

Welcome to Boston

As you probably already know, Boston is one of America's most historic cities. There's the Old North Church, the USS Constitution, the cobblestone streets of Beacon Hill, and more. Beyond Boston you'll find Lexington, Concord, Plymouth, Salem, Cape Cod, and the Islands.

Boston is also known as "America's Walking City." There's a small town feel to it, best experienced either on foot or by using the excellent public transportation system, the "T." You can also take a "Hop-On Hop-Off" trolley tour to see the sites at your own pace. And if you are venturing to attractions beyond city limits, Enterprise Rental Car offers a special deal for Go Boston Card customers!

We at Smart Destinations want to help you get the most out of your visit to Boston, no matter what your interests are. In the pages to follow, you will discover all there is to see and do, as well as the best way to explore. Enjoy your stay!

Getting Around Boston and Beyond

Boston is a manageable city to navigate. It's compact, easily walkable, has an accessible public transportation system, and an abundance of taxis. Driving downtown can be a challenge with difficult to navigate roads and limited parking options, but is the most convenient option for travel outside of Boston Proper.

Walking & Biking

Walking is a great way to explore Boston. This guidebook sorts attractions by neighborhood so planning your sightseeing route is easy. Additionally, Boston is extremely bike friendly with well-kept paths and lock up stations.

Tip: Urban AdvenTours bike rentals are included with the Go Boston Card and include a helmet, lock, and a map with popular routes!

Public Transportation

Boston's public transportation system called the MBTA, or the "T", is a fast and reliable way to get around Boston, Cambridge, and surrounding areas. The MBTA consists of buses, subway trains, and the Commuter Rail which services select destinations outside of the city. The frequency of use and length of your stay will help determine which pass makes the most sense for you.

Tips: Download the MBTA's trip planner apps such as Embark Boston T - MBTA and Catch the Bus for real-time trip planning and helpful navigation tools. And if you're travelling to Salem, consider taking the Salem Ferry, which conveniently departs from the Boston waterfront from May–October.

Taxis

Taxis operate outside of MBTA operating hours and are widely available and easy to flag down.

Parking

Depending on where and when you're looking to park in Boston, securing a spot can be difficult. Most downtown street parking is metered with time limits and restrictions that are strictly enforced. Parking garages are easy to find, but can be pricey.

Tip: LAZ Parking Garage at 33 Arch Street is convenient to downtown and waterfront attractions and offers a 20% discount to Go Boston Card holders!

Bonus Attractions

3, 5, or 7-day Go Boston Cards include a choice of **ONE** of the attractions below.

Your Bonus Attraction must be used on a valid day of the card. If the Bonus Attraction is your first stop on the trip, your card will be activated when you redeem the Bonus (just like any other attraction).

Frequently Asked Questions

Important Things You Need To Know About Your Go Boston Card.

While our guidebooks are accurate at time of printing, attractions may change their hours of operation at any time. It's a good idea to call before you go.

Q: How does the Bonus work?

A: An additional "bonus" attraction option is included only on 3, 5, & 7 day cards. You are entitled to one free admission to one of the eligible bonus attractions. The bonus attraction must be visited on one of the days that you are using your card - it is not an extra day. Refer to the specific attraction page for reservation details. Bonus choices include a Boston Duck Tour, a Scenic Motorcoach Tour (choice of 3), a New England Aquarium Whale Watch by Boston Harbor Cruises, and a ticket to select Boston Red Sox games with VIP early park access.

Q: If I have a 1-day card, may I still use the card for the 2-day trolley pass?

A: Yes, a 2-day trolley ticket is included with your Go Boston Card, regardless of the number of Go Card "days" purchased. It is important to know that picking up your trolley ticket will activate your Go Boston Card, so be sure to pick up your trolley ticket on the day that you plan to visit attractions.

Q: Do I need to pick up my trolley ticket at a specific location or can I board anywhere with my card?

A: **You must pick up your trolley ticket prior to boarding the Beantown Trolley.** Show your Go Boston Card at one of three convenient locations:

T City Place: Green Line to Boylston Street stop. Upon exit, take a right on Boylston Street. Make a left on Charles Street. The entrance to City Place is just after P.F. Changs on your left. (see page 20 for details)

T Waterfront:
Blue Line to Aquarium T stop. **Seasonal**

T Shops at the Prudential Center:
