

# COLLEGE APPLICATION AND INFORMATION NIGHT

Welcome – Mr. Mark Bjorkman

Application Process/Requesting Materials/Scholarships - Mrs. Julie Kirk

Admissions Information - Mr. Barry Bradberry, Elon University

Dear Rising 12th Grade Parents/Guardians,

Senior year is quickly approaching for you and your student! The Fauquier High School Guidance Staff would like to offer some suggestions for the summer so you will find the rush of fall activities more bearable.

Please take the time to talk with your student about their wants/needs after high school. If it is college, make sure they have done their research (or at least started) and you might want to visit a few different colleges over the summer. Visiting a few public, private, large and small colleges might help to narrow down your search. If your student is not going to a traditional 2 or 4 year college/university, discuss with them their plan for after high school. It is of the utmost importance that everyone has a workable, realistic plan. The College Search engine at [www.collegeboard.org](http://www.collegeboard.org) is very helpful.

Make sure to take a look at the college websites, including the 2018–19 applications when they have been posted. It will be helpful to get an idea of what the essays look like. Those students considering trade schools will want to check out those websites to see what is expected of them before graduation.

Students should have already taken an SAT or ACT in the spring and might need to take a second test in the fall. The SAT will be offered at FHS on August 25th (regular registration deadline is July 27th) and the first ACT will be offered September 8th, also at FHS (regular registration deadline is August 3rd). Students planning on community college are encouraged to take these tests. They can be used in lieu of placement tests and they will be useful when transferring to a 4 year institution. Fee waivers are available for students on free/reduced lunch. Please have your student see a counselor to get a waiver if needed.

If your student is an athlete and wishes to pursue sports at a Division I or II college/university, they must register for the NCAA Clearinghouse. Go to [NCAA.org](http://NCAA.org) and click on the eligibility center link at the top. There is a one time fee. Eligibility waivers are available for students on free or reduced lunch.

We will hold an FHS Senior Student/Parent Information Night September 6<sup>th</sup> at 6:30 in the evening and the annual LFCC College Fair at Lord Fairfax Community College is scheduled for September 25th. Please mark your calendar, both events will be full of important information and wonderful guest speakers. We hope you will attend!

Have a wonderful summer. We look forward to seeing you in August!

Sincerely,

The FHS Guidance Department
