

California Medical Group and Urgent Care Information

Committed to keeping you informed, UnitedHealthcare is providing you with a list of Independent Practice Association (IPA) and Primary Medical Group (PMG) links which will direct you to your assigned IPA/PMG website.

Notice to Members

Please be advised that you should contact your Primary Care Physician (PCP) prior to seeking 'Urgent Care' services. If your condition is life threatening, please proceed directly to your nearest Emergency Room Facility.

Please note that some IPAs/PMG's websites may not have Urgent Care information readily available for you. In that case, please contact your IPA/PMG's phone number listed on your Member ID Card.
