Central University of Technology, Free State

## **Vision**

The vision of CUT is as follows:

By 2020, Central University of Technology, Free State shall be an engaged university that focuses on producing quality social and technological innovations in socio-economic developments, primarily in the Central region of South Africa.

## **Mission**

In aspiring to fulfil its vision, CUT:

- delivers high-quality, appropriate Science, Engineering and Technology (SET) academic programmes supported by applied research;
- engage with the community for mutually beneficial development;
- promotes access with success in attracting high-quality students, and support them to become employable graduates;
- attracts and retains expert staff, and support their development and well-being; and
- forges strategic partnership.

## **Core values**

Customer services

Integrity

Diversity

Innovation

Excellence

## FOREWORD BY THE REGISTRAR

It is my pleasure to extend a hearty word of welcome to all Central University of Technology, Free State (CUT) students to the 2020 academic year. You must have come here to pursue your goals, and the primary one, I assume, is to learn and finally graduate. Before you get me wrong, learning is not limited to reading. Your holistic personal development goes hand in hand with learning. This means you are encouraged to participate in educational, sporting and many other social activities at CUT. The golden rule, however, is maintaining a healthy balance.

I once saw an acronym: RACE. It is very appropriate and fitting for your circumstances as young people in pursuit of growth. **Respect** yourself, your family name, authority and all those with whom you will interact. At all times, display a positive **Attitude**. **Co-operate** with all those whom you will interact, be it in class, in residences, on the sports field or anywhere, but reserve your right to express your disagreement politely and without fear. **Excellence** in all your endeavors should be your driving force. Along with RACE, live according to the CUT values of customer service, integrity, diversity, innovation and excellence, in addition to your own family values. Remember, CUT is your home away from home.

Have a wonderful, productive and memorable time at CUT. When in doubt, please ask. We are here to serve you.

Kind regards

**DR N MRWETYANA**

## 1. Registration guidelines for the 2020 academic year

The registration procedures for the 2020 academic year have been reviewed by the Office of the Registrar in order to streamline various administrative processes. In an attempt to reduce the contact time, the registration dates are scheduled per academic qualification, linked to each day during the week.

The following academic administrative registration processes that have been identified for the forthcoming academic year:

1. International student compliance checkpoint;
2. Financial clearance;
3. Administration control;
4. Faculty administration;
5. iEnabler pin;
6. Online registration;
7. Issuing of student card, and residence and parking registration; and
8. Network registration.

## 2. Payment of tuition fees

Fees are determined by the CUT Council on annual basis, and are subject to revision without prior notice. At the time of registration, students undertake to pay all fees due on time, and in terms of the rules of the University. Students will only be permitted to enrol at the University if they have deposited the fees into the CUT's bank account. No cash will be accepted on campus by the University cashiers. All students must produce proof of payment of the amounts indicated in section 3 below.

## 3. Minimum initial payment upon registration

***Please note that information on the 2020 fee has not been finalised. All students will be informed as soon as this information has been concluded. For further information on the minimum initial payment and quotations, please call:***

- (051) 507-3760
- (051) 507-3759
- (051) 507-3758

***Students are also advised to visit the University's website timeously for updates on fee-related matters: [www.cut.ac.za](http://www.cut.ac.za)***

## 4. International student financial registration guide

### 4.1 Introduction

The rules around the acceptance of international students are legislated by the South African Home Affairs, thus the Central University of Technology, Free State, as an institution that exists within the ambits of South Africa and governed by the Higher Education Act has to comply with these. The guidelines given below seek to accommodate the international students, with the necessary study permits, that cannot afford to settle the cost of their studies for the year in full as stipulated by the CUT Policy on International Students.

### 4.2 The Process

#### 4.2.1 Normal Category

All international students (new entrants and returning) are required to pay 100% of the cost of their study for the year upon registration.

#### **4.2.2 Deviation from the normal category**

- i. Where an international student has applied for a concession to the normal process, a 50% of the cost of the study for the year will be required to be paid upon registration.
- ii. Where the international student cannot afford a deposit of 50% of the cost of study a reduced deposit to a minimum of R10, 000 can be negotiated.
- iii. All the above concessions (2.2i. & 2.2ii.) are to be supported by the following:-
  - a. An affidavit acknowledging the debt and committing to settle the debt by 30 June 2020 with clear monthly payments.
  - b. Where the international student has a South African Citizen as a guardian, in addition to the affidavit a debit order to be signed to service the debt, the last debit order should be no later than 30 June 2020.
- iv. The requests for concessions are to be submitted to the CFO's office for consideration.

#### **4.3 Conclusion**

The CFO's office will process the requests within two (2) days of receipt of submission and the outcomes will also be communicated on a daily basis.

**Ms D Ewertse**  
**Chief Financial Officer**

### **5. Banking details**

Approved methods of payment include:

1. cheques;
2. credit card (at University Cashiers); and
3. direct deposits/electronic funds transfers (EFTs) into CUT's bank account.
  - Using the listed beneficiary on the bank,
  - Creating your own beneficiary.

Deposit the application fee into the Central University of Technology, Free State's bank account. The deposit slip must accompany the application form.

**The no hassle no fuss way.**

## 6. Terms and conditions of account payments

The following conditions of payment are applicable:

### 6.1 Year students

Students who are enrolled for year learning programmes may be granted nine months to pay off their accounts (i.e. total registration fee for the year in equal instalments over nine months), extending from the end of February of the current year of registration until the end of October of the same year.

**The payment dates for year students are:**

- End of February (10 % of the total registration fee);
- End of March (20 % of the total registration fee);
- End of April (30 % of the total registration fee);
- End of May (40% of the total registration fee);
- End of June (50 % of the total registration fee);
- End of July (60 % of the total registration fee);
- End of August (70 % of the total registration fee);
- End of September (80 % of the total registration fee);
- End of October (90 % of the total registration fee);
- End of November (full and final settlement due).

## 6.2 Semester students

Students who are enrolled for semester learning programmes may be granted four months to pay off their accounts (i.e. total registration fee for the semester in equal instalments over four months), extending from the end of February of the current year of registration until the end of May of the same year.

**The payment dates for the first semester are:**

- End of February (25 % of the total registration fee);
- End of March (50 % of the total registration fee);
- End of April (75 % of the total registration fee);
- End of May (full and final settlement due).

*If the financial requirements as per the above-mentioned terms and conditions are not met, the student will not be able to proceed with registration. Students with a bursary or student loan will be required to produce an approved official letter from the donor/sponsor at the financial clearing desk, confirming the amount covered by the sponsorship for that year. The above-mentioned terms and conditions are only applicable to the individuals (students/parents/guardians) who are personally accountable/responsible for the payment of the student fees.*

## 7. Residence registration process

### **Registration guidelines for 2020 residence registrations**

#### **Residence applications**

**Only new first-year students** may still apply for residence accommodation in January 2020, if they are accepted to study at CUT. Submit the application form, together with proof of academic acceptance, to the Residence Life Office at CUT. If space is not available in a residence, your name will be placed on a waiting list.

#### **2020 residence registrations**

1. On the day of your arrival, get your Availability Form from the Warden, Assistant Residence Manager, or House Committee member on duty at the residence in which you were placed. Ensure that the form is completed in full (e.g. room number, dates, signatures, etc.).
2. Sort out your study- and residence-related finances in the **Artec Hall**. Submit the residence Availability Form, and get a stamp of approval, indicating that your residence-related finances are in order. Keep the form to register for residence accommodation after academic registration.
3. After academic registration, go to the Student Support Centre. Provide your proof of academic registration, as well as your stamped Availability Form, to register as a residence student.

#### **Minimum initial payment – residence**

Students who has been accepted for accommodation in the University's residences are required to pay the following minimum initial deposit. Kindly contact residence at 051 507 3157 for amounts.

## **11. National Benchmark Test (NBTs)**

### **11.1 What are NBTs?**

NBTs are assessments for first-year applicants to higher education institutions (HEIs) that were designed to measure a writer's ability to transfer his/her understanding of academic literacy, quantitative literacy, and mathematics to the demands of tertiary coursework.

There are two NBTs. The Academic and Quantitative Literacy (AQL) test combines academic literacy and quantitative literacy in one multiple-choice test. Each section comprises a total of three hours' writing time. The second test is the Mathematics (MAT), which also comprises multiple-choice questions and is three hours in duration.

### **11.2 How does CUT use NBT results?**

Although the NBTs address content typically taught in secondary school, they provide different and complementary information to the 'school-leaving' examinations. CUT uses the NBT results in addition to school academic performance and examination results for placement in development courses or ECP's, or to identifying other additional academic support that may be required by a student.

### **11.3 NBT requirements at CUT**

It should be noted that all new first-year students at CUT should have written the NBT prior to registration.

Applicants to all faculties should have written the AQL test.

Applicants to the Faculty of Health and Environmental Sciences, the Faculty of Engineering and IT, and some departments of the Faculty of Humanities should also have written the MAT test.

Costs for these tests are for the prospective students' account. Prospective students are advised to obtain information about the centres closest to their homes, as well as the dates on which these tests will be conducted. CUT will also serve as one of the centres at which the NBT will be conducted.

### **11.4 Important NBT-related information**

Applicants should register for a test date at least one month prior to a test date. Seats are limited at venues. If one does not register and pay for the test(s) in advance, one may not be allowed to write on the test date.

An applicant who writes AQL test pays R85.00, whilst an applicant who writes both the AQL and MAT tests pays R170.00. You need only write the test once, even if you are applying to more than one university. All universities to which you apply will be able to access your test results.

CUT applicants are advised to write the test between June and September.

For more details on the test(s), please visit the NBT website.
