What should a teacher say and do when a student suffering from sexual identity confusion requests accommodations? Your genuine helpfulness begins with knowing the language and the shape of the issue. Join us as we traverse together this shifting terrain to gain a greater background and understanding of sexual identity. Your guides in this journey will provide you with a comprehensive view from these perspectives...

Psychological
Anthropological
Moral Theology
Sociological/Cultural
Pastoral

You will leave with the foundations for adequately responding as an educator in a Catholic school where charity and truth do not have to be at odds.
