in any photographs or videos during WANIC activities.**

## **SECURITY OF PERSONAL ITEMS**

---

Personal items should never be left unattended in any program area. WANIC is not responsible for loss of personal items.

## **LOST & FOUND**

---

Any person who finds an item should bring it to the office. If an item has been lost, check in the office to see if it has been turned in.

## **QUESTIONS & INFORMATION**

---

Students are encouraged to contact their instructor or the WANIC office for questions regarding:

- Schedules or activities
- Attendance
- Program offerings
- Enrollment
- Grades
- Financial assistance
- Personal or academic concerns

## **GRADING**

---

WANIC grades are assigned quarterly and transcripts are forwarded to each home high school at the end of each semester. Students may receive up to three high school credits per year. Grading categories include at a minimum, but not limited to the following areas:

- **Employability:** Demonstrated employability, punctuality and participation, overall quality of work, attitude and conduct, adherence to safety rules, and leadership.
- **Knowledge:** Demonstrated understanding of related theory, test scores, and written work.
- **Skills:** Demonstrated application of related theory, lab work, project, and attainment of identified competencies.

**ONLINE GRADING:** Students and parents/guardians are given access to view their grades and attendance online through LWSD Skyward Family Access.

**Note: A grade of “F” may be recorded for a course dropped at any time after the 10th day of the semester.**

## **PACIFIC NW COLLEGE CREDIT**

---

Most WANIC programs offer Dual Credits (students can earn both high school AND college credit). Students who successfully complete their program with a grade of B or better are eligible to receive college credits. For more information visit the Pacific NW College Credit (formerly Tech Prep College Connections) website <https://www.pnwcollegecredit.org/>. DigiPen students should speak with their instructor to learn about earning college credits for DigiPen Institute of Technology.

## **LEADERSHIP ACTIVITIES**

---

WANIC leadership activities exist to give all students an opportunity to develop a sense of belonging, greater school pride, leadership skills, a sense of accomplishment, and a commitment to their community. WANIC endorses, encourages, and supports leadership activities as part of training. In accordance with Washington State standards for vocational education, a leadership component shall be integrated into each program curriculum. This may be accomplished through Career and Technical Student Organizations (CTSO) such as Skills USA, HOSA, or through a locally developed leadership program, such as Explorers.

## Introduction

### Purpose

The Lake Washington School District's mission is that each student will graduate prepared to lead a rewarding, responsible life as a contributing member of our community and greater society. Furthermore, it is part of the mission of the District to provide a positive, harmonious environment in which diversity is respected and encouraged.

This student handbook is intended to provide all students, teachers, administrators, and parents with access to and an understanding of District expectations. These expectations help to reinforce the District's mission and the core values of a democratic society. They express the value of mutual human respect for each person that we expect to be manifested in the daily behaviors of students, staff, and volunteers

This handbook provides a summary of some of the laws, regulations and District policies that govern student rights, responsibilities, student discipline and due process. Specific policies are referenced by the policy letters (i.e, JF). The complete policies are available on the district website: [www.lwsd.org](http://www.lwsd.org).

### Student Rights and Responsibilities (JF)

We believe that for every right there is a responsibility. This responsibility includes the freedom to exercise individual rights in a manner that is not offensive or harmful to others. We trust that students will respectfully accept and adhere to the following:

Rights	Responsibilities
<ul style="list-style-type: none"> <li>• Students have the right to a safe environment free from intimidation, sexual harassment and assault.</li> <li>• Students have the right to a productive learning environment.</li> <li>• Students have the right to clean and safe classrooms, hallways, restrooms and lunchrooms.</li> <li>• Students have the right to safe passage to and from school, and while on campus.</li> <li>• Students have the right to expect staff to help them solve their problems.</li> <li>• Students have the right to engage in the grievance process.</li> <li>• Students have the right to remain anonymous when reporting a violation of school rules.</li> <li>• Students have the right to engage in respectful speech that expresses their thoughts and opinions as long as it is not disruptive to the educational environment.</li> <li>• Students have the right to actively participate in a problem-solving process in order to facilitate successful closure.</li> <li>• Students have the right to exercise freedom of expression as part of the instructional process. However, this right is subject to reasonable limits and may not be used to disrupt the educational environment or interfere with the rights of others.</li> </ul>	<ul style="list-style-type: none"> <li>• Students are responsible for their own behavior.</li> <li>• Students are responsible for respecting the property of other people and school property.</li> <li>• Students are responsible for attending school and all classes daily and on time.</li> <li>• Students are expected to exhibit conduct that is courteous, cooperative, and responsible, and that displays regard for the safety and welfare of others, including students, staff, and substitutes at school and at all school-related activities.</li> <li>• Students are responsible for being prepared for class (i.e. bringing appropriate and necessary materials and books to class on a daily basis).</li> <li>• Students are responsible for informing staff of behavior that may be harmful to an individual or themselves.</li> <li>• Students are expected to make a determined effort to learn.</li> <li>• Students are expected to follow the instructions of teachers and other school staff.</li> <li>• Students are expected to dress appropriately for school in ways that will not disrupt the learning environment or cause safety or health problems.</li> </ul>

## Attendance

### Absences & Excuses (JED, JED-R)

Regular school attendance is important for all students. Chronic or excessive absenteeism, whether excused or unexcused, has been correlated with lower assessment scores and lower graduation rates.

Students may be excused from school, with the consent of their parents/guardians, for medical and dental appointments and to accompany their parents/guardians on out-of-town trips. Additional absences consistent with WAC 392-400-325 will also be considered excused.

Parents or guardians should notify the school in person, by phone, or in writing/email within 48 hours of an absence if they wish to have the principal consider it as an excused absence.

Students who demonstrate chronic absenteeism or tardiness may be required to meet with school staff or the building principal to develop a plan to support the student's educational progress.

All students are expected to remain on campus for the entire school day. There are exceptions for high school students whose parents request that they be excused during lunch and students whose parents request attendance at another school or school-related activity during the school day.

### Truancy (JED, JED-R)

Under Washington state's truancy law RCW 28A.225.030, the school/district are required to take specific actions when students are truant.

- Parents will be notified in writing or by phone after **one unexcused** absence in a month.
- A parent conference will be initiated after **three unexcused** absences in a month in order to improve the student's attendance.
- The parent and school must enter into a contract to improve the student's attendance after **five unexcused** absences in a month, or the case may be referred to a Community Truancy Board,
- The school district may file truancy petitions with the juvenile court after **seven unexcused absences** in a month, or **ten unexcused absences** in an academic year.

## Discipline Process

### Discipline (JG, JG-R)

To support safe, nurturing and productive learning environments, Lake Washington School District encourages schools to take an instructive, restorative and corrective approach in regards to student behavior. The goals of these approaches are to:

- correct inappropriate or unacceptable behavior;
- assist students in developing empathy for others;
- accept responsibility for their actions;
- develop the capacity to improve their behavior; and
- repair the harm caused as a result of their behavior.

Schools are encouraged to establish clear expectations for student behavior and methods for supporting students' ability to meet these expectations. When appropriate, schools may identify additional learning opportunities, which may support students' ability to meet expectations through a multi-tiered system of support.

When appropriate, schools are encouraged to support students in understanding harm that has been caused through a student's action, whether intentional or unintentional, and identifying the needs of the students involved. Efforts will be taken to both encourage accountability and responsibility by the author of those actions as well as to reintegrate all students into the school or classroom community. This approach may be supported by the use of restorative contracts, impromptu conferences, restorative circles, or formal conferences.

In those instances when discipline is needed, schools may consider both the severity and frequency of the behavior when determining which corrective action is most appropriate.

In the Exceptional Misconduct and Other Misconduct Codes, consequences are divided into three categories:

- **Minor/Initial** – The impact of the student's behavior is limited or minimal and/or this is the first such instance of this behavior by the student.
- **Moderate/Repeated** – The impact of the student's behavior has a broader or more disruptive impact and/or this is behavior that has previously been addressed with the student.
- **Severe/Persistent** – The impact of the student's behavior has a widespread or more significant disruptive impact and/or this is behavior that has not changed after multiple times of addressing it with the student.

Lake Washington School District reserves the right to immediately suspend or expel a student where exceptional misconduct is involved (i.e., conduct that is so frequent or serious in nature, in terms of the disruptive effect on the operation of the school, as to warrant an immediate suspension or expulsion). This may also apply to students who have committed serious violations or acts in the community and may pose a continuing threat of substantial disruption to other students at school.

The school's jurisdiction and authority include student conduct to and from school, at school, at bus stops, on busses, and at any school-sponsored activity. Also included in the school's jurisdiction is any off-campus student speech or activity that school authorities have reason to believe will have a disruptive effect upon the operation or the learning environment of the school or impinge on the rights of other students or staff at school.

## General Guidelines

The District may administer suspensions and expulsions for behavioral violations. In responding to behavioral violations:

Parents should be involved early in efforts to support students in meeting behavioral expectations and resolving behavioral violations.

The student's individual circumstances and the nature and circumstances of the behavioral violation must be considered to determine whether the suspension or expulsion, and the length of the exclusion, is warranted.

Students must be provided an opportunity to receive educational services during a suspension or expulsion and should not be prevented from completing subject, grade-level, or graduation requirements as a result of discipline.

The principal or designee must report all suspensions and expulsions, and the behavioral violation that led to each suspension or expulsion, to the Superintendent or designee within twenty-four hours after the administration of the suspension or expulsion.

Reasonable efforts should be made to return the student to the student's regular educational setting as soon as possible and allow the student to petition for readmission at any time consistent with the section on readmission within this regulation.

Students may not be suspended or expelled from school for absences or tardiness.

Students may be denied admission to, or entry upon, real and personal property that is owned, leased, rented, or controlled by the district while under suspension or expulsion.

Students may return to their regular educational setting following the end date of the suspension or expulsion, unless an exception is made consistent with District policy.

Specific information regarding limitations and due process for student discipline can be found in District policy ([JG](#), [JG-R](#)).

## Definitions

**Discipline:** Any action taken by the District in response to a violation of behavioral expectations (D).

**Suspension:** Denial of right of attendance in response to a behavioral violation from any subject or class, or from any full schedule of subjects or classes. Short-term suspensions (STS) are for no more than ten consecutive school days. Long-term suspensions (LTS) exceed ten consecutive school days.

**Expulsion:** Denial of admission to the student's current school placement in response to a behavioral violation (E).

**Emergency Expulsion:** The removal of a student from school because the student's presence poses an immediate and continuing danger to other students or school personnel, or an immediate and continuing threat of material and substantial disruption of the educational process. An emergency expulsion (EE) may be imposed to allow administrators to fully investigate the situation and impose any appropriate disciplinary or corrective action.

**School Business Day:** Any calendar day, exclusive of Saturdays, Sundays, and federal and school holidays, on which the Office of the Superintendent is open to the public for the conduct of business.

## Student Searches ([JFG](#), [JFGA](#))

Administrators may make general searches of all student desks or storage areas without prior notice to students. An individual student, his/her property (including cell phones), locker, and vehicle parked on campus may be searched by school district employees if there is a reasonable, individualized suspicion the search is related to the discovery of contraband or other evidence of a student's violation of law or school conduct rules. Illegal items or other possessions reasonably determined to be a threat to the safety or security of others shall be seized by school authorities. Items that are used to disrupt or interfere with the educational process may be temporarily removed from a student's possession.

## Drug Scenting Dogs

The purpose behind inspections by dogs is to discourage students from bringing, keeping, and/or using illegal drugs or weapons of any kind on school grounds. RCW 28A.600.210 authorizes administration to invite drug-scenting dogs to conduct suspicionless searches of school-issued lockers and the contents of those lockers on school property in order to protect students from exposure to illegal drugs, weapons and contraband.

## Codes of Conduct

### Exceptional Misconduct (JFC-R)

Any conduct that materially and substantially interferes with the educational process is prohibited. However, the following infractions have been judged so serious in nature and/or so serious in terms of disruptive effect upon the operation of the school(s) that students may be subject to an emergency expulsion and/or suspension (short-term or long-term) for a first time offense. Because each situation is handled individually, administrators have the discretion to use other alternative forms of discipline if they so decide. This may include restitution for property damage or loss, and/or restitution to victims if appropriate. All of the following acts listed below in the summary chart are specifically prohibited on school grounds, on school-sponsored transportation (including authorized school bus stops), at school events off school grounds, or off-campus if such conduct causes disruption at school. Law enforcement may be informed.

## Athletic/Activities Code of Conduct

As members of a school team or WIAA sponsored activity that represents Lake Washington School District, students are expected to make a strong personal commitment to rules of training and conduct in order to maintain a strong, healthy body and represent their school in an exemplary fashion. To that end, the following rules apply to all students participating in interscholastic athletics/activities or attending a team-related activity such as out-of-season camps or tournaments. These rules will apply at all times throughout the school year, which is defined as beginning with fall tryouts to the last day of school, and includes any summer team-related activities. They will remain in effect for one calendar year from date of signature.

### **Illegal Controlled Substances, Alcohol, Legend drugs and Controlled Substances**

Penalties for the possession, use or sale of legend drugs (drugs obtained through prescription, RCW 69.41.020-050) and controlled substances (RCW 69.50) shall be as follows:

**1st Violation:** A participant in possession and/or use of a controlled substance, and/or "legend drugs" including anabolic steroids, or alcoholic beverages shall be immediately ineligible for interscholastic competition in the current interscholastic sports program for the remainder of the season. This also includes attending and/or remaining at an event where it is reasonably known by those present that consumption any of the above mentioned substances by a minor(s) occurs. In this situation it is the responsibility of the student-athlete or student involved in the activities noted above to remove him/herself beyond all reasonable doubt and proximity from the situation. Ineligibility for possession or use shall continue into the next sports season in which the participant wishes to participate. In order to be eligible to participate in the next interscholastic sports season, the student athlete will meet with the school authorities. The school principal shall have the final authority as to the student athlete's participation in the interscholastic sports program. A participant who seeks and/or receives help for a problem with use of legend drugs (RCW 69.41.010 identified substances) or controlled substances and controlled substance analogs (RCW 69.50.101 identified substances) will be given the opportunity for assistance through the school and/or community agencies. In no instance shall participation in a school and/or community approved assistance program excuse a student athlete from subsequent compliance with this regulation. However, successful use of such an opportunity or compliance with athletic code by the student athlete may allow him/her to have eligibility re-instated in the athletic program, after a minimum two-week suspension from competition and pending a recommendation by the school eligibility authority. Athletes may attend practices with Principal/Athletic Director approval but may not attend contests during the suspension period.

**2nd Violation:** A participant who again violates any provision of RCW 69.41.020 through 69.41.050 or of RCW 69.50 will be ineligible for interscholastic competition for a period of one (1) calendar year from the date of the second violation.

**3rd Violation:** A participant who violates for a third time RCW 69.41.0202 - 69.41.050 or of RCW 69.50 will be permanently ineligible for interscholastic competition.

Sale and/or distribution - per Lake Washington School District Policy, the sale and/or distribution of alcohol, or prescription or non-prescription drugs will result in the student automatically being placed on Step #2 of the Athletic/Activity Code.

### **Tobacco Products, Chemicals or Devices (e-cigarettes, vaporizers, cigarettes, chew, etc.)**

**1st Violation:** The possession and/or use of tobacco products or chemicals, devices (e.g., e-cigarettes, electronic hookahs, vaporizers, etc.), or any other product that has a similar flavor or physical effect of nicotine substances will result in: 1. The student will be suspended for a minimum of one week of competition. 2. The attendance of a cessation class will be mandatory.

**2nd Violation:** 1. The student will be suspended for 10 weeks of competition. If there is not 10 weeks left in the current season the suspension will carry over to the next competitive season in which they are a returning athlete. 2. Before an athlete can again represent Lake Washington School District in athletics they must provide evidence of successfully completing a nicotine treatment program and proof that they have discontinued the use of tobacco products.

**3rd Violation:** A student athlete who violates for a third time will be permanently prohibited from participating in any WIAA member school athletic program or activity.

### **Conduct Rules**

Students who commit unlawful acts or engage in delinquent behavior may be subject to disciplinary action up to and including suspension from the team. All Lake Washington School District athletes are expected to adhere to all Lake Washington School District policies as explained in each school's Student/Parent Handbook. In addition to these general rules, coaches may establish other team expectations specific to their program.

### **Hazing Rituals**

Hazing will not be tolerated in any form and is never to be part of our program. Acts of hazing can escalate to the point that the students participating are at risk. It is also quite possible that many acts of hazing will result in legal action being taken against the coach, advisor, student group leader, administration or the school district.

Any student who participates willingly in a hazing ritual is subject to disciplinary action, including suspension from school or the team or both, and possible legal action dependent on the severity of the incident.

Any student-athlete who observes and does not attempt to stop or report such a violation can also be subject to disciplinary action by the school. Repeated acts of hazing can result in further school action and permanent suspension from athletics.

Initiation ceremonies and rituals are different from hazing rituals as they are positive, open, and public events. Initiation ceremonies welcome new members to a team or group, promote bonding and orientation to the purpose, culture, and expectations of the team or group. The coach, advisor and parents are informed of the ceremony and invited to participate.

**Parents/guardians who wish to contest discipline may submit a grievance to the school principal for an informal conference.**

## Technology Code of Conduct (IIAB-R)

Lake Washington School District provides a wide range of technology resources to its students and staff for the purpose of advancing the educational mission of the District. As users of District computers, students are expected to review and understand Appropriate Use Procedures (AUP).

As a condition of connecting personal equipment to the district's networks, the district reserves the right to gain access to the device for analysis to resolve any identified issues or threats.

1. Exercise good judgment and respect District property by demonstrating responsible use of technology.	2. Be a good digital citizen.

## Bus Conduct (JFCC)

Lake Washington School District's school bus conduct policy and rules are in accordance with Washington State WAC's and RCW's, all of which will be enforced whether or not they are included in the following regulations. These regulations are designed to assure every student safe transportation to and from school and school-sponsored activities. Violation of these rules may be sufficient reason to discontinue bus-riding privileges for the student involved, and in certain cases could cause suspension from school.

Rules for passengers' conduct on school buses will be made available to each student at the beginning of each school year. These rules will also be posted in each bus. These rules and procedures also apply to students who ride charter buses or other contracted transportation provided by the school district. Safety may be compromised if the driver becomes distracted by students who violate the rules.

The bus driver has authority and responsibility for the behavior of passengers using school district transportation. Teachers, coaches, other certified staff members, or chaperones assigned to accompany students on buses have primary responsibility for the behavior of students in charge. However the bus driver shall have final authority and responsibility.

### Corrective Action for Infractions of Established Bus Rules

Student misconduct on the bus or at the bus stop is sufficient reason to discontinue bus transportation privileges to those students involved. Infractions accumulate for the duration of the school year and range from warnings, detentions, and parent/guardian conferences to short-term suspensions or long-term suspensions from riding the bus. Serious infractions may result in immediate suspension of bus-riding privileges for the balance of the school year.

Suspensions will begin at the beginning of the next school day after the misconduct occurred. In other words, the student transported to school may be returned to his regular stop. Students may resume their bus riding privileges as soon as all disciplinary obligations have been met.

### Grievance

Parents/guardians who wish to contest a suspension may submit a grievance to the school principal for an informal conference.

#### Safety expectations at the bus stop

- Arrive at the bus stop five minutes before the scheduled bus time.
- Do not stand or play on the roadway while waiting for the bus.
- Wait to board the bus in an orderly manner.
- Respect private property while waiting for the bus.

#### Safety expectations while riding the bus

- Cooperate with and obey the driver at all times.
- Be courteous, use no profane language—spoken, written, or gestured.
- Elementary and middle school students need to ride their assigned bus and get off at their assigned stop, unless they have a bus pass signed by the school (certain routes may not allow bus passes based on available seating).
- Keep their head, hands, feet, and belongings inside the bus at all times.
- Only consume food or beverage if the driver has given permission to do so.
- Windows may be opened six inches; however, close the windows if the driver asks that windows remain closed.
- Do not bring animals onto the bus (service-animals excepted).
- Keep belongings (backpacks) out of the aisle.
- Remain seated while the bus is starting, stopping, or otherwise in motion.
- If assigned a specific seat by the driver, sit in that seat at all times.
- Enter and exit the bus safely, crossing only in front of the bus and only with the consent of the driver.

Note: Exceptional Misconduct and Other Forms of Misconduct as identified early in this handbook apply to conduct on buses and at bus stops.

## Corrective Action for Students Enrolled in Special Education

Discipline for students enrolled in special education will be consistent with the Individuals with Disabilities Act (IDEA). Students with disabilities can be disciplined for misconduct while being transported. A disabled student can be suspended for up to 10 cumulative days a year without a change in placement. The district is required to provide some form of transportation unless the student is a danger to himself or others.

A meeting may be called with the principal and parents/guardians to discuss the incident and determine corrective measures. If the incident presented an immediate danger to the student or others, alternative transportation and/or suspension may be possible. If the behavior continues, additional meetings may be held with the principal, special education services and parents/guardians. The IEP may be reviewed and updated. Suspension (up to 5 days) of transportation services, change of bus route, and assignment of a monitor, alternative transportation, and counseling may be considered as action required.

In the event of multiple infractions, a meeting will be held by the principal with the transportation department representatives, special education services, and the parents/guardians. If the student has been suspended a total of 10 days from regular transportation services, alternative transportation services should be reviewed. If there is a change in placement, the student is allowed another 10 days cumulative suspension from transportation services.

## Special Education and Preschool Drop-Off Procedure

A parent or guardian must be present when special education and preschool students are dropped off. Parents are to provide the driver with a list of adults approved to receive their student. Exception: with written approval by the parent and school, a special education student may be dropped off without an adult present.

## Securing of Special Education and Preschool Students

If a student is required to be secured in the bus, it is the parents/guardians responsibility to load and secure their student going to school and to unsecure and unload their student when arriving at home.

## Emergency Evacuations

Every child who rides a school bus should know what to do should it ever become necessary to evacuate the bus quickly and safely. Usually, students remain on the bus during an emergency; however, the bus will be evacuated in the event of fire/danger of fire or in the event the bus is stopped in an unsafe position, such as on or adjacent to railroad tracks. Students will participate in emergency evacuation drills within the first six weeks of each semester with a verbal review by the driver between drills. Students who are unable to participate in the emergency exit drill will receive oral instructions on how to exit.

Visit the district's [Transportation](#) web page for more information.

## Prohibition of Discrimination and Harassment

### Human Dignity (ACA)

- The conduct substantially interferes with a student's educational performance, or creates an intimidating or hostile educational or employment environment.

**Examples of Sexual Harassment:**

- Pressuring a person for sexual favors
- Unwelcome touching of a sexual nature
- Writing graffiti of a sexual nature
- Distributing sexually explicit texts, emails, or pictures
- Making sexual jokes, rumors, or suggestive remarks
- Physical violence, including rape and sexual assault

## **Harassment, Intimidation and Bullying (JFD, JFD-R)**

All students have the right to learn in an environment that is free from harassment, intimidation, or bullying. Harassment, intimidation, or bullying means any intentionally written message or image (including those that are electronically transmitted) or verbal or physical act, including but not limited to one shown to be motivated by race, color, religion, creed, ancestry, national origin, sex, gender, sexual orientation, including gender expression or identity, marital status, age, mental or physical disability or other distinguishing characteristics, honorably discharged veteran or military status, or the use of a trained guide dog or service animal by a person with a disability, when an act:

- Physically harms a student or damages the student's property.
- Has the effect of substantially interfering with a student's education.
- Is so severe, persistent or pervasive that it creates an intimidating or threatening educational environment.
- Has the effect of substantially disrupting the orderly operation of the school.

Harassment, intimidation, or bullying can take many forms including, but not limited to, slurs, rumors, "put-downs," jokes, innuendoes, demeaning comments, drawings, cartoons, pranks, gestures, physical attacks, threats, or other written, oral, physical, or electronically transmitted messages or images.

**You can report harassment, intimidation or bullying** to any school staff member, the school principal, or to the district's Compliance Officer (Director of Student Services, 425-936-1225, [StopBullying@lwsd.org](mailto:StopBullying@lwsd.org)). You also have the right to file a complaint. For a copy of the district's harassment, intimidation or bullying policy and procedure, contact the school or the district office, or view it online <http://www.lwsd.org/about-us/policy-and-regulations/harassment-intimidation-and-bullying-of-students-jfd>.

## **Prohibited Items**

### **Alcohol, Drug and Tobacco (IGAG, JFCH)**

According to the Drug-Free Schools and Communities Act, schools must be totally free of unlawful drugs or alcohol. No one is allowed to possess, transfer, sell, use, solicit, or distribute tobacco, drugs, or alcohol while at school or while taking part in any school sponsored events or activity. Drugs include inhalants, prescription drugs beyond a daily dose, over the counter drugs in quantities or mixtures that are suspect and capable of causing serious harm, or any illegal or other substance representative as such.

### **Dangerous Weapons (JFCJ)**

The safety of students and staff in our schools is paramount. As such, it is a violation of district policy and state law for any person to carry a firearm or dangerous weapon on school district premises, school-provided transportation or areas of other facilities being used exclusively for school activities.

Weapons prohibited by this policy include firearms, as defined under federal and state law, explosives, items capable of causing bodily harm, and objects, including toy weapons or look-alikes, that appear to be weapons or that can be used to cause bodily harm, regardless of size. Dangerous weapons are defined by state law as firearms, sling shots, sand clubs, stun guns, metal knuckles, certain knives, "nun-chu-ka" sticks, "throwing stars," and air guns, including BB guns and paintball guns. Weapons apparently capable of producing bodily harm are also prohibited as defined in RCW 9.41.270 as now or hereafter amended. Laser pointing/projecting devices are also prohibited for student use or possession.

Fake weapons or props for District-approved activities such as school plays or assemblies, approved presentations or military displays, and starter pistols used for sports activities, are permitted with prior approval of the building principal. The fake weapons or props may not be capable of firing any projectiles, must be under the control or supervision of the adult activity sponsor, and must be locked up when not in use for the activity.

Under RCW 9.91.160, it is unlawful and a violation of this policy for a person under eighteen years of age, unless the person is at least fourteen years old and has with written parental or

guardian permission, to possess personal protection spray devices on school district property. Providing or transferring a personal protection spray device to someone who is prohibited from possessing such a device is also a violation of this policy. Any use of a personal protection spray device must be consistent with RCW 9A.16.020.

Any student found to have in his or her possession, or in his or her desk or locker, or on school district premises, any dangerous weapon or replica of a dangerous weapon defined in RCW 9.41.270 may be subject to parent notification, police contact, suspension, emergency expulsion or expulsion. In instances involving a firearm, students will be subject to a one-year expulsion.

## Other Policies

### Health Room/Medication (JHCD, JHCD-R)

District nurses are assigned to multiple schools and are not assigned to a specific campus. If a student feels ill during the school day, the teacher may give permission for the student to go to the office. The secretary or trained volunteer will take the student's temperature. If the student's temperature is 100 degrees or higher, the parent will be called to arrange transportation home. If a student does not have a temperature but feels seriously ill, the parent will also be called to arrange transportation home.

Parents should inform the school on the Nurse Alert form if their child has a serious/life threatening health condition. Some examples of life threatening health conditions are diabetes, seizures, severe allergies, asthma and/or a cardiac condition. This list is not all inclusive.

The Lake Washington School District's medication policy states that medication will be administered between 11:00 a.m. and 1:00 p.m. daily. Exceptions require nursing approval. Medications that are given three times a day (antibiotics) should be given at home in the morning, afternoon, and evening. Students may not medicate themselves unless the health care provider indicates that they may do so. This must be documented on the student's medication order. Should medication need to be administered at school, parents must have their child's health care provider sign the Lake Washington School District medication form (#4023), provide a separate prescription pharmacy bottle labeled by the pharmacist (handwritten labels will not be accepted); and bring the pharmacy bottle with the exact amount of medication needed for the designated time period (no more than one month at a time) to school. The parent must pick up any unused medication by the last day of school.

### Child Find (IGB-R)

Child Find is a federal requirement for the purpose of locating, evaluating, and identifying students age birth to 21 years with a suspected disability who reside within the boundaries of Lake Washington School District and are currently not receiving special education services. Child Find services are conducted throughout the year in Lake Washington School District

through the guidance team process. If you or your parents have concerns about your language/communication skills, motor skills, intellectual, social, emotional, and/or physical skills, please contact the school and ask for the special education teacher, school psychologist, or other guidance team member. You may also call the Special Services main office at 425-936-1201 or the District Child Find office at 425-936-2760 to request Child Find information.

### Enrollment/Inter-District Transfer Agreements and In-District Variances (JC, JC-R, JECB, JECBC)

Students in Washington state may apply for an Inter-District Transfer Agreement to attend a school in a different school district or may apply for an In-District Variance for attendance in another, non-resident school within the Lake Washington School District. Both Inter-District Transfer Agreements and In-District Variances are determined on a space-available basis. Refer to our school district website for timelines and processes.

### Student Records/Family Educational Rights and Privacy Act (JO)

The Lake Washington School District is required to protect families from unauthorized release of certain information about its students. However, directory information may be released without permission of parents unless parents register their objection prior to September 15 of each school year.

Directory information is routinely used by the District in news releases, school event programs, and student directories. Such information is also released for the purposes of providing educational, scholarship, vocational/occupational, and/or military information (or to the news media or law enforcement). This information will not be released for commercial purposes. For more information, consult the Parent Information Booklet distributed at the beginning of the school year.
