New Store Concept

THIS UNIQUE STARBUCKS, located in growing neighborhood of White Center, is part of the company’s initiative to have “Community” at its core by investing in underserved communities across the U.S. and creating local jobs by partnering with area nonprofit organizations to provide in-store job-skills training.

The White Center location emphasizes its message of inclusion through the incorporation of garage doors which open up to show the community their open door policy.

Employment Growth

SEATTLE HAS REMAINED ONE OF THE MOST RESILIENT CITIES due to its diverse industries. The Port of Seattle was ranked the 6th business seaport in the US, playing a key role in bringing international trade, transportation and travel to the Pacific Northwest.

AS THE HOME OF MICROSOFT AND AMAZON, Seattle accounts for over 20% of the nation's software publishing employment. Healthcare employment is projected to continue to grow dramatically and Seattle has the 5th largest biotechnology Research and Development alliance between the University of Washington and the Fred Hutchinson Cancer Research Center. In addition, Puget Sound is one of the capitals of aerospace and computing, with Boeing as an industry leader and one of the largest employers.
