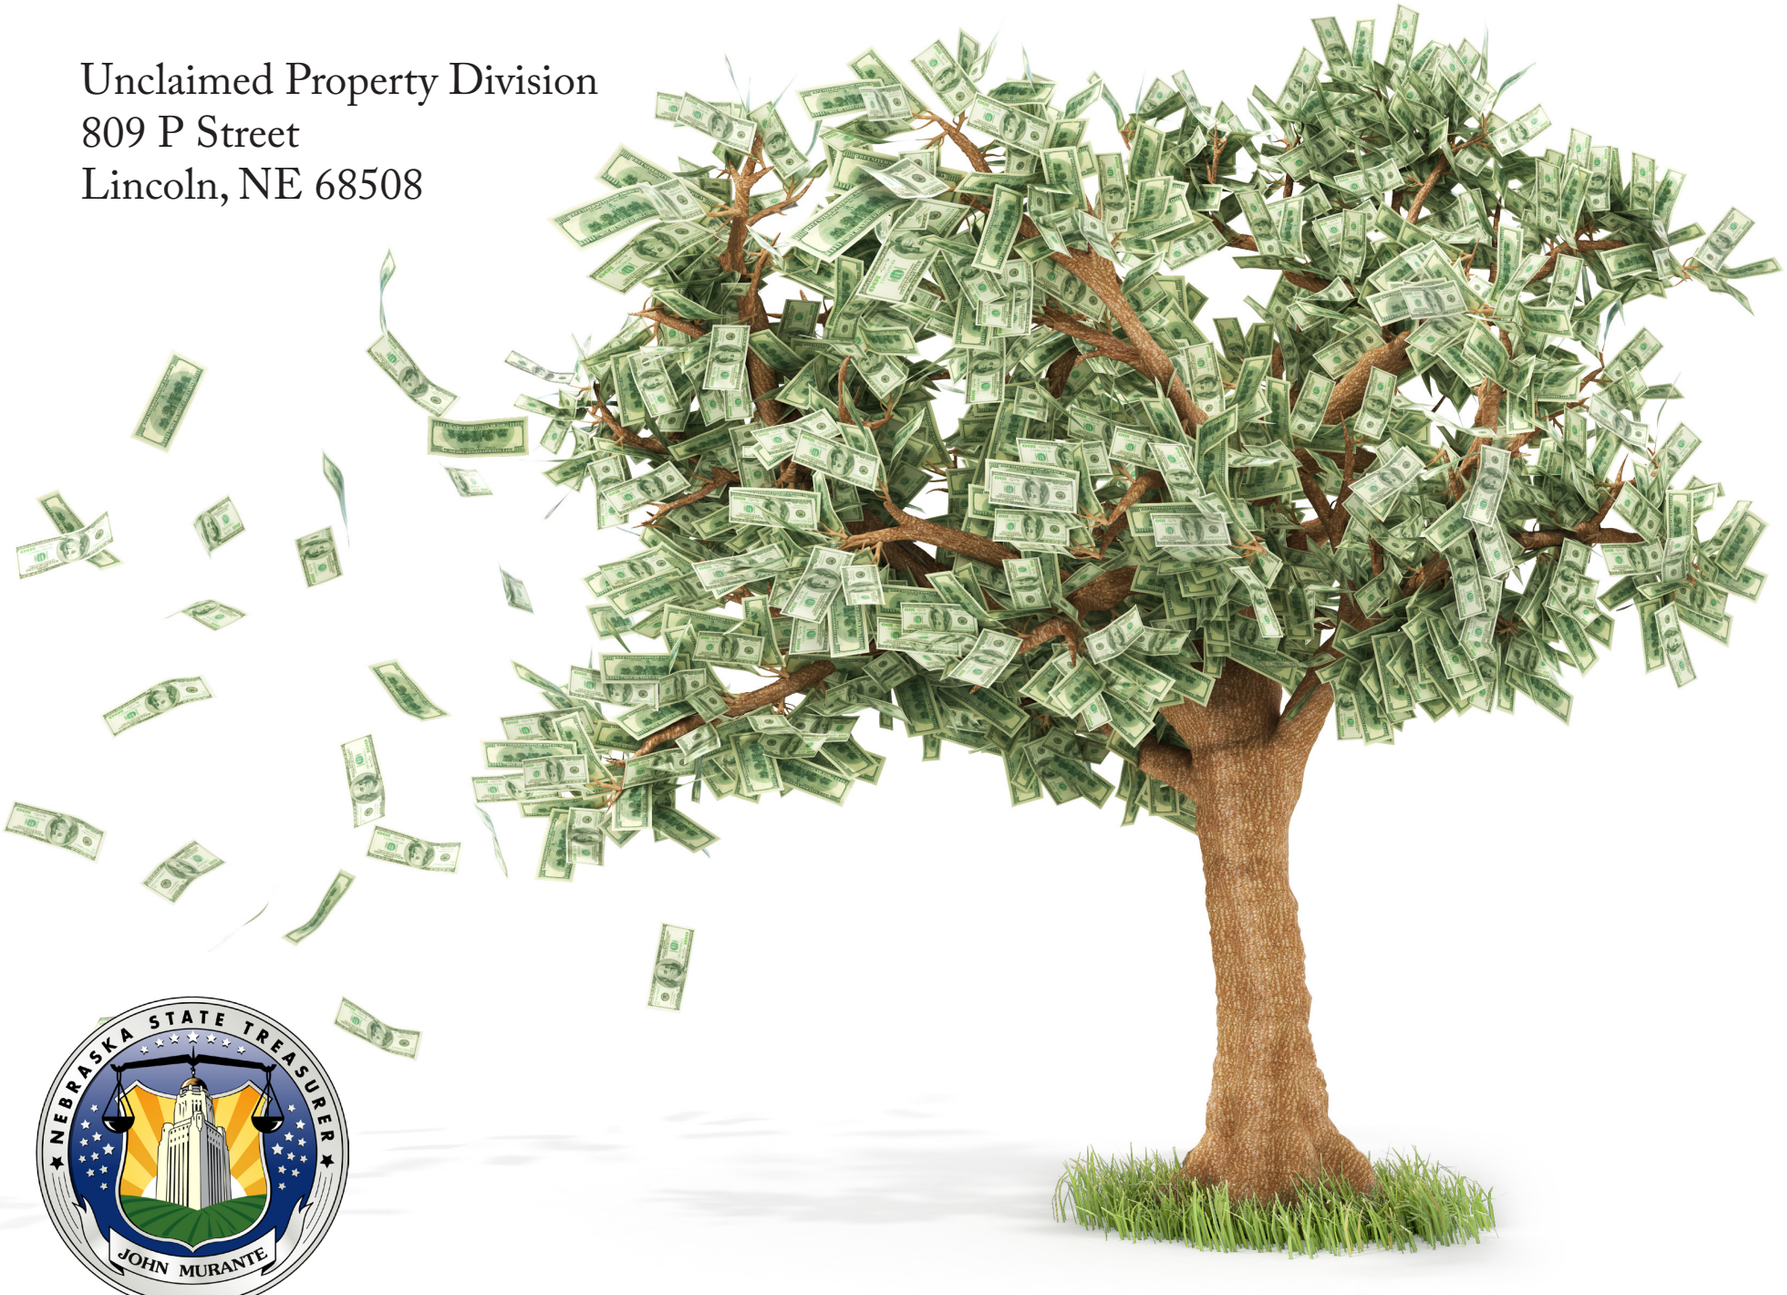
Unclaimed Property Division
809 P Street
Lincoln, NE 68508



Dear Nebraskans,

Thank you for your interest in the 2019 Unclaimed Property Report. Unclaimed property can come in many different shapes and sizes, from an uncashed paycheck to an inactive bank account or some other form of property that you may have waiting for you.

The 2019 Unclaimed Property Report lists all of the properties received in the last year of $25 or more. While this may seem impressive, our website is even more comprehensive. So when you are done looking through the pages of this publication, I encourage you to visit our website which is continually updated with new names.

In other words, I hope checking for your name isn't a one-time event for you or your family. You could be missing out!

If you find your name on these pages – or on our website – follow one of these easy steps to claim your money:

- Complete the claim form on this page and mail it to the Unclaimed Property Division, 809 P Street, Lincoln, NE 68508, making sure to provide required documentation.
- Call the Unclaimed Property Division at 402-471-8497 or toll free at 1-877-572-9688.
- Find your name on the State Treasurer's website treasurer.nebraska.gov. Simply type your name into one of the "Search for Unclaimed Property" fields on the home page and click "submit claim" next to your name when you find it listed.
- Stop by my office in room 2005 of the State Capitol or the Unclaimed Property Division offices at 809 P Street in Lincoln's Haymarket.

Good luck with your search. If you have success in finding unclaimed property and would like to share your story with us, please feel free to contact my Director of Communications at 402-471-2455. I would love to hear from you.

Sincerely,

John Murante
State Treasurer
