INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To the Board of Directors
Young Voices
Washington, DC 20009

We have reviewed the accompanying financial statements of Young Voices (a nonprofit organization), which comprise the statement of financial position as of May 31, 2018, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

NOTE 1 – ORGANIZATION & SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization & Nature of Entity

Young Voices, a 501 (c) 3 not for profit organization, was formed by “Students For Liberty” and registered in 2013 according to the laws of Washington, DC. It was incorporated as a not-for profit Corporation in 2016. The primary mission of this not-for-profit entity is to identify and empower the next generation of libertarian change makers in journalism, policy and academia. They achieve this mission by providing writing training, editing and media placement services to aspiring change makers under 30.

Basis of Accounting & Presentation

Accounting for Young Voices is done according to the Accrual basis of Accounting as it applies to Not-for-profit organizations. This is a basis of Accounting that is in accordance with generally accepted accounting principles in the United States of America. Under this method, revenue is recognized when earned and expenses are recognized when the related obligation is incurred.

Restricted and Unrestricted support, Revenue and Net Assets

In accordance with GAAP, Young Voices reports its net assets and activities as unrestricted, temporarily restricted or permanently restricted, depending on the existence and/or nature of any external restrictions.

Support received and revenue earned without any restrictions imposed by external sources is reported as an increase to unrestricted net assets that are available to Young Voices for day-to-day activities. Donor restricted contributions whose restrictions are met in the same reporting period are classified as unrestricted.

Support received that is restricted either by use or time is reported as an increase in temporarily restricted net assets. When a donor restriction expires (i.e. time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as support released from restrictions.

Permanently restricted net assets represent contributions that the donor has stipulated be held in perpetuity. Unconditional promises to give are recognized as revenue or gains in the period received and as assets, decreases of liabilities or expenses depending on the form of benefits received. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promise becomes unconditional.
