## Truth-In-Savings Disclosure

Except as specifically described, the following disclosures apply to all of the accounts.

1. Rate Information. The Dividend Rate and Annual Percentage Yield on your accounts are set forth in the Rate \& Fee Schedule. The Annual Percentage Yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the Dividend Rate and frequency of compounding for an annual period. For all dividend bearing accounts the Dividend Rate and Annual Percentage Yield may change monthly as determined by the Board of Directors. For tiered rate accounts, the Dividend Rate and Annual Percentage Yield applicable to the account will be based on a balance rate set forth in the Rate \& Fee Schedule. Once a balance range is met, the Dividend Rate for that balance will apply to the entire balance.
2. Nature of Dividends. Dividends are paid from current income and available earnings after required transfers to reserves at the end of a dividend period. The Dividend Rate and Annual Percentage Yield shown in the Rate \& Fee Schedule are the prospective rates the Credit Union anticipates paying for the dividend period.
3. Compounding and Crediting. For dividend bearing accounts, dividends will be compounded and credited monthly. The Dividend Period begins on the first calendar day of the month and ends on the last calendar day of the month.
4. Accrual of Dividends. Dividends will begin to accrue on cash and non-cash (e.g. checks) deposits on the business day you make the deposit to your account.
5. Balance Information. The minimum balance required to open each account is set forth in the Rate \& Fee Schedule. The minimum required balance to avoid a service fee or obtain the stated Annual Percentage Yield is set forth in the Rate \& Fee Schedule. On any day the minimum balance is not met, dividends will not be paid or a monthly service fee will be imposed, as applicable. Dividends are calculated by the daily balance method which applies a daily periodic rate to the principal in the account each day 6. Account Limitations. Pre-authorized electronic funds transfers, online bill payment, and bill payments from a Savings account, Simple Savings account, or Money Market account may be limited to a total of six (6) in any one calendar month. For Investor Account and Investor Account Plus, you may make up to 3 withdrawals.

The rates appearing in this Schedule are accurate and effective for Savings and Checking Accounts as of the date in the Rate \& Fee Schedule. If you have any questions or require current rate information on your accounts, please call the Credit Union.
