Quick Tips

Peaches

SELECTION:

- Choose peaches with a velvety texture, sweet aroma, and a golden or creamy orange color.
- Adequately ripened peaches should be soft to the touch when held in your hand.
- Avoid squeezing the peach with your fingertips because peaches bruise easily.
- In the produce section, peaches are seasonally fresh from May throughout October and can be found dried, canned, in fruit cups and cocktails, and in juices in the grocery sections.

STORAGE:

- Peaches ripen well at home at room temperature or by placing in a paper bag until softened.
- Rinse peaches with cold water before eating. Peach skins contain high concentrations of vitamins and minerals and the skins can be eaten along with the fruit to gain the maximum nutritional benefits.
- Sliced, fresh peaches brown easily. To avoid browning caused by natural ferric oxidation, rinse fresh-cut peaches with a one-to-one ratio of water and lemon juice.

NUTRITION/HEALTH/WELLNESS:

- High in fiber and low in calories, peaches are nutrient dense in vitamins A and C and are a healthy source of minerals, including potassium, fluoride, and iron.
- Peaches contain only 60 calories per cup.
- Peaches are naturally cholesterol and sodium free.

FUN FACTS:

- The Peach State, the state of Georgia's nickname, annually bakes the largest peach cobbler in the world, measuring 11 feet by 5 feet.
- Botanically, peaches belong to the rose family and were first cultivated in China.
- Peach tree blossoms require honeybees to successfully pollinate and produce fruit.

Meat Case

Chicken Tacos with Peach Salsa

Ingredients: 4 servings

- Peach Salsa
- 2 tbsp. olive oil
- Zest of ½ lime
- 2 garlic cloves, minced
- 1 tsp. cumin
- 1 tsp. onion powder
- ¾ lb. boneless, skinless chicken thighs

Directions:

Chicken:

1. Preheat the grill to 400 degrees F.
2. Place the chicken thighs in a large bowl. Add the remaining ingredients. Toss, so that the chicken is well coated with the spices and oil.
3. Place the thighs on the preheated grill and allow them to grill for about 5 minutes. Flip them over and grill for an additional 5 minutes or until the meat thermometer reaches 165 degrees F.
4. Remove the thighs from the grill and let rest for 5 minutes.

Tacos:

Slice the thighs into strips and build the tacos by placing the chicken strips on the tortillas, and top with the peach salsa and additional cilantro (optional).

Produce Stand

Navy Chief's Bean Peach Salsa

Ingredients: 4 - 6 servings

- 1 (14-15 oz.) can low-sodium black or kidney beans, drained and rinsed
- 2 ripe peaches, cubed, skin and pits removed
- 1-2 diced jalapeños (depending on desired level of heat), seeds removed
- ¼ large red onion, diced
- ½ red bell pepper, diced
- Zest of one lime (optional)
- Juice of one lime
- 2 tsp. ground cumin
- 2 garlic cloves, minced
- 2 tbsp. fresh chopped cilantro (optional)
- 1 tbsp. olive oil
- Dash of salt

Directions:

1. Blend all the ingredients together in a medium-sized bowl.
2. Cover and let rest in the refrigerator for the flavors to blend for at least an hour.

Tips:

- Start out with just one jalapeño and assess the level of heat after the salsa has had a chance to blend for one hour. If desired, add additional jalapeños and let the flavors blend for an additional hour.
- Use this salsa to top your favorite piece of grilled meat, baked potato, or mixed greens salad. This is even a tasty topping for baked sweet potatoes.
- Serve the salsa alongside whole grain tortilla chips or as part of a Sunday brunch (egg burritos and cheese).
