USF Research & Innovation Sponsored Research Fact Sheet

ABOUT THE FACT SHEET

The Fact Sheet serves as a general resource for the USF research community. While Sponsored Research makes every effort to keep the Fact Sheet current, the majority of data is maintained centrally by other areas or external sources. Owners of the data/information are responsible for keeping their websites and associated documents current for users.

We also rely on users of the Fact Sheet to notify the contact person listed on the Fact Sheet when an update or change is needed. Kindly copy rsch-awards@usf.edu on any correspondence pertaining to updates or changes needed to the Fact Sheet so that we are aware of requests.

CLICK HERE  *for Video Tutorial*

The Fact Sheet consists of eight bookmarked sections, organized by the area responsible for maintaining the data/information. In most instances, a link is provided in the left column which brings you to the main website or the primary source of the information. The right column provides the contact information should you have questions or require additional information. The Fact Sheet also includes a Table of Contents with page numbers for easy reference. Click on any "Section" in the Table of Contents to go directly to that Section's page. If you require assistance navigating the Fact Sheet, or have difficulty finding the information you need, please contact rsch-awards@usf.edu or your [Sponsored Research Administrator](#).

Page 8 of the Fact Sheet provides links to the sources of the fringe rates as well as the actual rates to use for budgeting purposes for FY22. Rates are also built into the Sponsored Research **Budget Preparation Tool**. To view the rates, please see Page 8 of the Fact Sheet or the "Reference Tab" in the [Budget Preparation Tool](#).
